THE RESULT.

THE RESULT OF THE ELECTION in Kent county on Tuesday came as a surprise to the great body of democratic voters. It is now the part of wisdom for the democrats to confront the changed political conditions dispassionately and calmly. No one cause can be said to have been responsible for the unexpected s'u'np to re, u'licanism in Kent. That there are causes is a fact beyond all controversy and it behooves the democracy to draw a wholesome lesson from Tuesday's result. To simply state that there were not enough ballots in the boxes is not a sufficient explanation of the unhappy conditions which have been ushered in upon an unfortunate people. There are other causes which the defeated party must consider, and which, if given the importance which they merit will be of inestimable value in shaping the future policy of the party management in the county.

The situation, from whatever standpoint it may be considered, is serious. The result is more than a misfortune—it is a local calamity. Even conceding that some of the gentlemen who will assume duties of great responsibility, are eminently qualified for the positions to which they have been elected, the moral eff ct of their political success will be of a most serious nature. The gravity of the responsibilities which the better element of the successful ticket assume, is vastly heightened by the character of the element which has raised them to office and the methods adopted to secure their election. Of course the democracy will rise superior to the temporarily disconcerting effects of a local defeat; however embarrassing and calamitous the changed conditions may be, they must stand them.

To those whose splendid efforts in behalf of the ticket stood out conspicuous in the great contest just closed, the people are under lasting obl'gations and they shall receive their reward. Those who were false to the traditions of the old party and even more false to themselves, have sown the wind and must inevitably reap the whirlwind.

IN THE SPLENDID TRIUMPH of the people in the election of the State ticket, the democracy of the entire country has reason for rejoicing.

AMONG THE VISITORS who came home and voted at Chestertown on Tuesday were: Hon. Charles Tilden Westcott, H. C. Chase, James W. Chapman, Jr., Harry Rickey, Jr., Rev. Willirm N. Sherwood.

THE REPUBLICAN "BARREL" was tapped with a vengeance in Kent county on Tuesday. It is estimated that the managers of the G. O. P. dropped from twelve to fourteen thousand dollars in the desperate game which they played. They started with three thousand, it is claimed, in the fifth district.

THE WIDE-AWAKE CITIZENS of Still Pond received the election returns at the office of Mr. E. W. Scarborough. The news was taken from the telegraph wire at Hepbron Station and telephoned to Still Pond. A large crowd remained at headquarters until an early hour yesterday morning.

JUDGE JOHN WESLEY WRIGHT put up a courageous fight, but despite his efforts at whistling to scare away the ghosts, became "shaky" shortly after noon on Tuesday as regarded the republican State ticket. The judicial member of the citizenship of Cannon street, has forever blighted the inconstant Baltimore *Sun* for its "treatment of Lowndes."

EVIDENTLY the new State manager, Thomas "Shyrock," is neither a prophet nor the son of a prophet. He prophecied that the democrats would carry but one county in Maryland and that was the home county of Mr. John Walter Smith, the democratic candidate for Governor, and that was to go by a reduced majority. There's many a slip.

Wellington Congratulates Smith.

The following dispatch was received at 5.30 o'clock yesterday afternoon:

"Smith's plurality increasing—twelve thousand sure. Smith's majority in counties about four thousand. Eleven democratic Senators, sixty-eight delegates. Wellington's telegram to Smith, 'Congratulate you on your personal success over a weakling.' Kentucky republican by seven thousand. Ohio sixty thousand."

FRANK W. HOPPER.

FOLLOWING the definition of Harrison W. Vickers' definition of a Mugwump, the Worcester Democrat last week came out with a double column cut illustrating the artist's conception of Mr. Vickers' definition.

The cut represented the ferry boat S. S. Quinn, a Worcester county Mugwump, crossing over from the democratic to the republican wharf. Mr. Vickers' definition of a mugwump was: "A mugwump is like a ferry-boat, he wears himself out crossing from one side to the other."

