LOCAL MATTERS.

A Valuable Log.—A Baltimore piano firm last week purchased a mahogany log which came from the east coast of Africa. The log measured seven feet and six inches across the butt, and will cut 40,000 feet of one-sixteenth of an inch thick veneering. It was one of the largest pieces of mohogany ever placed upon the market and sold for $11,000.

New Rural Routes.—The following new rural routes have been established for Queen Anne's county. Barclay, (additional service, route No. 2.) Length of route, 19.3 miles; area covered, 10 square miles; population served 344; number of houses 81. Prices—Route No. 1. Length of route 24 miles; area covered, 12 square miles; population served 535; numner of houses 126.

Change in D. S. Telephone Control.—Control of the Diamond State Telephone Company, whose lines cover Kent, has passed to the Bell Company of Philadelphia. The latter concern recently bought $101,000 of the former's unissued capital stock. Its authorized capital is $250,000, but only $100,000 had been issued previous to the Bell Company's purchase. The new capital will be applied to improvements and extensions. One of which will include long distance lines to Cape Charles, Va.

Col. Vannort to Retire.—The term of Col. Wm. J. Varnort, president of the Board of Town Commissioners will expire May 1st. The Colonel has expressed his determination to retire from the Board at the expiration of his term, and this is much to be regretted as he has given the town excellent service and has labored faithfully for its improvements during his entire term. Should the Colonel adhere to his determination to retire, there will no doubt be quite a number of applicants, from whom a good man may be selected. Among the names mentioned in connection with the place are Charles S. Smith Wm. A. Burke and Wm. S. Carroll.

Sale of Fine Stock.—Messrs. Wm. R. Clough and John H. Clendaniel sold at Centreville last Saturday a carload of 28 head of fine mules purchased by them two weeks ago in the west. They brought all the way from $140 to $300 per pair, the amount of sale being $3500. On Tuesday last the same gentlemen sold, as advertised in the TRANSCRIPT, 31 head of fine Pollangus 2 year old heifers. This was as fine a lot of young cattle as was ever offered in Chestertown. Prices ranged from $22 to $36 a piece, averaging about $26 a head. The sale was largely attended and the cattle were distributed over the county very generally by the sale.

The Sheep Were Not Drowned.—It was reported last week that 17 sheep belonging to Mr. Edward J. Plummer, who lives near Edesville, had broken through the ice on a prong of a creek that makes up back of his farm and were drowned. This is a mistake. The sheep did go out on the ice and all all of them broke through. But Mr. Plummer, saw them in time to save them in a rather novel way. He, assisted by his hands and a friend, secured a ladder laid it upon the ice and walked out to where the sheep had gotten into an air hole. They were fished out with a garden rake, and carried ashore. Not one of the sheep was drowned, and Mr. Plummer suffered no loss. It was a brave rescue, and shows that the wily ex-sheriff is always ready for emergencies.

WEDDING BELLS.

MCKEOWN—REALEY.

Miss Katie Elizabeth Realey, daughter of Mrs. W. B. Realey, and Mr. Harry McKeown, of Charlestown, Cecil county, were married at the home of the bride's mother on Stockton street, Elkton, at 4.45 o'clock Wednesday afternoon, of last week. The ceremony was performed by Rev. Dr. T. E. Martindale, pastor of the Elkton M. E. Church. Miss Mair, of Wilmington, Del., was maid-of-honor, and Mr. Harry King, of Baltimore, was best man. The bride was gowned in white chiffonette trimmed with valenciennes lace and insertion. She carried a shower bouquet of white carnations. A reception followed the ceremony. The bride was the recipient of a number of handsome and useful presents. Mr. and Mrs. McKeown will reside at Charlestown. Among those present were: Mrs. Annie R. CHURCH NOTES.

At a members meeting held in Christ M. P. Church last Thursday evening, Mr. James W. Lambert was elected delegate and Jas. W. Crouch alternate, to represent the church at the coming session of conference to be held in Salisbury beginning April 5th. The report of the finances of the church was made and they were found to be in excellent condition. A suggestion was made to purchase the property on the corner adjoining the church for the purpose of building a church hall, reading room, etc. It was referred to the official board of the church with instructions to appoint a committee to investigate the matter and report to the congregation. This has been one of the most successful years in the pastorate of Rev. Dr. Greenfield, and his return to Chestertown for the fifth year is earnestly desired by his congregation and the entire community.

