LOCAL MATTERS.

Broke His Leg.—Mr. Wm. E. Ringgold, blacksmith for Mr. Henry S. DeFord, met with a painful accident on Tuesday. While shoeing a fractious horse Mr. Ringgold slipped and fell and the horse stepped upon him breaking his left limb just above the ankle.

Fined for Assault.—Mrs. Samuel D. Latham was fined $10 and costs by Police Justice Hicks on Monday evening for an assault upon Mr. Nathan Crossley, who has been employed by Mr. Latham as fireman at the electric light plant. The testimony showed that Mrs. Latham threw a brick and hit Mr. Crossley on the forehead, inflicting an ugly and dangerous wound.

An Old Colonial Home.— Sunday's Baltimore Sun contained an interesting sketch of Gilpin Manor House just north of Elkton, built in 1760 and remodelled in later years, with pictures of the old Colonial Mansion and the family burial ground nearby. The stately old residence was erected by Joseph Gilpin, one of Cecils foremost Revolutionary leaders, and is now owned by Oliver M. Gilpin, of Kittaining, Pa., grandson of the late Dr. John Gilpin. Dr. Charles P. Gilpin of Chestertown, is a member of this destinguished Maryland family.

A Long and Honorable Career.—General Richard Thomas, of Easton, completed his 60th year of service in the Easton National Bank last week, having been cashier of the bank for 56 years. During that time the bank has grown to be one of the most prosperous banks on the shore, and the popularity of General Thomas, together with his shrewd business ability, is largely responsible for the bank's fine showing. Mr. Thomas is 90 years of age and he is probably the oldest bank Cashier in the United States.

Petition Dismissed.—The Circuit Court last Thursday filed an opinion dismissing the petition of the Primrose heirs to set aside the sale to Mr. Wm. T. Wright, of the property situated in Queen Anne's county at the foot of Chester bridge. The case was argued before the court at Denton two weeks ago by John D. Urie, Esq., for the Primrose heirs, and P. B. Hopper Esq., of Centreville, for Mr. Wright. The judgment of the court sustains the validity of the sale. It is understood that the case will be taken to the Court of Appeals.

Jr. O. U. A. M.—The State Council, Jr. O. U. A. M., held an interesting and profitable session in Hagerstown last week. Mr. James H. Smith, of Cecilton, Cecil county, was elected State Councilor. The total membership of the orders in Maryland up to January 1, was 20,834. The receipts for the year were $218,360.22 and $99,494 were expended for relief during the year. There are 364 members of the order in Kent. Mr. Wm. F. Malin attended as a representative from Kent, and expressed himself as delighted with Hagerstown and much pleased with the council.

Telephone Lines to Consolidate.—A meeting will be held at the Hotel Avon, Easton, on Monday, May 1st, for the purpose of considering the advisability of entering into an agreement to merge and consolidate the various telephone lines on the peninsula. The companies interested in the movement are the Diamond State, Md. and Del. Telegraph and Telephone Co., of Wicomico county; Onancock Telephone Co.; the Atlantic Telephone Co.; and the Peninsula Telephone Co., and three corporations of the State of Virginia. A banquet will be held at Hotel Avon, and the question of consolidation will be thoroughly discussed. Mr. Wilbur W. Hubbard, representative of the Diamond State in Chestertown, will attend the meeting.

Still Pond Farmers' Club.—The Still Pond Farmers' Club was entertained Thursday at the home of Mr. and Mrs. S. J. Roseberry, near Still Pond. Among those present were: Mr. and Mrs. J. S. Harris, Mr. and Mrs. W. D. Pennington, Mr. and Mrs. E. B. Pennington, Mr. and Mrs. J. E. Jarrell, Mr. and Mrs. Daniel Hill, Mr. and Mrs. Carson Harris, Mr. and Mrs. L. Price, Mr. and Mrs. William Bonwell, Mr. and Mrs. Eugene Bonwell, Jr., Mr. and Mrs. G. R. Rasin, Mrs. William Bowers, Mrs. R. R. Hill, Mrs. K. Crew, Mrs. Biddle Hossinger, Misses Katie Howard, Emma Shafer, Jennie Crew, Lizzie Louisa Pennington, Mr. T. Shafer and Mr. Harris Crewe. The club will hold its next monthly meetings at the home of Mr. Carson Harris.

