LOCAL MATTERS.

Accidental Shooting.—Robert Fogwell, a young man of Worton, living near Green Point, was accidentally shot by Mike Blum, another Worton boy on Monday. The boys were shooting at a target with a cat rifle. Fogwell, in some manner, got in the way of a shot, and was struck in the leg. The wound is not conidered serious.

The Tolchester Company.—The annual meeting of the stockholders of the Tolchester Beach and Improvement Company was held last Saturday in the parlors of the hotel at the beach. The old officers were all re-elected as follows. Capt. William C. Eliason, president; Jonathan Pennell, vice-president; Wm. H. Hudson, secretary; J. M. Naudain, treasurer. After the meeting dinner was served in the hotel.

Finely Equipped Schooner.—Capts. Herbert Fletcher and Howard Hadaway were unloading a cargo of phosphate meterials for the Beck Walker Co., this week from their gasoline power schooner, Serah E. Vickers. The engine in this schooner is a Fairbanks and Morse make of 30-horse power and cost $2,000. The cabin is lighted with electricity and the whole affair is an up-to-date equipment. The schooner will be used principally for the Lankford Bay and lower river trade.

Heir to Fortune.—Twelve-thousand dollars awaits Miss Annie J. Slicer, formerly of Colora, Cecil county, as her share of the estate of her father, the late Jacob Slicer. Miss Slicer disappeared from her home in upper Cecil county about five years ago and nothing has been heard of her in the interval. Her mother had died several years previous and the young woman kept house for her aged father who died in March last year. Should she never appear her share of the estate will go to her brother, Mr. Wm. T. Slicer.

New Principal at Normal School.—Dr. George W. Ward, of Western Maryland College, at Westminster, was elected principal of the State Normal School last Friday to succeed Prof. E. B. Prettyman, who has been principal since 1898. The election was unanimous. Dr. Ward is a graduate of Western Md. College, and he also took the degree of Doctor of Philosophy at the Johns Hopkins University. He taught in the public schools of Howard county for a few years before becoming a member of the faculty at Western Maryland. He is about 38 years old, and possesses all the qualifications necessary for the responsibilities of his position.

Drowned at Rock Hall.—Mrs. Watkins and niece, proprietresses of Sharp's Mansion, Rock Hall, were in bathing on Thursday with the little 5-year-old son of the niece. Quite a number of people were standing on the wharf watching the bathers, when suddenly Mrs. Watkins, who was holding the little boy, got above her depth. In her efforts to reach shallow water she threw the little boy forward. He sank from sight and was drowned. Mr. Louis McCloskey and Mr. Joseph Sewell, who were nearby, saved both ladies with difficulty. The body of the child was recovered at six o'clock Thursday evening. Mrs. Watkins and niece are from Baltimore, and have charge of Sharp's Mansion during the summer.

Washington College Man Killed.—Mr. S. C. Beckwith, a former graduate of Washington College, and for a number of years past an advertising agent of New York City, was among those killed in a terrible railroad wreck on Wednesday night at Mentor, east of Cleveland. Mr. Beckwith was one of the most successful Alumni of Washington College. After graduation, he took up the study of newspaper advertising and located in New York city. He rapidly rose to prominence, and at the time of his death was rated among the millionaires of New York city. The deceased was well known in Chestertown, where he was exceedingly popular as a student. Mr. Beckwith was the only member of the class of '72.

Beneficiaries in a Large Estate.—Misses Wilhelmina Hurlock and Edna Hurlock who recently died in Smyrna, left a large and valuable estate, variously estimated to amount to from $90,000 to $100,000. Under the wills of these ladies the property goes to a number of nieces and nephews. Among those who are greatly benefitted are Frank H. Greenwood, of Chestertown, who is also a residuary legatee. Those who are interested are: Samuel Hurlock, a brother, the father of C. S. Hurlock, ex-Register of Wills, Jonathan J. Hurlock, of Snow Hill, Md.; S. R. Hurlock and Wm. Walter Hurlock, of Queen Anne's county; J. Edward Hurlock, of Millington, Md., and a number of others whose names we have been unable to ascertain. The estate of the ladies consisted largely of mortgages, bonds, stock and personal securities easily convertible into cash, and a number of farms in Delaware and Maryland.

