LOCAL NEWS.

"The Battle of Quatrebras"

Has been received, (anonymous). There is no reason why the writer should withhold his name, and we must insist upon our rule.

Capt. Augustus McCabe,

A prominent and well-to-do citizen of Centreville, died at his residence in that place, on the 9th inst., in the 73d year of his age. He was one of the Judges of the Orphans' Court of Queen Anne's county, a position he had held for the last ten years.

Among the List

Of graduates of the Jefferson Medical College of Philadelphia, on the 10th inst., was Benjamin B. Perkins, formerly of Chestertown. His thesis was "The relation of Medical science to human life." Dr. Perkins intends to practice in Philadelphia.

Suicide.

James Brannan, who was a few years ago engineer of the steamer Geo. Law, and consequently known to many of our citizens, committed suicide at his residence in Baltimore city, last Sunday night at 8.30 o'clock. He shot himself with a pistol, the ball entering the right side of the head, between the temple and eye. Mr. Brannan was 58 years old, had for a long time been out of employment, and on several occasions had threatened to take his life.

The Protracted Meeting

At the Methodist Protestant Church in this place, was closed last Sunday night, after seven weeks' continuance. It is said to have been the most successful meeting ever known here, conducted by that church. The exact number of conversions is not known—some placing it as high as one hundred and fifty, and the lowest estimates at one hundred and thirty. One hundred and fourteen of the new converts have connected themselves with the M. P. Church.

Wilmington Conference

M. E. Church, closed last Wednesday. The next session will be held in Chestertown. Previous to adjournment Bishop Ames announced the following changes in the appointments for the ensuing year:

Easton District.—C. Hill, P. E.—Smyrna Circuit, P. H. Rawlins; Middletown, T. E. Martindale; Cecilton and St. Paul's, E. P. Aldred; Still Pond, E. B. Newnam; Kent, F. C. McSorley; Sudlersville, W. B. Gregg and ——— Chandler; Church Hill, E. Davis; Centreville, C. W. Prettyman; Royal Oak, J. M. Brewington; Hillsborough, N. W. McQuay; Greensboro', J. A. Brindle; Denton, E. L. Hoffecker; Marydell, J. E. Smith and J. M. Collins.

Base-ball Nuisance.

We should like to know whether the Town Commissioners have repealed the ordinance prohibiting the playing of base-ball in the streets of the town. The citizens of the town have now been subjected to this annual nuisance for some time—all over the town boys are seen with the uplifted bat, and the pitchers, fielders and back stops are in active play. Windows and little children are completely at the mercy of these violators of the law, and a reproof from a passing citizen is greeted with cheers. If the ordinance has not been repealed, we think it would be advisable to furnish the bailiff with a pair of spectacles so that he may see the daily infractions of the law. We make the suggestion as we are bound to assume the bailiff does not see the ball-playing or he would certainly enforce the ordinance. A squad of the Water street boys reinforced by some from other localities, make a daily practice in Water street between 5 P. M. and dark.

Worton Agricultural Club.

Although this is not the corporate name of our Agricultural Society, we prefer to call it by this name, as Worton enterprise is entitled to the credit of its rise and mainly to its progress. But we started out to write about the next exhibition, for which we learn the campaign has now already commenced. The Executive Committee has been appointed, as follows: W. W. Stephens, chairman; Robert Nicholson, Samuel Vannort, W. H. Stewart, Thomas Gale, C. W. Warren, J. S. Cosden, J. E. Gilpin and Jas. Brice. There is considerable nerve and energy in the compound and we have a right to expect an advance in the next Fair.

Our object at this time is to direct attention to the exhibition and urge the citizens of our county generally to give a few well directed thoughts to the matter and determine what they will exhibit and begin to prepare for it. It takes time to prepare for a creditable exhibit.

If every farmer and householder in the county would be represented at the next Kent Fair, the most attractive feature of the exhibition would not be the trials of speed.

We take the liberty of suggesting to the Executive Committee to prepare a circular letter and send a copy to each farmer and householder in the county, urging upon them to exhibit something at the next Fair.

Orphans' Court.

Present, Judges Nicholson, Shallcross and Willson.

