Net gain White, 112; Colored, 26.
Net Democratic gain, allowing one-seventh of new white voters to be Republican, 86.

MR. J. HERSEY HALL has withdrawn as an independent candidate for the clerkship in Queen Anne. A wise step though taken late.

LLOYD WILKINSON has so completely exploited the chameleon-like changes of that patriot and saint, W. Cabel Bruce, that but little of that gentleman's political epitaph remains to be written.

MR. GARRETT FOXWELL and other democrats have been appealed to for subscriptions to the Ohio republican campaign fund. Nationally and locally the G. O. P. is in sore straits.

AMONG OTHER PROMINENT DEMOCRATS in Kent to whom Governor Lowndes appealed in his desperation by personal letter, were: Sheriff Bedford Roe, Clerk James T. Dixon, Hope H. Barroll, Esq., and Mr. Clarence S. Hurlock.

DEMOCRATS ARE STRONG, aye practically strong in the faith of democratic success in Maryland. A bet was recently made at the Hotel Avon between commercial travelers, on the Maryland Gubernatorial election of $200 to $100 in favor of Smith.

EVERY MAN MAY HAVE HIS PRICE, but the price of some men is extremely low. For instance Warfield, the pure in heart, was captured, political soul and body, by the Baltimore postmastership; the immaculate W. Cabel Bruce suffered a paroxism of virtue and fell on the Republican side of the political pasture for the presidency of the Senate, *etc.*, in 1896; that great and only specimen of crystalized and spiritualized national honor, Hallucination A. Parr, has had his faith eternally clinched by being robed in honor for the Paris Exposition. The price may be small, but ample for the articles received.

EDITOR HADDAWAY, of the Easton *Ledger*, under the caption of "Some Coming Democratic Senators," pays the following deserved compliment to the senatorial standard-bearers of the democracy in Kent. The *Ledger* says:

"For instance, Kent's candidate is Harrison W. Vickers, a gentleman of much ability as a lawyer and a public man—worthy, indeed, and well equipped, for the larger sphere, but not more dignified position, of United States Senator, so ably filled for six years by his honored father, General George Vickers. There is as much honor, however, in representing Kent county in the Senate of Maryland as representing Maryland in the United States Senate. Mr Vickers will be elected."

INTERNATIONAL YACHT RACING is costly sport. It is conservatively estimated that Sir Thomas Lipton, the owner of the Shamrock, incurred a daily expense of two thousand five hundred dollars during his three weeks stay in American waters waiting for wind. Sir Thomas' yacht, the Erin, cost him $375,000, and $400 a day to keep her in commission. The Shamrock stook the great yacht racing prince five hundred thousand dollars. The sails of the Shamrock were made on a specially woven fabric composed of a mixture of Egyptian and Sea Island cotton and of silk costing $1 a square yard. To save weight the great spinnaker and balloon sails are woven of pure silk valued at $3 a yard. The Shamrock's sails are estimated to have a spread of 30,000 square feet, and several sets were made. The cost of building the Columbia is estimated at one hundred and fifty thousand dollars with twenty-five thousand added for repairs. The total cost of the cup contests is placed at two millions.

WELCOME OUR GUESTS.

Chestertown has had the honor and pleasure this week of entertaining a number of ladies and gentlemen from many sections of the Eastern Shore. These God-fearing men and women have come as delegates to the annual convention of the Easton District Epworth League, and their welcome has been one as sincere and heartfelt as the glorious work in which they are engaged is ennobling and uplifting. The doors of our little city have been open and the delegates have had unrestricted privileges, and have in every way possible, shown their fullest appreciation of the hospitality extended. The exercises have been of a most interesting and instructive character, and have been enjoyed by large audiences. The TRANSCRIPT extends a cordial and most sincere welcome to the Epworthian hosts. The local organization, of which Mr. M. Wilber Thomas is president, is to be congratulated upon the admirable way in which it has met every responsibility as host.

SCHOOL EXAMINER WATHEN, of Anne Arundel county, in commenting on Governor Lowndes' bribery letter to the public school teachers of the State, said last week it was a bold attempt to introduce politics into the schools, and that the promised increase in the compensation of teachers, in his opinion, is "certainly in the nature of a proffered bribe, and the threat which can be read between the lines is but thinly veiled. Had Governor Brown," continued the School Examiner, "been a candidate for re-election in 1895 and sent out such a letter to the school teachers of the State he would have been held up to the severest public scorn by the leading independent newspapers of the State, and deservedly so. It will be noticed that the letter does not emanate from republican headquarters, but from Governor Lowndes personally. It will thus be seen that this attempt to drag the schools into politics is chargeable to Governor Lowndes and Governor Lowndes alone." The Governor's letter, which Mr. Wathen read, is:

ANNAPOLIS, MD., Oct. 14, 1899.