Deafness Cannot be Cured

by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars; free.

BALTIMORE CITY'S MAGNIFICENT EFFORT FOR GOOD GOVERNMENT.

LEGISLATURE DEMOCRATIC!

Tuesday's election passed off quietly throughout the county. So far as reported excellent order prevailed at all of the election places and no cause, other than the result from a democratic standpoint, exists so far as the quiet and order of the day are concerned.

An interesting condition of affairs confronted the election officers when the polls opened in the sixth district, (Fairlee) and seventh (Pomona). Sheriff Roe, in conformity with the law which prescribes that the ballot boxes shall be delivered to the judges of election, without any reference to their politics, delivered the boxes to the democratic official. When the hour for opening the polls arrived the republican officials demanded that a republican judge should receive the ballots. In Pomona the wrangle lasted for several hours and it was after ten o'clock when the first ballot was deposited. Mr. Groves, the democratic judge took a determined stand and received the ballots during the day. At Fairlee several hours were lost and the democratic official stood upon his right, in the absence of any specific instructions to the contrary, and received and deposited the ballots in the box. In Chestertown Mr. France decided that the advantage, if any, to be gained would not justify any unnecessary complications and allowed Col. Vannort to receive the ballots.

IN THE STATE.

The democratic State ticket made a clean sweep and was elected by about 15,000 majority. The House of Delegates will be democratic by a large majority. The outlook is that the Senate will be close, but the democrats will have a working majority.

The democratic plurality of Col. John Walter Smith over Lloyd Lowdes, republican, for Governor of Maryland, is about 15,000, against 18,766 for Lowndes four years ago. The result is a complete reversal.

THE LEGISLATURE.

The democrats will have a clear majority in the House of Delegates.

Out of a total of 91 members of the House, the republicans have, according to returns so far received, elected the following:

Allegany	5
Anne Arundel	4
Calvert	2
Charles	2
Kent	2
Somerset	3
Total	18

In the doubtful column may be placed the county of Prince George's, 2.

No returns have been received from St. Mary's, having two members.

The republicans elect Senators in the following counties:

Anne Arundel.
Calvert.
Kent.
Somerset.

The democrats elect Senators as follows:

Baltimore city 2.
Baltimore county.
Carroll.
Howard.
Queen Anne.
Washington.
Wicomico.
Worcester.

The Senate is composed of 26 members. Four of the hold-over Senators are Democrats and eight republicans. The democrats have to elect 10 to control.

In 1896 the vote in the entire State was: Lowndes, rep., 124 936; Hurst, dem., 106 169; Levering, pro., 7,719; Andrew, pop., 989; Andrews, soc. lab., 392. Plurality for Lowndes, 18,767.

In Baltimore city the vote was: Lowndes, 54,920; Hurst, 43,320. Plurality for Lowndes, 11,600.

In 1891 the plurality for Brown, dem., over Vannort, rep., was 30,151 in the entire State, and 17,537 in Baltimore city.

In 1876 McKinley carried Maryland by 32,232 plurality. His plurality in Baltimore city was 21,106.

Judge Schmucker, republican, was elected in Baltimore over Taylor, independent democrat, by a plurality of 23,117.

THE COUNTIES.

Cecil county gave a splendid report of herself, electing the democratic ticket by 500 majority.

Anne Aundel divided honors.

Caroline gave 77 to the State ticket but divided on the local ticket. Towers, republican, beat Lewis, democrat, for the State's attorneyship by 107.

Charles went republican by about 800.

Harford is democratic by a substantial majority.

Howard is democratic by about 300, and Montgomery gives the democracy a 400 majority.

Somerset probably republican.

Dorchester elected her full democratic ticket by 100 plurality.

Frederic county fell in line with 300 majority for the democratic ticket.

Even Garrett county fell in the column of political reform and elected the democratic ticket.

In Queen Anne, democratic majority for State ticket, 825; Senator and Delegates, 775. Balance of Democratic county ticket have good majorities.

