LOCAL MATTERS.

To Make Voting Machine.—The Wilkinson Voting Machine Company, of Baltimore, for manufacturing machines to be used for the accurate counting and registering of votes, was incorporated this week by Messrs. Lloyd Wilkinson, Wm. B. Usilton, Wm. J. Wilkinson, Edwin S. Hargis and J. Samuel Turner. The authorized capital stock is $200,000, divided into 2,000 shares of $100 each.

Runaway Accident.—Miss Hope Wallis was considerably bruised and shocked by being thrown from her dayton in a runaway accident yesterday afternoon. The horse was hitched by a bridle strap to a post at Mr. Chas. S. Smith's store. While Mr. Wallis was making some purchases at Mr. Smith's, the mare pulled her bridle off, and with Miss Wallis in the dayton, started to run up Cross street. The dayton struck a post in front of the law office of Mr. Wm. W. Beck, and was upset; Miss Wallis being thrown out and receiving a cut over the eye. Dr. H. L. Dodd dressed the wound. The dayton was badly damaged.

Telephone Merger.—On Wednesday the stock holders of the Diamond State Telephone Co. met in Dover to consider an agreement for the merger and consolidation of the Diamond State Telephone Co., the Eastern Shore Telegraph and Telephone Co. of Caroline County, Md., the Delaware Telegraph and Telephone Co. of Wicomico county, Md., the Onancock Telephone Co. and the Atlantic Telephone Co. of Accomac county, Va., and the Peninsular Telephone Co. of Northampton county, Va. By a unanimous vote, with all but 95 of the 8,040 shares of stock represented in person or by proxy, the consolidation was approved. The officers of the Diamond State telephone Co. were elected for the consolidated concern as follows: President, Harry A. Richardson, Dover; secretary, W. S. Piersol, Philadelphia; tresasurer, du Pont Walker, Dover; general manager, W. H. Baker, Dove

Terribly Bitten by Dog.—While on her way home from a pleasant call on some friends on Sunday evening, Mrs. John Armstrong, wife a prominent business man of Middletown, Del., was attacked and terribly bitten by a dog which to all appearances, was a victim of the rabies. Mrs. Armstrong and her husband and two children were going up Main street when the shepherd dog, without the least warning, jumped at the woman and bit her on the shoulder, breast and thigh, making very serious lacerations. The animal escaped before any one could secure a weapon of any kind, and after biting a dog which happened along at the time, disappeared. Mrs. Armstrong was taken to the Pasteur Institute, Baltimore, on Monday morning for a course of treatment. The unfortunate affair created much excitement in the town, and the authorities will take rigid steps to prevent unmuzzled dogs running the streets in the future.

After breakfast a trolley rice will be taken to Old Point, with dinner at Hotel Chamberlain, take the boat to Norfolk on ocean steamer that evening; arrive at Providence Monday morning, spend the day at Newport and Narragansett Pier and take a train at Providence for Boston, stopping at the American House. Tuesday and Wednesday the excursionists will visit points of interest in Boston, and on Wednesday start homeward, reaching Norfolk Friday morning, take a trolley ride and spend the day at Virginia Beach, embarking in the evening on a steamer for Baltimore and arrive at 6 A. M. Saturday. Many of the editors of the State are expected to make the trip.

Order of Publication.

In the Circuit Court for Kent County in Equity.

No. 1552.

Augusta M. Bowers, John S. Bowers, Lucy Bowers, Thos. D. Bowers, Mary R. Aldridge, Wm. R. Aldridge,

vs.

John N. Dodd, Charles L. Dodd, Harry L. Dodd, Thomas S. Dodd, Mary H. Dodd, Richard D. Hynson, Jefferson D. Bacchus, The Second National Bank of Chestertown, Md., H. Clay Lusby, The Kent County Savings Bank, Whitely Johnson, Frederick Humbert, Andrew J. Hackett and Publishing Clearing House.

THE object of this bill is to procure a decree for the sale of certain Real Estate of which John T. Dodd died, seized and possessed and to have the proceeds thereof divided among the persons entitled according to their respective interests.