I desire to call your attention to the declaration of the Republican platform having for its object the removal of the public schools from politics and an increase in the compensation of teachers. Trusting that you may find it consistent to give our candidates your support in order that the ends may be attained, I am, very truly yours,

LLOYD LOWNDES.

NON-PARTISANSHIP AND HUMBUGGERY.

With check unparalleled and infinite credulty in the stupidity of the public, Governor Lowndes and his copatriots have been proclaiming their earnest desire to take the school boards out of politics. Lets look into the Governor's record on the subject as we know it in this county. When Lowndes became Governor he found in office the following board of school commissioners appointed by his immediate predecessor, Governor Brown:

Edward W. Mealey—Democrat.
Wm. Kealhofer—Democrat.
John W. Stonebraker—Republican.
Henry A. McComas—Republican.
Alexander Armstrong—Independent Democrat.
Charles W. Humrichouse—Independent Republican.

It was conceded that for ability and political representation and individual prominence there was no such board of commissioners in the State. What did Governor Lowndes do? Knowing his pliability to the influence behind him, Messrs. Mealey and Armstrong tendered their resignations. These the Governor with a deprecatory wave of his hand refused; and then in a few weeks removed them and appointed two republicans. Here was no question of fitness, for it will be conceded that no improvement was made. It was pure politics and intended to put the school board back into politics. When the terms of Stonebraker and McComas had expired under Governor Brown he had immediately reappointed them. Compare Brown's conduct with Lowndes' and say which was trying to keep the school board out of politics. And so it was all over the State. Governor Brown charged in his speech in Baltimore on Thursday that Governor Lowndes removed nearly a hundred school commissioners and retained scarcely a dozen. No wonder he added: "Look on this and then on that."

So much for one piece of humbuggery. *Hagerstown Mail.*

POLITICS AND JURORS.

DEAR SIRS:—Will you please advise the writer whether politics enter into the drawing of jurors for the U. S. Court in Baltimore? Governor Lowndes is posing as a jurist, claiming that politics and the judiciary should be kept separate by the strong arm of Lowndes, evidenced by the strong appointments he makes to the State bench. Look at the list of the Federal jurors drawn from Kent county in the past twenty years; William Perkins, colored, William D. Burchinal, Thomas W. Eliason, Larry B. Russell,—not a single solitary one of them a democrat! There has never been a democrat drawn from Kent county on a Federal jury! How is it that out of 2800 white democrats in Kent county, and about 400 white republicans, the Federal judiciary with a needle's eye finds out only suitable republicans? Behold, some of these jurors our own judges, who know them best, hold as unfit to serve as jurors in our local courts where they and their characters are best known. On this account their names have never been put among the names of the jury list as eligible for this responsible position. Is Federal justice different from State justice? Ought not Governot Lowndes appoint a committee of inquiry, and immediately investigate the mode and manner of drawing jurors for Judge Morris' court in Baltimore?

Respectfully,

INQUIRER.

MARYLAND DAY AT THE EXPOSITION.

Maryland Day was celebrated at the Philadelphia Exposition last Thursday in good style, and with appropriate exercises.

It was the first of the special days which will hereafter be a prominent feature at the National Export Exposition, and if attendance and enthusiasm are any indication of success, Maryland Day was without doubt a success.

The greater part of the visitors hailed from Baltimore city and vicinity, although a few familiar faces were seen from old Kent and neighboring counties.

Many expressions of approval, congratulations and good will, were tendered from all sides, likewise a strong desire to return and be familiarized with the many commercial details.

The visitors evidently had not before realized the magnitude and also the commercial advantages to be obtained from the various exhibits, as they were ever alert and thoroughly enthused.

To those in Kent who desire to acquaint themselves with modern mechanism, science and art of the 20th-century, the National Export Exposition at Philadelphia, affords a most excellent opportunity.

H.

MR. RALPH ROBINSON, who distinguished himself in 1895 by his failure to explain why he was not a democrat, is at his old business. Mr. Robinson's oyster bar experiences as told to the empty benches of Stam's Hall in 1896, are still fresh in the memory of the hall's furniture (for no one else thought life short enough to be wasted on the sprouting orator from the rustic garden then under the care of W. Cabell Bruce. The effort of this gentleman in enlightening his friends upon why he is not a democrat now, reminds one of the fellow sentenced to the penitentiary for stealing, telling the people that he is not honest. Mr. Robinson, your sympathising friends know what and where you are, and have but few regrets.

HURRY THE WORK.