Talbot dropped 70 to the credit of the full democratic ticket.

Alleghany stuck to her first love, the republican ticket.

Washington county probably democratic, while Wicomico is democratic by a majority of 300.

Worcester, Mr. Smith's home county, gave him a plurality of 1082, and elected the whole democratic ticket by a plurality exceeding 400.

OUTSIDE THE STATE.

Democrats won in Rhode Island.

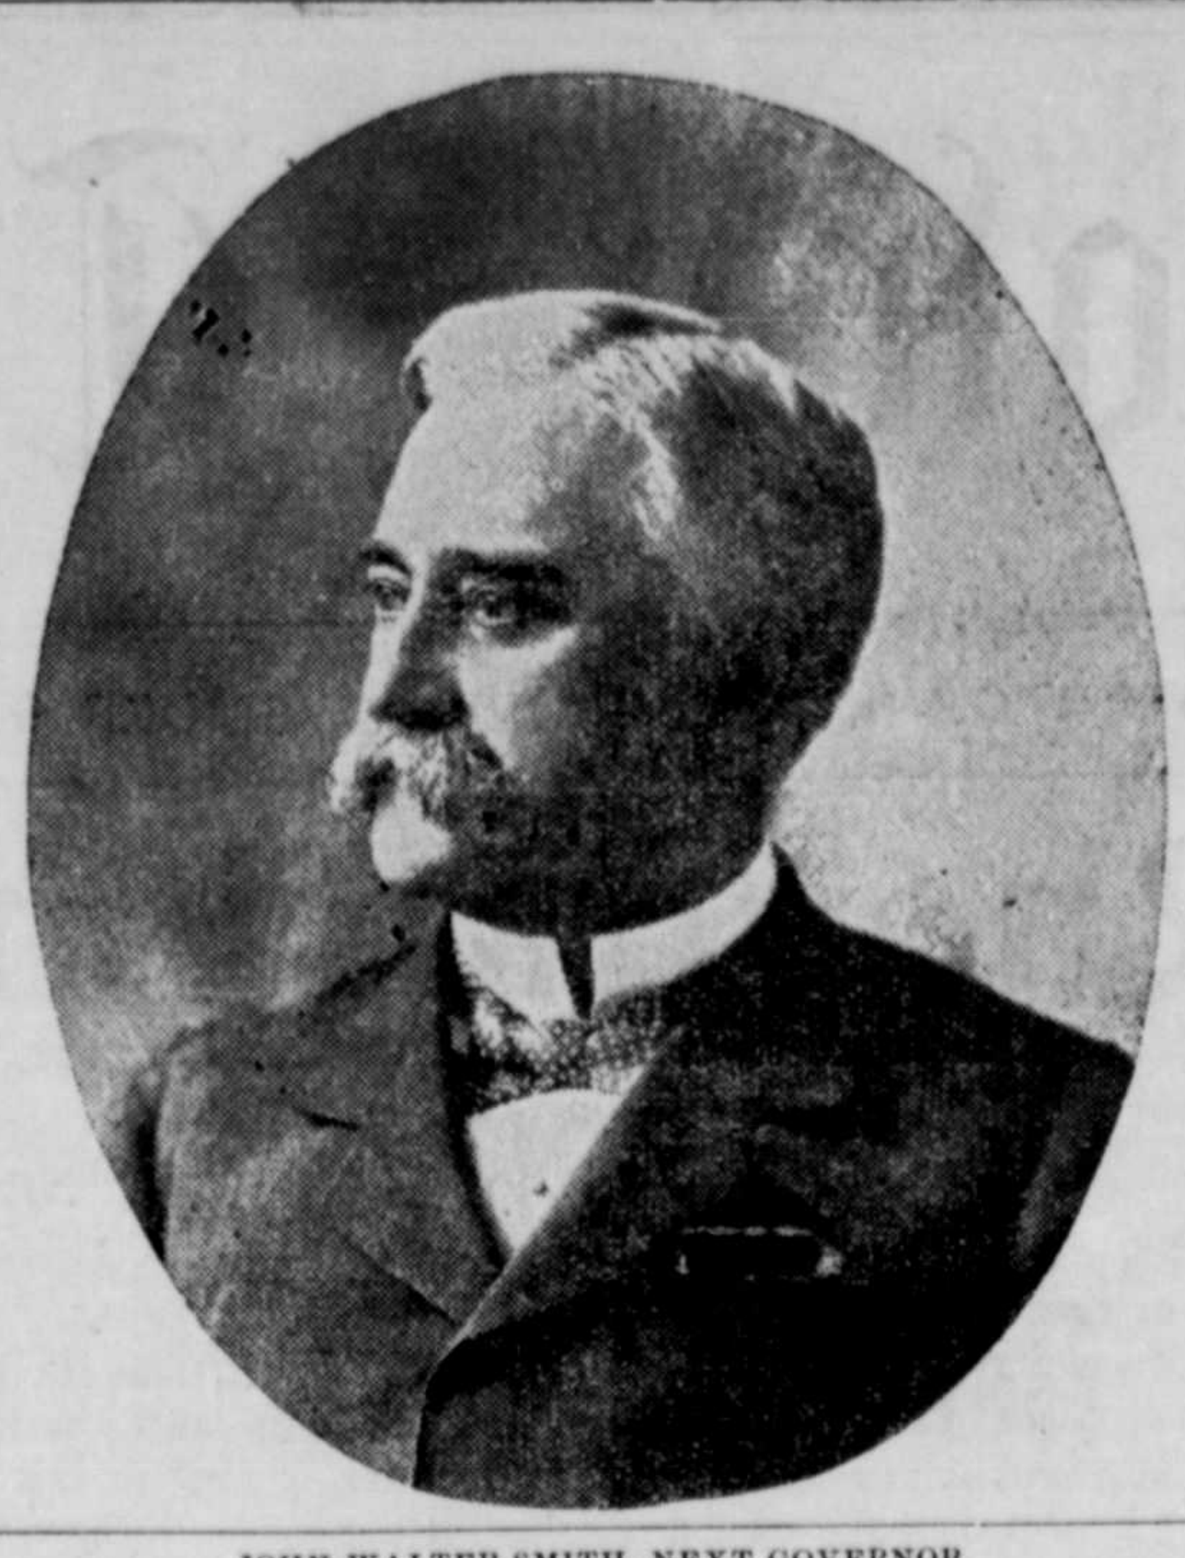

San Francisco has a democratic mayor by 2000 plurality.

The democrats swept Detroit.

