Ayer's *Hair Vigor,*

For restoring Gray Hair to its natural Youthful Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. *Faded or gray hair is soon restored to its original color, with the gloss and freshness of youth.* Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous, and injurious to the hair, the vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich, glossy lustre and a grateful perfume.

To My Friends and Patrons.

I AM desirous of enlarging and improving my business, and also am owing some bills of already too long standing, which I want to pay, as it is exceedingly unpleasant to be dunned, and consequently I need every dollar due me. This notice, therefore, is to urge prompt payment upon the part of those indebted. If it is not convenient for you to let me have money, give me your note on short time, and that will enable me to be better prepared to accommodate you in the future.

I most positively insist upon an immediate settlement, either by note or cash, of all outstanding accounts, and those indebted will find it to *their* interest as well as *mine* to respond to this notice at once.

Respectfully, JOHN N. DODD,

TO THE WORKING CLASS.

We can furnish you employment at which you can make very large pay, in your own localities, without being away from home over night. Agents wanted in every town and county to take subscribers for The Centennial Record, the largest publication in the United States—16 pages, 64 columns; Elegantly Illustrated; Terms only $1 per year. The Record is devoted to whatever is of interest connected with the Centennial year. The Great Exhibition at Philadelphia is fully illustrated in detail. Everybody wants it. The whole people feel great interest in their Country's Centennial Birthday, and want to know all about it. An elegant patriotic canyon drawing premium picture is presented free to each subscriber. It is entitled, "In remembrance of the One Hundredth Anniversary of the Independence of the United States." Size, 23 by 30 inches. Any one can become a successful agent, for but show the paper and picture and hundreds of subscribers are easily obtained everywhere. There is no business that will pay like this at present. We have many agents who are making as high as $20 per day and upwards. Now is the time; don't delay. Remember it costs nothing to give the business a trial. Send for our circulars, terms and sample copy of paper, which are sent free to all who apply; do it to-day. Complete outfit free to those who decide to engage. Farmers and mechanics, and their sons and daughters make the very best of agents. Address,
