

The many uses to which Ivory Soap is applicable, make it an economical as well as a valuable soap. Spots on clothing are quickly and easily removed by an application of the foamy lather of Ivory Soap with a dampened cloth and a brisk rubbing. Ivory Soap cuts the grease and leaves the surface rubbed perfectly clean. Be sure you use Ivory Soap, or the remedy may be worse than the grease spot.

THE CONSTITUTIONAL AMENDMENT.

Why Citizens of the Counties Are Required to Vote on the Measure.

The Constitutional amendment in regard to the increase of the salaries of the judges of Baltimore city which is to be voted for at the coming election, can in no event cause any additional expenditure out of the State Treasury. The proposed amendment was passed by the last General Assembly, and simply gives to the authorities of the city of Baltimore power to hereafter increase the salaries of the judges in the city if the Mayor and City Council see fit by ordinance to authorize it.

The reason the residents of the counties are call on to vote on a proposition in which they have no personal or pecuniary interest is, that the salary which the city of Baltimore pays to her judges is regulated by the State Constitution, and that instrument cannot be changed or varied without the proposed amendment being first submitted to the voters of the entire State. The press of the city of Baltimore seems to be unanimously in favor of the proposed amendment, and the bar of the city desires it. As it is only to give power to the local authorities to regulate in the future the salaries which they shall pay their judges out of their own pockets, and is merely conferring a larger measure of home rule upon the city of Baltimore, the residents of the county should vote for the amendment. There is no question of party policies involved.

WELLINGTON SAYS THAT "LOWNDES WILL LOSE."

Party Will Recover, But Governor Will be Buried Politically—Will Lose Baltimore and Every County on Eastern Shore.

As was expected, Senator Wellington, the man so eloquently characterized by his party as the "Great Leader," the "Master of Organization," after the Republican victory of 1895, just so soon as he refused to become the puppet of the political ambitions of Governor Lowndes has become a prince of darkness and evil. The man who made Lowndes Governor and built up his political possibilities, upon a refusal to allow the creation to become greater than its creator, is now all that is servile and monstrous from the standpoint of the Governor's friends. A man of courage, of fine executive powers, of indomitable will and a striking personality, it is useless and the veriest folly for the disgruntled followers of the ambitious Governor Lowndes to belittle and underrate the effect of Senator Wellington's disaffection upon Lowndes' prospects.

Senator Wellington, in an interview on Wednerday last, as with a voice of prophecy, said:

"I have received and am still receiving many letters commending my course in retiring from the chairmanship of the Republican State Committee. These letters come from all parts of the State, and I have every reason to believe that the rank and file of the party, as well as many of the leaders, heartily indorse my course. It was the only course I could take for the preservation of my manhood, integrity and honor.

"After a careful survey of the situation I find no reason to change the opinion I expressed at the time of the crimination of the conspiracy of Governor Lowndes and his confederates against me. I believed then that he would be overwhelmingly defeated, and I am confirmed in that opinion now. He will receive at the polls a severe chastisement and will find that the people of the State, with Americans generally, believe in fair play. It will set the seal of their disapproval upon treacherous parties. Governor Lowndes will be buried politically in November. The party itself will recover and will perhaps be the better for having thrown off the incubus. It will be a personal defeat for Governor Lowndes. The republican party will rise again. Throwing aside the matiga influences that now surround it and, standing for republican principles, it will be managed by republicans and will win again upon that issue.

"Governor Lowndes, in my opinion, will lose every county on the Eastern Shore. He will receive but little in Southern Maryland. The middle counties will be against him, and Baltimore city will give a decisive majority against him. When he hears the news from Western Maryland he will find that the friends of the man, who discovered and made him politically what he is, have resented his treachery at the polls."

There is nothing which so strongly appeals to the admiration of the great masses of the people as sincerity. They detest the hypocrite as the most contemptible of created things. The man who for personal advancement betrays his friend, is considered unworthy, not only of public confidence, but the rugged manhood of the people is unwilling to accord even the slightest semblance of respect. Lowndes, the political Judas to his friend; the "Reform Governor" who has transformed his high office into a political machine, has had the mask torn from his hypocracy and stands on the eve of the election an object of contempt. The man who will offer his friend a sacrifice upon the altar of his political ambitions, is unworthy the confidence of a great and free people. And this Lowndes has done.

Poor Pay, Poor Preach.

The Republican campaign committee is certainly in sore straits when it can afford to pay for advertising space in even Grasty's poor old Baltimore *News*, for such stuff as Lawyer Ralph Robinson squeezes from an infertile brain through a sterile pen. The most that can be said for this aspiring youngster is that he is the "son of a worthy sire." It is fair to infer that Mr. Robinson received no remuneration for his "open letter to Mr. Smith." This recalls the story of a missionary to the Indians who received a $5 pony and forty dollars a year. A son of the wild and wooly west when reminded that this was "D—d poor pay," rejoined, "Yes, and it's d—d poor preach." Nothing, was full value for Mr. Robinson's "Open Letter."

Dig down to the *cause* of your sickness if you want to get well and stay well. Most likely it's indigestion. The irritating poisons of fermenting, putrid food, left in the stomach by indigestion, cause headache, neuralgia, nervousness, dizziness, stomachache, nausea, irritability, and all the other well-known symptoms of indigestion.