Owen Connelly, admr, of Garrett M. Mart, returned an inventory of the personal estate of said deceased, and received an order for the sale thereof.

C. H. Baker, admr. of S. Clark Van Horn, returned a list of sales of the personal estate of said deceased; also his first administration account and acting guardian account.

N. W. Comegys, admr, C. T. A. of Anna W. Comegys, returned a list of sales of the personal estate of said deceased; also his first and final administration account.

D. J. Blackiston, admr. C. T. A. of Clement F. Jones, returned a list of debts due deceased.

R. M. Clark, admr. of Joshua Clark, returned her third and final administration account.

Mary A. Brice, acting guardian to Emma S. Brice, returned her guardian account for the years 1874 and 1875.

☞ A good many simple-minded persons are inclined to believe that the millenium of Civil Service Reform is about to come in under the auspices of the new Administration. We would not advise such people to be too precipitate—the very first appointment which Hayes sent to the Senate was that of Wm. M. Stone, late Attorney-General of South Carolina and *ex-officio* and actively a member of the Returning Board which counted the vote of that State for Hayes. Mr. Stone was one of the distinguished persons put in jail by the Supreme Court of South Carolina and released on habeas corpus by the notorious Judge Bond.—*Bulletin.*

Delays are Dangerous.—If this axiom is true respecting the ordinary affairs of life, still more obviously so as regards the exigencies of approaching disease. Unquestionably! Yet how many neglect to practically recognize this plain truth when health is in the balance. Of the many premonitory symptoms of disease a hacking cough is the most prophetic of peril. Arrest it at the outset with DR. WISHART'S PINE TREE TAR CORDIAL, and so avoid Consumption. Bronchitis, Inflammation of the Lungs, Coughs, Colds, and, indeed, all Affections of the Respiratory Organs are entirely cured by this sovereign remedy, which also eradicates Dyspepsia, Gravel, Piles, Nervous Debility, Torpidity of the Liver, Urinary Difficulties, Constipation, Palpitation of the Heart, Scrofulous Affections, and the infirmities peculiar to the gentler sex. This Cordial derives its virtues from the vegetable kingdom, and is infinitely to be preferred, both on account of its superior efficacy and freedom from nauseous and injurious properties to the officinal drugs so often administered with no other effect than to offend the palate and disorder the stomach. The PINE TREE TAR CORDIAL can always be relied on to do what is claimed for it. Sold by all druggists. Principal Depot No. 916 Filbert st., Philadelphia.

MARYLAND COUNTY ASSESSMENTS.

Correspondence of the Baltimore Sun.

ANNAPOLIS, March 10, 1877.

Condensed returns of the assessments have been received by the Comptroller from the following counties, and the amounts below exhibit the aggregates of assessments as originally made under the act of 1876 and under that of 1866:

	1876.	1866.
Caroline	$3,739,176 00	$4,073,852
St. Mary's	2,954,169 67	3,165,975
Garrett	3,988,276 74	....
Wicomico	4,532,687 00	4,391,932
Charles	3,549,314 00	3,373,219
Howard	8,219,468 00	7,466,666
Montgomery	8,457,136 00	7,640,977

Harford	12,372,575 00	12,912,238

THE NEXT HOUSE OF REPRESENTATIVES.

The election in New Hampshire resulted, if the democratic claims are correct, in the election of one democrat and two republican Congressmen, being a gain of one for the republicans. This completes the election for members of the Forty-fifty Congress, which will stand, allowing the republicans all they claim in South Carolina, Florida and Louisiana, one hundred and forty-nine democrats to one hundred and forty-four republicans. It is understood, however, that Mr. Adams, the clerk of the House, will refuse to put upon the roll the names of several republicans from the States above named, where democrats claim the seats, so that it is probable the democrats will have a majority of eight or ten at the organization of the House.

CELEBRATED ORGANS

BETWEEN

57,000 AND 58,000

NOW IN USE.

The oldest, largest and most perfect Manufactory of Organs in the United States. No other musical instrument ever obtained the same popularity. Have been tested for OVER 30 YEARS in Europe, Asia, Africa, Australia, and North and South America. Testimonials in proof of this statement can be found in our Catalogue, which will be mailed FREE to any address.

