BIG Bargain Hunters

CAN NOW HAVE

their most sanguine expectations appeased by an examination of this tremendous cut-price sale of Clothing. We want your trade, and if honest goods at unheard of LOW PRICES will get it, then we are in it.

Peaches or no Peaches!

You and your boys must have clothes, and the little speech we propose to make appeals to the close-buying father or mother who in these stringent times must make every ten-cent piece answer for itself. Close buyers are cordially invited to inspect our stock of Clothing this season. We like to do business with economical buyers because we are in a position to meet their expectations. We buy close, pay quick and have marked our goods at lower figures than was ever submitted in the history of our town, hence we have foundation for unlimited confidence in our ability to please. Below we quote a few of the many bargains we are offering this season, which needs no comment. Men's complete suits, in Serge, Cassimere and Cheviott, good substantial wearers, $4.75. Men's all-wool neat dressy suits, $6.50. And the most complete line of fine all-wool Cassimere, Cheviott and Worsted Suits at $8.50 and $9.75, ever displayed in our town. Youths' suits $3.90, $4.50, $5.75 to $8.50. Child's suits $1.00 to $4.50, and the greatest bargain ever offered at $2.50. This is not stamped goods, but a good Cassimere suit. Don't fail to see it. The best full size men's Cheviott Shirt in the county for 75 cents for two, usually bring $1.00, look for yourself. Men's White Shirts still the low price, 90 cents pair, these are only a few of the many bargains we are offering, as every article in our house comprising, Men's, Youths' and Children's odd pants. Hats of all descriptions. Furnishings and every Suit has been marked exactly as the advertisement asserts, and we are here with the goods to back all we claim. Examine the stock, and if we can't suit you in variety and price, then some one else will have a difficult task.

Respectfully,

MOODY & LUSBY,
Square-Dealing Clothiers.

The CELEBRATED CLEVELAND BAY STALLION,

PRIDE OF ENGLAND,

Registered No. 161, Imported, Stands Alternate Weeks at Elkton and Chestertown, Maryland.

PRIDE OF ENGLAND, 161, is a beautiful Blood Bay Color, stands 17 hands high and weighs 1300 pounds.

Pride of England is registered in the Ontario Coach and Roadster Horse Breeders' Association of St. Thomas, Canada, as No. 161. He is a descendant of the best producing families on both sides for speed, beauty, endurance and general utility.

Tracing from Mark Twain, Moonstone and Old Clear Grit [859] as producers of speed, and through Rattler and Hornpipe to thoroughbred and imported coach horses, through Fox Hunter, Pride of England [161] sired by Mark Twain, he by Moonstone, by Old Clear Grit [859], he by Lapadist by Touchstone, the English race horse.

Mark Twain's dam Big Nell, by Foster's St. Lawrence, he by Oil St. Lawrence. Mark Twain is sire of Nellie Baker with four-year-old record of 2.32 with six weeks handling. She gave a trial mile on Woodbine track, Toronto, in 2.21¾, and a half mile in 1.08.

Moonstone's dam by Bradly's thoroughbred, he by Olivers's thoroughbred. Moonstone is sire of Nettie C., record 2.23, and several others that show their ability to trot close to 2.30.

Old Clear Grit [859], was one of the greatest Canadian sires. Sire of Amber, record 2.23, made in Australia, and the fastest record for two, three and ten miles in Europe, Flora F., 2.24¾, Bay William, 2.27¾, Little Billy, 2.23¾, Billy M., pacer, 2.19¾, Fuller, pacer, 2.13¾, St. Patrick, 2.30¾, and a large number that trot under 2.40.

Pride of England [161], dam Fanny [55] by McQueen's Rattler, he by Wilson's Rattler, he by Biggart's Rattler, by Sir Henry, he by the Garrett horse, by Leonidas Imported Thoroughbred. Biggart's Rattler, sire of Joe Brown, 2.23, also sire of Warner's Rattler, sire of Mary Davis, 2.26.

Pride of England [161], grand dam by Hornpipe by imported Thoroughbred, great grand dam by Fox Hunter, he by imported coach horse.

It will be seen by the above that Pride of England is gilt-edged on both sides.

Breeders cannot possibly err in breeding their brood mares to this noble stallion, as the intensity of his breeding is in itself a certainty that his stock will partake largely of the characteristics of their sire.

TERMS OF BREEDING.—$25, one-half during the season and the other half when mare proves in foal. For more than one mare, special terms.

MEMORIAL DAY.

Its Observance Recalls Brave Deeds and Evokes Lofty Sentiments.

On Memorial day, May 24, wherever a soldier of the late war sleeps the sleep that knows no waking, comrades or relatives will strew flowers above him and otherwise commemorate his valiant deeds. The Grand Army posts will hold public services, and eloquent orators will recall in glowing language the deeds and sacrifices of the days and times in which nearly every household in the land was represented upon the battlefields of the nation.

It was a happy thought that fixed the day in which the gallant dead of the great conflict to preserve the Union might be fittingly commemorated, and it was a still more happy inspiration that selected the day in the very heart of the season of flowers, when all nature is clothed in resurrection robes. It was still more fitting that this day of commemoration should be made a holiday, so that all might participate in its exercises. Nothing more inspires patriotism and love of country essential to the maintenance of a free government in the living than recalling the brave deeds of the heroic dead, and Memorial day is scarcely second to the Fourth of July as a day in which the patriotism of the existing generation may be stimulated.