Shooting in Town.—Last Sunday evening Mrs. Harry L. Boyd went out for a drive in her team, which is stabled at the livery of Mr. Charles H. Davis. Walter Hill, one of the hostlers, was instructed to go to Mrs. Boyd's house for the team. He did so, but instead of returning directly to the stable, he drove the team for about three-quarters of an hour. Mr. Harry L. Boyd went to the stable to await Hill's return, and when he put in an appearance, Mr. Boyd upbraided him for using the team, and driving the horse almost to death. Hot words ensued, and Hill made a dash at Mr. Boyd, who, to protect himself from assault, drew his pistol and fired. The shot took effect in Hill's thigh, and Dr. Simmons was summoned to probe for the ball, which at last reports he had failed to locate. Mr. Boyd acted purely in self defense, as he stated that he thought the negro was about to attack him with a razor. The case will be heard this morning before Police Justice Hicks. Mr. Boyd will be represented by Messrs. Hynson and Barroll.

Lady Robbed.—Mrs. A. C. Gray, of near Millington, while driving into Smyrna, Del., one day last week, was held up by two colored men and robbed of her pocket book containing about $20.00. The highwaymen were promptly apprehended by Delaware authorities and are being held for trial.

Automobiles in Kent.

The two Automobiles which are to be placed on the routes between Chestertown, Rock Hall and Tolchester, and Chestertown and Betterton arrived in Kent this week. They are the property of Mr. Franklin Crew, of Wilmington, Del., who proposes to establish the above routes. The plan has been fully described heretofore in the TRANSCRIPT, and it is sufficient to say that the cars are here, and that trial trips will be made shortly. Mr. Crew proposes to begin the routes about July 1. The cars are two handsome machines, with a capacity of from 12 to 15 passengars with baggage, and they will be able to make the run to the bayshore in quick time. Mr. Crew is a thorough mechanic and has exercised especial care in having his machines constructed in the best possible manner. They will be in charge of expert drivers, and every precaution will be taken to insure the safety and comfort of the passengers. Lookout for them. Dr. J. H. Hessey has taken a ride in one and says it is O. K. There'll be more to ride after awhile.

OBITUARY.

ROMAINE WAGNER.

Mr. Romaine Wagner, a most estimable young resident of Edesville, died at a hospital in Baltimore where he had been taken for treatment, on Wednesday afternoon, aged about 2 8years. Last week Mr. Wagner fell from the scaffolding of a house which he was erecting for Mr. Cannon near Rock Hall, and sustained a bad compound fracture of the right arm. He was brought to Chestertown, where the fractures were set by Dr. W. F. Hines. The patient was doing well until Monday when symptoms of blood poisoning and tetanus developed, and he was taken to Baltimore for treatment. The arm was amputated at the elbow, but it was too late to save the young man's life and he expired on Wednesday. The death of Mr. Wagner is particulary sad. He was a young man of most excellent character and habits, industrious and hightoned in all walks of life, and was one of the most popular young men in the lower part of the county. He was a contractor and builder but was interested in everything that pertained to the welfare of his home and county. He was the son of Mr. William Wagner, a prominent wheelright and mechanic of Edesville, who has recently been nominated for County Commissioner on the Democratic ticket. Funeral services were held on Thursday afternoon at 4 o'clock in Wesley Chapel M P. Church, conducted by Rev. J. W. Parris. Interment in the cemetery adjoining. She was a lovely character and had a host of friends in Kent, who mourn her early demise. She was one of the most popular girls in Still Pond during her residence in Kent. The remains were brought to Still Pond by train on Monday and interred in Still Pond cemetery, Rev. T. S. Holt, of Still Pond, and Rev. Mr. Wyatt, of Wilmington, officiating. MANY PEOPLE HAVE CATARRH OF KIDNEYS AND DON'T KNOW IT.

