### CALL FOR DEMOCRATIC PRIMARIES.

The Democratic Voters of Kent county are requested to assemble at their respective polling places in each election district, on

**Saturday, the 22d day of July, 1899,**

at 2 o'clock P. M., for the purpose of selecting six delegates from their respective districts to meet in convention to be held at the Court House in Chestertown, on Tuesday, the 25th day of July, 1899, at 12 o'clock noon, to select delegates to represent the county in the Democratic State Convention, which will be held in Baltimore on Wednesday, the 2d day of Aug., 1899, for the purpose of nominating one candidate for Governor, one candidate for Comptroller and one candidate for Attorney General. Where there are two precints each precinct will be entitled to three delegates.

RICHARD D. HYNSON,
WILLIAM E. KEYSER,
TILGHMAN SHAFER,
Democratic State Central Committee for Kent County.

A BALTIMORE WOMAN has soundly thrashed her husband and paid twenty dollars for the fun.

THE LATEST IS THAT the insurgents in the Philippines are deserting Aguinaldo. This may be so, but we doubt it.

"THE CANDIDATIAL CROP," is the way Brother Aker, of the Queenstown *News*, puts the State's supply of patriotic citizens who have abandoned themselves "Into the hands of their friends."

ONE-EIGHTH OF AN ACRE of ground in Queenstown has sold for three hundred dollars, or at the rate of twenty-four hundred dollars per acre. The railroad is evidently a good thing for Queenstown.

A PROMINENT WORTON REPUBLICAN is generous enough to prophesy that only three or four on the democratic ticket will "fall by the way" in November. With such shadowy claims at the commencement of the race it will be interesting to watch the lessening of hopefulness in republican ranks.

THE INTERNAL REVENUE DEPARTMENT has decided that banks shall not affix stamps to checks unstamped when presented. Under no circumstances has a bank the right to ignore this provision. In a community where checking on bank accounts is as general as in Kent, this is a matter of no trifling importance and interest.

THE REPUBLICAN TICKET is expected to come forth about the middle of August. A short, snappy campaign, is the programme. From present prospects both the convention which nominates it and the campaign which precedes its doom will possess an abundance of *snap*.

MR. THOMAS W. ELIASON has many friends who desire that he shall succeed Mr. Westcott as chairman of the Republican County Central Committee. A prominent republican said on Tuesday that it had been positively decided to offer the place to Mr. Eliason, and it is thought that he will not be averse to the honor.

A MOVEMENT HAS BEEN INAUGURATED among the colored citizens of Boston looking to an organized opposition to the presidential aspirations of the great national assimilator, William McKinley. It is proposed to extend the revolt against McKinleyism into every section of the United States in which the colored vote is sufficient to figure as a political factor.

GOVERNOR LLOYD LOWNDES has a decided predilection for "goodness and purity" in the Maryland Legislature. The chances are that the churchly governor would want to measure the saintly qualities of the legislators by the Lowndes political half-bushel. In other words he would like to be set as judge in the case.

TROOPS just back from Manilla are suffering from the cold, even in the midst of a California summer. President McKinley has been appealed to for overcoats for the men. The probabilities are that the "war president" will need a palm leaf fan of monster proportions before he gets the Philippine war off the hands of the American people.

EX-SENATOR CHAS. T. WESTCOTT, it is reported, will soon resign his position as president of the Chestertown National Bank in order to give his entire attention to the banking department of the International Trust Company, of which he is a large stockholder and an officer. Richard D. Hynson, Esq., will succeed Mr. Westcott as president of the Chestertown National Bank.—*Centreville Record.*

**Deafness Cannot be Cured**

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed for ever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

TUESDAY WAS A DAY of unusual activity in republican ranks. Chestertown was alive with the faithful. The fifth district was particularly in evidence. Mr. Joseph C. Kendall, smiling and pleasant, was up from the fifth, while Mr. John E. Beck, sanguine and affable was in evidence from the same district. Mr. John C. Davis, said to be a candidate for the sheriffalty nomination from Pomona, was early in the field with a pleasant word and confidential chat with his friends.

