LOCAL NEWS.

The Cape May Excursion

By the Odd Fellows of this town last Monday, was liberally patronized. The trip is said to have been a pleasant one, but not very remunerative to the Lodge.

Bishop Lay

Of the Protestant Episcopal Church, visited our town last Wednesday, and intended to preach that night, but was so much indisposed as not to be able to do so. Thursday morning, however, he preached and confirmed a class.

Struck by Lightning.

The rectory of St. Paul's Parish in this county, occupied by Rev. S. S. Hepbron, was struck by lightning on Thurs-

[redacted]

A fine cow, fatted for butchers by Mr. John Corey, of Worton, became unmanagable at the upper part of High street, on Thursday evening, the 2d inst., and running violently against the corner of a house, broke her neck and died instantly.

Clearing the Gutters.

The Town Commissioners have for some days past had a force at work under the direction of the bailiff, removing the grass and weeds from the street gutters; a more than usually necessary measure on account of the unusual growth of vegetation this summer.

Good Yield of Wheat.

Mr. Joseph Basin, (recently a merchant of Easton), who several years ago bought the Lawrence Strong farm, near Chestertown, raised this season on eight acres, 402 bushels of wheat, seeded at the rate of 1½ bushels to the acre, with an application of about twelve hundred lbs. of fertilizer.

Military Company.

A meeting of those of our citizens favorable to the formation of a military company in Chestertown was held at the Armory last Tuesday night, and an organization effected. H. W. Vickers was elected first lieutenant, J. K. Aldridge second do., and Dr. Frank Hines surgeon. We learn that the company already has forty names on the roll.

Appointment.

The County Commissioners, conjointly with the Superintendent of Public Schools for Kent county, on Tuesday last appointed Miss Manie Medders, daughter of Sheriff Medders, to the vacant scholarship in St. Mary's Female Seminary; there were eight applicants for the place. The scholarship embraces a period of 3 years.

Unusual.

Mr. Lemuel W. Ashley, res'ding near Rolph's wharf in Queen Anne's county, was, a few days ago, presented by his good wife with a bouncing pair of twins, a boy and girl. The father is 60 years of age and his wife about 45; under the circumstances, a very rare occurrence. Mother and children doing well. Mr. Ashley is well known to many of our readers, having for years been a resident of Kent county.

H. W. Vickers, Esq.,

Has recently purchased from Mr. John A. Fiddis, a small lot of ground on Mill street, in the rear of his residence, which will enable him to improve his premises and add to the appearance of that portion of the street.

Mr. Fiddis has bought from Mrs. Lawrence, the small building on High street, adjoining Mrs. Carrie Fiddis' store, and is fitting it up for a shoe manufactory.

The Tramps,

The decided and vigorous measures of our town authorities put to rout the tramps last Saturday. It is estimated that no less than 57 left here for our good. It was an easy riddance of a great nuisance. Generally they were well behaved, and paid more respect to the proclamation of our authorities than did the strikers to those of Mayors and Governors.

Sixteen other tramps were sent off last Tuesday.

Another large cargo of Lister's Standard Bone Phosphate arrived during the present week for Messrs. Hines & Co., and the large quantities being delivered to our most practical and successful farmers, speaks well for this popular fertilizer.

Sale of a Railroad.

We learn from the Balto. Sun, of Tuesday, that the controlling interest in the Queen Anne's and Kent railroad was purchased, last Monday, by the Philadelphia, Wilmington and Baltimore company. The negotiations were completed at the Rennert House, Baltimore. Among those present were Isaac Hinckley, president, and H. F. Kenney, superintendent of the Philadelphia, Wilmington and Baltimore railroad, Samuel M. Shoemaker, Hon. Charles B. Roberts, M. C., ex-Congressman Biggs, of Delaware, Mr. Boyle and Mayor Irwin, of Westminster, directors of the Queen Anne's and Kent road. The stock purchased comprised the 25 per cent. of the whole, for which the Philadelphia, Wilmington and Baltimore railroad has given its notes for $60,000, to be paid in installments of five and ten thousand dollars. The Queen Anne's and Kent railroad runs 26 miles, from Centreville, Queen Anne's county, to Massey's station, Kent county. The Philadelphia, Wilmington and Baltimore railroad were anxious to secure this feeder to their line, and prevent its purchase by other interests that would divert the trade to the seaboard.

The Picnic

Of the M. E. Sunday School of this town, which was to have been held in Baker's woods on Thursday the 2d inst., did not come off on account of the rain. At 6 o'clock, P. M., the school assembled at the church, from whence, about 7, they proceeded in procession, headed by the officers of the school and each class attended by its teacher, to the Voshell House, whose parlors and dining room were thrown open for their accommodation. The evening was pleasantly spent in the enjoyment of the abundant supply of ice-cream, cake, &c., in singing and innocent diversions. At a seasonable hour the large company retired to their homes, evidently well pleased with the evening's entertainment, not the least agreeable feature of which was the unwearied attention paid them by Colonel Voshell and his estimable wife, who as usual, failed not to make their guests feel perfectly at home.

