PERFECTLY SAFE IN THE MOST INEXPERIENCED HANDS!
For Diarrhœa, Dysentery, Cramps, Cholera,
AND ALL THOSE NUMEROUS TROUBLES OF THE STOMACH AND BOWELS SO PREVALENT AT THIS SEASON.
No Remedy known to the Medical Profession has been in use so long and with such uniformly satisfactory results as

PERRY DAVIS' VEGETABLE PAIN KILLER

It has been used with such wonderful success in all parts of the world in the treatment of these difficulties, that it has come to be considered

AN UNFAILING CURE FOR ALL SUMMER COMPLAINTS

and such it really is when taken in time and according to the very plain directions inclosing each bottle.

In such diseases, the attack is usually sudden and frequently very acute; **but with a safe remedy at hand** for immediate use, **there is seldom danger of the fatal result** which so often follows a few days' neglect.

The inclination to wait and see if the morrow does not bring a better feeling, not infrequently occasions a vast amount of needless suffering, and **sometimes costs a life.** A timely dose of Pain Killer will almost invariably save both, and with them the attendant doctor's fee.

It has stood the test of forty years' constant use in all countries and climates, and is perfectly safe in any person's hands.

It is recommended by Physicians, Nurses in Hospitals, and persons of all classes and professions who have had opportunity for observing the wonderful results which have always followed its use.

THE BEST EVIDENCE:

I have long used the medicine known as PERRY DAVIS' VEGETABLE PAIN KILLER in my family and would not on any account be without it. When Cholera was last epidemic here, I used no medicine of any sort but the Pain Killer, and although myself and several members of my family were attacked severely, I am happy to say that the Pain Killer was equal to every emergency. I consider I should not be doing my duty to the community did I not say this much. If I were attacked by the Cholera to-day, Pain Killer would be the only remedy I should use. I have thoroughly tested it, and know it can be relied on.
F. E. BERGINSEND, Galena, Illinois.

Messrs. PERRY DAVIS & SON:
I know you need no testimonial to convince you that your medicine is all that you claim for it, but I cannot restrain the impulse to communicate to you the fact that in my family it has truly done wonders. I administer it to my children (one eighteen months, and the other three years old) with perfect success. It regulates their bowels, and stops all diarrhœa. Myself and wife resort to it in all cases, both for internal and external use. I've used it in my family for five years, and will not be without it. Feeling myself under much obligation to you, in many times being relieved from pain, I am very truly yours,
L. F. MOORE, Baugall, Dutchess Co., New York.

No family can afford to be without it, and its price brings it within the reach of all. The use of one bottle will go further to convince you of its merits than columns of newspaper advertising. Try it, and you will never do without it. Price 25c. 50c. and $1.00 per bottle. You can obtain it at any drug-store or from

VOSHELL HOUSE.

THE UNDERSIGNED takes this method of tendering his heartfelt thanks to his old friends and the public generally for the liberal support and sympathy so generously extend to him under the recent adverse circumstances by which he has been surrounded, and takes great pleasure in informing them that the house, in a few days, will be in r st-class condition, the repairs and improvements thereto being made under his own supervision.

THE STABLING,

which is commodious and in excellent condition, is now under his control, and those entrusting their horses and carriages to his care may rest assured that they will be faithfully attended to by trusty and experienced hostlers.

THE TABLE,

as heretofore, will always be found supplied with substantials and delicacies of the season, and will be under the experienced management of his wife, who will see that no pains are spared to make it, in every respect, first-class.

With the xed purpose of leaving nothing undone on my part which will conduce to the comfort of my guests, I respectfully solicit the patronage of the public.