Col. William J. Vannort, a gentleman whom many members of his party would be glad to see assume the republican leadership, was as gracious and smiling as though the ticket had been made and he stood honored with the State Senatorship nomination. Mr. Wilbur Eliason, prominent among those mentioned for the responsible promotion to the head of the local ticket, was quietly taking in the situation throughout the day. Esqutre Ben N. S. Wilkins, whose name Dame Rumor has connected with the county commissionership from the fourth district, was busy at times with official duties, but was alert to every move on the political board.

States Attorney Urie was of course luminous with blushes, and had a welcome for all at the new headquarters of his party. It was suggestive, indeed, to see the old veterans of many battles "dropping in" for a sip at the new fountain of a pure and unadulterated republicanism. But it was on tap and in abundance. Mr. Charles England, one of the old-time leaders of his party before spurious coin gained currency, was in town with a smile and a good word for all. Then, too, there were others; and too, there were clouds over the distant horizon; ominous shadows marred the beauty of the love-feast arranged by the political gods. There were faint mutterings which some said were presages of trouble ahead. There were tiny dashes of flying spray, which one old fellow thought meant that there were hidden reefs upon which the old ship may strike if a steady hand and clear head is not in the pilot house. Indeed, the situation was interesting, and may be more threatening than many were disposed to think from a superficial view.

THE DEMOCRATIC VOTERS of Kent county are requested to meet at their respective polling places on Saturday, July twenty-second, at two o'clock P.M., for the purpose of selecting six delegates to a county convention to meet in Chestertown on Tuesday next. The duty of Tuesday's convention will be to select delegates to a State convention which will meet in Baltimore on Wednesday, August second, for the purpose of nominating a democratic candidate for governor, a candidate for comptroller and a candidate for attorney-general. This is a matter of great importance to every democrat. It is useless for either the leaders or the rank and file of the party to deceive themselves into thinking that the republicans either in Kent or throughout the State will put up a tame or listless fight. They are preparing for a supreme effort to control the ground already gained and to make inroads upon new territory. Then, let the democracy of Kent give every possible encouragement, not alone to the strong ticket already nominated, but to the masses of voters upon whom will rest the work of electing them. It is of vital importance that the very best men in the party be sent to the Baltimore convention to vote for a man, whoever that man may be, who can lead the democratic party to success in November. While Congressman-elect John Walter Smith has a vast number of friends on the Eastern Shore, if it should be found after a thorough canvass of the situation that there is another equally qualified for the place, who will bring greater strength to the polls, let that other be selected as the standard bearer to head the State ticket. The responsibilities resting upon the delegates to be selected by Tuesday's convention are great; the duties devolving upon the gentlemen who will represent their party will be of a most delicate nature. Personal preferences and factional affiliations must be laid aside, and the best interests of the democratic party be allowed to claim the unqualified allegiance of a harmonious convention.

### AGAINST LOWNDES.

The colored voters of Maryland are not a unit in their endorsement of Governor Lowndes as his own successor. Editor Sharps, editor of the *Afro-American Speaker*, has this to say in a leading editorial:

"Now the day of reckoning has come. The negro can easily recall how the good, conservative Governor forgot to consider him a factor in the body politic. The time is fast ripening when the negro voters can say to him in ways far more effective than words, that we have not forgotten you, nor have we lost all of our manhood. Since you have been so negligent in the past we are afraid to trust you in the future. We have thought of you often, and you shall be made to feel the result of our meditation. Time and again have the negro voters appealed to the Governor for recognition; but to these appeals he has been as silent as a clam and as mute as a tombstone. The negro voters have already served notice upon the party leaders that they cannot win with Governor Lowndes as the candidate. The negroes of the State have it in their power to either defeat or elect Governor Lowndes to the second term. They prefer the latter of the two evils, consequently they're going to lay him on the shelf."

### BETTERTON NEWS.

**Morsels of News About Betterton-on-the-Bay.**

R. T. Milburn, of this place, left this week for a six months' tour in the west, in the interest of a large drug house in Philadelphia.

Quite a number of residences in town are being repainted and otherwise beautified.

It has been suggested that a half dozen street lamps placed in different sections of Betterton would brighten up the place on dark nights very materially.

There has been no dearth of news for the past few days in this town of (as a guest of one of the hotels so aptly expressed it a few days ago) Betterton-on-the-Bay.

