THE SUN

1877. NEW YORK. 1877

The different editions of THE SUN during the next year will be the same as during the year that has just passed. The daily edition will on week days be a sheet of four pages, and on Sundays a sheet of eight pages, or 56 broad column; while the weekly edition will be a sheet of eight pages of the same dimensions and character that are already familiar to our friends.

THE SUN will continue to be the strenuous advocate of reform and retrenchment, and of the substitution of statesmanship, wisdom, and integrity for hollow pretence, imbecility and fraud in the administration of public affairs. It will contend for the government of the people by the people and for the people, as opposed to government by frauds in the ballot-box and in the counting of votes, enforced by military violence. It will endeavor to supply its readers—a body now not far from a million of souls—with the most careful, complete, and trustworthy accounts of current events, and will employ for this purpose a numerous and carefully selected staff of reporters and correspondents. Its reports from Washington, especially, will be full, accurate, and fearless; and it will doubtless continue to deserve and enjoy the hatred of those who thrive by plundering the Treasury or by usurping what the law does not give them, while it will endeavor to merit the confidence of the public by defending the rights of the people against the encroachments of unjustified power.

The price of the daily SUN will be 55 cents a month or $6.50 a year, post paid, or with the Sunday edition $7.70 a year.

The SUNDAY edition alone, eight pages $1.20 a year, post paid.

The WEEKLY SUN, eight pages of 56 broad columns, will be furnished during 1877 at the rate of $1 a year, post paid.

The benefit of this large reduction from the previous rate for the WEEKLY can be enjoyed by individual subscribers without the necessity of making up clubs. At the same time, if any of our friends choose to aid in extending our circulation, we shall be grateful to them, and every such person who sends us ten or more subscribers from one place will be entitled to one copy of the paper for himself without charge. At one dollar year, postage paid, the expenses of paper and printing are barely repaid; and, considering the size of the sheet and the quality of its contents, we are confident the people will consider THE WEEKLY SUN the cheapest newspaper published in the world, and we trust also one of the very best.

Address, THE SUN,

"Witing for something to turn up,"

And we have at last decided to turn it up. The protracted warm spell has materially interfered with the CLOTHING BUSINESS of Baltimore. Hundreds of Thousands of Dollars worth, which seasonable weather would have sold, remains on Shelf and Counter. It is usual in most business houses to make reductions after the season of demand is over. We have decided to take time by the forelock and make those reductions NOW. Hence our entire stock has been marked Down, Down, DOWN to an after-holiday basis. We will positively stick at no reasonable sacrifice that will turn our great stock into speedy cash.

THE GREAT REMEDY FOR

CONSUMPTION

which can be cured by a timely resort to this standard preparation, as has been proved by the hundreds of testimonials received by the proprietors. It is acknowledged by many prominent physicians to be the most reliable preparation ever introduced for the relief and cure of all Lung complaints, and is offered to the public, sanctioned by the experience of over forty years. When resorted to in season it seldom fails to effect a speedy cure in the most severe cases of Coughs, Bronchitis, Croup, Whooping Cough, Influenza, Asthma, Colds, Sore Throat, Pains or Soreness in the Chest and Side, Liver Complaint, Bleeding at the Lungs, &c. Wistar's Balsam does not dry up a Cough, and leave the cause behind, as is the case with most preparations, but it loosens and cleanses the lungs, and allays irritation, thus removing the cause of the complaint.

PREPARED BY
SETH W. FOWLE & SONS, Boston, Mass.

Iron in the Blood

MAKES THE WEAK STRONG.

The Peruvian Syrup, a Protected Solution of the Protoxide of Iron, is so combined as to have the character of an ailment, as easily digested and assimilated with the blood as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the blood, and cures "a thousand ills," simply by Toning up, Invigorating and Vitalizing the System. The enriched and vitalized blood permeates every part of the body, repairing damages and waste, scarching out morbid secretions, and leaving nothing for disease to feed upon.

This is the secret of the wonderful success of this remedy in curing Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhœa, Boils, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vi[illegible] Diseases of the Kidne[illegible] Bladder, Female Complai[illegible] *and all diseases originating in a bad state of the blood, or accompanied by debility or a low state of the system. Being free from Alcohol, in any form, its energizing effects are not followed by corresponding reaction, but are permanent, infusing strength, vigor, and new life into all parts of the system, and building up an Iron Constitution.*

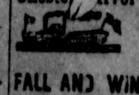

Thousands have been changed by the use of this remedy, from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and invalids cannot reasonably hesitate to give it a trial.

See that each bottle has PERUVIAN SYRUP *blown in the glass.*
