Chestertown Transcript.

THURSDAY, JUNE 10, 1880.

The Catholics of the lower district have just erected a neat chapel on a portion of the property recently purchased by them from Mr. J. T Blackiston.

Sale of Personalty.—At Galena, to-day, Mr. Cornelius J. Scott sells as administrator, the personal estate of J. B. Hance, deceased. See adv elsewhere.

Rev. T. D. Valiant. President of the Maryland Annual Conference of the Methodist Protestant Church, will preach in this town on Sunday morning next.

The Barber Shop of Woolford & Boyer, located on High street near Mr. C. F. Stam's drug store, has been recently thoroughly repaired and made more comfortable.

Tramps.—Already some of the Peninsula papers report tramps as having appeared. As Kent has a full crop of peaches this year, she may expect her full share of these foot travelers.

Harvest comes upon the farmers earlier than they thought for. This week many Kent county farmers will begin to cut their wheat. The present crop, it is generally conceded, is a very good one.

The Glorious Fourth comes this year on Sunday. It will be generally celebrated, however, either on the third or the fifth. Last year we had a boat race at Chestertown—what will we have this year?

New Organ.—The Chestertown public school has for a considerable length of time been accumulating funds for the purchase of an organ. Last week, funds sufficient having been raised, the organ was purchased. It is a Stieff make.

An Error.—In the advertisement, last week, of the Chester River Bridge Company for proposals for furnishing piles for the bridge, an error was made by leaving out a line of the manuscript. The advertisement reads correctly in this issue.

The Excursion, last Friday, on the steamer B. S. Ford, to Annapolis, by the Methodist Protestant Sunday School of Centreville, was a very successful affair, netting something over two hundred dollars. About forty of our citizens patronized the excursion.

The Festival held by the Catholics of Chestertown, Tuesday and Wednesday evenings of last week, was a success. The ladies exercised a great deal of taste in decorating the rooms, which was specially noticable in the ice-cream parlors. Everything passed off very pleasantly.

Enterprise.—Mr. James Brice has purchased and has now in use at his stall in the market house, an improved refrigerator, large enough to contain two beeves at a time. It preserves the meat perfectly, and does not consume a very large quantity of ice. It was made in Baltimore; price about seventy-five dollars.

The Festival at Kennedyville, by the ladies of the Methodist Protestant Church, will be held on the church green this (Thursday) evening; also on the evenings of Friday and Saturday. The ladies no doubt will exert themselves to surpass, on this occasion, any of their previous festivals, and a grand time may be expected.

The assessed value of taxable property in Chestertown is about $760,000.—*Middletown Transcript.*

Just $100,000 short, Bro. Way. The assessed value of taxable property in Chestertown is $860,000. What will Middletown foot up in the same manner of reckoning?

New Mail Route.—The daily mail route from Tolchester to Chestertown has been granted by the Post Office Department. This will give us the Baltimore mail in Chestertown about 12 o'clock M. each day, excepting Sunday. The mail commences to run, by the new route, on the fifteenth of June, next Tuesday. Mr. John W. Rasin, of this town, has the contract for carrying the mail.

An Excursion, on Thursday the 24th day of June, will be made, starting from Crumpton, on the steamer "Chester," to Bay Ridge, the new and beautiful summer resort near Annapolis. The "Chester" is in first-class condition, fitted with every convenience and comfort, and is a swift, pleasant, commodious and safe steamer. See advertisement in another column.

The Washington Excursion.—To-morrow is the day for the excursion to Washington; are you going? It will only cost two dollars to go to Washington and back, and only one dollar to go as far as Annapolis and back. It is a fine opportunity to see Congress and the numerous sights at Washington, or otherwise to see Annapolis and the Naval Academy. The advertisement of the excursion is to be found elsewhere in this issue.

Prolific.—On the 23d of June last year, Mr. Garrett Foxwell, of this county, had a young cow which gave birth to twin calves. These calves were both large and healthy and turned out well. On May 28th last, the same cow brought forth twins, both of which are doing well and are of good size; giving her an offspring to the extraordinary number of four healthy, vigorous calves within twelve months.

The Convention of the Diocese of Easton held its sessions at Centreville on Tuesday, Wednesday and Thursday of last week. Rev. Messrs. T. P. Barber, D. D., John O. Barton, D. D., Erastus F. Dashiell and John N. Watson, were elected clerical delegates, and Messrs. George R. Goldsborough, J. L. Adkins, Wm. S. Walker and Henry S. Coudon lay delegates to the General Convention, which will assemble at New York in October.

Baltimore Grain Market.—From the *Sun*, of Tuesday, we make the following quotations: The demand for Southern Wheat is good and the market is firm, with sales of common at $1 21, and prime to choice at 1 30a$1 32. No. 1 Maryland red sold at 1 30 and $1 30½. Southern Corn is firm, with moderate supply; sales at 56½a57 cents for white, bulk at 56½ cts. and yellow 55 cents. Oats are in better supply and the market is rather easy; sales of 800 bushels heavy bright Western at 43½ cts. and 2400 bushels medium to good do. at 44a44½ cts. Rye is quiet and nominal at 90a91 cents.