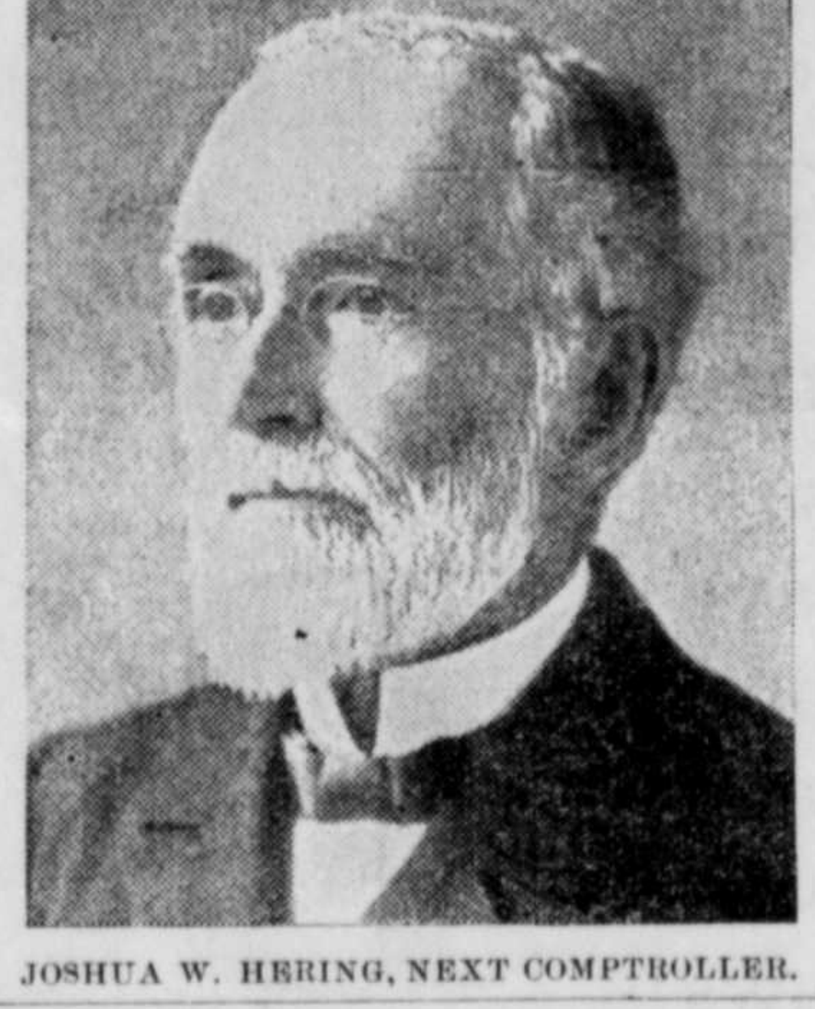

Ohio gave a substantial republican majority.

Mr. Bryan's State, Nebraska, was loyal, and the Bryan democrats won.