Backache, the First Symptom of Kidney Trouble.

Pe-ru-na Is Invaluable in Such Cases.

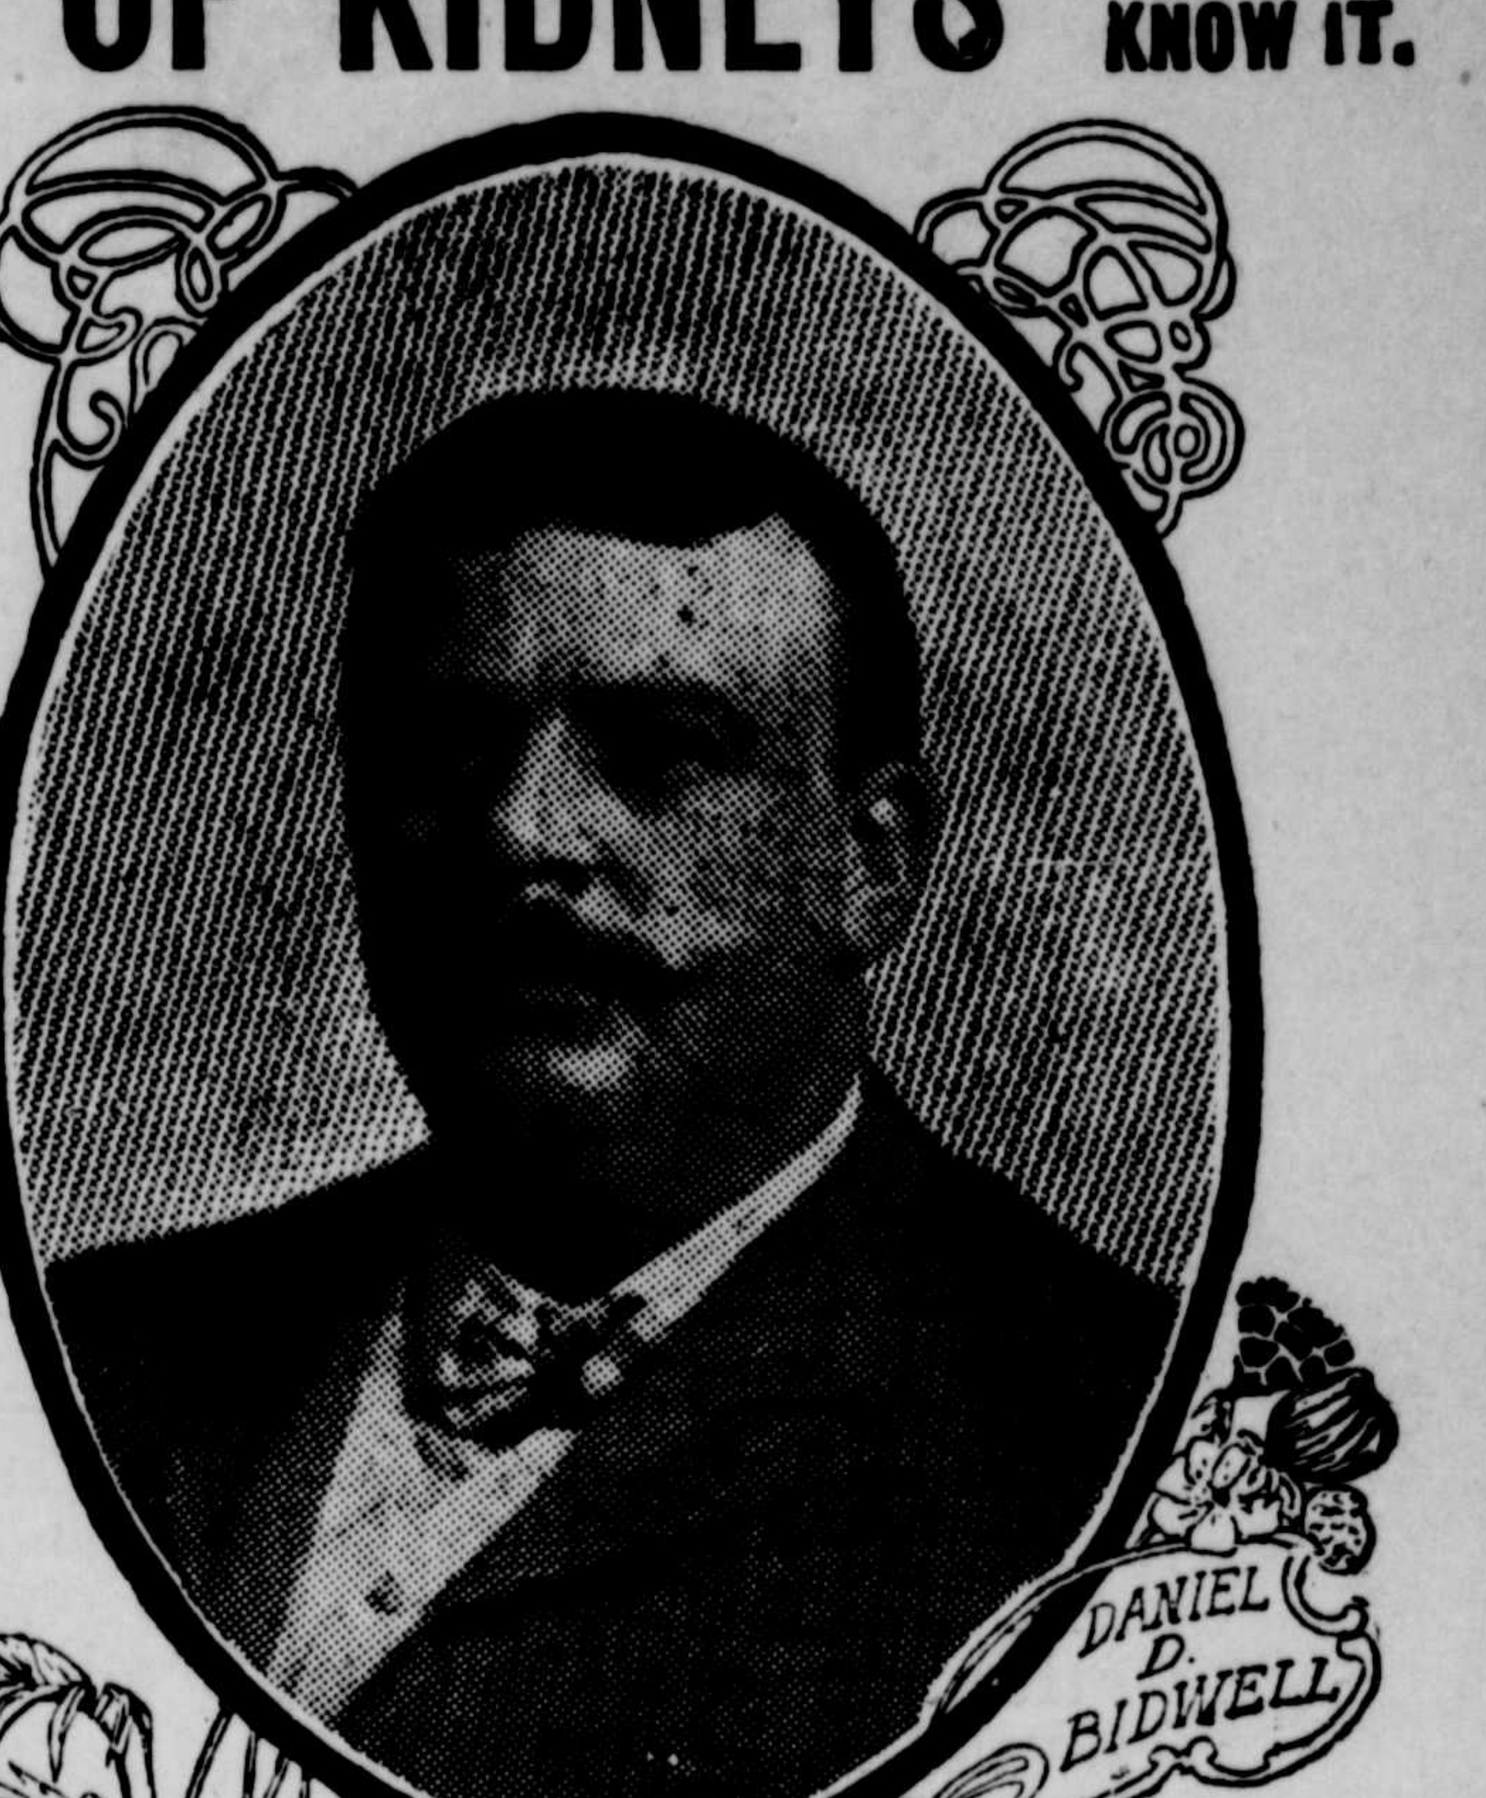

Prominent Persons Who Have Been Cured.

