LOCAL MATTERS.

Freighting Company Incorporated.—The Intershore Freighting Company, of Baltimore, Md., was incorporated at Dover, Del., on Monday. The incorporators are William A. Wheatley, P. Bennett Ford, R. Bennett Darnell and Herbert Stempson, all of Baltimore, and Harry W. Davis, of Wilmington, Del. The capital stock is $75,000.

Divorce Refused.—Judge Wickes, of the Circuit Court for Baltimore city, signed a decree on Tuesday dismissing the bill for partial divorce filed by Mr. James S. Patten against Mrs. Fannie Patten. Mr. and Mrs. Patten formerly lived in Chestertown where they are well known The bill was dismissed because Mr. Patten refused to take any testimony to support his bill.

Mr. Wagners's Accident.—Mr. Romie Wagner, one of Rock Hall's prominent contracters and builders, met with a painful accident on Wednesday while at work on a house for Mr. Cannan, near Rock Hall. Mr. Wagner was about to desend from the roof to the first floor. He stepped upon a piece of scaffoldding which gave way, throwing Mr. Wagner to the ground. His right arm was broken in two places below the elbow. Dr. Hines, of Chestertown, was summoned and set the fractures. Mr. Wagner is doing well, though he is suffering a great deal of pain. .

A WISE MOVE.

The endorsement of the Poe disfranchising amendment by the County Convention on Tuesday was wise. The convention was in sympathy with the amendment, and it would have been a mistake not to have endorsed a party measure. Its endorsement by the convention adds untold strength to the amendment in Kent, and we are confident that it will receive a large majority at the election. The Rupublicans cannot possibly defeat the amendment in this county, because not only every Democrat, but many Republicans are opposed to the illiterate and corrupt voter holding the balance of power in the politics of the county and State. Not only the Democratic ticket, but the amendment as well will receive a hearty endorsement at the polls in November.

WEDDING BELLS.

CAMPBELL—BOYLSTON.

Miss Augusta Eccleston Boylston was married to Mr. Donald Campbell, formerly of New York, now of Boston, on Wednesday afternoon at the home of the bride in Skaneateles, N. Y. The bride is a daughter of Mrs. S. Montgomery Roosevelt, of New York, and granddaughter of Mrs. Samuel Shoemaker, of Baltimore. She is a niece of Rev. Dr. J. Houston Eccleston, rector of Emmanuel Protestant Episcopal Church, Baltimore, and is a relative of the family of Mrs. Caroline Hynson, of Chestertown. The groom is a son of Gen. John Campbell, United States Army, retired, and a nephew of Mrs. W. Graham Bowdoin, Mrs. J. Marshal Winchester, Mrs. Josiah Lee Johnson and Miss Sydney Price, of Baltimore. The ceremony was performed by four clergymen, and was witnessed by many of the society folk of Baltimore City.

MOWBRAY—WILL.

Rev. Dr. Alpheus S. Mowbray was married to Miss Lura Isabelle Will in Denton on Wednesday morning. The ceremony was performed at the home of Mrs. Orville G. Smith, sister of the groom, by Rev. W. R. Mowbray, of Bridgeville, Del., brother of the groom. Dr. Mowbray is one of the most prominent clergymen of the Wilmington M. E. Conference. He is presiding elder of the Wilmington District and is well-known here. They will reside in Wilmington.

Hopkins' Graduates.

Mr. Howard Fowler is among those who took the degree of Doctor of Philosophy at the John Hopkins University Commencement this week. Mr. Fowler is the son of Mr. Lewin S. Fowler, of Chestertown, and he has made an enviable record at the University. He is now traveling in Europe with the Gails, with whom he has made his home in Baltimore. He will return in the fall to take a lucrative position in a Massachusetts school of 500 students.

Among those who were given their M. D. degree Tuesday by Johns Hopkins University, was Thomas Norval Hepburn, youngest son of Rev. S. S. Hepburn. He has been awarded a two-years-in-turn position in the hospital at Hartford, Conn., and will enter upon his duties there the first of September. Dr. Hepburn and his wife will spend two weeks on his father's farm, Delight, at Still Pond station, before going off for a summer trip. Dr. S. S. Hepburn, an older brother, who has been practicing medicine for several years at Annapolis, Md., where he has met with the most encouraging success, has engaged a member of the newly graduated class from Hopkins to take his practice for several months, while he takes a post-graduate course in a hospital in this country or in Europe, in order to perfect himself in a line of study he has in view. These two young men are of Virginia, but are Maryland stock, and bid fair to do credit to their mother State.

BASE BALL NOTES.

The first team of Washington College will cross bats today with the strong Lafayettes, of Baltimore City, on the College campus. This will no doubt be an exciting game.

The Betterton Base Ball Club went to Havre de Grace last Saturday and was defeated by the strong team of that city by the score of 6 to 3. Prof. Barris, of Washington College, played with Betterton, and put up his usual scientific game. Reynold's, Betterton's pitcher, played a fine game, but the catcher was unable to hold him, having had three passed balls, which gave Havre de Grace three of their six runs. It was an interesting game, and while Betterton was befeated, the team proved that they are able to cope with the best teams in the state. Betterton has an excellent schedule and throughout the season some fine games will be played on their grounds at Betterton.

The Baltimore Eastern League team is now at the top in the race for the pennant. They are playing such ball as will likely keep them there until the end of the season.

The second team of Washington College defeated the C. A. C. team last Saturday, score 19 to 4.

The second team of Washington College went to Centreville on Thursday afternoon and was defeated by the High School team of that town by the score of 16 to 3.

The C. H. S. team will go to Still Pond this afternoon for a game with the strong team of that town. A good game is expected.

