Tomatoes, melons, cabbage, turnips, lettuce—in fact, all vegetables remove large quantities of Potash from the soil. Supply

MILLINGTON MATTER.

Mrs. Sarah E., wife of George H. Dixon, died at her heme near Millington, Wednesday morning and was buried in Millington cemetery Friday afternoon. The services were held in Asbury M. E. Church at 1 o'clock and were conducted by the pastor, Rev. Edwin Gardner. Mrs. Dixon was a daughter of the late Mr. Wm. Smith, of Queen Annes, and was married to Mr. Dixon 28 years ago at Chestertown. She was in her 43th year, and has lived in the vicinity of Millington for 18 years. She has been a good christian from early girlhood, and since living in this vicinity has been a faithful member of Asbury M. E. Church, until a couple of years ago when that dread disease consumption took hold of her and compelled her to stay at home. She has suffered a great deal and the grim monster death came to claim its victim and relieve her of her suffering. She is survived by her husband and five children. Mr. Dixon and the family have the sympathy of all their friends, (as two of the children are very small and need a mother's care). The members of Washington Camp No. 42, P. O. S. of A., of Millington, of which Mr. Dixon is a member, expressed their sympathy to their bereaved brother as many members as was possible attended the funeral out of respect for Mr. Dixon and his family.

She has been confined to her bed ever since, and is faithfully nursed by her daughter, Miss Clara.

ROCK HALL ITEMS.

Sunday being communion day there was no preaching at morning service at the M. E. Church. The pastor read the 23d Psalm. In explaining this he said: "All men celebrate the 4th of July, and all the nations Christmas, while all men are requested to commemorate the Lord's Supper but few comply with this request, and in many instances those who profess to be His followers do not enter into this memorial with that zeal which is manifested in the above celebrations. He would resolve man into two classes, either for or against; that he who remains away or refuses to partake arrays himself against it." An invitation was extended to those wishing to unite with the church. Mr. and Mrs. Joseph Leary presented themselves and were received. Mrs. Chas. Kendall, having completed the probationary period was taken in as a full member. Forty-seven received the communion.

Addicks Fights Till He Dies.

"Mr. Addicks will never give up his fight until death claims him. He is more determined now to be a Senator of the United States than he was ever before." This declaration was made Thursday by President Pro. Tem. Conner, of the Delaware Senate. He added:

"The Regulars have no good reason for opposing Mr. Addicks. The only reason they advance is that Colonel duPount ought to be elected because the Union Republicans already have one Senator. But Mr. Addicks has done so much more for the party in this State than Colonel duPont. If the Regulars would but submit to the will of the majority of the Republicans in the Legislature Delaware would be surely and solidly Republican for all time to come. And they will have to submit, for if they do not there will be no Senator elected at this session of the Legislature.

When You Have A Cold.

The first action when you have a cold should be to relieve the lungs. This is best accomplished by the free use of Chamberlain's Cough Remedy. This Remedy liquefies the tough mucus and causes its expulsion from the air cells of the lungs, produces a free expectoration, and opens the secretions. A complete cure soon follows. This remedy will cure a severe cold in less time than any other treatment and it leaves the system in a natural and healthy condition. It counteracts any tendency toward pneumonia. For sale by M. A Toulson, druggist.
