LOCAL NEWS.

Orphans' Court.

Present Judges, Nicholson, Shall Cross and Willson.

Letters of Administration on the personal estate of Anthony Smallwood, (colored) were granted unto Isaac James, who filed his bond in the penalty of two hundred dollars. Owen Connelly and E. S. Clothier were appomted to appraise the said estate, and the usual notice to creditors was ordered.

Henry Graves, admr. of Wm. Graves, returned a list of sales of the personal estate of said deceased.

Jas. R. Crew, admr. of Hanson Crew, returned his second admin. account.

James Robinson and Andrew Price were appointed to appraise the annual value of the real estate of Hanson Crew.

New Building.

C. H. Baker, Esq., is rebuilding on the site of the late conflagration. The house will be two stories, with back building, of a style very different from the old dwelling, and will no doubt be an ornament to that portion of the street. It is to be ready for occupancy by the first of January next. Mr. R. K. Pippin is the contractor and builder.

Middletown Fair.

By reference to our advertising columns this morning it will be seen that the Third Annual Fair of the Peninsula Agricultural and Pomological Association, will be held at Middletown, Del., on the 4th, 5th and 6th days of October next. Every exertion is being made to render it even more complete and attractive than last year's Fair. Read the advertisement in another column.

The Storm of Sunday Last.

This section, in common with other parts of the State, suffered severely from the storm of Sunday last. Trees were prostrated and torn up from the roots all over the county. Valuable shade and fruit trees were lost by many of our farmers: in cattle-sheds and fencing the loss is also heavy.

On Chester river the tide rose about six inches higher than it has been known to do for forty years. Chester river bridge was submerged throughout the greater part of its length, though strange to say, not a plank was floated off. Most of the cellars on Water street were filled with water, and there was considerable damage to wharf property along the river front.

The gale was the severest remembered by any of our citizens, though there has been no case of buildings blown down or lives lost, that we have heard of. Apple orchards have suffered severely.

The spire of our new M. E. Church had a fair test and stood firm as a rock.

The Sixth Annual Fair

Of the Kent County Agricultural Association will commence at the Fair Grounds, Worton Station, on Tuesday next, and promises to be decidedly the most successful exhibition the Association has ever held. The officers have had considerable experience, and many of the buildings being permanent, they have not been hurried in their arrangements.

The trials of speed will be a most markeal part of the programme, the following admirable entries having been made:

A Good Thing.

There has been quite a number of Pennsylvanians in our county this week. A prominent Republican was in town on Tuesday in company with one of them (with whom he had become acquainted in years gone by whilst himself a resident of Pennsylvania) and whom he knew to be a Republican. The Kent county Republican introduced his Pennsylvania friend to a prominent citizen of the lower district, as we learn, thus:

"I make you acquainted with Mr. V., an original Kent county Republican, who is going to vote for Tilden." The Pennsylvanian replied: "I am glad to make his acquaintance, and the gentleman gives evidence of his good sense by voting for Tilden: I intend to do the same, and so do many of my Republican neighbors."

The surprise of our Republican friend can be readily imagined. If the Radicals do not double their illegal votes in Philadelphia, there is a fair prospect that Tilden will carry the old Keystone State.

TILDEN AND HENDRICKS CLUB.

At a meeting of the voters of the fourth election district of Kent county, favorable to the formation of a Tilden and Hendricks Club, the meeting was called to order by Jas. A. Pearce, Esq., on whose motion Dr. F. Worrell was called to the Chair and H. C. Chase appointed Sec'y.

J. H. Plummer moved that a committee of five be appointed by the Chair, who shall nominate the officers of the Club. The motion was carried, and J. H. Plummer, H. W. Vickers, E. T. Willis, Chas. Estes and D. J. Blackiston were appointed members to compose said committee. The committee, through J. H. Plummer, reported the following persons to be presented to the meeting as permanent officers: President, Sewell Hepbron; Vice-Presidents, Dr. F. Worrell, John W. Loud, H. M. Stuart, Dr. T. S. Holton and John R. Gray; Corresponding Secretary, H. C. Chase, Recording Secretaries, M. deKSmith, T. W. Russell; Treasurer, William M. Slay; Executive Committee, Sewell Hepbron, chairman; James A. Pearce, George Vickers, R. Hynson, G. W. T. Perkins, Wm. B. Wilmer, E. F. Perkins, Wm. S. Walker, W. H. Stewart, W. H. H. Lusby, Thos. P. Dixon.

James A. Pearce moved that Tuesday evening, 7½ o'clock, be named for the weekly meetings, which motion was seconded, and being put before the Club was carried.

An invitation was extended to all present to enroll their names as members of the Club, which was accepted, and forty names were enrolled.

It was moved that a Canvassing Committee be appointed by the Chair to solicit funds for the Club, which was carried, and Messrs. H. C. Chase, H. W. Vickers and John Armstrong were appointed as such committee.

Mr. Pearce having been invited to address the meeting, made a few remarks and, on motion, was requested to address the Club at its next meeting.

On motion, the Club adjourned.

SEWELL HEPBRON, Pres.
H. C. CHASE, Sec.

Queen Street Green House.

WM. KIRBY,

SUCCESSOR TO W. F. MASSEY, FLORIST, has erected a Green House on Queen street, Chestertown, opposite Hudgins's New Bakery, for the purpose

OF GROWING FLOWERS
OF ALL KINDS; ALSO,
BOTH EARLY AND LATE VEGETABLE PLANTS,

of every variety, for the year 1877, which will be sold at low prices. His seed will be selected from the stocks of first-class seedsmen.

He is now filling up his green house with plants, and respectfully invites the Ladies and Gentlemen of Kent, Queen Anne's and adjoining counties to call and inspect them, confident that they will be pleased both with the variety and the prices at which he is selling them.

He expects to grow some fine vegetables for this market next year.
