"A LITTLE SORE, but we'll take the whole ticket," was the verdict of many on Tuesday.

SOME OF THE VETERANS of last week's battle were in town on Tuesday,—but Tuesday was not a first-rate day for politics.

DREYFUS, the martyred French army officer, is returning to France, and in honor of the event, the administration has been overthrown.

A DEAD CALM has followed the political tempest of the past two months. An atmosphere of almost oppressive quiet prevailed on Tuesday.

OTIS needs more soldiers in the Philippines. The truth of this matter is, Otis needs reinforcements of soldiers in the Philippines worse than the United States needs the far-away islands.

JUSTICE OF THE PEACE WRIGHT is convinced that the silver lining to the local republican cloud can only be drawn out by making a ticket from the ranks of the veterans rather than from among the "time servers" or "day laborers."

THERE SEEMS to be a feeling in republican ranks that the young Napoleon and the other new blood in the party, must stand aside this fall when the ticket is made and give the old veterans a chance. Just how near the "old blood" and "new blood" members agree on this point will be seen later.

KENT COUNTY has nominated an excellent Democratic ticket with Hon. Harrison W. Vickers for Senator. We understand there is every prospect of this ticket being elected. All democrats and good citizens pull together.—*Snow Hill Messenger*. The *Messenger* has understood rightly.

HOWEVER REMARKABLE IT MAY APPEAR, Maine "mobs" were chasing a negro who had outraged a woman, several days ago. Lynching was the object of the chase. Human nature in Maine is the same as in Mississippi, and metes out the same punishment for the brute who outrages defenseless women.

THE BALTIMORE NEWS wants a "good Legislature" elected at the fall elections. So do we all, but who is to be the judge in this matter. Ben Hess, Andrews and others of the gentlemen who represented Baltimore at Annapolis in the last Legislature, thought themselves first-rate fellows and convinced others that they were all right.

AFTER A FULL DISCUSSION of the political situation in Kent, many of those who were at first disposed to object to the personnel of the democratic ticket and indulge in harsh expressions, are disposed to accept the situation philosophically and help a good thing along. Democratic "kickers" this fall will be few and far between.

JUSTICE WILKINS is to be congratulated upon having discovered a law against Sabbath desecration in the form of crap-shooting. State's Attorney John D. Urie's opinion to the contrary notwithstanding. The prosecuting attorney had failed, it seems, to discover this solutary statute during his long experience at the bar, and had advised the officers that no remedy existed.

THE REPUBLICAN LEADERS have a political triangle on their hands. Messrs. James H. Baker, Wilbur Eliason and John D. Urie all have friends urging their fitness and strength for the State Senate. Mr. Urie, who has no especial aversion to increased honors is, however, somewhat handicapped by the newness of his republicanism and the fact that he has the once-coveted State's attorneyship on his hands. The senatorial perplexities will, of necessity, be dealt with in the near future.

IT IS STATED that the republican primaries will be held early in July. The dash and steadying influence of Col. Wm. J. Vannort may figure conspicuously in the future of his party. Indeed, there are many who would like to see the Colonel step to the front as a leader to a greater extent than he has ever done. Colonel Vannort is in touch and hearty sympathy with Governor Lowndes, and should the present executive be declared the nominee of his party, which is highly probable, the "pull" in Kent may fall beyond the reach of some erstwhile leaders.

COMPLAINTS ARE BEING MADE that during the recent hot spell the hog-pen nuisance flourished as the green bay tree. Chestertown has never had a board of commissioners who exhibited more zealous care as to the rights of the citizens to a proper enjoyment of those things most conducive to health and comfort. The hog-pen nuisance, conceived, born and fostered in politics, has gradually worked its contaminating way into the resident portion of some sections of town to the great discomfort of citizens. The judicial decision for Maryland, based largely upon medical testimony, is to the effect that the hog-pen is a menace to the health of any community in which it may be found. The hog-pen should be promptly forced to the rear beyond the danger line.

"THE CHESTERTOWN TRANSCRIPT seems to be uneasy about Queen Anne rolling up her usual majority, this fall. It says: 'It would not be safe for our democratic friends across the Chester to bank too much faith on their handsome majorities of the past.'

