Chestertown Transcript.

THURSDAY, AUG. 11, 1881.

The Primaries next Saturday.

J. Q. A. Holloway advertises in this issue his brands of fertilizer.

A large Porpoise was killed in Chester river last week, as far up as Kirby's landing.

Wheat is again reported on the rise. The speculators believe the crop will be short, and the foreign demand large.

The Weather was hot, dry and sweltering last week up till the splendid rain Saturday evening. Since then it has been cooler.

The Levy List takes up much of our space in this issue. The tax rate for county purposes will be found to be reduced to 74cts. on the $100.

Corn has suffered much from the drouth. Some farmers think the crop has been injured one third. The rain of Saturday had a very reviving effect, however.

When the honest Granger sees his road gate open now-a-days, he is never sure whether it is the phosphate man or the politician. In any case he takes to the woods.

County Politics will be lively to-day and to-morrow, but after Saturday there will be a calm upon the waves. Let us hope that nobody will feel sore next Sunday morning.

The Excursion by the M. E. Sunday school to Cape May, yesterday morning, left Chestertown with a train consisting of five coaches containing a goodly number of passengers.

The colored people had an excursion to Cape May last Saturday, by way of the Kent County, Smyrna, and Dela. Bay Railroad to Bombay Hook; thence by steamer Artisan to Cape May. The excursion was well patronized.

Peaches.—A few skinny specimens of the peach have occasionally made their appearance on the Chestertown market. It is about time for a good quality of fruit, but we have only seen one box of decent peaches this season.

Shrewsbury Church, we are requested to state, will be opened for Divine service Sunday morning, the 14th instant, at 10½ o'clock, and St. Andrew's, Galena, at night, at 8 o'clock. Rev. Dr. Carmichael, of Port Deposit, will officiate for the rector, who is absent on account of ill health.

Registration Notice.—The officers of Registration for Kent county, give notice in another column, that they will sit for the correction of the lists of registered voters on Monday, Tuesday, Wednesday, Thursday and Friday, the 5th, 6th, 7th, 8th and 9th days of September next, in their respective districts.

Lightning's Work.—During the storm Saturday night the lightning struck a tree, on Mr. T. W. Eliason's Fairlee farm, where Mr. Henry Bramble resides. There were three hogs under the tree all of which were killed. One of the hogs was a large and valuable animal. We learn Mr. Bramble has all his stock insured.

Real Estate to be Sold.—Next Tuesday, the 16th instant, at the Voshell House, Charles H. Baker, Esq., as trustee, will sell the valuable farm known as the residence of the late Thomas Baker. The farm contains 193½ acres, is located within two miles of Chestertown, and has many other advantages making it desirable. See advertisement elsewhere.

The Poet Priest.—There was a fair audience, considering the hot weather, at the Catholic church last Thursday evening, to listen to the lecture of Father Ryan, the poet priest, upon "The most beautiful feature in the Christian religion." The lecturer held that charity is the most beautiful feature of Christianity. The lecture was an interesting one.

Another Excursion to Cape May.—Amicable Lodge of Odd Fellows, of Chestertown, (as will be seen by advertisement elsewhere) have completed their arrangements for an excursion to Cape May, on Wednesday the 24th of August. Heretofore the excursions given by the Odd Fellows have been very enjoyable and in every respect successful, and the committee having the present trip in charge will leave nothing in their power undone in order to make that of the 24th the best excursion they have ever had.

Baltimore Grain Market.—Wednesday's quotations.—The demand for Southern Wheat is active and the market higher, buyers discriminating in a very small degree on good grades: sail cargoes ranged from 1 29a$1 32 for long-berry and 1 28a$1 30½ for Fultz, and steamboat and wagon lots from 1 27a$1 30 for shipping grades. No. 1 Maryland red sold at $1 33. Southern corn is dull and lower for white, to which the arrivals are confined: a small lot sold at 62 cents, and large quantities at 59½a60 cents.

Chartered for the Yorktown Celebration.—We learn that the State authorities of South Carolina, have chartered for five days, during the Yorktown celebration, the steamer B. S. Ford, of the Chester River line, for the sum of $2,000. The Ford will be employed in running from Portsmouth, Va., to Yorktown, and will convey the South Carolina militia, numbering five hundred. The State officials and a large party of invited guests, will have their quarters on the Ford during the celebration. The steamer's engagement commences on the 17th of October.