MESSRS. EDITORS THE TRANSCRIPT:—As one interested in passing to and fro across the Chester River Bridge I beg to call your attention, and the attention of the authorities to the fact the repairs to the draw should be fixed as speedily as possible. All lumber ought to be gotten ready and everything be at hand, so that the entire work can be done with but little delay to the travelling public. The draw ought not to be turned off until such preparations are made, and the work should progress with the greatest rapidity.

Let the contractor be advised of the fact that the public expects this matter brought to a speedy conclusion, and that he is subjected to the criticising eyes of many people in both counties who are unwilling to be subjected to any undue delay. If it is necessary let the county commissioners pay him liberally and well, so that he can employ ample force to do the work with the greatest rapidity.

Your respectfully,

TRAVELLER.

THE TRAITORS ARE DESPERATE.

The coterie of traitorous gentry in Baltimore city who have persistently, since eighteen hundred and ninety-five betrayed the democratic party, have become desperate. Unwilling to openly ally themselves with the republican party, they insist that they are still democrats, only to betray the party and impeach their own honesty. Driven to madness in the face of sure democratic success in November, these gentlemen have sought to inject into the campaign those old bug-a-boos, Gorman and Free Silver. The Baltimore *Sun*, which has certainly shown no disposition in any way to lean to Democracy in the present campaign and which republicans and gold standard advocates alike have quoted with such evident relish, may be accepted as authority upon the latest ruse of Without Candor Bruce, Hallucination A. Parr, and their little band of crystalized mugwumpery. The *Sun* recently said editorially:

"The name of Gorman has been summoned from the shades of retirement by the republicans, and is being used to frighten erstwhile anti-Gorman voters into supporting the republican ticket." The *Sun* was a relentless foe to Mr. Gorman and probably did more to bring about his retirement from the United States Senate than any other influence. On this subject, here is what the *Sun* has to say:

"There is no United States Senator to be elected this time; in fact, before another Senator is to be chosen another Legislature will have to be elected—two years hence. Mr. Gorman, therefore, whatever his future aspirations may be cannot with any propriety be considered as a factor or an "issue" in the present campaign—or, against his will, be dragged into the canvas. He was an issue by his own volition in 1895 and again in 1897, when he was a candidate for reelection to the United States Senate. That issue was settled by the people, at that time, to their own satisfaction, it must be presumed. When that issue is presented again, if it should ever arise, the people, it may be further presumed, will be found competent to deal with it again. In the meantime, it is unjust to Mr. Gorman and unfair to the present State ticket to be using Mr. Gorman's name as a bugaboo with which to frighten timid and unthinking voters.

"The democrats have shown great wisdom in limiting the canvass on their part to the discussion of such (State) issues and accepting the lead of their candidate for Governor, who has said that 'the questions at issue in this election have nothing to do with the national problems which in another year we shall be called upon to consider.' In a purely State election like the present there is nothing, therefore, to divide the party. Inasmuch as neither Governor nor Legislature will have anything to do with the question of currency, there is nothing to prevent gold democrats and silver democrats from cordially uniting in support of the same candidates, where those candidates are personally and individually worthy of support. Their divergent views upon the subject of free coinage and of the Chicago platform have nothing to do with the case."

During the winter of 1897 Mr. James Reed, one of the leading citizens and merchants of Clay, Clay county, West Virginia, struck his leg against a cake of ice in such a manner as to bruise it severely. It became very much swollen and pained him so badly that he could not walk without the aid of crutches. He was treated by physicians, also used several kinds of liniment and two and a half gallons of whiskey in bathing it, but nothing gave any relief until he began using Chamberlain's Pain Balm. This brought almost a complete cure in a week's time and he believes that had he not used this remedy his leg would have had to be amputated. Pain Balm is unequaled for sprains, bruises and rheumatism. For sale by M. A. Toulson, druggist, Chestertown.

Wm. J. Coleman, et al.,
vs.
Sophia Jones, James Jones.

In the Circuit Court for Kent county, in Equity.

TO THE HONORABLE, THE JUDGES OF SAID COURT:

THE PETITION of Richard T. Turner, Jr., trustee, appointed by the decree in this cause, to sell the property in the proceedings mentioned, respectfully shows

1st, That in execution of the authority vested in him by said decree, he did on the 11th day of December, in the year 1897, sell said property unto a certain Ulysses G. Pearceson, of Delaware county, in the State of Pennsylvania, at and for the sum of one hundred and seventy-nine dollars, one-third of same being paid cash and the balance to be paid in two equal installments in one and two years respectively from the day of sale.

2nd, That said sale has been duly reported to and ratified by this Court, as by the said report and the proceedings thereon, now remaining in this court, will appear.

3rd, That the said Ulysses G. Pearceson has paid no part of the credit payment of the aforesaid purchase money, although he has been duly notified of the ratification of the sale, so made to him as aforesaid and has been required by your petitioner to pay for the same.

