TUESDAY was another animated day in local republican politics.

FREDERICK AND SOMERSET COUNTIES declared for Governor Lowndes as the republican gubernatorial nominee, on Tuesday.

THE THREE democratic candidates for the Legislature in Talbot are all named William — William Collins, William Dudley and William Willis.

TALBOT is thinking of trying the county treasurer system. It's a good thing,—too good a thing indeed, for so progressive a county as Talbot to do long without.

THE "DEADLY PARALLEL" drawn on the war utterances of President McKinley would prove wonderfully interesting reading. Like the money sentiments before and after his nomination the contrast would be striking.

"TALBOT'S UNITED DEMOCRACY," looks well at the head of the editorial columns of that staunch old democratic organ, the Easton *Ledger*. The *Ledger's* editorial bearing upon political conditions in Talbot has an extremely pleasant ring about it.

AS GOES BALTIMORE so goes the fall election, so said the Baltimore *American* prior to the spring election of Mr. Hayes. Now the irridescent General Agnus has changed his political mind, and says the republicans are sure to win. Fortunately, the editorial wizzard of Nacarema is neither a prophet nor the son of a prophet, and is more frequently wrong than otherwise.

THE SUN'S OPINION.

The editorial opinion of the Baltimore *Sun* bearing upon the the personnel of the Democratic State ticket, is interesting reading. The *Sun* said editorially on the day following the convention:

"The ticket nominated by the Democratic State Convention yesterday is strong in its personnel and will make a favorable impression throughout Maryland. Col. John Walter Smith, of Worcester county, the nominee for Governor, has been long prominent before the people of Maryland, and has filled a number of official positions with credit to himself and usefulness to the public. He is admitted by his political opponents to be a man of exceptional ability, of popular manners, an aggressive campaigner and of unblemished personal character. He is not merely a politician, but a successful business man, the president of a bank in his home county, and connected with various enterprises of pith and moment. He is, in short, a substantial and representative citizen, a man of affairs with a stake in the good government of the State, and with a personal and social reputation and standing which entitle him to public confidence.

"Mr. Isidor Rayner, of this city, the nominee for Attorney-General, is known far beyond the limits of Maryland as an effective and eloquent political speaker and as a brilliant and able lawyer. His record in Congress was one of unusual distinction, and the State has had few representatives in that body within recent years who commanded such general recognition or wielded such influence in the national councils. He will be a power on the stump for the democrats during the coming campaign, and will materially strengthen the ticket with the masses.

"Dr. Joshua W. Hering, of Carroll county, the nominee for Comptroller, will prove a tower of strength in Western Maryland. Essentially a business man, his service in the State Senate showed him to be made of the honest and reliable stuff which is so rare and so much needed in public affairs. A bank cashier and a solid man in finance as well as in character, his word is considered as good as his bond, and those who know him feel that State interests can be trusted as implicitly to his capacity and integrity as the private enterprises which have prospered under his hand.

"On the whole, the ticket, as far as its personal character is concerned, seems likely to commend itself to the approval of all Democrats who desire to see the adoption of a higher standard of nominations. If the Democratic legislative nominees are of the same type, the chances of Democratic victory will be greatly increased. When their turn comes the Republicans should see if they cannot match the Democrats with an equally good Gubernatorial and legislative ticket. In that case the people will have reason to congratulate themselves on so pleasing and unusual a situation, enjoying the guarantee thus afforded that no matter which party triumphs the State can suffer no harm.

"A feature, perhaps we should say the feature, of the convention was the graceful and manly style in which Mr. Edwin Warfield, Mr. Smith's competitor for Gubernatorial honors, accepted the situation, and put his rival in nomination, with the suggestion that he should be chosen by acclamation. We do not recall another recent instance of this kind in Maryland politics, and Mr. Warfield has crowned a gallant and well-conducted fight by a display of generous manhood and chivalrous courtesy toward his opponent that converted his defeat into a triumph and will give him a higher place than ever in the esteem of his political and personal associates."

IN THE PUBLIC SCHOOLS.

The public schools of Kent will open on Monday, Sept. 4th.

Miss Lillian Maslin has been awarded a scholarship at the State Normal school.

The School Board has adopted Milne's Arithmetic for use in the public schools for Kent county.

The public school commissioners awarded contracts for the delivery of coal as follows: Worton, Mr. H. N. Greenwood; Kennedyville and Massey, Mr. H. Ford; Lambson's, W. L. Meredith; Millington, Elmer Jarman.