"While things are in a muddle just at present, it will be all over after the primaries, and as usual, old Queen Anne will have but one family and that a democratic one. We wish we could let you have two or three hundred good standard democrats to help elect Kent as we would then have enough not to need a recount. If you find you need a few votes drop us a line and we will see what we can do for our sister county, for we would like to see her keep in line."—*Queenstown News.*

This is a cheering report from Brother Aker. Its inspiration will certainly not be lost on the democracy of Kent, but it will not need outside assistance this time. The merits of its own ticket will be all sufficient for fall emergencies.

A NEW PUGILISTIC CHAMPION.

Jeffries, the Young California Giant, Defeats Bob Fitzsimmons.

The fight for the pugilistic championship of the world, between Bob Fitzsimmons and Jim Jeffries, at Coney Island, on Friday night last, was won by Jeffries in the eleventh round. Jeffries, the son of a California clergyman, and only 24 years old, weighed 206 pounds, while Champion Fitzsimmons weighed but 158 pounds. Fitzsimmons made a brave fight, but was clearly too light for his muscular young opponent. The retiring champion stood a great deal of punishment, being knocked down repeatedly. He went unfaltering to his defeat. He was the aggressor even at moments when he was bleeding and unsteady, and when stunned by the blows he received he reeled instinctively toward his opponent. He was fighting all the time, and punished his opponent, but found him a different antagonist than any he had met, and a difficult man to fight.

The men fought before a crowd of 9,000 persons, and stood up in a great beam of blinding white light. It was like a thousand calciums, and it showed their great white bodies in strange relief. When the blood came it was of an intenser red than usual.

There was not a suggestion of interference from the police. Chief Devery occupied a seat by the ring-side, but never entered the ring. When it was all over he sent Captain Kenny in to clear the ring. The contest was pulled off without a wrangle, and was devoid of the brutal elements that Chief Devery alleged he feared.

There was very little betting. There was plenty of money ready on both sides, but nobody liked the odds. The Jeffries people wanted two for one for their collateral and the Fitzsimmons people were slow to give it.

The Westchester Athletic club offers a purse of $25,000 for a 25 round go between Jeffries and Sharkey. Jeffries has accepted Sharkey's challenge, but the new champion makes provisions that the sailor pugilist objects to. Jeffries declares that Sharkey does not want to meet him.

CONVENTION PROGNOSTIGATIONS

Indulged in by One of Mr. Lowndes' Friends—Then Mr. Westcott's Friend Gives His Figures.

The friends of State Senator Charles T. Westcott, of Kent county, have brought him out as a candidate for the republican gubernatorial nomination, and are claiming the honor for him. Last Sunday, in an interview with an American representative, Mr. Westcott declared himself "not a candidate," but during the week there has taken place one of these lightning like changes for which politics are famous, and Mr. Westcott has been forced into the open as a candidate. It is understood that the skillful hand of Congressman Sydney E. Mudd has accomplished the revolution, and that there are already pledged to Mr. Westcott thirty-two votes, which, with the vote of the Baltimore city delegation, on which Mr. Mudd confidently counts, would give his candidate fifty-three votes in the State Convention, or within six of a majority and a nomination.

The political prognosticator has already commenced to work. The friends of Mr. Lowndes have been figuring on his vote for some time past, and, now that Senator Westcott is known to be seeking the nomination, his friends are commencing to use the figures. One of Mr. Lowndes' friends has compiled a table of the vote he is certain to get in the State convention, compiling all except those he deems absolutely certain under the general head, "Opposition." His table is as follows:

Lowndes—Allegany county, 6; Baltimore county, 3½; Baltimore city, 10½; Calvert county, 3; Caroline; 3; Carroll, 5; Cecil, 4; Dorchester, 4; Garrett, 3; Harford, 5; Montgomery, 4; Queen Anne, 4; Somerset, 4; Talbot, 4; Washington, 5; Wicomico, 4; Worcester, 4. Total. 76.

Opposition—Anne Arundel county, 6; Baltimore county, 3½; Baltimore city, 10½; Charles county, 3; Frederick, 6; Howard, 3; Kent, 3; Prince Georges, 8; St. Mary's, 3. Total, 41.

BASIS OF THE CLAIM.

