

# Great Clearance Sale.

Lots of Oxfords that we have too many of; lots of Oxfords that we have too few of—they form the basis for this Great Clearance Sale.

**MANY OF THE OXFORDS WILL BE SOLD AT HALF PRICE.**

These are Oxfords for Men, Women and Children—not stocks gathered for "a sale," but Oxfords taken from our good regular lines.

At first, it would seem that we are making too large a loss, but we must get through with this sale very soon—hence the important temptation of very low prices.

Then, again, in most of the lots, sizes are missing—it may take you an extra few minutes to be fitted. We can't ask you to assume a bother unless we make it pay you.

Our Oxford business is a large one—the loss we make in these Clearance Sales average into a very tiny loss on our whole business.

**SO WE CAN WELL AFFORD IT.**

It will be necessary to go after these bargains at once—later they'll be gone.

Very truly yours,

**W. AMBROSE CARROLL,**  
CHESTERTOWN, MARYLAND.

*There is no Guess Work About it.*

## Wilbur W. Hubbard's Fertilizers

### MUST HAVE

Superior Quality and Absolute Uniformity and Purity. This Fall makes their sixtieth season in business, and their trade has increased each year in spite of competition; their sales for the past year having been larger than ever before. Can the sales of an inferior article constantly increase all these years? Our Fertilizers are not better than all others, but they have been, and we are willing for you to try them in competition with any goods on the market for Wheat and Grass. Two of our large buyers called and stated yesterday that the Wheat, and Grass, too, was better where our goods were used in competition with a goods costing several dollars more per ton.

### WE PRESUME

You are now thinking about how many acres of Wheat you will sow, the quality of Fertilizer you will use, and of whom the same shall be bought. And just here, by way of advice, let us say, deal with your home manufacturers, if not with us, buy of our competitors. Keep the money in our county. Nevertheless, we solicit your trade with confident belief that you will find it to your interest to buy of us. We have always adhered to a high standard for our brands, as we are anxious that our goods shall have the reputation of being durable rather than cheap, and serve our customers so well that we shall gain their confidence and permanently retain their trade.

### HENCE, WE OFFER YOU

#### Our A. A. Bone Super-Phosphate,

which is a positive Animal Bone Fertilizer, the Potash being derived from high grade sulphate and muriate. No kainit used in its manufacture.

#### Our Imperial Compound Fertilizer,

which has an Animal Bone Base. It, however, contains some S.C. Phosphate, but the Potash is derived from high grade sulphate. The ammonia from the animal matter on the animal bone, fine ground fish and little nitrate. This goods is a great Wheat and Clover producer, as it carries the Wheat through the winter splendidly, the nitrate starts it off in the fall, makes the roots take hold, and then the other combination feeds along just as needed, hence, the universal satisfaction it has given.

#### Our Victor Phosphate

is a splendid goods. Is ammoniated with an excellent source of nitrogen, and runs high in Bone Phosphate. We have received already large orders for this brand. It has given excellent results.

### WE HAVE

enlarged our factory, now have railroad and water facilities, and we ask you if a record of 39 years is not a sufficient guarantee to justify you in using the goods.

Very truly yours,
