...on't forget that next ...7th day of June, is the day for ...ees. Let every Democrat turn ...e for the men of his choice.

...—The long and heavy rains of Mon... ...at and Tuesday beyond a doubt did ...rm to wheat. A large wheat-grower, ...n our office Tuesday, said that his wheat was badly beaten down.

Thanks.—Our thanks are due to Messrs. Kennard & Connelly for two baskets of fine "Monarch of the West" strawberries. They were grown by Mr. Wilbur C. Stephens, of Worton. Messrs. K. & C. have them fresh, for sale, daily.

The Weather.—Last Saturday and Sunday were as hot as July days, the thermometer reaching up well into the nineties. Since then we have had a long and heavy rain, cooling the atmosphere and making the weather again pleasant.

Normal School Graduates.—At the annual commencement of the State Normal School, in Baltimore city, held a few days since, among the names of graduates appear the following from Kent county, viz: Perpetua Kendall, Anna Simpson and Caroline J Smyth.

Farm Sold.—On the 28th of May last, on the premises, Chas. T. Westcott, Esq., attorney for mortgagee, sold the farm and wood lot of Mr. William P. Francis, containing 291 acres, to Richard Hynson, Esq., for $2,730 cash. The sale was made subject to prior incumbrances

Children's Day.—Next Sunday, June 8th, will be observed at the Methodist Episcopal Church in this town as "Children's Day." The service will consist in the morning of a sermon by the Pastor, and Responsive Reading and singing by the school. In the evening there will be a Floral Service. All are invited.

Farm to be Sold.—At the Voshell House, at 12 o'clock M., Tuesday next, June 10th, there will be offered at public sale, a farm containing 66 acres, situated on the road from Chestertown to Edesville. The soil is naturally good, and the farm is improved by flourishing orchards. See the advertisement in another column.

Farm Sold.—The East Neck Island farm, belonging to C. I. B. Mitchell, was sold, Tuesday last, at the Voshell House, by T. J. & B. P. Keating, Esqs., Trustees, and was bought by W. H. Bians, Esq., of Baltimore, for $8500—a small sum for a valuable estate of 600 acres. The property had been thoroughly advertised, the attendance at the sale was good, and the terms liberal.

Singular.—A milch cow, belonging to R. Hynson, Esq., of Chestertown, gave birth recently to two calves, there being an interval of *four days* between their fall. The colored man who cares for the animal in question states that the first calf fell on Friday night of last week, evidently still-born, as when discovered the dogs had devoured the greater part of it. The second fell on Tuesday night of this week and is now living, strong and healthy.

Valuable Farm to be Sold.—We call attention to the sale, to take place at the Voshell House, on Tuesday next, June the 10th, at 11 o'clock A. M., by James A. Pearce, Esq., of the "Gresham Farm," situated on Chester river at the mouth of Grey's Inn Creek, containing something over 544 acres of land. This land will be offered as a whole, and also in two tracts, and will be sold as may be considered most advantageous. The soil is of good quality, and it is so located as to supply an abundance of fish, crabs, oysters, and all the luxuries of the water; it is within a mile of a steamboat landing, offering great conveniences for shipping grain, fruit, &c.

Whitsuntide Holiday.—Monday last our colored citizens turned out as usual, and seemed to be having a hilarious good time. The man with the "flying-horses" did a flourishing business, and the cat-fish tables seemed to have had full justice done them. Paragraphers have touched largely upon the colored person's weakness for "coon" and "possum," but they have never fully appreciated the tender passion he has for a "biled cat-fish." If "coon" and "possum" may be set down as the substantial comforters, after which he hungereth, "biled cat-fish" is a dainty which he never lets pass along if he can help it.

The Jewish Rabbi, Rev. E. C. Reider, who gave so much pleasure to those who heard his lecture entitled "Jerusalem and the Jews," will be in Chestertown again on the 11th, 12th and 13th of this month, and will deliver three lectures, entitled respectively: 1. "The Jewish Tabernacle, and its furniture in their typical teachings," illustrated by models&c. 2. "Jewish Feasts and Fasts," as observed by modern Jews, and their teachings. 3. "The present condition of the Jews a literal fulfillment of Prophecy, and a pledge of their conversion and restoration." Tickets may be obtained admitting to the whole course, for fifty cents, or to a single lecture for twenty cents. Those who heard Mr. Reider before, will be desirous of hearing him again, and those who did not will not regret going to hear him this time. He is also to lecture at St. James', Monday evening, June 16th.

Entered Upon their Duties.—The newly-elected Board of Town Commissioners, viz:—Thomas W. Eliason, Jr., M. deK. Smith, Samuel Merritt, George H. Bennett, George E. Lambert, John W. Rasin and George C. Atkinson, met on Friday last, and after being duly qualified according to law, organized by electing Thomas W. Eliason, Jr., President of the Board, T. Burton, editor of the *Conference Advocate*, Secretary, and William Cannon, Town Bailiff, Market-master, etc. We learn that the Board intend to put in force the ordinance requiring the Bailiff to inspect the pig-pens, out-houses, and premises generally, throughout the town, once a week, during the months of June, July, August and September. The new Bailiff will no doubt make a very efficient officer, and in discharging the arduous duties of his position should not only have the support of the Commissioners, but also that of every citizen who has at heart the health and good order of the community in which he resides.