In commenting upon this table the Governor's friends say:

"It will be admitted without question that Allegany, the Governor's home county, will support him. Anne Arundel is arrayed against him because of the well-known antagonism of Dr. Tuck, who has heretofore been opposed to the Governor. Baltimore county and Baltimore city are divided equally upon the assumption that, in the event of a contest, they will resort to the sensible plan of dividing the delegation thus avoiding a factional fight, which the party is not able to stand.

"Calvert is given to the Governor because of the recognized supremacy of ex-Senator Thomas Parran in the county. Caroline is given to the Governor because of ex-Judge Russum's influence and Junge Clabaugh's friends will take care of Carroll for Senator McComas' sake. Cecil is recognized as a Lowndes stronghold, but Charles, Prince Georges and St. Marys are placed in the opposition column, because of Mr. Mudd's influence. All of the Eastern Shore counties, except Kent (Mr. Westcott's home county), are favorable to the Governor, as are the controling influences in all of the other counties, except Howard and Frederick, which may be classed as 'opposition'; hence you can see that the Governor will have some votes to spare."

THIS IS WHAT WESTCOTT MEN CLAIM.

This view is not concurred in by the Westcott prognosticator, who makes up his table thus:

Lowndes — Allegany county, 6; Baltimore county, 7; Caroline, 3; Carroll, 5; Dorchester, 4; Garrett, 3; Harford, 5; Montgomery, 4; Queen Anne, 4; Somerset, 4; Talbot, 4; Washington, 5; Wicomico, 4; Worcester, 4. Total, 62.

Westcott—Anne Arundel county, 6; Baltimore city, 21; Calvert, 3; Cecil 4, Charles, 3; Frederick, 6; Howard, 3; Kent, 3; Prince Georges, 3; St. Mary's, 3. Total, 55.

In explaining this table, the Westcott man said:

"'Sid' Mudd has determined to nominate Westcott, and will have the votes to do it with. He has formed a combination of twenty-seven votes, not counting Baltimore city, Cecil and Howard counties. I am assured that the votes of all of these three will be cast for Westcott. So you can see, if plans don't go awry, that Westcott is already in possession of all except four of the number of votes required for the nomination, and when it comes to answering the roll-call, the Eastern Shore counties, because of local pride, will have to fall in line for him."—From Sunday *American* of May 21st.

Mr. Westcott has since declared himself "no candidate."

Honesty is the Best Policy.

HONEST GOODS, honest prices and honest dealings will surely bring success. Every hour proves it. The last days of the nineteenth century show nothing more clearly. We believe this fact and our works demonstrate our belief. Our goods are warranted to be exactly as represented, that is honest; our goods are guaranteed to give perfect satisfaction, that is honest. If any article of jewelry of our manufacture does not give perfect satisfaction we will refund the money paid for such articles; that, too, is honest.

T. S. BORDLEY has a complete assortment of our goods in his store for sale at prices that defy competition. These goods are made from rolled gold, gold filled or solid gold stock and are warranted to give perfect satisfaction or the money will be refunded.

If this notice should reach any one living too far away from Mr. Bordley's store, or any other customer of ours, to permit their purchasing the goods of our customers, we will sell the goods at retail to such persons, under the warranty, and deliver by mail. We will also send printed instructions as to the care of the jewelry, how to clean it, etc., on application.

SOMETHING NEW

AND FULL WORTHY OF TRIAL

CREAM SEPARATED FROM MILK BY GRAVITY PROCESS.

No cranks to turn, no ice needed, no machinery to get out of order, no oiling, no repairing, no speed regulations needed, no need of an extra supply of brains. It is simply a tank with a faucet and two glass windows, and is made of the very best brand of heavy tin (Ix Marlboro brand) well-made, therefore durable, easily cleaned, a great labor saver. The refuse milk is a better calf feed as it is sweeter than the refuse milk from steam creamery. You can carry the cream to the creamery in one or two cans and but one trip per day in place of two trips, and 6 or more cans each trip. Ponder well over this matter. I will put out for trial one dozen tanks. Now as to prices.

No. 0, holds 7 gallons, for 1 to 3 cows, $4.00.
No. 1, " 11 " " 2 to 5 " $6.00.
