WHAT IS THE

FUNCTION OF A BANK

We all know how indispensable one is. It simply acts as your agent in investing your money. You deposit your money, the bank takes these funds and lends to other people. You could lend it yourself, but the difficulty is to find safe investments. You do the wise thing to put it where it is reasonably well invested.

Now, when you go to sell property, why not place it with one who is in touch with buyers, just as the bank is in touch with borrowers. I know many people who are looking for various kinds of property. You don't know them. My information is worth dollars to you if you want to sell. I don't mean I can get exorbitant prices. I can't. I don't intend to try. But, my ability to handle your property better than you can, has been proven. I have sold property after the owners, having tried for years to sell, have failed.

OUR SUMMER RESORTS.

Active Preparations Now in Progress for the Busy Summer Season That Will Shortly Open at the Bayside Resorts.

It will not be long before the charming voice of the summer girls will be heard in the land, and there will soon be such attractions at our bayside resorts as will prove veritable magnets. Few Eastern Shore counties can offer such attractions to those seeking rest and quiet from the busy hum of city life as can Kent, and already active preparations are in progress towards making these resorts even more attractive. The excursion season at Tolchester will open June 1st, and for weeks past Manager Noland and a force of workmen have been busy as bees putting the grounds, hotel and property in shape for the accommodation of visitors. Many new attractions have been introduced, and other improvements made that will add much to the attractions of this popular resort. At Betterton, Kent's beautiful little Newport, everything is life and hustle. Several of the hotels are already open and quite a number of guests have arrived. Others will be opened later, and still others are being rushed to completion in order to accommodate the many who will spend the summer on the hilltops. The hotel Rigbie will open for the summer June 17th, and anyone desiring information concerning board, etc., will be furnished with booklet upon application to Mr. Howard Turner, proprietor. The Chesapeake House, Idlewhile Cottage, Betterton House and the Casino will be ready for business June 1st, and then will come the crowds. Dewey Park, the ever-popular North Kent resort, opened for the season last Wednesday, and those who delight in the terpsichorean art will find this a most delightful place to spend every Wednesday evening. Messrs. Shallcross & Massey, the proprietors, are ever watchful of the pleasure and comfort of their guests, and their dances are said to be extremely popular. The numerous summer boarding houses along the bayshore are receiving their summer dresses, and when the rare June days come we'll see the charming summer girl, and the dandy summer lad, making love by the light of the moon, and getting fat on the sweet milk and fried chicken which are usually upon the bill of fare in Kent.

BASE BALL NOTES.

The first team of Washington College went to Dover on Saturday last and defeated the Conference Academy team by the score of 12 to 4.

The Second team of the college crossed bats with the Centreville High School team at Centreville last Saturday and in the most exciting game of the season defeated the Centreville team by the close score of 11 to 10. At the end of the first half of the ninth inning the score stood 10 to 4 in favor of Centreville. The college team in its half of the last inning by a batting rally piled up six runs and tied the score. Four more innings were played, and W. C. S. T. won the game in the last half of the 13th inning. Good boys, W. C. S. T. These two teams play on the College campus this afternoon.

The C. H. S. team was defeated by the Millington team on the grounds of the latter last Saturday, score 15 to 5. The C. H. S. will play at Betterton this afternoon. They will appear for the first time in their handsome new uniforms of light blue with black stockings and belts.

Kennedyville defeated Rock Hall, at Rock Hall, Saturday—score 46 to 7.

The Still Pond Base Ball Club has organized for the season with Mr. Jas. S. Clark as manager. The lineup of the team is particularly strong, and as soon as their new suits, etc., arrive, they will be ready for challenges. They will hold a festival on Mr. A. J. Hackett's shop grounds on Thursday evening next for the benifit of the club. Mr. W. H. Krusen is secretary and treasurer.

Several of the teams of the county are very anxious to organize a County League for the summer. This is a proposition that is worthy of consideration by the managers of the several teams. Every town in the county of any size has a good team and we do not see any reason why a league should not be formed for the summer. The league could be composed of teams from Chestertown, Rock Hall, Still Pond, Kennedyville, Betterton, Galena and Millington. Why cannot the mangers of their teams call a meeting in Chestertown sometime next week, and take steps to organize? It is a splendid way to create an interest in baseball. Cecil county has a flourishing league. Let's have one in Kent.

Bids Opened and Considered.

The building committee of the Board of Visitors and Governors of Washington College met at the office of Marion DeK. Smith, Esq., on Monday evening and opened and examined the bids for the erection of the handsome new administration building. There were four bidders:

W. S. & A. M. Culp.....	$36,800
Walter Pippin.....	39,850
Collins & Cohee, Dover, Del.....	38,443
McAllen & Ross, Pocomoke City	42,000

The award of contract was not made until after last night after press hours. It will be seen by the above bids that Messrs. W. S. & A. M. Culp are the lowest bidders, and it is presumed that at the meeting of the board last night, the above firm received the contract. It is proposed to begin work on the building at once.

Ends Life With Laudanum.—Dr. Albert H. Dickinson, of Trappe, Talbot, county, formely of Galena, this county, committed suicide at his home, 2108 N.