There is more Catarrh in this section of the country than all other diseases put together and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from ten drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address,

FROM CHESTERVILLE.

Among the visitors from Philadelphia in our village and neighborhood are: Mrs. Washington Jarman, at Mr. J. W. Jarman's and other relatives; Mrs. Robt. Strahan and children at Mrs. Mary Solloway's, mother of Mrs. Strahan; Mr. Harry Foster, wife and daughter, Sallie, at Mrs. J. W. Stephenson's, sister of Mrs. Foster. From Washington, D. C., are Major Lemuel Fugitt and family accompanied by Miss Lillie Woodfield, sister of Mrs. Fugitt. From Baltimore, Mrs. Josie McGee, daughter of Mrs. Solloway.

Miss Ethel M. Solloway has returned home after a pleasant visit to Rev. J. W. Mitchell, at Church Hill.

On one occasion a little boy visiting this community saw that daily scene on a farm, milking of cows; never afterward could he be induced to drink milk, saying, "The milk I drink comes from a dairy." This illustrates the truth of the remark made years ago by St. Helena's famous exile, "Imagination rules the world."

We had a good rain an Saturday night which revived parching vegetation, brightened farmers and truckers prospects and the comparatively cool breezes which followed met "a warm reception."

Mr. Louis Anderson and Mr. J. D. Burris infant child are both improving after serious illness. OCCASIONAL.

A Mother Tells How She Saved Her Little Daughter's Life.

I am the mother of eight children and have had a great deal of experience with medicines. Last summer my little daughter had the dysentery in its worst form. We thought she would die. I tried everything I could think of, but nothing seemed to do her any good. I saw by an advertisement in our paper that Chamberlain's Colic, Cholera and Diarrhoea Remedy was highly recommended and sent and got a bottle at once. It proved to be one of the very best medicines we ever had in the house. It saved my little daughter's life. I am anxious for every mother to know what an excellent medicine it is. Had I known it at first it would have saved me a great deal of anxiety and my little daughter much suffering—Yours truly, Mrs. Geo. F. Burdick, Liberty R. I. For sale by M. A. Toulson, Druggist.

W. S. WALKER. H. M. BROWN.

BECK, WALKER & BROWN,

Fertilizer Manufacturers,

offer to the farmers of Kent county their well-known brands of WHEAT FERTILIZERS. During the past seven years nearly one-fourth of the total wheat raised in Kent county was grown with the following brands of Fertilizers. A number of the largest crops and best wheat yields have been from these goods. These facts should be a sufficient recommendation of their reliability.

TRUSTWORTHY—

An absolutely Pure Bone Phosphate. Any one wishing to use an absolutely Pure Bone Goods, cannot do better than use this brand. We have sold large quantities of it, and it has given universal satisfaction.

PROPAGATOR—

A Pure Bone and Mineral phosphate, testing high in Ammonia, Phosphoric Acid and Potash. We have found this brand very popular with those wishing to use a High Grade complete Fertilizer, but unwilling to pay the price of pure bone goods. We can confidently recommend this brand.

TRY ME—

A COMPLETE FERTILIZER.

We introduced this brand six years ago to meet the low price of wheat. It is a mixture of the very best Phosphates and High grade Sulphate of Potash, tests very high in both soluble and insoluble phosphoric acid and potash. It contains sufficient ammonia to give the crop a good start, is absolutely free from anything that can sour or injure the land. It is more durable than any cheap phosphate and will not give out before the crop matures. During the past six years more wheat has been grown with these goods in Kent county than with any brand of goods ever used here. Everyone who has used these goods acknowledge that they drill better and more satisfactorily than anything they have ever tried.

We are also prepared to put up SPECIAL MIXTURES with highest grade of goods at lowest possible prices.

We do an entirely local trade, confined to Kent and Queen Anne's counties, employ no agents or traveling salesmen, but deal direct with the farmer, thereby saving considerable expense to the consumer. It is therefore as much to our interest as it is to theirs for us to give our customers first-class goods and full value for their money. Our goods are compounded on the latest scientific principles and are manufactured under the personal supervision of Mr. P. B. Hollis, who is well known as an experienced agricultural chemist. Their mechanical condition is as near perfect as possible, and we guarantee all our goods to be in perfect drilling order

We sell at the lowest possible price, and solicit the patronage of our friends and the public generally. We are now ready to book orders for goods. Our place of business is in the *Kent New Building*, where we will be pleased to see any who may call.