The March issue of the St. James C. E. Monthly was delivered on Wednesday morning. The March number is larger than its predecessor, due to the increase in advertisements, and the circulation is rapidly increasing. The paper is filled with interesting matter, and is very popular with all its readers. The editors and Rev. J. M. Sheridan, the pastor, are endeavoring to make each issue larger and better. Help them. It is a most worthy undertaking.

Mr. Charles N. Satterfield led the young people's service at the early hour at Christ M. P. Church last Sunday evening. Mr. Satterfield delivered a forcible address and a trio by Messrs. A. M. Culp, J. Hydie Thompson and F. G. Usilton was well rendered.

The adjourned quarterly conference will be held at St. James M. P. Church next Wednesday at 2 P. M. The official members are urged to be present as it is an important meeting.

Rev. Dr. Greenfield was unable to fill his pulpit in Christ. M. P. Church on Sunday last on account of sickness. His congregation attended services at the P. E. and M. E. Churches. The Doctor will not be able to fill his pulpit to-morrow (Sunday), though he is improving. Rev. F. T. Tagg, D. D., of Baltimore, will fill the pulpit tomorrow morning and evening.

Christ M. P. Sunday School is arranging for its missionary anniversary, which will likely be held the first Sunday in April—April 2. It will be distinctively a missionary service.

Rev. W. L. White is attending conference in Wilmington, Del. There will be no preaching services in the M. E. Church to-morrow (Sunday.)

Kenndyville, M. P. Church, Rev. R. S. Rowe, pastor. Subjects of sermons for Sunday March 19th, 10.30 A. M. "The Exceeding Great and Precious Promises Given Unto Us." 7.30 P. M. "Special Sermon To Young People."

Rev. Warren Burr, pastor of the M. E. Church, is attending conference in Wilmington. On next Sunday the pulpit will be filled by Mr. Jas. M. Downey in the morning and by Rev. J. W. Parris, of Wesley Chapel in the evening. Miss Anna Leary will review the Sunday school lesson before the school in the afternoon.

The following is a partial programme of the Maryland Annual Conference M. P. Church, which will begin its session in Salisbury M. P. Church on Wednesday, April 5th:

This Pretty Girl Saved From Catarrh of the Lungs By Pe-ru-na.

MISS FLORENCE KENAH.

Miss Florence E. Kenah, 434 Maria street, Ottawa, Ont., writes:

"A few months ago I caught a severe cold, which settled on my lungs and remained there so persistently that I became alarmed. I took medicine without benefit, until my digestive organs became upset, and my head and back began to ache severely and frequently.

"I was advised to try Peruna, and although I had little faith I felt so sick that I was ready to try anything. It brought me blessed relief at once, and I felt that I had the right medicine at last. Within three weeks I was completely restored and have enjoyed perfect health since.

"I now have the greatest faith in Peruna." *Florence E. Kenah.*

WOMEN SHOULD BEWARE OF CONTRACTING CATARRH.

The cold wind and rain, slush and mud of winter are especially conducive to catarrhal derangements. Few women escape.

Upon the first symptoms of catching cold Peruna should be taken. It fortifies the system against colds and catarrh.

Pe-ru-na for Colds and Catarrh.

The following interesting letter gives one young woman's experience with Peruna:

Miss Rose Gerbing, a popular society woman of Crown Point, Ind., writes:

"Recently I took a long drive in the country, and being too thinly clad I caught a bad cold which settled on my lungs, and which I could not seem to shake off. I had heard a great deal of Peruna for colds and catarrh and I bought a bottle to try. I am pleased that I did, for it brought speedy relief. It only took about two bottles, and I consider this money well spent.

"You have a firm friend in me, and I not only advise its use to my friends, but have purchased several bottles to give to those without the means to buy, and have noticed without exception that it has brought about a speedy cure wherever it has been used."—Rose Gerbing.

Pe-ru-na Contains no Narcotics.

One reason why Peruna has found permanent use in so many homes is that it contains no narcotic of any kind. Peruna is perfectly harmless. It can be used any length of time without acquiring a drug habit. Peruna does not produce temporary results. It is permanent in its effect.

It has no bad effect upon the system, and gradually eliminates catarrh by removing the cause of catarrh. There are a multitude of homes where Peruna has been used off and on for twenty years. Such a thing could not be possible if Peruna contained any drugs of a narcotic nature.