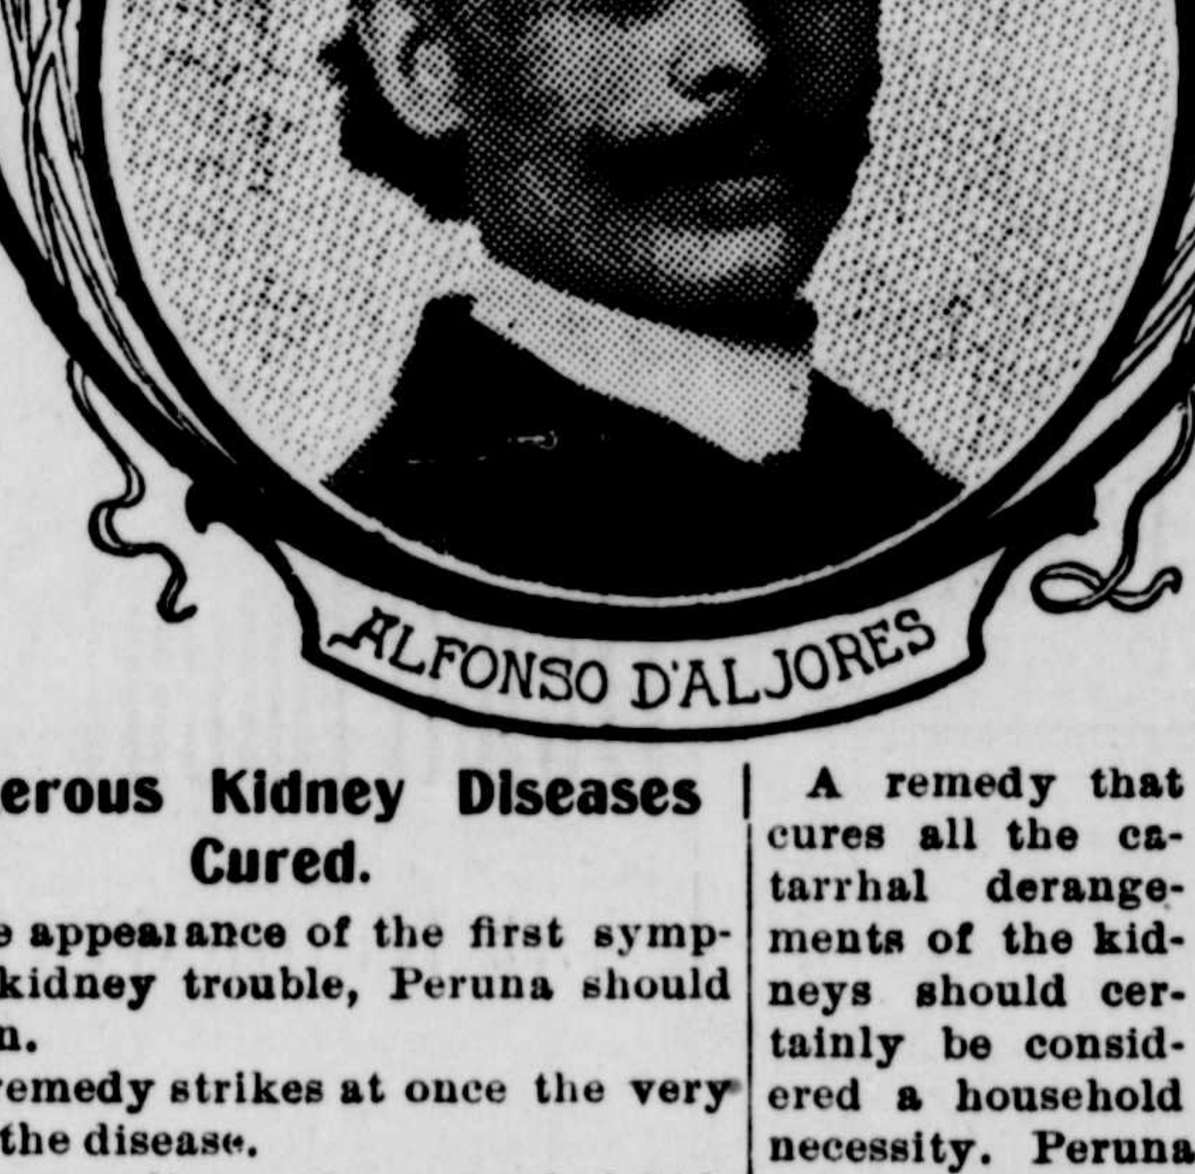

Daniel D. Bidwell, Supervisor, Notary Public and a member of I. O. O. F., 160 Pearl street, Buffalo, N. Y., writes:

"Having used Peruna for a shor time, I desire to write you as to my present condition.

"When I obtained Peruna I was suffering from chronic indigestion and kidney and bladder trouble. It seemed to help the circulation at once. My digestion is now perfect and my kidneys and bladder do not trouble me in any way. In fact, I give Peruna the entire credit.

"Hoping that your remedy will reach all sufferers in a similar case, and thanking you, I remain,"—Daniel D. Bidwell, N. P.

A South American Cured by Pe-ru-na.

Count Alfonso d' Aljores, of 287 Plaza del Torro, Buenos Ayres, South America, while visiting in Chicago, wrote from 247 Cleveland avenue, that city, as follows:

"I used Peruna a short time ago to build up my system, which was all run down from overwork, worry and a cold which had settled in my back and kidneys, causing me serious annoyance and trouble.

"When I returned home from work at night, I was so exhausted and worn out, together with the pain in my back, that I felt I would never be able to take up the burden of life again in the morning, but when morning came I would get out somehow. This dragging through life continued for a couple of months, when I decided I would take Peruna.

"I am glad to state that I found it just the medicine for me. In a couple of months I was restored to perfect health and strength, and my work was no longer a burden. I therefore endorse your medicine as worthy of the confidence of the sick."—*Alfonso d' Aljores.*

Dangerous Kidney Diseases Cured.

At the appearance of the first symptom of kidney trouble, Peruna should be taken.

This remedy strikes at once the very root of the disease.

It at once relieves the catarrhal kidneys of the stagnant blood, and prevents the escape of serum from the blood.