Your petitioner, therefore, prays:

1st, That the said Ulysses G. Pearceson may be compelled by decree or order of this court, to pay the said balance of purchase money, with interest thereon, and in default thereof, that the said property may be decreed to be sold at the risk of the said Ulysses G. Pearceson for the payment of the same.

2nd, For such other and further relief as his case may require.

And as in duty, etc.,
WM. M. SLAY,
Solicitor for Petitioner.

STATE OF MARYLAND, KENT COUNTY, TO WIT: I hereby certify that on this fifth day of September, 1899, before me the subscriber, a Justice of the Peace of the State of Maryland, in and for the said county, personally appeared the above named Richard T. Turner, Jr., and made affirmation in due form of law that the matter and facts set forth in the aforegoing petition, are true to the best of his knowledge and belief.
BEN. N. S. WILKINS, J. P.

On the aforegoing petition it is ordered this 0th day of September, 1899, by the Circuit Court for Kent County, that the said Ulysses G. Pearceson bring into this Court the sum of one hundred and nineteen dollars, with interest thereon from the eleventh day of December in the year 1897, or show good cause to the contrary, on or before the 3rd day of February next;—Provided, a copy of this order, together with a copy of the aforegoing petition, be published in some newspaper printed in Kent county, once a week for four successive weeks, before the 3rd day of December next.

William E. Grinnage, S. G. Elbert, James Saunders,
vs.
Elvin Saunders, Marshall Caulk, Cora Caulk, Charles Hackett, Florence Hackett, Phenia Saunders.

In the Circuit Court for Kent County, in equity

THE object of this suit is to procure a decree for the sale of certain real estate in Kent county, of which Mark A. Saunders, late of Kent county, died, seized and possessed.

The bill states, that Mark A. Saunders, late of Kent county, Maryland, was, in his lifetime, indebted unto S. G. Elbert in the sum of $9.00 and to William E. Grinnage in the sum of $38.00 and unto James Saunders in the sum of $96.00; and the bill further states that the said Mark A Saunders being so indebted, departed this life in the year 1896, intestate, possessed in fee simple of a tract of land of considerable value, situated in the first election district of Kent county, but possessing no personal estate, and leaving a widow, Phenia Saunders, and the following children surviving as his heirs-at-law, to wit: James Saunders, who resides in Wilmington, in the State of Delaware; Elvin Saunders, who resides in Delaware county, in the State of Pennsylvania; Cora Saunders, who married Marshall Caulk, and resides with him in Kent county, Maryland; Florence Saunders, who married Charles Hackett, who lives with him and her mother, Phenia Saunders, in Caroline county, in the State of Maryland; all are over twenty-one years of age.

The bill further states that in order to pay the claims of S. G. Elbert, Wm. E. Grinnage and James Saunders, it is necessary for the real estate of the said Mark A. Saunders to be sold, so that the aforesaid claims may be paid.

To the end, therefore, that the real estate mentioned aforesaid, or so much thereof as may be necessary for the purpose, may be sold for the payment of his debts; that the plaintiffs may have such other and further relief as their case may require.

It is thereupon, this 30th day of Sept., 1899, ordered by the Circuit Court for Kent county, as a court of equity, that the plaintiffs, by causing a copy of this order to be inserted in some newspaper printed and published in said Kent county once a week for four successive weeks before the 4th day of November next, give notice to the said absent defendant, Elvin Saunders, of the State of Pennsylvania, of the object and substance of this bill, and warning him to appear in this court in person or by solicitor, on or before the 24th day of February next, to show cause, if any he may have, why a decree ought not to be passed as prayed.

Hotel Announcement.

[THE HUSTLING YOUNG PROPRIETOR OF THE ARMSTRONG HOUSE.]

I WISH to inform the public that I have rented the recently remodeled and handsomely equipped Chestertown hotel, known as the Armstrong House, formerly conducted by Messrs. Armstrong and Sparks, on East Cross street. The entire house is heated by steam; closets and other conveniences in the building. The rooms are all prettily papered and nicely furnished. The table will be furnished with the best the market affords with especial attention to preparation and service, so that the traveling public need not fear that the splendid standard set by the former proprietors of the house will not be kept up. The entire management will be under the immediate supervision of myself and wife. A pool-table will be conducted in a spacious parlor, and I will also have a raw box in order that the traveling public may at any and all times see cure the world-renowned Chesapeake oyster served in the most approved style. In short, the Hotel will be one of the most up-to-date houses on the peninsula and will be conducted with an eye single to the comfort and convenience of my guests and the traveling public. Soliciting a continuance of the liberal patronage heretofore accorded to the old proprietors, I am very truly,
d15. WILLIAM R PIPPIN.
