LOCAL MATTERS.

Chestertown Water Works.—It is reported that Charles T. Westcott, Esq. is desirous of selling the Chestertown water works and negotiations are pending between him and an outside party for a sale. A young gentleman of Chestertown was negotiating for the purchase, but gave way to the outside party.

Property Purchased and Resold.—Miss Caloline A. Sutton, of Lynch's sold this week to Mr. Thomas A. Parsons, of the same village, 15 acres of land in the rear of Stavely & Bowers property for $801.27. Mr. Parsons resold the property to Mr. Ellsworth C. Bowers for the same amount. This addition will make Mr. Bowers the owner of a very desirable property in Lynch's. The deeds are on file in the court house.

A Peninsula Trolley.—The TRANSCRIPT, always the leader in furnishing the public with substantial news, is allowed to state this morning that there is a well defined movement on foot to establish a peninsula trolley line beween Elkton and Ocean city. The line will pass through Elkton, Chesapeake city, Chestertown, Centreville, Easton, Cambridge, Princess Anne, Salisbury, Berlin, Snow Hill, to Ocean city. Those interested in the movement are men of energy, influence and wealth in the state and there is every probability that the line will be established in the very near future. This is all the information we can furnish the public at present.

LITTLE LOCALS.

*†*Capt. Cecil R. Atkinson is having a large gasoline engine installed in one of his freighting vessels at his wharf.

*†*Mr. Wm. Whitely has rented Mr. P. A. M. Brooks' fine farm near Kennedyville for next year and will remove there Jan. 1.

*†*Roasting ear corn is in local markets. D. Arthur Bacchus and R Thompson had the first ear corn on sale on Wednesday morning. It sold for 18 cents per dozen.

*†*Contractors Duyer Bros. are pushing the work on Mr. Frank Jarrell's new home. When finished it will be one of the handsomest and most convenient homes on the avenue.

*†*Mr. Franklin Crew, of Wilmington, Del., purchased at sheriff's sale on Wednesday the Wilson property near Smithville, adjoining his own farm, and containing 14 acres. The price paid was $36.25, subject to a mortgage of $115 with interest for several years.

*†*The contract for erecting the new Administration Building at Washington College was not given out as was expected on Saturday evening, owing to the small attendance at the meeting of the Board of Visitors and Governors. It will probably be disposed of at a meeting of the board this Saturday evening.

*†*We regret to say that the two Grand de Flora magnolia trees, which were presented to the Ladies Improvement Association by Mr. G. Hines Thomas, of Mitchellville, Md., and which were planted in the public square in front of the TRANSCRIPT office, are dying. It was hoped that they would grow to maturity.

*†*The steamer Emma A. Ford is required to go to Love Point on Sundays now by the authorities of the Md., Del. & Va. railway company, return to Baltimore at 10 o'clock P. M., and back again to Chestertown in time to make her regular trip to Baltimore on Monday morning. That's getting their money's worth out of their employees. It reminds us of a deal this same company tried to make with the newspapers. They wanted the town papers to advertise their schedule and all reading notices for simply a *pass*. Two of the papers in the town bit. The TRANSCRIPT refused, because we do not believe in making our merchants pay for advertising space and giving it to a great corporation for simply a *pass*.

CHURCH NOTES.

The "Committee of 1905" of the International C. E. Convention, now in session in Baltimore, will please accept the thanks of the editors of the TRANSCRIPT for press cards, which have entitled us to all the privileges of the great gathering during the week. We were honored with "seat No. 1" in the press circle.

Rev. W. L. White, pastor of Chestertown M. E. Church, delivered the oration at the 4th of July Celebration at Tilghman's Island, Talbot county.

Mr. Philip Easley, who has been the guest of Master Thomas Eliason, addressed the Epworth League at the M. E. Church last Sunday evening.

Kennedyville M. P. Church—Rev. R. S. Rowe, pastor. 10.30 A. M. "All Tears to be Wiped Away There." 8.00 P. M., "We shall Know each other There."

A committee of the teachers of Christ M. P. Sunday School, composed of Messrs. Wm. A. Wheatley, Jefferson D. Bacchus and Thos. D. Bowers, was appointed last Sunday afternoon to determine upon the advisability of changing the time for holding the session of the school from the afternoon to the morning duriug July and August. The committee will announce its decission to-morrow (Sunday) afternoon.