Peruna stimulates the kidneys to excrete from the blood the accumulating poison, and thus prevents the convulsions which are sure to follow if the poisons are allowed to remain.

It gives great vigor to the heart's action and digestive system, both of which are apt to fail rapidly in this disease.

Peruna cures catarrh of the kidneys simply because it cures catarrh wherever located.

A remedy that cures all the catarrhal derangements of the kidneys should certainly be considered a household necessity. Peruna is such a remedy.

A Prominent Merchant Restored to Health By Pe-ru-na.

Mr. John Nimmo, 215 Lippincott St., Toronto, Can., a prominent merchant of that city, and also a member of the Masonic Order, writes:

"I have been in poor health generally for over four years. When I caught a bad cold last winter it settled in the bladder and kidneys, causing serious trouble. I took two greatly advertised kidney remedies without getting the desired results.

"Peruna is the only remedy which was really of any benefit to me. It seemed to act in perfect harmony with the system, eliminating the poisons, stopping the ravages of the disease and gradually restoring me to health and strength.

We have on file many thousand testimonials like the ones given here. We can only give our readers a slight glimpse of the vast array of unsolicited endorsements we are receiving every month. No other physician in the world has received such a volume of enthusiastic letters of thanks as Dr. Hartman for Peruna.

Order of Publication.

In the Circuit Court for Kent County in Equity.

No. 1552.

Augusta M. Bowers, John S. Bowers, Lucy Bowers, Thos. D. Bowers, Mary R. Aldridge, Wm. R. Aldridge,

vs.

John N. Dodd, Charles L. Dodd, Harry L. Dodd, Thomas S. Dodd, Mary H. Dodd, Richard D. Hynson, Jefferson D. Bacchus, The Second National Bank of Chestertown, Md., H. Clay Lusby, The Kent County Savings Bank, Whitely Johnson, Frederick Humbert, Andrew J. Hackett and Publishing Clearing House.

THE object of this bill is to procure a decree for the sale of certain Real Estate of which John T. Dodd died, seized and possessed and to have the proceeds thereof divided among the persons entitled according to their respective interests.

The bill states that a certain John T. Dodd, late of Kent county, deceased, by his last will and testament dated the 15th day of September, 1874, duly probated and recorded in Wills Records of Kent county in Liber E. C. No. 1, folios 130, etc., among other things gave and devised unto John N. Dodd a certain farm or tract or tracts of land, situate and lying in the Fourth Election District of Kent county and near Chestertown, commonly called the Dodd farm, to him and his heirs forever, provided nevertheless, that if the said John N. Dodd should die without issue surviving him then he devised the said farm over to his daughter, Augusta M. Bowers, for life, and at her death he gave and devised the said farm to his six grandchildren, Thos. S., Charles L. and Harry L. Dodd, John S., Thomas D. and Mary R. Bowers, (the said Mary R. Bowers has since intermarried with William R. Aldridge,) in fee simple, share and share alike, subject to six legacies of five hundred dollars each to the said Thos. S., Charles L. and Harry L. Dodd, John S., Thomas D. Bowers and Mary R. Aldridge, formerly Mary R. Bowers, and whereas the said John T. Dodd, by his last will and testament, directed that certain other real estate to wit, a lot of land with the improvements thereon, situated on High street in Chestertown, and another lot of land with improvements thereon situated on Calvert street in said town should be sold by his executrix, and the proceeds of the sale, together with the personalty, should be used for the payment of his debts, but the last mentioned parcels of real estate were not sold, and the said John T. Dodd was seized and possessed, at the time of his death of two other lots or parcels of land, not devised and not mentioned in his last will and testament to wit: a lot of land situated on High St., and commonly called the "Shop lot", and another lot of land commonly called the "Lumberyard lot."

And the bill further states that Mary J. Dodd, duly qualified as executrix of the said John T. Dodd, but has since departed this life.

And the bill further states that there are certain judgments against the interest of Harry L. Dodd and Thomas S.