A Rare Musical Treat is in course of preparation by the Kent Guards, the proceeds to be used to assist the company in their proposed engagement, as members of the militia of the State, in the Yorktown celebration. We are informed, by those who know, that the concerts will be far better than any ever before given in Chestertown. The best home talent will be assisted by musicians of note from the cities of Baltimore and Philadelphia. The entertainments will take place on the evenings of Tuesday and Thursday, August 23d and 25th. Programme and full particulars will be advertised next week.

Personal.—Rev. Wm. H. Hutchin and family, of Odessa, Del., are visiting, this week, at Mr. T. W. Eliason's.

Rev. George S. Bradford, of Dover, Del., was in Chestertown, on Tuesday, and paid the TRANSCRIPT a friendly call.

Mrs. Jas. P. DeCorse purchased, a short time ago, at private sale, Mr. Samuel Merritt's residence on High street, opposite the post-office, and moved into it last Monday. It is her intention, we learn, to reside permanently in Chestertown.

Mr. Samuel Merritt has taken charge of the farm of the late John C. Burchinal, near Chestown, and removed his family there this week. Mrs. Burchinal has, we learn, gone to Baltimore to reside.

Orphans' Court, TUESDAY, Aug. 9, 1881.—present, Judges Nicholson, Shallcross and Willson.

Wesley K. Ayres, administrator of James M. Ayres, returned inventory and appraisement of the real estate of said deceased, which was received and ordered to be recorded.

Adam Diehl, one of the administrators of George S. Diehl, returned inventory and appraisement of the personal estate of said dec'd., which was received and ordered to be recorded.

On application, Letters of Administration on the personal estate of Nicholas H. Crossley, deceased, were granted and committed unto Franklin H. Harper, (E. D. Crossley, Lucy Sparks and others first renouncing,) who filed his bond in the sum of $2,500, which was approved and ordered to be recorded. J. Frank Wilson and Samuel Davis were appointed to appraise the personal estate of said deceased.

Cornelius J. Scott, administrator C. T. A. of Araminta M. Gooding, returned his second and final administration account, which was examined, passed as stated, and ordered to be recorded.

Queen Anne's Items.—The *Centreville Observer* notices farm-renting for next year, and gives the names of several tenants who have been, as yet, unable to secure farms for the next year.

Mr. Henry E. Bryan, of Queenstown district, made a narrow escape from death, last Saturday, whilst oiling a threshing machine. His shirt sleeve caught in the iron rod which connects the horse power and the thresher, and which revolves very rapidly. In an instant Mr. Bryan's clothes were tightly caught in the rod and he was carried around several times with it before the horses could be stopped. He was badly cut and bruised, but is thought not to be seriously injured internally.

Wye camp closes to-morrow morning. Rev. E. B. Newnam preached on Sunday morning. There were, in all, about 55 tents.

ALTHOUGH the Hebrews could not make bricks for the Egyptians without straw, yet in this country we can put up a neat fire-proof chimney without bricks in a few hours. You can examne the drawing in another column.

IMPORTANT TO TRAVELERS.—Special Inducements are offered you by the BURLINGTON ROUTE. It will pay you to read their advertisemen to be found elsewhere this issue.

GOOD LOGIC.—A word to those who neglect to avail themselves of the business opportunities we offer. For nearly thirty days we have largely supplied the retail demand for Men's, Boys' and Children's Clothing in this city and State satisfactorily. The class of clothing we make is too fine for dealers in small towns to keep and is much better than is generally found in large cities. If you want a good article at the lowest possible price call upon C. N. OEHM & SON, Pratt and Hanover streets, Baltimore.

They beat anything in that line of implements. We invented it ourselves, and believe it to be the best. As an evidence of it other parties are trying their very best to imitate it, and leave the old ruts.

☞ The following well known farmers have used them, and we do not hesitate to refer to them and many others:

T. A. JACOBS, Capt. E. B. WOODALL, GEORGE W. DAVIS, S. J. ROSEBERRY, S. A. MERRITT, ABRAHAM HURLOCK, WM. H. STEWART, THOMAS J. VICKERS, THOMAS J. TUCKER, W. F. MASSEY.