Large numbers of church people from Kent have been attending the great International C. E. Convention in Baltimore during the week. Maryland headquarters are at Northminister Presbyterian Church, corner St. Paul's street and North avenue, and Maryland societies have enjoyed themselves there immensely.

Christ Meth. Prot. Church, Rev. D. L. Greenfield, pastor.—9.30 A. M., Devotional services; 10.30 A.M., theme, "How to get Rich;" 2.30 P. M., Sunday School; 6.30 P. M., twilight service, "The Pearl Merchant."

The Chestertown M.E. Sunday School will picnic at Love Point next Wednesday. Christ M. P. School will enjoy the day at the same place on the 19th.

The C. E. Convention.

No other gathering of such world wide importance has ever assembled in the City of Baltimore as the great International C. E. Convention now in session there. Delegates from all over the world are in attendance to testify to the power of the gospel and to the spread of christianity. It is the greatest gathering of people not so much because of the number of delegates as because of the great object for which the movement was instituted just 25 years ago. It is the most powerful lever of the church for taking "the World for Christ" and from a small beginning in a little church in Williston, Maine, the movement has grown to a membership of millions and in such proportions as to encircle the globe. No movement in recent years has done so much to uplift the moral standard of the world and to train men and women for good citizenship and upright living as has the C. E. movement, and we say, all hail! to its founder, Dr. Francis Clark, and God speed to the great army of men and women who are endeavoring to take "the World for Christ." The convention in Baltimore is the "best yet," and thousands are in attendance. Among those from Kent of whom we have heard are: Mrs. H. S. Barnett, Mrs. Joseph Guest, Mrs. Elwood Whaley, Mrs. C. J. Reiche, Mrs. C. N. Satterfield, Mrs. William J. Vannort, Misses Clara Usilton, Mary and and Sallie Davis, Addie Hurlock, Nellie Nicholson, Bessie, Mary and Julia Nicholson, Rev. J. M. Sheridan and family, Walter R. Gale, Wm. A. Wheatley and others. The feature of the great meeting is the singing by chorus of 2400 voices under the leadership of Mr. Richard Harris. Kent county received one of the handsome banners as a prize for a ten per cent. increase in membership. Only three were given in Maryland. Good for Kent.

Kent's Wheat Yield.

The yield of wheat in Kent this year, so far as reports have reached our office, will be very satisfactory, and somewhat above the average for the past few years. But few of the farmers have threshed their crop, but those who have done so, report the yield good. Reports this week are as follow:

Joseph Fowler, Smithville, 26 bushels to the acre.

Wm. T. Smith, Smithville, 24½ bus. per acre.

Mr. H. C. Walls, living on Mrs. Melvin's farm in Morgnec, threshed 998 bushels from 40 acres, within two bushels of 25 bushels to the acre.

Mr. Wm. S. Collins, on the Burchinal farm got 1090 bushels on 40 acres of corn ground.

Ex-Judge F. H. Harper, on one of his farms near Still Pond, got 25 bus. per acre, on corn ground and 28 bus. per acre on fallow.

We have heard of two farmers who got only 12 bushels per acre, and one who got only 150 bushels off his entire acreage. The latter, unfortunately, sewed bad wheat.

Mr. Alday Clements reports the yield "good" in the locality in which he lives.

Threshing will begin in earnest next week, and we may expect to hear of some big yields.

Reports from Rock Hall and Edesville from those who have threshed are to the effect that the crop is not yielding as well as was expected. 17½ bus. per acre is the largest yield reported from that section this week, but only a very few of the farmers have been able to thresh on account of the heavy rains. Mr. Jesse H. Usilton and Mr. John Bell got 20 bushels per acre.

BASE BALL NOTES.

It is rumored that the editor of the *Enterprise*, who is a great baseball enthusiast, is organizing a club, to be composed of some of the best players in the State. It is not rumored when the schedule will begin. What's the use of hiring players? There is enongh material in Chestertown to make a winning team.

The crack team of Galena played it's first game of the season on Saturday last with the C. A. C. of Chestertown, defeating them by the score of 19 to 2. Horsey, Galena's fine pitcher, proved invincible and he received excellent support.

Millington's fine team was defeated on Saturday at Marydel, by the strong team of that town. Score 2 to 0. It was one of the best games ever seen on that diamond.

Kennedyville and Galena will cross bats on the Kennedyville grounds this afternoon. Look out for a great game.

There were so many games of ball played on the Fourth that we are at a loss for space to record them.

All the down-the-shore towns have either done so, or are at present organizing summer baseball teams.

