JOHN WANAMAKER'S.

Invitation.

Friends, and enemies too, if we have them, passing through Philadelphia, are invited to make a convenience of the Big Store. It is between the Broad-street station of the Pennsylvania R. R. and everywhere else, and is on the way from almost every station.

It would be old news to tell you what the store is here for. We'll skip that. For our present purpose it is here to be walked through, looked at, get rested in, and to hold your baggage while you run about town. As you enter the door, any door almost, you see a place to leave your bag. Leave a dozen parcels there, if you like; no charge. Go all over the store, up-stairs and down; ask for a guide, if you need one; go alone, if you like that better. After you have walked a few miles and climbed a pyramid or two, it may be lunch-time. In the basement is a place to get a bite; and that's the only part of the entertainment you pay for. We'd like to have that free, too, if we could. We fear the wrong people would come

In a sense we do not pay much attention to visitors. We do not invite them in so often as we would, if the newspapers didn't make us pay for every hospitable word. When they come, one or ten-thousand at a time, we simply let them alone, unless they ask for help. We have our hands full any way; besides, we don't want people to think that we ask them here to draw them into buying things.

What we really do want is that everybody everywhere should have a pretty accurate notion of what is going on here; and that's the whole of it.

JOHN WANAMAKER.

ALABASTINE

A Superior Substitute for Kalsomine, etc.

Alabastine is the *first* and *only* preparation made from calcined gypsum rock, for application to walls with a brush, and is fully covered by patents and perfected by many years of experiments. It is the only permanent wall finish, and admits of applying as many coats as desired, one over another, to any hard surface, without danger of scaling, or noticeably adding to the thickness of the wall, which is strengthened and improved by each additional coat, from time to time. It is the only material for the purpose not dependent upon glue for its adhesiveness. Alabastine is hardened on the wall by age, moisture, etc., while all kalsomines or whitening preparations have inert soft chalks and glue for their base, which are rendered soft or scaled in a very short time.

In addition to the above advantages, Alabastine is less expensive, as it requires but one-half the number of pounds to cover the same amount of surface with two coats, is ready for use by adding water, and easily applied by any one.

For sale by your Paint Dealer. Ask for Circular containing Samples of 12 tints, manufactured only by the ALABASTINE Co., M. B. CHURCH, Manager, Grand Rapids, Mich.

AYER'S Cherry Pectoral.

No other complaints are so insidious in their attack as those affecting the throat and lungs; none so trifled with by the majority of sufferers. The ordinary cough or cold, resulting perhaps from a trifling or unconscious exposure, is often but the beginning of a fatal sickness. AYER'S CHERRY PECTORAL has well proven its efficacy in a forty years' fight with throat and lung diseases, and should be taken in all cases without delay.

A Terrible Cough Cured.

"In 1857 I took a severe cold, which affected my lungs. I had a terrible cough, and passed night after night without sleep. The doctors gave me up. I tried AYER'S CHERRY PECTORAL, which relieved my lungs, induced sleep, and afforded me the rest necessary for the recovery of my strength. By the continued use of the PECTORAL a permanent cure was effected. I am now 62 years old, hale and hearty, and am satisfied your CHERRY PECTORAL saved me.

HORACE FAIRBROTHER."

Rockingham, Vt., July 15, 1882.

Croup.—A Mother's Tribute.

"While in the country last winter my little boy, three years old, was taken ill with croup; it seemed as if he would die from strangulation. One of the family suggested the use of AYER'S CHERRY PECTORAL, a bottle of which was always kept in the house. This was tried in small and frequent doses, and to our delight in less than half an hour the little patient was breathing easily. The doctor said that the CHERRY PECTORAL had saved my darling's life. Can you wonder at our gratitude? Sincerely yours,

MRS. EMMA GEDNEY."

159 West 128th St., New York, May 16, 1882.

"I have used AYER'S CHERRY PECTORAL in my family for several years, and do not hesitate to pronounce it the most effectual remedy for coughs and colds we have ever tried. A. J. CRANE."

Lake Crystal, Minn., March 13, 1882.

"I suffered for eight years from Bronchitis, and after trying many remedies with no success, I was cured by the use of AYER'S CHERRY PECTORAL. JOSEPH WALDEN."

Byhalia, Miss., April 5, 1882.

"I cannot say enough in praise of AYER'S CHERRY PECTORAL, believing as I do that but for its use I should long since have died from lung troubles. E. BRAGDON."

Palestine, Texas, April 22, 1882.

No case of an affection of the throat or lungs exists which cannot be greatly relieved by the use of AYER'S CHERRY PECTORAL, and it will *always cure* when the disease is not already beyond the control of medicine.