Jack is Dead.

Jack, the notable gray pacer, belonging to Capt. Wm. C. A. Thompson, dropped dead on High street on Monday morning in front of the High School building. Mr. J. Hydie Thompson, son of Capt. Thompson, was returning from delivering goods. Jack was going at moderate speed, when without a moment's notice he dropped in his tracks, throwing Mr. Thompson forward from the dayton, between the horse's hoofs. Mr. Thompson was considerably bruised by his fall, and the colored boy, Dave, who attends Mr. Thompson on his travels, was scared out of his wits. The death of Jack removes one of the most noted race horses ever owned in Kent county. He received his early training at the hands of such experienced reinsmen as Wm. T. Lane, Lyman Redmond and the late James Startt, and on many a race track had he shown remarkable speed, and had been a winner in races at Worton, Dover and Timmonium. He is best known to the people of Chestertown by his feats on the thoroughfare on High street. He had no equal on the snow in his balmy days, and whenever Jack made his appearance on the snowy turf he could give his competitors odds and show them all the way to go down the street His owner, Capt. Thompson, was justly proud of Jack, and his many excellent qualities had endeared him to the entire family. Even in his extreme old age, 27 years, he was ever ready to draw his master on his little jaunts of pleasure, or to perform the light duties of hauling goods about the town. No child could have been more tenderly cared for than was Jack, and his demise caused tears of regret to flow from the eyes of those who had become so attached to him. He was buried with honor.

TWO BEAUTIFUL WOMEN WHO ESCAPED SPRING CATARRH BY TAKING PE-RU-NA.

Spring Fever is Spring Catarrh--Nothing Robs One of Strength Like Spring Catarrh.

MISS ESTELLE CAMPBELL.

Miss Estelle Campbell, 140 N. High street, Nashville, Tenn., writes:

"Peruna helped me when almost everything else failed. I was rundown from overwork, as I had not been able to take a vacation for three years and naturally my nerves were all unstrung and I was greatly in need of rest and a tonic.

"I went away for two months, but did not seem to get my strength back, although I was taking a prescription which the doctor gave me before I went away.

"At the request of my relatives, with whom I was visiting, I began to use Peruna, and you cannot realize how glad I was when within a week I found I was feeling so much better. Inside of a month I was feeling splendidly, ready and able to take up my work again."—Estelle Campbell.

Pe-ru-na is the Finest Tonic For a Weary Woman.

Miss B. Inez Silvers, 189 W. 136th street, New York City, Grand Recorder Daughters of American Independence, writes:

"Nine years of work, without a vacation, wore out my nervous system. I lost my appetite and felt weak and exhausted nearly all the time.

"Peruna restored me to perfect health in five weeks. It is the finest tonic for a weary woman that I know of. I gladly endorse it."—B. Inez Silvers.

Peruna is the most prompt and permanent cure for all cases of nervous prostration caused by systemic catarrh known to the medical profession.

MISS B. INEZ SILVERA.

A Spring Tonic.

Almost everybody needs a tonic in the spring. Something to brace the nerves, invigorate the brain, and cleanse the blood. That Peruna will do this is beyond all question.

We have on file thousands of letters which testify to the curative and preventive value of Peruna in cases of nervous depression and run down conditions of the system. We quote a typical case:

Mr. Frank Williams, 3935 34th street, New York City, member First Presbyterian Church and Captain Capitol Golf Club, writes:

"Last spring I suffered with malaria and a run down condition which seemed very difficult to overcome.

"I tried several different tonics but did not seem to get much better until I began using Peruna. My recovery was slow, but I was improving and I was glad to continue using it.

"At the end of two months my health was restored and I looked and felt much better than I had for years. Your remedy is well worthy of a recommend and I am pleased to give it mine."—Frank Williams.

Peruna never fails to prevent spring catarrh or nervous prostration, if taken in time.

Pe-ru-na Contains No Narcotics.

One reason why Peruna has found permanent use in so many homes is that it contains no narcotic of any kind. Peruna is perfectly harmless. It can be used any length of time without acquiring a drug habit. Peruna does not produce temporary results. It is permanent in its effect.

It has no bad effect upon the system, and gradually eliminates catarrh by removing the cause of catarrh. There are a multitude of homes where Peruna has been used off and on for twenty years. Such a thing could not be possible if Peruna contained any drugs of a narcotic nature. All correspondence held strictly confidential.

Mr. Merritt Rasin, son of Mr. and Mrs. M. M. Rasin, of Melitota, will graduate at St. John's College, Annapolis, this year with high honors. Mr. Rasin is one of the most representative students that Kent has ever sent to St. John's.

"CHEATED THE UNDERTAKER"

Says a Well Known Baltimore Physician.

"Some 12 years ago (1892), while engaged in active practice, I was suddenly attacked with a hemorrhage from the kidneys, accompanied by pain and a sickening, bearing-down sensation. I attributed it to the passing of a 'gravel stone' and the worst would soon be over, but not so. I was treated by some of the best professional talent in America. The case was published in medical journals and brother physicians offered suggestions, but the disease continued until, at last, in despair, after nine (9) long years of the tortures of the damned, I gave up and went to my room to die. My case was diagnosed by several able physicians as 'Bright's, with complications,' by others 'Haematuria,' with Catarrh of the Bile Ducts,' but no one could do me the least possible good until the discovery of LAX-O-LITHIA SELTZ, which cured me and which I recommend to all similarly affected. I owe it to suffering humanity to make this fact public, also to state that those who take it need never fear Appendicitis or Typhoid Fever."

J. ZACHARY TAYLOR, M. D., Lung, Blood and Nerve Specialist.