They also cause many pains and disorders which are often laid to other causes and hence are not easily cured. But as soon as the poison are *removed*, all these symptoms and disorders *disappear*, because there is nothing left to cause them. Nothing succeeds in this like Shaker Digestive Cordial, because it *prevents* the undigested food from fermenting in the stomach and *helps* the stomach to digest its food.

Sold by druggists, price 10 cents to $1.00 per bottle.

Some Campaign Gems.

Mr. Rayner said: "Ascribing the most honorable motives to Governor Lowndes and his collegues, my calm and deliberate judgment is that four years more of Republican environment means the ruined fortunes and the blasted hopes of Maryland."

"As you go along the business centres of Baltimore, with one accord you hear the sentiment that the State is not safe in the hands of the Republican party; that it means her jeopardy and peril."—*The Sun.*

It will not be a surprise to any who are at all familiar with the good qualities of Chamberlain's Cough Remedy, to know that people every where take pleasure in relating their experience in the use of that splendid medicine and in telling of the benefit they have received from it, of bad colds it has cured, of threatened attacks of pneumonia it has averted and of the children it has saved from attacks of croup and whooping cough. It is a grand, good medicine. For sale by M. A. Toulson, druggist.

CASTORIA

For Infants and Children.

The Kind You Have Always Bought

Bears the Signature of Chas. H. Fletcher.

You have been in the power house of some great plant of machinery. Did it occur to you that your body was a more wonderful machine?

In the term of a natural life the heart beats three thousand million times and with a pressure of thirteen pounds to the stroke, lifts in that time, half a million tons

of blood. What care are you taking of this wonderful machine?

Shortness of breath, buzzing in the ears, dizziness, palpitation of the heart, sleeplessness, stomach trouble, indigestion are only some of the evidences that the machinery is undergoing a strain which sooner or later will break it down.

What the lubricant is to the machine of iron, Dr. Pierce's Golden Medical Discovery is to the machine of flesh and blood. It reduces friction to a minimum and keeps the great organs in proper running order. It does this by healing diseases of the stomach and organs of digestion and nutrition, and increasing the flow of pure and healthy blood.

"I used ten bottles of Dr. Pierce's Golden Medical Discovery and several vials of his 'Pleasant Pellets' a year ago this spring, and have had no trouble with indigestion since," writes Mr. W. T. Thompson, of Townsend, Broadwater Co., Montana. "Words fail to tell how thankful I am for the relief, as I had suffered so much and it seemed that the doctors could do me no good. I got down in weight to 125 pounds, and was not able to work at all. Now I weigh nearly 160 and can do a day's work on the farm. I have recommended your medicine to several, and shall always have a good word to say for Dr. Pierce and his medicines."

Dr. Pierce's Pleasant Pellets invigorate the stomach, liver and bowels. Use them with the "Discovery" when a pill is required.

GOVERNOR LOWNDES AND GEORGE WELLINGTON BRYANT.

In an advertisement inserted in the *Sun* of the 25th inst. General Shryock, chairman of the Republican State Central Committee, is quoted as denying the charge that George Wellington Bryant was with Governor Lowndes on his recent trip to Crisfield on the yacht Ivanhoe, and the following language is attributed to Mr. Mr. Shyrock: "I wish to state (and I challenge a successful denial) that Bryant was NOT ON THE BOAT with the Governor; that the Governor DID NOT EVEN SEE HIM."

The challenge is accepted and here is the proof:

I, Major S. Fletcher, of Dorchester county, State of Maryland, do hereby state that on Tuesday, the 17th day of October inst., Mr. Elsey, who is first mate of the State oyster navy steamer Governor Thomas, came to me and said he wanted me to make a trip with him on the yacht Ivanhoe. I engaged to go with him, and we left Pier 4½, Light street wharf, at 12.30 A. M., Wednesday. Mate Elsey, of the State steamer Governor Thomas, was in charge. There were on the yacht with us Governor Lowndes, Comptroller Goldsborough, Mr. Coyle, Governor Lowndes' private secretary, and Mr. John V. L. Findley. After stopping at Governor's Run, in Calvert county, Solomon's Island, in the same county, Leonardtown, in St. Mary's county, we went to Chrisfield, arriving there about 4 o'clock Friday afternoon. A short time after our arrival at Christfield Geo. Wellington Bryant, a colored man, whom I had frequently seen before and knew, came on the yacht, had a conversation with the Governor in the cabin, in which I heard him ask the Governor where he could get certain papers, and the Governor told him to write to General Shryock for them.

(Signed). M. S. FLETCHER.

I, Daniel Prettyman, chief engineer of the yacht Ivanhoe, do hereby certify that on Friday afternoon, October 20, while said yacht was at the wharf in Crisfield with Governor Lowndes and party on board, a colored man came on the boat, who was pointed out to me by Mr. Elsey as George Wellington Bryant.

(Signed). D. C. PRETTYMAN.

From these statements it appears that not only was Bryant on the boat with the Governor, in conversation with him, but that one of the State officials, the mate of the State oyster steamer, was taken from his duty, which it to patrol and protect the oyster beds of the State, in order to pilot the Governor on a campaign tour.