The Census is being rapidly taken. Soon some of the Peninsula towns that have been ly—ng so vigorously about their population, will swear that the enumerator has made a mistake, and they will as heretofore placidly tell the stranger within their gates, that their population numbers at least 3,800. In order to accumulate this population they are, of course, compelled to count the cows, the geese and the dogs; which, however, it is to be hoped, the census enumerator will be too conscientious to put down as human souls.

More Base Ball.—Last Thursday the Sudlersville base ball nine came over from Queen Anne's and played the College nine. The Sudlersville boys went home badly beaten, the score standing 37 to 19 in favor of the College nine. The Sudlersville nine has some good material in it, but the players evidently lack practice; besides, they lost their nerve at the start and allowed the College nine to get in twelve runs on the first inning.

We understand a game is to be played this afternoon between the College nine and a picked nine from the town.

Something Handsome.—Mr. C. F. Stam has placed in his drug store a new Arctic Soda Fountain, that we venture to say cannot be equalled for beauty and elegance on this peninsula south of Wilmington. Mr. Stam has for some time had what might ordinarily be considered a handsome fountain in his store, but it looks humble alongside of the new one. The new fountain is not far short of 5 ft. in height, and is designed something after the manner of a swiss cottage. The body is of white Italian marble with Bardillo trimmings and black base. The upper corners of the body are ornamented with brackets of Sevier marble. The gables formed at the corners of the roof are ornamented with engraved lines, and surmounted by silver pinnacles. The top of the apparatus is adorned with silver cap and pinnacles. A silver-plated door in the rear end gives ready access to the interior.

Military Visit and Target Shooting.—Yesterday morning at 10 o'clock the steamer Leila arrived here, bringing the Governor's Guards, of Annapolis, and a few invited guests. The military disembarked at the foot of High street, where the Kent Guards received them, and in a few minutes, under the escort of our company, headed by its drum corps and the Kent Cornet Band, the procession began its march through the streets. The companies looked and marched very well, their soldierly bearing and skillfully executed evolutions drawing out many complimentary remarks from the numerous spectators along the route. The visitors are a fine-looking body of young men, and having been long organized and thoroughly drilled, moved with the precision of veterans. After parading through the principal streets the companies halted in front of the armory, stacked arms and took a short recess. The line was reformed about half-past eleven, and marched to the target grounds, on the farm of Dr. Geo. W. Perkins, adjoining the corporation limits. Twenty men were selected from each company, and were allowed three shots apiece. The following names constitute the team on the part of the Kent Guards: Lieutenant Bordley, Lieutenant DeFord, Wm. A. Biscoe, Jesse Duyer, Frank Duyer, Harry Boyd, Chas. Dill, Charles Burgess, W. A. Wheatley, Jas. Walbert, Wm. Gudgen, T. A. Fiddis, W. Malin, J. L. Hamilton, C. W. Kennard, J. F. Connelly, H. Smith, Walter Beck, John W. Bordley, T. J. Joiner. Governor's Guards team: Sargt's. Davis and Porter, Corp. F. Green, E. Denver, J. Watkins, James Wells, Richard Heyser, Robert Clayton, Samuel Frazier, Charles Tydings, Jas. League, Thomas Arnold, Wm. Jones, Myers Boucher, Charles Pindall, Thomas McNeir, Benj. Jones, Chas. Banks, W. A. Hutchinson, W. Stewart. The contest was very close, the shooting fair, and the result a victory for the team of the Kent Guards. The best single shot was made by Sarg't. Porter, of the Governor's Guards team. At 2 P. M., the Kent Guards escorted the visiting company to the Voshell House where they partook of a splendid dinner, which was not concluded when we went to press.

Orphans' Court, Tuesday, June 8, 1880.—Present, Judges Nicholson, Shallcross and Willson.

Richard C. Smyth, guardian to Richard A. Smyth, William G. Smyth, Jefferson S. Smyth and Minnie M. Smyth returned his guardian account for said wards for the year 1879, which was examined, passed as stated, and ordered to be recorded.

Mrs. Catharine A. E. Davis, guardian to David P. Davis, returned his guardian account for said ward, which was examined, passed as stated, and ordered to be recorded.

Robert J. Lusby, administrator of Jno. M. Hudson, filed his release from Garrett Foxwell and Catharine A. Foxwell, which was received and ordered to be recorded.

A. L. Corey, administrator of Samuel Reed, returned his account of sales of the personal estate of said deceased, which was received and ordered to be recorded.

Charles H. Baker, attorney, filed the last will and testament of James P. DeCorse, which was admited to probate and ordered to be recorded.

M. B. Roberts' Horse Powders have been used with astonishing results in the stables of Mr. Pierre Lorillard, so much so, that the Englishmen have been ordering it in large quantities; since Parole, Wallenstein and other American horses, have won thousands of dollars for their owners.

No more sick Chickens. Save your poultry and cure them of disease, by using Roberts' Poultry Powder. It has never failed to cure Cholera, and all diseases to which fowls are subject. Price 25 cents per package.

