Democratic County Ticket

FOR THE LEGISLATURE:
ISAAC GIBBS,
CURTIS E. CRANE.

FOR SHERIFF:
ANDREW MEDDERS.

FOR COUNTY COMMISSIONERS:
JOHN E. MORRIS,
WILLIAM WAGNER.

FOR TREASURER:
WILLIAM E. KEYSER.

FOR COUNTY SURVEYOR:
G. B. TAYLOR.

THE ANTI-ORGANIZATION Democaats of Dorchester county are hot after the political scalp of State Senator Applegarth, but as one of the Senator's friends remarked the other day, "It takes *nerve and a barr'l* to win in politics, and the Senator will have a plenty of both when the proper time comes." However that may be the Anti's mean business this year. It is the same old story of a monopoly of political rule and power.

A MISTAKE.

Ex-Sheriff Edward J. Plummer announces himself an independent candidate for County Commissioner from the Fifth District. He states that he has secured the necessary 150 names which will entitle him to a place on the official ballot. We believe this to be a mistake on the part of Mr. Plummer, and those of his friends who may be back of him in this movement. Mr. Plummer was honored some years ago with the nomination for Sheriff by the Democratic party and was elected by their votes. He participated in the recent primaries as a Democratic voter and was defeated by his opponents, and no man who participated in a Democratic primary should pose as an independent candidate. We see no reason for the announcement of independent candidates for any office at the coming election, and we sincerely hope Sheriff Plummer will reconsider his intention to run as an independent candidate for County Commissioner. We urge all Democrats to stand together for the election of the Democratic ticket nominated at the recent County Convention and which will be found at the head of our editorial column every week. We want the people of the county to know who the Democratic candidates are, and for this reason we gladly contribute the necessary space on our editorial page.

THE DEFEATED FACTION of the Democratic party in Kent, the People's faction, is in thorough sympathy with the ticket nominated at the recent county convention, and does not need any bouquets of congratulations for the manner in which it has accepted defeat. There is not an adherent of that faction who is not a simon-pure Democrat, and who has not always had the very best interests of the Democratic party at heart. This attitude is what has led those who compose this faction to work in the interest of party harmony in conventions and out of conventions, and since this is a duty which all loyal party men, who desire the success of their ticket regardless of faction owe to their party, the People's wing of the party needs no praise for the manner in which they have accepted defeat. It is a matter of much congratulation to the People's wing of the party to know that out of the 1800 votes cast in the recent primaries, the like of which was never heard of before at a Democratic primary contest, 800 of these 1800 votes were cast for the People's wing, and that without the Third District, where with Dr. J. H. Hessey as the People's candidate for county treasurer, a large vote would have been polled. It is a safe estimate to say that 200 Republican votes were cast in this Democratic primaries, and the "Old Organization" received the great majority of them. The People's faction has nothing whatever to regret so far as a careful anlaysis of the vote will show, and in their present attitude toward the ticket which was nominated by the majority in convention, they are manifesting the same interest in the success of the party as heretofore. Nobody needs any congratulations. We are all simply doing our duty as party men, and we hope it may always be so in Kent.

THE counties on the Eastern Shore, including Cecil, comprising the First Congressional district, will more that likely be required to purchase a new supply of ballot boxes for the fall election on account of the Smith-Jackson contested election case. But for this contest the ballots cast at the last election would have been destroyed last month. The law, however provides that in the event of a contest the ballots shall not be removed until after the contest is settled. In the present case the contest will not be decided until after the approaching election, and unless some special agreement is reached in the meantime the counties will be put to the expense of purchasing new boxes.

MATINEE AT ROSE HILL.

Fast Time Made in a Series of Exhibition Miles at Mr. Wm. A. Bell's Track.