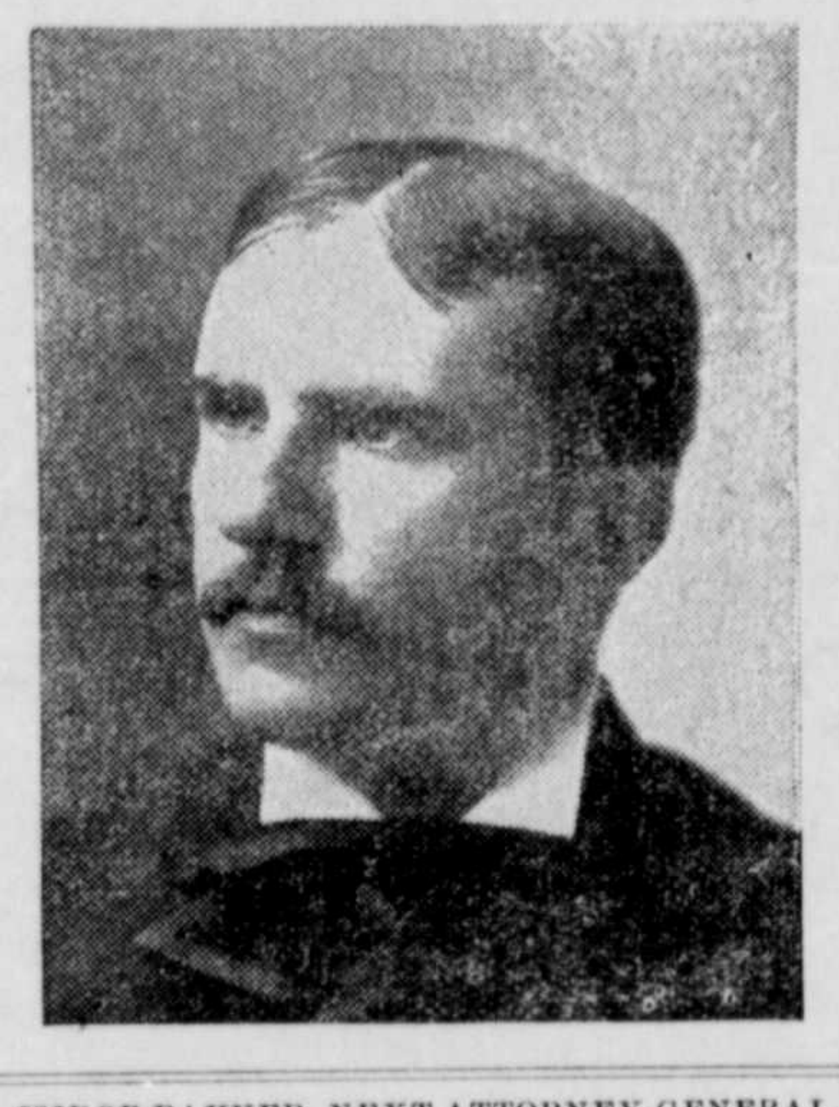

The republican majority in Massachusettes of last year, was reduced by 18,000.

William E. Grinnage, S. G. Elbert, James Saunders,
vs.
Elvin Saunders, Marshall Caulk, Cora Caulk, Charles Hackett, Florence Hackett, Phenia Saunders.

In the Circuit Court for Kent County, in equity

THE object of this suit is to procure a decree for the sale of certain real estate in Kent county, of which Mark A. Saunders, late of Kent county, died, seized and possessed.

The bill states, that Mark A. Saunders, late of Kent county, Maryland, was, in his lifetime, indebted unto S. G. Elbert in the sum of $9 00 and unto William E. Grinnage in the sum of $38 00 and unto James Saunders in the sum of $96 00; and the bill further states that the said Mark A Saunders being so indebted, departed this life in the year 1896, intestate, possessed in fee simple of a tract of land of considerable value, situated in the first election district of Kent county, but possessing no personal estate, and leaving a widow, Phenia Saunders, and the following children surviving as his heirs-at-law, to wit: James Saunders, who resides in Wilmington, in the State of Delaware; Elvin Saunders, who resides in Delaware county, in the State of Pennsylvania; Cora Saunders, who married Marshall Caulk, and resides with him in Kent county, Maryland; Florence Saunders, who married Charles Hackett, who lives with him and her mother, Phenia Saunders, in Caroline county, in the State of Maryland; all are over twenty-one years of age.

The bill further states that in order to pay the claims of S. G. Elbert, Wm. E. Grinnage and James Saunders, it is necessary for the real estate of the said Mark A. Saunders to be sold, so that the aforesaid claims may be paid.

To the end, therefore, that the real estate mentioned aforesaid, or so much thereof as may be necessary for the purpose, may be sold for the payment of his debts; that the plaintiffs may have such other and further relief as their case may require.

It is thereupon, this 30th day of Sept., 1899, ordered by the Circuit Court for Kent county, as a court of equity, that the plaintiffs, by causing a copy of this order to be inserted in some newspaper printed and published in said Kent county once a week for four successive weeks before the 4th day of November next, give notice to the said absent defendant, Elvin Saunders, of the State of Pennsylvania, of the object and substance of this bill, and warning him to appear in this court in person or by solicitor, on or before the 24th day of February next, to show cause, if any he may have, why a decree ought not to be passed as prayed.

THE SHOE STORE
IS THE PLACE

4 Points
4 Your Consideration.

, . ! ?

, The comma is a short pause to consider if the SHOES sold by us is not better than Shoes offered by other dealers at the same price. Try it, we guarantee satisfaction.

. The period is a full stop you should make in buying SHOES because they are cheap, and prove to be one-half paper—thus wasting your money. It is unbusinesslike and inexcusable extravagance.

! The exclamation point will indicate your surprise and pleasure at results after using our SHOES. You will wonder how you have been wearing uncomfortable and bad fitting Shoes so long when we sell just the best wearing and fitting shoes to be found anywhere at the Lowest Possible Prices here at home.

? The interrogation point will ask if you cannot become a public benefactor by telling your friends of the good qualities of our SHOES and the low prices we are selling at.