How often do we hear the remark: O, he only took a slight cold at first, and he thought it would go as it came! He took nothing for it, and it fastened on his lungs, and now he is in the last stages of consumpeion. Prevention is better than cure. Sine's Syrup of Tar, Wild Cherry and Hoarhound cures Coughs, Colds, Asthma and Lung Affections. It has a reputation of over 40 years. Price 25 and 50 cents per bottle. Your druggist has it.

A life of torture is often endured by the rheumatic; their pangs may, however, be relieved by the use of the old reliable remedy, Roberts' Embrocation. Sold over 50 years. No mushroom growth, its reputation excels all other remedies. Price 35 cents per bottle. Try it just once.

Mothers, before giving your little babe cough or croup medicines, remember that Sines' Syrup of Tar, Hoarhound and Wild Cherry, is the only cough preparation that contains no opium, morphine, nor any other narcotic.

To make a good broil; leave a letter for one of your old sweethearts where your wife can find it: and to avoid any bodily injury have a horse ready saddled that has taken Roberts' Celebrated Horse Powders. Price 25 cents per package.

Sines' Syrup of Tar, Wild Cherry and Hoarhound is very pleasant to the taste, and the oldest and best remedy in the market for coughs and colds. A splendid medicine for the baby. Try it. For sale by all druggists.

Chicken cholera and gapes can be cured with M. B. Roberts' Poultry Powder. Try it and be convinced.

EGGS, BUTTER and LARD TAKAN FOR GOODS,

KENNARD & Co's "Sterling Phosphate,"

$23.00 CASH or $25.00 TIME.

HAVING been used with such great success last Spring on Corn and Vegetables, we have enlarged our Factory, added new and improved machinery thereto and again offer it to the farmers with every confidence in its great worth. We also announce the fact that our capacity will enable us to fill promptly and without a failure, all orders for our goods.

The following are a few of the many testimonials as to the benefits derived from the use of the "STERLING PHOSPHATE" last Spring:

Chestertown, Md., February 21st, 1880.

Dear Sirs: Your Phosphate that I used on my corn last Spring, gave me great satisfaction. I also used your wheat Phosphate last Fall, it is now looking as well as other phosphates on the same land at a higher figure. I expect to use your goods next Spring.

Yours truly, COMEGYS BROWN.

Chestertown, February, 1880.

KENNARD & Co.: In reply to your question regarding the action of your Fertilizer, I will just state that I have only tried it on sugar beets. I applied it to my beets last Spring, putting it in the drill before I planted the seed, and notwithstanding the unfavorable circumstances to which the beets were subjected, the yield was far ahead of my most sanguine expectations.

Yours, &c., I. C. TAYLOR.

Chestertown, Md., March 5th, 1880.

MESSRS. KENNARD & Co—*Gentlemen:* I used your Phosphate last Spring on my corn; applied it at the rate of one handful to three hills, and where I put it the yield was about twenty-five bushels to the acre, and where I did not put any the yield was about ten bushels to the acre. On a portion of the same land I applied barn-yard manure, and the result was about twelve bushels to the acre. Where I used your stuff, the ear was large, well filled and I could not find a worm in a hundred ears, the grains were large and close together. Where I did not use the Phosphate a great many ears were wormy and poorly filled. I can cheerfully recommend it, and will use more this Spring.

Truly Yours, GEORGE W. LONG.

We also keep on hand at all times a full line of

Pure Dissolved and Raw Bone and other Chemicals

for manipulating, and respectfully invite the farmers to procure our prices before purchasing elsewhere.

SYNOPSIS OF REPORT OF JUDGES TO THE KENT COUNTY AGRICULTURAL CLUB.

The "OHIO CHILLED" plow was the lightest, and the "Advance" was the heaviest.

The "OHIO CHILLED" was 27.03 lighter to the cubic foot than the "*Oliver Chilled,*" 33.57 lighter to the cubic foot than the "*Roland Chill,*" and 169.08 lighter to the cubic foot than the "*Advance.*"

and letters to and from plowman:

Chestertown, Md., March 6th, 1880.

J. E. NEWCOMB, Esq.,—*Dear Sir:* You having been selected, by the Judges, as plowman in the late plow contest held on the farm of Mr. Wm. Morris, Tuesday, the 2d inst., we would be pleased to have your opinion of the "Ohio Chilled" and "Imperial" plow, entered by ourselves. Respectfully requesting an early reply, we remain, Very truly yours, KENNARD & CO.

Worton Station, March 8th, 1880.

MESSRS. KENNARD & Co—*Gentlemen:* In answer to your question of March 6th about the plows tried at Mr. Wm. Morris's of which I was plowman, I will simply state to you what I said to the Kent County Agricultural Club this afternoon, that of all the plows I handled, viz: the Advance, Roland, Oliver Chilled, Ohio Chilled and Gibb's Imperial, that the Ohio Chilled and Gibb's Imperial as sold by you were the best that I have ever handled. I state this in justice to your plows, not being pleased with them at first, am glad to say I was agreeably disappointed.

Very truly yours, J. E. NEWCOMB.

We also intend carrying a full line of

Agricultural Implements,