Kent and Queen Anne's lovers of horse flesh turned out in full force last Friday afternoon to witness the speed trials of speed prepared by Mr. Wm. A. Bell, owner of the inimitable Bedworth, Jr., and some of his most promising colts. Such fast ones as Bedworth, Jr., Adversity, Mr. Harry P. Skipper's fine bay stallion, Bonnie Lassie, "Crumpton" and Lady Marcus, Mr. Elias Othoson's real nice roadster were there to furnish amusement for the crowd, and they were not disappointed. Those who have never seen the great Bedworth, Jr., go a fast mile, and strange so say, there are many in both counties who have never had that pleasure, saw him do a mile in 2.12 flat, which is easily equal to 2.07 on the Gentlemen's Driving Park track. The performance of the great son of Bedworth is remakable for so early in the season, and his owner feels confident that the fastest race horse in Maryland will lower his record of 2.06¼ before the season is ended. Bedworth is undoubtedly the greatest race horse in Maryland when pushed to his limit of speed, he is one of the prettiest animals in action we have ever seen, is absolutely dependable, and his work is as accurate as the clock. We have seen Bedworth, Jr., make some wonderful performances, and his work at Rose Hill on Friday was no exception to his splendid performances. Such a horse as Bedworth, Jr., is a credit to the state and country.

But there were other good ones there, and their owners should feel proud of them. Adversity, 2.27½, owned by Mr. H. P. Skipper, of Queen Anne's, showed splendid speed in his run with Bonnie Lassie. He trotted two heats in 2.24 and 2.25, according to several witnesses, and in his "workouts" on the same track has gone a mile in 2.20. Bonnie Lassie, though very young, is a fine colt, and she has all the earmarks of a fast one. She can show a mile in 25 now, and before the end of the season will be heard from in fast company. Lady Marcus, Mr. Elias Otherson's fine bay mare, is a good one, and she showed miles in 2.45 or better. It is unfortunate that Schley Russell, Mr. Albert Story's fine bay stallion, and Easter Lilly, Mr. Frank Johnson's fast mare, were unable to be there, but they were both out of condition, and Mr. Johnson refused to bring them. The afternoons' sport was much enjoyed by the crowd, and many were gratified at the speed trials of both Bedworth, Jr., and Adversity, in which much of the interest centered.

STATE BAR ASSOCIATION.

Closes a Successful Meeting in Hagerstown.

The Maryland State Bar Association closed its tenth annual session on Friday. It was one of the most profitable and enjoyable meetings in the history of the association. Judge John Parran Briscoe, of Calvert county, was elected president of the association, with Mr. James U. Dennis, of Baltimore, as secretary re-elected.

The other officers are: Vice-president, First Judical Circuit, Jas. E. Ellegood, Wicomico; second, Judge James Alfred Pearce, Kent county; third, Osborne I. Yellott, Baltimore county; fourth, Judge M. L. Keedy, Washington county; fifth, Guy W. Steele, Carroll county; sixth, William K. Talbott, Montgomery county; seventh, Judge George C. Merrick, Prince George's county; eighth, Judge Henry D. Harlan and W. Burns Trundle, Baltimore; treasurer, Frank G. Turner; executive council, George Weems Williams, Conway W. Sams, Baltimore; Charles H. Stanley, Prince George's; Milton F. Urner, Frederick.

There were no contests for any of the offices and Secretary Dennis cast the vote of the association for the candidates. As soon as the committee on nominations had made its report Mr. Edward C. Eichelberger, of Baltimore, moved that the nominations be closed. The election of the nominees was then a mere formality.

The committee on nominations was composed of Judge Henry, Judge Geo. L. Van Bibber, William L. Marbury, Alexander H. Robertson, Richard D. Hynson, J. Clarence Lane, Charles E. Fink, John S. Stanley and John S. Newman.

The session closed with a largely attended banquet. Those present from Kent were Messrs. Lewin W. Wickes, Richard D. Hynson and Wm. W. Beck.

GET

in the swim, and come to headquarters for

YOUR SPRING SUIT.

It's much easier and more profitable to move with ebb tide where things are moving out. There's plenty life, merchandise, etc., so much more so, than to butt up against flood tide, up stream, or slack water where things are at a standstill. Merchandise is cheaper where volume of trade predominates.

WE ARE

headquarters for Men's, Boys' and Children's CLOTHING, HATS, NECKWEAR and FURNISHINGS of all description.

WHY SO?

Because our output is larger. Come early while assortment is complete.