Each of the three hotels is crowded, and still the arrivals increase daily, thus attesting the popularity of this pretty bayside resort and its healthful location.

A number of yachts, and pleasure parties on even larger craft have come and gone during the week, one of the recent departures being the government boat "Endeavor."

The campers in the groves along the shore add very materially to the size of the population, and seem to enjoy their tenting experience under white canopies.

Comment is heard from nearly every visitor on the excellence and purity of the water from the numerous springs along the shore, and decidedly one of the best is at the foot of the high bluff in the rear of Turner's warehouse. It is exceedingly cold, being about 38°, and has a sparkle equaling the bead on the famous Bedford Springs water. A peculiarity about this water is that it seems to the eye to be a solid opaque bit of crystal glass.

One of the citizens of Betterton, now rounding out nearly his three-score years and ten, is J. W. F. Cooper, a native of Kent county, having first seen the light of day at old Bel Air, now Fairlee.

In noting in a recent issue of your paper the death of the last juror in the Cosden murder trial, the fact was soon established that Mr. Cooper was one of the deputies to Sheriff Cann during the memorable hanging of the murderers.

The Ericsson line of steamers expect to land their boats at the new wharf the latter part of this week. The crib at the end of the wharf is being strengthened and otherwise made perfectly secure, and the erection of freight and passenger sheds will soon commence.

The wheat crop throughout this section was fully up to the average and no complaints have been heard from the farmers. Of fruits, however, not so much can be said. The pear blight has about settled that delicious fruit, while the drouth has affected the berry crop, as it also ruined the truck patches in this locality. Sunday night's rain will help late corn and tomatoes.

Among the recent arrivals at the Chesapeake House are parties from as far north as Concord, N. H., and from Chattanooga, Tenn., in the southwest. Inquiries are being made from prominent people in Washington, Philadelphia, New York and Baltimore, and already bookings are made at all three hotels for the fishing and ducking season.

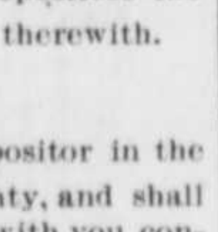

Fish are commencing to bite quite freely, some of the catches being large. The best bait for rock is the blood worm, while the soft crab and peeler is being used for taylors and perch. C.

"We have sold many different cough remedies, but none has given better satisfaction than Chamberlain's," says Mr. Charles Holzhauer, Druggist, Newark, N. J. "It is perfectly safe and can be relied upon in all cases of coughs, colds or hoarseness. Sold by M. A. Toulson, druggist.

## SOMETHING NEW

AND FULL WORTHY OF TRIAL

**CREAM SEPARATED FROM MILK BY GRAVITY PROCESS.**

No cranks to turn, no ice needed, no machinery to get out of order, no oiling, no repairing, no-speed regulations needed, no need of an extra supply of brains. It is simply a tank with a faucet and two glass windows, and is made of the very best brand of heavy tin (4x Marlboro brand) well-made, therefore durable, easily cleaned, a great labor saver. The refuse milk is a better calf feed as it is sweeter than the refuse milk from steam creamery. You can carry the cream to the creamery in one or two cans and but one trip per day in place of two trips, and 6 or more cans each trip. Ponder well over this matter. I will put out for trial one dozen tanks. Now as to prices.

No. 0, holds 7 gallons, for 1 to 3 cows, $4.00.
No. 1, " 11 " " 2 to 5 " $6.00.

## Kent County Savings Bank

IS THE ONLY

**"Savings Bank"**

IN THIS COUNTY.

It opened its doors for business July 1st, 1893, and since then

**Has Paid To Its Depositors $11,145.24 In Interest on Their Deposits.**

In addition to the above magnificent amount this Bank will pay its Loyal Depositors on July 1st, about $2,000 more, as semi-annual interest from January 1st, 1899.

We are the Pioneer Interest-Paying Bank in this community, and our well-established 3 per cent. Savings Accounts are constantly increasing and are popular with all classes.

The Kent County Savings Bank is subject to the same examinations as the National Banks of this county, and is also annually examined by a committee of its Stockholders entirely distinct and separate from its Board of Directors.