But in a wider sense even than as a day for recalling the deeds of the heroic dead has Memorial day come to be celebrated. The planting of flowers upon the soldiers' graves turned all men's thoughts to the dead, and now nearly everybody remembers their dead on that day. Flowers will be planted to-day that upon the grave of the child that was buried but yesterday as well as upon that of its grandfather, who fell at Gettysburg or in the Wilderness. A whole nation will remember its dead of all ages and conditions and in the most fitting way typify by the planting of flowers at the threshold of summer that, resurrection which a Christian faith teaches will be the future experience of all the dead.—*Philadelphia Times.*

LITERARY NOTES.

HARPER'S MAGAZINE.

"Eighty years young, said Dr. Oliver Wendell Holmes when asked his age on a now famous birthday. For forty-four years *Harper's New Monthly Magazine* has kept abreast of the best art and the latest knowledge. It is new every month. Besides its articles on general topics, the May Number contains six complete short stories, a generous instalment of Mr. Du Maurier's novel, "Trilby," half a long story by Jas. Lane Allen, and more pictures than the average illustrated book.

HARPER'S WEEKLY.

When you wish to know in a general way what happened, you read the morning [or evening] newspaper. When you want to know how it looked you buy *Harper's Weekly.*

HARPER'S BAZAR.

No matter what other magazines and papers the American woman buys, she subscribes to *Harper's Bazar* for the information it contains about fashions. It is her guide not only in those matters which have given her the reputation of being the best-dressed woman in the world, but in those other questions of mode which are not less important—the fashionable innovation in dinner-giving, in receiving, in furniture and decoration, and in the thousand and one things which distinguish the cultivated American household. There is no other paper in this field. The *Bazar* has no rival; it has not even a competitor.

Proof Positive.

No truly loyal Scotchman ever goes back on Robert Burns. Sometimes Sandy even anticipates the brightness of the national poet. It was the fate of a practical and patriotic Scotchman to assist at a meeting of a certain improvement society, the while a Shakespearean scholar dilated upon the virtues of his favorite writer. At the close of the meeting the stranger approached the lecturer, and the following dialogue ensued:

"Ye think a fine lot o' Shakespeare, doctor?"

"I do, sir," was the emphatic reply.

"An' ye think he was mair clever than Robby Burns?"

"Why, there's no comparison between them."

"Maybe no, but ye tell us the nicht it was Shakespeare who wrote

'Uneasy lies the head that wears the crown.'

Robby would never hae written sic nonsense as that."

"Nonsense, sir!" thundered the indignant doctor.

"Aye, just nonsense. Robby would hae kent fine that a king, or a queen either, disna gang to bed wi' the croon on their head. They hang it ower the back o' a chair."

She Didn't Take With the Gentlemen.

She was refined, intelligent, and not bad looking, but somehow she never seemed to take with the gentlemen. They didn't like her listless ways; they said she hadn't any "snap" about her. Poor girl! she was suffering from functional irregularities, and it was actually impossible for her to take much interest in anything. But a change came. One day she heard of Dr. Pierce's Favorite Prescription. She procured a bottle, and she had not taken half its contents when she felt like another woman. Now she is in the enjoyment of perfect health, and has suitors by the score. No woman need suffer from functional irregularities and weaknesses. The "Favorite Prescription" is a safe and certain cure for all the weaknesses to which women are peculiarly subject.

Dr. Pierce's Pellets cure constipation, biliousness, indigestion and headache. One a dose.

A Disease.

There are days in all of our lives when it seems as though everything was going wrong. It always begins early in the morning when we first get out of bed. We find the fire all out, or perhaps we have forgotten to prepare the kindling wood ready for the fire. And so it goes on from bad to worse through the entire day! As a general thing it will be found to be the person's own fault that things go wrong. He has got up as the old saying used to be, from the back side of the bed, and of course he is not in good humor with things in general. I think such a person is more to be pitied than blamed. It is a disease of the nature, the same as a bilious attack of the body. It needs doctoring. Some may say with a little oil of the birch twig; but I think not. Give them a helping hand in the way of some good advice. Show them how easy it would have been had they yesterday planned and prepared for to day.

A Household Treasure.

D. W. Fuller, of Canajoharie, N. Y., says that he always keeps Dr. King's New Discovery in the house and his family has always found the very best results follow its use; that he would not be without it, if procurable. G. A. Dykeman Druggist, Catskill, N. Y., says that Dr. King's New Discovery is undoubtedly the best Cough remedy, that he has used it in his family for eight years, and it has never failed to do all that is claimed for it. Why not try a remedy so long tried and tested. Trial bottles free at M. A. Toulson's DrugaStore. Regular size 50c. and $1.00.

CASTORIA

for Infants and Children.

MOTHERS, Do You Know that Paregoric, Bateman's Drops, Godfrey's Cordial, many so-called Soothing Syrups, and most remedies for children are composed of opium or morphine?

Do You Know that opium and morphine are stupefying narcotic poisons?

Do You Know that in most countries druggists are not permitted to sell narcotics without labeling them poisons?

Do You Know that you should not permit any medicine to be given your child unless you or your physician know of what it is composed?

Do You Know that Castoria is a purely vegetable preparation, and that a list of its ingredients is published with every bottle?

Do You Know that Castoria is the prescription of the famous Dr. Samuel Pitcher. That it has been in use for nearly thirty years, and that more Castoria is now sold than of all other remedies for children combined?

Do You Know that the Patent Office Department of the United States, and of other countries, have issued exclusive right to Dr. Pitcher and his assigns to use the word **"Castoria"** and its formula, and that to imitate them is a state prison offense?

Do You Know that one of the reasons for granting this government protection was because Castoria had been proven to be **absolutely harmless?**

Do You Know that **35 average** doses of Castoria are furnished for **35 cents,** or one cent a dose?

Do You Know that when possessed of this perfect preparation, your children may be kept well, and that you may have unbroken rest?

Well, these things are worth knowing. They are facts.

The fac-simile signature of Chas. H. Fletcher is on every wrapper.
