HEADACHE NEURALGIA PILLS

CELERY — Dr. C. W. BENSON, a practicing physician, at 106 N. Eutaw St., Baltimore, Md. (who has paid much attention to nervous diseases,) has discovered that Extract of Celery and Chamomile combined in a certain proportion invariably cures either billious, dyspeptic, nervous or sick headache, neuralgia and nervousness. This is a triumph in medical chemistry, and sufferers all over the country are ordering by mail. He prepares it in pills, at 50c. per box. The doctor is largely known and highly respected in Baltimore.'"—*Epis. Meth.*

BALTIMORE, July 27, '72
Dr. C. W. Benson's Celery and Chamomile Pills have cured my wife of sick and nervous headache of ten years' standing; she had it every week or ten days, and suffered almost everything but death with it. We think these pills worth their weigth in gold.

PRICES REDUCED TO SUIT THE TIMES.

I RESPECTFULLY desire to say, by this method, to the old friends of my father, who for many long years, was so well and favorably known to this entire community as the *leading* Undertaker, that I am still devoting myself untiringly to its prosecution, in all its departments. And in this connection I desire, particularly and emphatically to say that I can furnish Caskets and Burial Cases, of all kinds, upon the shortest possible notice, at prices much below ANY ONE ELSE engaged in the business in this vicinity. I can do this because I am at less expense than others, and I guarantee full satisfaction in every case, both as regards quality and price.

☞ When away on other business, orders may be left with my mother, who resides next door to the shop, and they will rceive equal attention as if left with me in person, as she thoroughly understands the business in every particular. I will allow nothing else to interfere with the prompt and efficient execution of all orders with which I am favored.

CATARRH VAPOR.

The advance of general intelligence and the progress of science has rendered it necessary that the medical profession re-investigate the

NATURE AND CAUSE OF DISEASE

and if possible discover new and more potent remedies for its cure. It is a well known fact that the science and art of medicine has in no wise kept peace with the advancement of the collateral sciences. Although great improvements have been effected within the last fifty years, as evinced by the fact that blood-letting, blistering, heroic doses or mercury and other

UNSUCCESSFUL METHODS OF TREATMENT

have been superseded by a far more rational system of practice, yet the knowledge of diseases and of remidies for their cure is almost exclusively monopolized by members of the medical profession, while the universal requirements for medical knowledge and remidies to cure disease render it

IMPORTANT THAT EVERY FAMILY

SHOULD BE IN POSSESSION OF SUCH FACTS AS WILL ENABLE THEM TO PERPETUATE LIFE AND ALLEVIATE SUFFERING.

PROF. W. PAINE, M. M. D.,

The author of numerous works or medicine, and a teacher of more than thirty years in all departments of medicine and surgery, observing that nearly all the information of a medical character designed for the people, emanated from charlatans or medical mountebanks, has determined upon introducing the results of his

SCIENTIFIC INVESTIGATIONS AND DISCOVERIES

DIRECTLY TO THE AFFLICTED, so that all may receive the benefits of a long and arduous life of medical and surgical research and triumphant discoveries. The result of his researches is that Ozone is the

ANTISEPTIC ELEMENT

that prevents decay, fermentation and disease of all organic structures; that the atmosphere is pure and healthy only when

CHARGED WITH OZONE;

that its absence generates disease; that salt preserves meat when ozonized, and when the Ozone is removed the meat decays; that when the body is properly charged with Ozone,

DISEASE CANNOT EXIST,

and that its absence gives rise to almost every conceivable malady, such as CATARRH, CONSUMPTION, DYSPEPSIA, KIDNEY DISEASE, SKIN AFFECTIONS, NERVOUS DEBILITY, NEURALGIA, ALL FORMS OF FEVERS, RHEUMATISM, DIPHTHERIE, CANCER, and the growth of PARASITES.

The parasites, or microscopic germs, that creates disease, exist in the air, water and food, as well as in all portions of the body, but they are prevented from affecting the healthy tissues as long as the

BODY IS PROPERLY OZONIZED.

The Doctor has discovered a method of producing Ozone both a POWDER AND LIQUID FORM.

LIQUID OZONE,

OR CATARRH VAPOR, when inhaled or take into the stomach, antagonizes IVRY FORM OF DISEASE, PURIFIES THE BLOOD, and almost immediately RESTORES THE PATIENT TO HALTH. It is perfectly innocent, and may be used with the greatest freedom by every one. It is put up, WITH FULL DIRECTIONS, in four ounce bottles at 50 cents, and eight ounce bottles, $1.

He also has prepared a pill, the

LIVER RENOVATOR,

that is highly ozonized, so that, while it purges the Liver, it disinfects the body and kills the germs of disease. 25 cents a box. The

BLOOD, STOMACH AND LIVER TONIC

gives tones to the stomach and body and enriches the blood. $1 per bottle. The

ANTISEPTIC OR ANTIPERIODIG POWDERS OR PILLS

will cure every form of

CHILLS AND FEVERS,

leaving the system free from disease. $1 per box.

The Professor has also fitted up a large and elegant HOTEL, THE PFABODY, NINTH ST., BELOW WALNUT, PHILADELPHIA, in which he has private consulting offices, and where he receives patients FROM ALL PARTS OF THE WORLD, and cures thousands of cases of Catarrh, Consumption, Cancer, etc., that NO OTHER TREATMENT CAN REACH. No one visiting Philadelphia should fail to stop at the

PEABODY HOTEL.

Invalids wishing to place themselves under the Doctor's professiona, carel may obtain SPECIAL RATES.

Medicines sent when ordered, and for sale by druggists and agents.

The Doctor has also for sale the following works, written and published by himself.

Domestic Practice of New School Remidies, 600 pp., $3.00.
Large Practice, 1000 pp., $6.000.
His "short Hand" Practice will when ordered be mailed on receipt of a three cent stamp.

A Talk With Fruit Growers.

I HAVE now growing, on my farm, a fine seedling Peach Nursery, (from the seed of the Smock,) of over 200,000 trees.

Being from Smock seed, and growing on land that never grew trees before, they must prove especially hardy and prolific.

I shall bud 50,000 (commencing June 15th) for this Fall's planting; such trees will run from 3 to 4 feet in height.

I shall bud the balance in August, for planting the following fall. As must all planters have preference for special varieties, I propose to take orders, before the budding is done, customers furnishing their own buds if they prefer; so that all may be accommodated. Do not fail to give this matter proper consideration, and send in your orders early. By so doing you can secure just the varieties you want; but if delayed till you are ready to plant, nurserymen may not have the kinds you prefer. I will give instructions how to forward buds, upon inquiry.

I HAVE A GENERAL ASSORTMENT OF ALL KINDS OF NURSERY STOCK.

Twenty years' experience as an extensive Fruit Grower and Nurseryman, certainly entitles me to a reasonable share of patronage on this peninsula.