### Look at These New Features!

On Tuesday, May 9th, 1899, a full meeting of the Directors of this bank decided to pay

**Two Per Cent. Interest Per Annum On Accounts Subject to Check.**

These accounts are to be subject to check at any time, for any amount without notice, and 2 per cent. will be paid on balances of $50 and like amounts.

SPECIAL DEPOSITS may be made with the bank for 12 months or longer, on which we

**Will Pay 4 Per Cent Interest Per Annum.**

It is our determination to do an absolutely safe business and to pay our depositors the best rates of interest consistent therewith.

We desire you to become a depositor in the only Savings Bank in Kent county, and shall be glad to communicate or talk with you concerning our methods of transacting business.

## Do Your Eyes Need Attention?

## Why Not Have the Best?

Do you suffer with Headache? There are very few who don't. If so, perhaps defective or impaired vision is the cause.

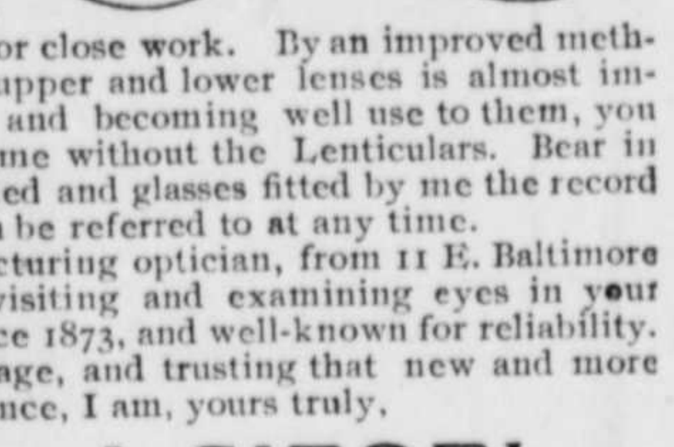

Have you read the hundreds of testimonials from the most prominent people of Maryland, published on my last visit testifying as to the great relief and comfort obtained to their eyes by the use of my celebrated Eye perfecting Crystal Spectacles and Eye Glasses. Among them are as follows: Governors, Judges of Circuit and Court of Appeals, Clergymen, Lawyers, Justices of the Peace, Physicians, Bankers, Merchants and Mechanics.

If you are a headache sufferer, or do your eyes ache or pain while reading, writing or sewing, or during the action of any bright light? why not call and have your eyes scientifically examined and procure a pair of my celebrated Crystal Glasses, and obtain instant relief. No Charge for the optical examination of your eyes. Entire satisfaction Guaranteed.

### THE GREATEST CARE

Should be taken with children's eyes, and they should receive close attention. When a child holds its book conspicuously near, when he has difficulty in seeing figures on the blackboard at school, when he complains of his eyes hurting and of headaches, have the eyes examined and, if necessary, corrected and let him grow up in the comfort of perfect vision. If a child can see better with glasses, he should wear them. To say that he is too small or too young to wear glasses is as reasonable as it is to contend that he is too young to have a fever or a toothache. The continued neglect of a child's eyes may cause strabismus (cross-eye). The eyes are too short for paper vision. Too much strain is brought on the muscle that move them, in consequence of which they become crossed. This defect can be cured by the continued wearing of properly adjusted glasses.

**BEWARE OF IMPOSTORS. NO AGENTS OR PEDDLARS ARE EMPLOYED.**

This cut represents my double glasses or Lenticulars. Those who are compelled to wear two pair of spectacles will find the greatest comfort and convenience in a single pair composed of two pair of lenses; that is the upper part for distance, the lower for reading or close work. By an improved method of construction the line between upper and lower lenses is almost imperceptible. After a fair trial in using and becoming well use to them, you will wonder how you could go all this time without the Lenticulars. Bear in mind, if you ever had your eyes examined and glasses fitted by me the record of your examination is still kept and can be referred to at any time.

J. Siegel, the scientific and manufacturing optician, from 11 E. Baltimore street, Baltimore, Md., who has been visiting and examining eyes in your city, as well as throughout the State since 1873, and well-known for reliability.

Thanking you for your past patronage, and trusting that new and more modern facilities shall merit a continuance, I am, yours truly,

J. SIEGEL
OPTICIAN.