More Base Ball.—The game between the College boys and the Kennedyville nine, played on Saturday last, on the College Grounds, resulted in an overwhelming defeat for the Kennedyville nine, the score standing thirty-nine runs to seventeen in favor of the College nine. The Kennedyville nine were well-built and active, and are evidently capable of playing a much better game, but lack practice. On the first inning they made a blank score for the College nine, and got in three runs, but after that the current of the game changed, the College boys continuing to forge ahead, until at the close of the eighth inning their score more than doubled that of their opponents. Towards the last the Kennedyville nine seemed to lose heart and played recklessly. On the seventh inning the College nine got in twelve runs, while the Kennedyville nine only scored one. The runs and outs made by each player were as follows: Wissahicon nine—Kibler, 4 runs 4 outs; Smith, 5 runs 3 outs; Melvin, 7 runs 1 out; Taylor, 5 runs 2 outs; Purnell, 6 runs 1 out; Mace, 5 runs 2 outs; Urie, 2 runs 5 outs; Jester 2 runs 3 outs; Beckwith, 3 runs 3 outs. Kennedyville nine—

...price... ...supply in our market, the past week, at 12½ cts. a pound. Low enough, certainly, we think all consumers will admit.

Mr. Davison, of Nyack, N. Y., gave what he styled a "Gospel Exercise," or improved method of imparting scriptural knowledge to children, before the M. P. Sabbath school of this town, last Sunday afternoon. He used a very large black-board, skilfully arranged, novel in its construction, and altogether quite an ingenious affair. We believe the exercise gave general satisfaction. Mr. Davison comes among us highly recommended, and is anxious to make engagements at once to give his "exercises" for the benefit of Churches and Sunday-schools needing aid. He has no regular price, but offers one half the proceeds to any school desiring his services. Address him at this place.

Godey's Lady's Book for June.—The June number of Godey opens with a steel plate by Darley, that will forcibly suggest to mammas to keep base-ball playing outside of drawing-room doors. "The Rosebud Garden of Girls" is continued with increasing interest in every page, and the charming serial, "A Gentle Belle," is also continued, giving *two novels* by distinguished authors to every subscriber. In addition are first-rate stories by Florence Avenal, Ethel Tane, Charles C. Royce, Ella Rodman Church, and others. The mothers will find new suggestions for Fireside Fun; there is a capital fairy story for the little folks; an article especially seasonable upon gardening, by the eminent florist, Thomas Meehan; and, in addition to all this, a feast of fashion matter, profusely illustrated, and the usual pages of Work Department, Hints on Home Adornment, and other specialties of this popular magazine, which with this number closes its ninety-eighth vol. What other periodical, at that advanced age, can boast of being as blooming, fresh, and attractive as a belle of eighteen? Send $1 to the Publishers and try it for six months.

Orphans' Court, Tuesday, June 3d, 1879.—Present, Judges Nicholson, Shallcross and Willson.

George Vickers, administrator of John K. Willis, returned his third administration account, which was passed and ordered to be recorded.

Persons of sedentary pursuits are predisposed to Constipation; such should always use Dr. Bull's Baltimore Pills which insure safety against Constipation and all of its disastrous consequences.

Any of our Readers who are in want of Fine Clothing, can find no better place to purchase than at the large, reliable and well-conducted establishment of Chas. N. Oehm & Son, 230 W. Pratt street, near Hanover, Baltimore. Their goods are of the best quality, while their prices will compare favorably with those of any house in Baltimore city.

All babies are diminutive Cæsars, since they come they see, they conquer, sometimes by their gentle stillness but oftener by continued vociferous crying induced by Colic, Teething, Flatulence, etc. Dr. Bull's Baby Syrup by its gentle yet specific influence quiets little ones without ever producing the least injurious effect. Price 25 cts a bottle.

COPY OF ORIGINAL TESTIMONIALS.

Baltimore, Jan. 31, 1879.
Mr. J. S. Knapp—*Sir*:—I have made a thorough test of the London Food and recommend it to the public as a good Improvement Food for horses. I will use it in preference to any condition powders I know of.
[They have 300 head of horses.]

Carrollton, Feb. 11, 1879.
Carroll county, Md.
John S. Knapp—*Sir*:—Having used the London Horse and Cattle Food on both my horses and cows, I cheerfully recommend it to the public as a good condition food for the horse and a profitable condiment for cattle, as it will cause cows to give more milk and make at least 20 per cent more butter than any condition powders I ever used. Hoping this will induce my friends to try it, after which I am convinced they will bear the same testimony as to its merits as I do.
Yours Respectfully,
March 6, 1879. JACOB M. HOFF.

CORN FERTILIZER.
WARRANTED GENUINE.

THE above Fertilizer was tested on Corn last season, along side of other Fertilizers of higher price. For reference I refer to the following gentlemen, who used it last season on corn:

Hon. George Vickers,	Thomas Massey,
William Overend,	W. C. Crow,
Charles H. Baker,	W. Thomas of Wm.
Richard Taylor,	Daniel Jewell.

Facts, not Opinions.

Mr. John Bell:—I used several kinds of Phosphate last spring on Corn. That which I bought of you gave better satisfaction than any other, and cost fourteen dollars less per ton. I shall use it again this spring.
S. H. CRAWFORD.

This is to certify that I used one ton of Snowden's Corn Fertilizer, on corn, last year, 1878. I applied it the same quantity per acre as a much higher priced Fertilizer, costing eleven dollars per ton more than Snowden's did. The result was, I gathered one fourth more corn, where I applied Snowden's, than where I applied the higher priced. PETER STOKES.