Our success has brought into existence hundreds of imitators (mostly Stock Companies), whose want of experience is evident to those who are capable of judging. SEE AND HEAR OUR ORGANS BEFORE PURCHASING ANY OTHER, and you will thus avoid the annoyance of being encumbered with an instrument which you will find (when too late) is a source of vexation and regret.

☞ All our Instruments are WARRANTED for five years.

IMPORTANT TO

GARDENERS AND AGRICULTURISTS!

Emperor William Cabbage.

THE *best, largest, hardiest* and most *profitable* variety of *Winter Cabbage* known in Europe, and imported to this country exclusively by the undersigned, where, with the most ordinary cultivation, it flourishes astonishingly, attaining an *enormous* size, and selling in the market at prices most gratifying to the producer. In transplanting, great care should be used to give sufficient space for growth. Solid heads, the size of the mouth of a flour barrel, is the average run of this choice variety. One package of the seed sent post paid on receipt of 50 cents, and one 3ct postage stamp. Three packages to one address $1 00 and two 3ct stamps. Twelve packages sent on receipt of $3 00.

☞ Read what a well-known Garrett Co. Marylander says of *Emperor William* Cabbage:

Bloomington, Garrett Co. Md. Jan. 22 '77.

MR. JAMES CAMPBELL, 66 Fulton St. N. Y.—*Dear Sir:* I bought some seed from you last Spring, and it was *good.* Your Emperor William Cabbage suits this climate well. On a mountain side the seed you sent me, produced Cabbages weighing *thirty pounds* each.

Very truly yours,

JAMES BROWN.

I am also Sole Agent in the U. S. for the famous

Maidstone Onion Seed,

from Maidstone, Kent Co., England, producing the most prolific and finest flavored Onions known, and yielding on suitable soils from 800 to 900 bushels per acre, sown in drills. Mr. Henry Colvin, a large market gardener at Syracuse, N. Y., writes "Your English Onion Seed surprised me by its large yield, and the delicious flavor of the fruit. I could have sold any quantity in this market at good prices. My wife says she will have no other onions for the table in the future. Send me as much as you can for the enclosed $5 00."

One package of seed sent on receipt of 50 cents and one 3 cent postage stamp, three packages to one address $1 00 and two 3 cent postage stamps. Twelve packages sent on receipt of $3.00.

which can be cured by a timely resort to this standard preparation, as has been proved by the hundreds of testimonials received by the proprietors. It is acknowledged by many prominent physicians to be the most reliable preparation ever introduced for the relief and cure of all Lung complaints, and is offered to the public, sanctioned by the experience of over forty years. When resorted to in season it seldom fails to effect a speedy cure in the most severe cases of Coughs, Bronchitis, Croup, Whooping Cough, Influenza, Asthma, Colds, Sore Throat, Pains or Soreness in the Chest and Side, Liver Complaint, Bleeding at the Lungs, &c. Wistar's Balsam does not dry up a Cough, and leave the cause behind, as is the case with most preparations, but it loosens and cleanses the lungs, and allays irritation, thus removing the cause of the complaint.

Iron in the Blood

PERUVIAN SYRUP

AN IRON TONIC

MAKES THE WEAK STRONG.

The Peruvian Syrup, a Protected Solution of the Protoxide of Iron, is so combined as to have the character of an ailment, as easily digested and assimilated with the blood as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the blood, and cures "a thousand ills," simply by Toning up, Invigorating and Vitalizing the System. The enriched and vitalized blood permeates every part of the body, repairing damages and waste, searching out morbid secretions, and leaving nothing for disease to feed upon.

This is the secret of the wonderful success of this remedy in curing Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhœa, Boils, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints, *and all diseases originating in a bad state of the blood, or accompanied by debility or a low state of the system. Being free from Alcohol, in any form, its energizing effects are not followed by corresponding reaction, but are permanent, infusing strength, vigor, and new life into all parts of the system, and building up an Iron Constitution.*

Thousands have been changed by the use of this remedy, from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and invalids cannot reasonably hesitate to give it a trial.

See that each bottle has PERUVIAN SYRUP *blown in the glass.*