MISS GENEVIVE MAY.

CATARRH OF STOMACH CURED BY PE-RU-NA.

Miss Genevive May, 1317 S. Meridian St., Indianapolis, Ind., Member Second High School Alumni Ass'n, writes:

"Peruna is the finest regulator of a disordered stomach I have ever found. It certainly deserves high praise, for it is skillfully prepared.

"I was in a terrible condition from a neglected case of catarrh of the stomach. My food had long ceased to be of any good and only distressed me after eating. I was nauseated, had heartburn and headaches, and felt run down completely. But in two weeks after I took Peruna I was a changed person. A few bottles of the medicine made a great change, and in three months my stomach was cleared of catarrh, and my entire system in a better condition."—Genevive May.

Order of Publication.

In the Circuit Court for Kent County in Equity.

No. 1552.

Augusta M. Bowers, John S. Bowers, Lucy Bowers, Thos. D. Bowers, Mary R. Aldridge, Wm. R. Aldridge,

vs.

John N. Dodd, Charles L. Dodd, Harry L. Dodd, Thomas S. Dodd, Mary H. Dodd, Richard D. Hynson, Jefferson D. Bacchus, The Second National Bank of Chestertown, Md., H. Clay Lusby, The Kent County Savings Bank, Whitely Johnson, Frederick Humbert, Andrew J. Hackett and Publishing Clearing House.

THE object of this bill is to procure a decree for the sale of certain Real Estate of which John T. Dodd died, seized and possessed and to have the proceeds thereof divided among the persons entitled according to their respective interests.

The bill states that a certain John T. Dodd, late of Kent county, deceased, by his last will and testament dated the 15th day of September, 1874, duly probated and recorded in Wills Records of Kent county in Liber E. C. No. 1, folios 130, etc., among other things gave and devised unto John N. Dodd a certain farm or tract or tracts of land, situate and lying in the Fourth Election District of Kent county and near Chestertown, commonly called the Dodd farm, to him and his heirs forever, provided nevertheless, that if the said John N. Dodd should die without issue surviving him then he devised the said farm over to his daughter, Augusta M. Bowers, for life, and at her death he gave and devised the said farm to his six grandchildren, Thos. S., Charles L. and Harry L. Dodd, John S., Thomas D. and Mary R. Bowers, (the said Mary R. Bowers has since intermarried with William R. Aldridge,) in fee simple, share and share alike, subject to six legacies of five hundred dollars each to the said Thos. S., Charles L. and Harry L. Dodd, John S., Thomas D. Bowers and Mary R. Aldridge, formerly Mary R. Bowers, and whereas the said John T. Dodd, by his last will and testament, directed that certain other real estate to wit, a lot of land with the improvements thereon, situated on High street in Chestertown, and another lot of land with improvements thereon situated on Calvert street in said town should be sold by his executrix, and the proceeds of the sale, together with the personalty, should be used for the payment of his debts, but the last mentioned parcels of real estate were not sold, and the said John T. Dodd was seized and possessed, at the time of his death of two other lots or parcels of land, not devised and not mentioned in his last will and testament to wit: a lot of land situated on High St., and commonly called the "Shop lot", and another lot of land commonly called the "Lumberyard lot."

And the bill further states that Mary J. Dodd, duly qualified as executrix of the said John T. Dodd, but has since departed this life.

And the bill further states that there are certain judgments against the interest of Harry L. Dodd and Thomas S. Dodd, in the real estate which said judgments liens will affect the title of any purchaser who may bid at the sale of the real estate, and the parties holding the said liens are hereby made party defendants hereto, as will appear by copies of liens filed as exhibits in this case.

And the bill further states that Charles L. Dodd has applied for the benefit of the bankrupt law, and his interest in the said real estate has been sold and those who purchased same and now hold interest therein are parties to this cause.

And the bill further states the plaintiffs are anxious to have the said real estate sold for the purpose of partition among the several persons who are interested therein and entitled to share in the proceeds of the sale of the said real estate.

It is thereupon, this 1st day of June, 1905, ordered by the Circuit Court for Kent County, as a court of equity, the plaintiff's by causing a copy of this order to be inserted in some newspaper printed and published in Kent county, once a week for four successive weeks before the 3rd of July giving to the non-resident defendants Thomas S Dodd and The Publishing Clearing House of the object and substance of the bill and warning said non-resident defendants to appear in person or by solicitor on or before the 17th day of July next to show cause if any they have why a decree should not be passed as prayed.