Sudden Death.

On Friday of last week, Mr. Albert Jervis, a resident of Still Pond Neck, in this county, visited Chestertown on business, and remained several hours. Starting for home between 5 and 6 o'clock, he was found near Washington College, by the road side, (having alighted from his carriage) where he had placed himself in a position to obtain relief from the violent pain he was suffering. He was at once brought back to town for treatment. Drs. Holton and Hines endeavored to relieve him, but were unsuccessful, and Dr. Hines carried him to Baltimore on Saturday, where he was operated on by an experienced surgeon. Death relieved him of his suffering about ten hours after the operation, and resulted from putrefaction of the intestines. Mr. Jervis had been ruptured all his life, but had not for some time been inconvenienced by it; it suddenly assumed a strangulated form Friday afternoon, with the fatal termination as above stated. Mr. Jervis was in the prime of life, and his sudden death is lamented by a large circle of relatives and friends.

Orphans' Court.

Present, Judges Nicholson, Shallcross and Willson.

J. Horton Kelley and H. T. Jump, executors of John Kelley, returned an inventory of the personal estate of said deceased, and received an order for the sale of a portion thereof.

William Ford, admr. of Geo. B. Ford, returned his second admr. account.

Helen A. M. Miller, guardian to Walter H., Merritt T., and Lillian Miller, returned her separate guardian accounts for the years 1875 and 1876.

John Brice and John A. Rollison, appraisers, returned their report of the annual value of the real estate of Henrietta E. Willson.

The sale of the real estate of R. S. Thomas was ratified.

J. A. Pearce, attorney for John Frazier and others, filed a bill for the sale of the real estate of Caroline Frazier, and the court granted an order of publication against the non-resident defendants named in said bill.

ONE of the most amusing and suggestive scenes is a company of average Americans at a dinner table: Suggestive, because it indicates the prevailing national habit of rapid eating, with its inevitable result—Dyspepsia. If people must eat so rapidly as to induce discomfort, and ultimately establish disease, then let such, for self-interest at least, remove all discomfort and tendency to disease, by taking that most efficacious medicine—Keller's Vegetable Life Drops, freely recommended, because it never fails.

A Time-Honored Specific.—The long and successful career of Dr. WISHART'S PINE TREE TAR CORDIAL, as contrasted with the speedy collapse of nostrums devoid of efficacy which have from time to time been puffed into a brief notoriety during the twenty odd years that this celebrated medicine has been sold, affords a proof that the American public *continues* to repose its confidence in deserving articles only. The PINE TREE TAR CORDIAL has long been recognized as the leading specific for Consumption, Cronchitis, Coughs, Colds, Asthma Diptheria, and all other diseases of the breathing organs. It is, moreover, a certain, speedy, and safe botanic remedy for Dyspepsia, Liver Disorders, Scrofulous Affections, Urinary Troubles, Gravel, Dropsy, Debility, Constipation, and Female Complaints. Constantly accumulating evidence of an unimpeachable character establishes the facts that it not only entirely exticates the diseases to which it is adapted, but also that its action is remarkably prompt and thorough. The crucial test of experience has demonstrated its reliability in every particular. Sold by all druggists.

TURNER BROS.,

Ayer's
Hair Vigor,
For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. *Faded or gray hair is soon restored to its original color with the gloss and freshness of youth.* Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich glossy lustre and a grateful perfume.

Prepared by Dr. J. C. Ayer & Co.,
PRACTICAL AND ANALYTICAL CHEMISTS,
LOWELL, MASS.
PRICE $1.00.

THIS standard article is compounded with the greatest care.

Its effects are as wonderful and as satisfactory as ever.

It restores gray or faded hair to its youthful color.

It removes all eruptions, itching and dandruff. It gives the head a cooling, soothing sensation of great comfort, and the scalp by its use becomes white and clean.

By its tonic properties it restores the capillary glands to their normal vigor, preventing baldness, and making the hair grow thick and strong.

As a dressing, nothing has been found so effectual or desirable.

A. A. Hayes, M.D., State Assayer of Massachusetts, says, "The constituents are pure, and carefully selected for excellent quality; and I consider it the BEST PREPARATION for its intended purposes."

Price, One Dollar.

Buckingham's Dye
FOR THE WHISKERS.

This elegant preparation may be relied on to change the color of the beard from gray or any other undesirable shade, to brown or black, at discretion. It is easily applied, being in one preparation, and quickly and effectually produces a permanent color, which will neither rub nor wash off.