A Creditable Report.— The annual report of the Board of Town Commissioners for Chestertown is published in this issue. It shows that there is a balance in the treasury of $3,405.56, after all expenses have been paid. This is a creditable report and shows that while the commissioners have made some needed improvements to the town, they have been careful of the taxpayers money. We understand that the commissioners of the town are in favor of the expenditure of all their resources for the improvement and benefit of the town, and there is in contemplation a course of improvements that will enable the commissioners to use their balance for the premanent improvements of the town. We call the attention of the tax-payers of the town to the report in this issue.

She Makes a Confession.— Marian Comegys, the colored woman who was convicted of being accessary to an attempt to break jail, and sentenced to three years in the penitentiary at the recent session of court, made a full confession to Sheriff Keyser on Thursday morning. She said that her son, Hayes Comegys, who was given a term of eight years in the penitentiary for robbing Mr. N. P. Cole, and for attempting to break jail, asked her to bring him a saw, as he had some work to do about the jail that required the use of a saw. She refused several of his requests, but was finally persuaded by the pleadings of her son. She purchased the saw in Baltimore, sewed it up in her stocking and brought it to the jail when she came to visit her son, concealed in a coat. She said she should have paid no attention to the request, but the boy was her son, and she could not bear to see him sent to the penitentiary. She will be taken to the penitentiary on Monday along with her son.

THE MEDICAL SENSATION OF THE AGE—THE DISCOVERY OF PE-RU-NA

BY DR. S. B. HARTMAN.

Other Remedies Failed—Pe-ru-na Cured.

The World's Greatest Medicine Factory.

The rapid growth of the Peruna Medicine Company is as phenomenal in the business world as the universal popularity of their famous remedy, Peruna.

The plant covers a number of acres, and employes several hundred people. No other medicine firm in the world reaches anything like the volume of business done by Dr. Hartman's firm.

Although Peruna is a proprietary medicine, the details of its compounding are no secret and nothing gives Dr. Hartman greater pleasure than to show the many friends of Peruna all the essential processes by wh... is made.

A Doctor's Pres...

For years Dr. Hartma... in his private practice... prescription. He had no thou... of manufacturing it or advertising it as a proprietary medicine until there was a demand made upon him by his many friends, who clamored for the original prescription.

Forty Thousand Patients.

Dr. Hartman estimates that he must have prescribed Peruna for over forty thousand patients before it was advertised as a proprietary medicine.

Cured in Four Weeks of Severe Cold on Lungs.

Miss Josie Schaetzel, R. R. No. 1, Appleton, Wis., writes:

"I contracted a severe cold which settled on my lungs in very short order and it was not long until it developed into a serious case of catarrh. Every morning I would raise a lot of phlegm, which was very disagreeable. My digestion was poor and my lungs sore.

"After a few doses of Peruna, I began to mend, and felt that if I kept on ... it, it would not be long until I ...e well. I was right, for in four ... I was well again.

"I think Peruna is a grand medicine, and wish to add my testimony to the many others you have."—Josie Schaetzel.

Pe-ru-na Removes the Cause of Catarrh.

Peruna has no bad effects upon the system and gradually eliminates catarrh by removing the cause of catarrh. There are a multitude of homes where Peruna has been used off and on for twenty years.

Given Up By Doctors—Cured by Pe-ru-na.

Miss Margret Fahey, 49 Adams street, Troy, N. Y., writes:

"We have used Peruna in our family for years and I am very pleased to say that it cured me of catarrh of the lungs when the doctors gave up all hope of my recovery.

"I used Peruna for six months and at the end of that time my cough had disappeared, my appetite was much better and I had gained ten pounds and looked the picture of health.

"I am in perfect health, now, and feel that Peruna not only cures catarrh, but builds up the system, and is therefore a grand medicine."—Margret Fahey.

Pe-ru-na's Popularity.

Peruna is not like so many other remedies that pass away as soon as the first few bottles are used. The longer Peruna is used in any community, the more popular it becomes.

Pe-ru-na Actually Cures.

The reason why Peruna has become a standard catarrh remedy the world over is simply because it cures catarrh.

This explains why Peruna has become so popular. It cures catarrh. This is an amply sufficient reason why it should become popular.

Catarrh is almost universal. Catarrh is difficult to cure. The doctors do not care to treat cases of catarrh at all.

It therefore follows that when a remedy is devised that can be used in the home at a moderate cost, such a remedy should immediately become popular.

Entirely Cured By Several Bottles of Pe-ru-na.

Miss Ella M. Miller, one of Washington's society girls, writes from 140 F street, N. E., Washington, D. C., as follows:

"With pleasure I recommend your medicine for catarrh of the head. Having taken several bottles, I find myself entirely cured. I cannot praise Peruna too highly."—Ella M. Miller.

