The Chestertown Transcript

LOCAL NEWS.

Change of Terms.

The *Transcript* hereafter, will charge, for yearly subscsiptions, Two Dollars, but if paid in advance, one and a half dollars. The cost of paper, ink, labor, postage, &c., render this change of terms absolutely necessary. No newspaper can live without adequate remuneration.

Removal.

Mr. N. G. Westcott, one of our oldest merchants has removed from his old stand where he has done a prosperous business for more than forty years, and opened on the 14th inst, at the corner of High and Queen S reets. His new store is commodious and handsomely filled with fresh goods of the latest and best styles. We wish him all the success that is due to a well deserved reputation for business capacity and untarnished integrity.

New Goods.

We call, with much pleasure, the special attention of our readers to the splendid lot of new goods advertised by Messrs. J. H. Simpers & Bro. This enterprising and reliable Firm is fully alive to the wants of the times and is determined to allow no customer to leave their store without getting a bargain. Read, call and buy.

Dry-Goods and Ready-Made Clothing.

We invite the attention of our readers to full lines of superior dry-goods, advertised by that reliable merchant, Thomas S. Wickes, Esq., and also to his large stock of handsome and durable ready-made clothing.

Borrowing.

Several of our subscribers who desire to file and preserve the *Transcript* complain that their paper is worn out by persons who borrow it every week. This is unjust to them and to us. The price of the *Transcript* is within the reach of all. Who is the meanest man in this county ?

Stoves.

If you want to know how to keep warm, this winter, call and examine the elegant variety of stoves at the store of J. K. Aldridge, Esq. Prices to suit hard times and every purse. Even an Editor can afford to buy a stove there.

Distinguished Visitor.

Ex-Gov. James Black Groome was in town in the early part of this week, looking very well.

Drowned.

Last Monday, the 15th inst., the body of an unkown man was washed ashore on the farm of the late Capt. George Wilson. R. W. Calder, magistrate, held an inquest, but no clue as to the cause of the drowning was elicited.

Ex-Confederate.

Your interesting communication will appear in our next. It with other valuable original matter is crowded out this week.

POLITICAL CONVENTION.

At a convention of the Republicans of Kent county, held in Chestertown, Oct. 13, 1877, the following Resolutions were submitted by Mr. Benjamin H. Gardner and unanimously adopted :

WHEREAS—At the Republican Convention, held in this town, certain gentlemen then and there selected to represent the county, in the State Convention held in Baltimore city, on the 20th day of September, acting upon what they knew to be the wishes of the Republican voters of this county, handed to the chairman of said State Convention, a list of recognized true and honest republicans, as members of the State Gentral Committee, from this county ; and

WHEREAS—Owing to certain interpretations of an unheard of Resolution, offered at said State Convention, "that only vacancies could be filled on the State Central Committee," thus stifling the voice of this and other counties. And as such arbitrary and unprecedented ruling can but disrupt and destroy the peaceful organization of the counties against whose wishes it is practiced, therefore

RESOLVED—By the Republicans of Kent county, in convention assembled, called together by a fair and extensive notification, for the purpose of determining and establishing their right to say, who shall represent them as members from this county on the State Central Committee.

SECOND—As Republicans of Kent county, not packed, but honestly and fairly brought together and organized, we do here announce as the State Central Committeemen, from Kent county: Levi Fiddis, Wm. H. Hamilton, Wm. Merritt, Edw. B. Jones and Isaac Anderson, and as Republicans of this county, we claim that we have the right to so name, and announce the members of said committee, and we do here and now most positively utter our determination, to recognize no other political power of our party in this county, and that we will only act by and through them, until otherwise so determined by a convention of the people of this county.

THIRD—That we do here earnestly denounce the one man practice, and power, which has disgusted our voters, thined our ranks, and caused an apathy which heretofore our best efforts have failed to remove. And we earnestly recommend to the Republicans of this county to keep (as you now have) the control of your political affairs, and to see to it, that you do not lapse back into the old ruts of individual dictation.

FOURTH—That in view of certain lying statements published in the Baltimore Gazette and Evening Bulletin, in relation to the endorsement by this county, of the Hon. John L. Thomas, jr., we do here reiterate, and affirm said endorsement and positively set forth, that his appointment as Collector of the Port of Baltimore, is in our judgement of incalculable benefit to the Republican Party of this State, and his confirmation, is earnestly hoped for by the Republicans of this county.

FIFTH—That copies of these Resolutions be prepared by the secretary, and that a committee of three be appointed by the chair, whose duty it shall be to present one of said copies to Hon. John L. Thomas, jr., and one to Hon. R. Stockett Mathews.

The chair appointed the following named gentleman as the committee, viz: William J. Vannort, Capt. Wm. H. Hamilton and James A. Jones.

On motion of Wm. J. Vannort,

Resolved, That it would be impolitic to make nominations for county officers, this fall; but we pledge ourselves to use every honorable means for the success of our State Ticket.

There is something attractive in a handsome figure and a graceful carriage of body, and admirable in a pleasant expression of countenance; but where the face is disfigured by Skin diseases of any kind, the admiration loses half its favor in pity for the sufferer. Keller's Vegetable Life Drops, in conjunction with the proper observance of hygienic rules, will always cure Skin disease arising from impurity of the Blood.

A Time-Honored Specific.—The long and successful career of Dr. WISHART'S PINE TREE TAR CORDIAL, as contrasted with the speedy collapse of nostrums devoid of efficacy which have from time to time been puffed into a brief notoriety during the twenty odd years that this celebrated medicine has been sold, affords a proof that the American public *continues* to repose its confidence in deserving articles only. The PINE TREE TAR CORDIAL has long been recognized as the leading specific for Consumption, Cronchitis, Coughs, Colds, Asthma Diptheria, and all other diseases of the breathing organs. It is, moreover, a certain, speedy, and safe botanic remedy for Dyspepsia, Liver Disorders, Scrofulous Affections, Urinary Troubles, Gravel, Dropsy, Debility, Constipation, and Female Complaints. Constantly accumulating evidence of an unimpeachable character establishes the facts that it not only entirely exticates the diseases to which it is adapted, but also that its action is remarkably prompt and thorough. The crucial test of experience has demonstrated its reliability in every particular. Sold by all druggists.
