Ayer's Cherry Pectoral

For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.

The reputation it has attained, in consequence of the marvellous cures it has produced during the last half century, is a sufficient assurance to the public that it will continue to realize the happiest results that can be desired. In almost every section of country there are persons, publicly known, who have been restored from alarming and even desperate diseases of the lungs, by its use. All who have tried it, acknowledge its superiority; and where its virtues are known, no one hesitates as to what medicine to employ to relieve the distress and suffering peculiar to pulmonary affections. CHERRY PECTORAL always affords instant relief, and performs rapid cures of the milder varieties of bronchial disorder, as well as the more formidable diseases of the lungs.

As a safeguard to children, amid the distressing diseases which beset the Throat and Chest of Childhood, it is invaluable; for, by its timely use, multitudes are rescued and restored to health.

This medicine gains friends at every trial, as the cures it is constantly producing are too remarkable to be forgotten. No family should be without it, and those who have once used it never will.

Eminent Physicians throughout the country prescribe it, and Clergymen often recommend it from their knowledge of its effects.

To My Friends and Patrons.

I AM desirous of enlarging and improving my business, and also am owing some bills of already too long standing, which I want to pay, as it is exceedingly unpleasant to be dunned, and consequently I need every dollar due me. This notice, therefore, is to urge prompt payment upon the part of those indebted. If it is not convenient for you to let me have money, give me your note on short time, and that will enable me to be better prepared to accommodate you in the future.

I most positively insist upon an immediate settlement, either by note or cash, of all outstanding accounts, and those indebted will find it to *their* interest as well as *mine* to respond to this notice at once.

'Waiting for something to turn up,"

And we have at last decided to turn it up. The protracted warm spell has materially interfered with the CLOTHING BUSINESS of Baltimore. Hundreds of Thousands of Dollars worth, which seasonable weather would have sold, remains on Shelf and Counter. It is usual in most business houses to make reductions after the season of demand is over, We have decided to take time by the forelock and make those reductions NOW. Hence our entire stock has been marked Down, Down, DOWN to an after-holiday basis. We will positively stick at no reasonable sacrifice that will turn our great stock into speedy cash,

The general-freighting business conducted for many years by my father, J. F. Taylor, between Chestertown and Baltimore, has now entirely and solely passed into my hands. The business is attempted under adverse circumstances, yet we trust by our constant and personal attention to the trade to regain whatever may have been lost to the late business. The vessel has undergone such repairs as now make her in every respect suitable for the business.