The bill states that a certain John T. Dodd, late of Kent county, deceased, by his last will and testament dated the 15th day of September, 1874, duly probated and recorded in Wills Records of Kent county in Liber E. C. No. 1, folios 130, etc., among other things gave and devised unto John N. Dodd a certain farm or tract or tracts of land, situate and lying in the Fourth Election District of Kent county and near Chestertown, commonly called the Dodd farm, to him and his heirs forever, provided nevertheless, that if the said John N. Dodd should die without issue surviving him then he devised the said farm over to his daughter, Augusta M. Bowers, for life, and at her death he gave and devised the said farm to his six grandchildren, Thos. S., Charles L. and Harry L. Dodd, John S., Thomas D. and Mary R. Bowers, (the said Mary R. Bowers has since intermarried with William R. Aldridge,) in fee simple, share and share alike, subject to six legacies of five hundred dollars each to the said Thos. S., Charles L. and Harry L. Dodd, John S., Thomas D. Bowers and Mary R. Aldridge, formerly Mary R. Bowers, and whereas the said John T. Dodd, by his last will and testament, directed that certain other real estate to wit, a lot of land with the improvements thereon, situated on High street in Chestertown, and another lot of land with improvements thereon situated on Calvert street in said town should be sold by his executrix, and the proceeds of the sale, together with the personalty, should be used for the payment of his debts, but the last mentioned parcels of real estate were not sold, and the said John T. Dodd was seized and possessed, at the time of his death of two other lots or parcels of land, not devised and not mentioned in his last will and testament to wit: a lot of land situated on High St., and commonly called the "Shop lot", and another lot of land commonly called the "Lumberyard lot."

And the bill further states that Mary J. Dodd, duly qualified as executrix of the said John T. Dodd, but has since departed this life.

And the bill further states that there are certain judgments against the interest of Harry L. Dodd and Thomas S. Dodd, in the real estate which said judgments liens will affect the title of any purchaser who may bid at the sale of the real estate, and the parties holding the said liens are hereby made party defendants hereto, as will appear by copies of liens filed as exhibits in this case.

And the bill further states that Charles L. Dodd has applied for the benefit of the bankrupt law, and his interest in the said real estate has been sold and those who purchased same and now hold interest therein are parties to this cause.

And the bill further states the plaintiffs are anxious to have the said real estate sold for the purpose of partition among the several persons who are interested therein and entitled to share in the proceeds of the sale of the said real estate.

It is thereupon, this 1st day of June, 1905, ordered by the Circuit Court for Kent County, as a court of equity, the plaintiff's by causing a copy of this order to be inserted in some newspaper printed and published in Kent county, once a week for four successive weeks before the 3rd of July giving to the non-resident defendants Thomas S. Dood and The Publishing Clearing House of the object and substance of the bill and warning said non-resident defendants to apper in person or by solicitor on or before the 17th day of July next to show cause if any they have why a decree should not be passed as prayed.

MISS MILDRED KELLER.

RESTORED TO HEALTH. THANKS TO PE-RU-NA

Friends Were Alarmed—Advised Change of Climate.

Miss Mildred Keller, 718 13th street, N. W., Washington, D. C., writes:

"I can safely recommend Peruna for catarrh. I had it for years and it would respond to no kind of treatment, or if it did it was only temporary, and on the slightest provocation the trouble would come back.

"I was in such a state that my friends were alarmed about me, and I was advised to leave this climate. Then I tried Peruna, and to my great joy found it helped me from the first dose I took, and a few bottles cured me.

"It built up my constitution, I regained my appetite, and I feel that I am perfectly well and strong."—Mildred Keller.

We have on file many thousand testimonials like the above. We can give our readers only a slight glimpse of the vast array of unsolicited endorsements Dr. Hartman is receiving.

FOR OYSTER CONVENTION.

The directors of the Oystermen's Protective Association of Maryland held a meeting last week at the office of Mr. William Trickett Giles, 211 St. Paul street, Baltimore, and elected the following officers:

President—Senator William F. Applegarth, of Dorchester county.

Treasurer—Thomas B. Webster, of Baltimore.

Secretary and Counsel—Wm. Trickett Giles.

The meeting was held behind closed doors, and lasted three hours. A constitution and by-laws were adopted, and it was decided to hold a convention in Baltimore the third Wednesday in November for the purpose of discussing and deciding upon the best means of improving the oyster industry of the State. The directors declined to either approve or oppose the Haman bill, preferring to leave that to the convention.

Branches of the association will be organized in all the tidewater counties and in Baltimore, and each of these local organizations will be entitled to at least one delegate in the convention. A local organization having a membership of over 200 will be entitled to two representatives.

As stated in the constitution, those eligible to membership in the association are "oyster tongers, oyster dredgers, oyster dealers, oyster planters, oyster packers, oyster commission merchants, men owning boats engaged in the oyster business and all others in sympathy with the objects of the association." The membership fee is $1 and the yearly dues the same.
