Ayer's *Hair Vigor,*

For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. *Faded or gray hair is soon restored to its original color, with the gloss and freshness of youth.* Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous, and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric and yet lasts long on the hair, giving it a rich, glossy lustre and a grateful perfume.

'Waiting for something to turn up,'

And we have at last decided to turn it up. The protracted warm spell has materially interfered with the CLOTHING BUSINESS of Baltimore. Hundreds of Thousands of Dollars worth, which seasonable weather would have sold, remains on Shelf and Counter. Hence our entire stock has been marked Down, Down, DOWN to an after-holiday basis. We will positively stick at no reasonable sacrifice that will turn our great stock into speedy cash.

A CARD.

The general freighting business conducted for many years by my father, J. F. Taylor, between Chestertown and Baltimore, has now entirely and solely passed into my hands. It shall be my constant effort aided by the long experience in the business, of my agent, Mr. W. H. PALMER, to merit a share of the public patronage.
The business is attempted under adverse circumstances, yet we trust by our constant and personal attention to the trade to regain whatever may have been lost to the late business. The vessel has undergone such repairs as now make her in every respect suitable for the business.
Respectfully,
J. E. TAYLOR.