Pe-ru-na Contains No Narcotics.

There are a great many catarrh cures in the world. The most of them are local applications. Few of them are to be used internally.

Unfortunately a large number of these catarrh remedies, especially the ones prescribed by the doctors, contain narcotics of some sort. Cocaine, opium, whisky, and other narcotics are used.

These remedies give temporary relief. The patient thinks he is better right away. In a few weeks, however, he discovers his mistake. Not only is his catarrh no better, but he has acquired the habit of using some narcotic. This happens in a multitude of cases.

One reason why Peruna has found permanent use in so many homes is that it contains no narcotic of any kind.

Peruna is perfectly harmless. It can be used any length of time without acquiring a drug habit.

Bitten by a Dog.—The little son of Mr. Abe Levine was attacked by a vicious dog near the home of his parents on Maple avenue on Tuesday afternoon. The dog bit the little fellow in three places on his leg, inflicting painful wounds. Dr. Simmons was summoned and the wounds were cauterized to prevent complications. It is not thought that the dog was mad, but his owner has been advised to kill it.

Special exercises appropriate to Easter were held in the town churches last Sunday, and large congregations were present at all the services. At Emmanuel P. E. Church the rector, Rev. Henry B. Martin, M. D., delivered appropriate sermons, and the choir rendered beautiful Easter anthems. The Easter offering for the benefit of the new parish building now in course of erection, amounted to $500. $100 has since been received. Special services were held at Sacred Heart Church, and the choir rendered special music. At Christ Church, Rev. D. L. Greenfield delivered a very fine sermon in the morning and at night the Sunday school and Young People's meeting rendered a beautiful Easter programme. At both services the choir, under the able direction of Mr. A. M. Culp, rendered appropriate anthems. At the M. E. Church the pastor, Rev. W. L. White, preached two able sermons from an Easter theme. The musical programme at this church was deferred until to-morrow (Sunday) when the choir under the direction of Dr. A. Sagar Hall will render a special Easter programme. The decorations in all the churches were profuse and beautiful.

He and his family will shortly arrive in the East, where they will be the guests of his parents, Dr. and Mrs. Billingslea, in Westminister, and of Rev. and Mrs. W. R. Graham, in Easton. Dr. Billingslea has spent three years in the Philippine Islands. Several years ago he married Miss Mabel Graham, daughter of Rev. Dr. and Mrs. Graham, of Easton. It will be the Doctor's first visit to his home since his departure for Manila three years ago.

Rev. and Mrs. F. S. Cain, of Sassafras and Warwick charges, were given a splendid reception last Friday evening upon their return from conference.

Rev. Mr. Cain is very popular with his congregations.

A Fine Concert.

A large and appreciative audience greeted the Glee and Mandolin Club of Washigton College on the occasion of their annual performance in Stam's Hall on Thursday evening, and we regret that limited space forbids an extended description of the rendition of a splendid programme. The environments were all that the club could desire in the way of beautiful decorations and an attractive and fashionable audience, and it was truly an occasion upon which the people of the town could fell a large measure of pride in the historic institution which is such an honor and credit to our community. Scarcely has it been our privilege to look upon a more beautiful stage, bedecked as it was in the glory of the stars and stripes, the beautiful dogwood, graceful palms, and the crimson and black of old W. C. It was decidedly the prettiest decoration seen in the hall in years. The members of the Glee and Mandolin Club are to be congratulated upon the character of their vocal and instrumental selections, and the pleasing manner in which they were rendered. Under the able direction of President J. W. Cain and the leadership of Mr. H. O. Stephens, the boys sang well and played skillfully, and the concert was all that could be desired. An audience of about 320 was present, and a handsome sum of money was realized. The club will begin a tour of the peninsula with an entertainment at Havre de Grace next Wednesday evening, May 3.

COLLEGE NOTES.

All have returned after a very delightful Easter holiday. Several are missing yet but we hope to see them soon.

Mr. E. A. Howard left Friday morning to take part in the Inter-collegiate Oratorical Contest which was held at College Park, Md., last night. Prof. E. J. Clark accompanied him.

The baseball team will play Millington on the latter's grounds this afternoon. As our boys have had no practice since their last game with Millington it will probably even matters up. A close game is expected.

The Y. M. C. A. held a silver tea at Normal Hall last night. The event was quite a success.

The Glee and Mandolin Club will give an exhibition at Havre de Grace on Wednesday night, May 3.

The Pieria Society will give their annual reception at Normal Hall on next Friday night.
