SATURDAY, OCTOBER 13, 1906.

Democratic Ticket.

For Congress from the First Congressional District:

HON. THOMAS A. SMITH,
of Caroline County.

ADDICKS has licked Allee in Delaware, and it will soon be Senator Somebody else from that State.

NEXT TUESDAY is the day for Democrats to get in their stong work of getting the names of those negro voters off the books who have left the several districts during the year. There are a large number of them and we urge the leaders in each district to purge the list, and do it thoroughly.

MR. E. H. BENSON, Clerk to the Board of Managers of the Maryland House of Correction, died at the University Hospital, Baltimore, last Friday of Bright's disease. Mr. Benson was a native of Pocomoke City, Md., and was a young man of prominence and influence. He had made a most efficient officer, and was very popular with all the members of the Board.

HUGHES, the Republican candidate for Governor of New York, is one of the greatest corporation lawyers in that great State. The Republicans are making great efforts to placate Hearst, because they know if he is elected Governor, New York's electoral vote will be cast for the Democratic nominee for the presidency in 1908. Hearst stands on a most popular issue, and is exceedingly popular with the masses, and it's dollars to doughnuts that he will be New York's next Governor.

UNITED STATES SENATOR WM. F. STONE, in a speech at Sedalia, Md., the other night stated that the Republicans in this Campaign have no other issue than Mr. Roosevelt. He is the "party god" and the Alpha and Owega of Republicanism. Senator Stone is exactly right, for without Mr. Roosevelt, the Republican party is like a ship without a rudder, the President being absolutely and solely the guiding hand of the destinies of the Republican party. There is never an hour in the day that Roosevelt is not playing some sort of politics, and it is the sort intended to further his own interest, rather than the welfare of the masses. Roosevelt is making the biggest kind of an effort to put himself in the U. S. Senate and to place a man in the White House who will carry out the polices of government for which he stands. That's his game.

Congressman Smith Confident.

Congressman Thomas A. Smith was at Democratic headquarters in Baltimore on Wednesday, and expressed himself as confident of carrying the First Congressional district notwithstanding the report that the Republicans would have an unprecedently large campaign fund with which to fight. He was busy arranging for meetings to be held in different parts of his district. Senator Rayner, it is expected, will speak twice for him and Governor Warfield and Mr. John Sharp Williams will also be heard on the Eastern Shore.

Majestic Baking
DEMONSTRATION
ONE WEEK-OCT. 15 TO 20.

We heartily invite our friends to call any day during the above-mentioned week and we will demonstrate the superior qualities of the

New Majestic Malleable and Charcoal Iron Ranges

The MAJESTIC MALLEABLE and steel range as formerly turned out by the Majestic people has been considered throughout the entire country par-excellence and far ahead of any other range made. But with the NEW CHARCOAL IRON BODY in place of Steel, making it double its value, and the fact that it is the only range in existence made of Malleable and Charcoal Iron, you can readily see that if quality is considered, the Majestic leads by a big margin. WE WANT YOU TO CALL at our store during this week, and let us explain this new feature:—CHARCOAL IRON BODIES; let us explain why it is the best material for range bodies, and incidentally, why it is not used on other ranges. We want you to call if you intend to buy or not, as the information gained will serve you in the future.

HOT COFFEE AND BISCUITS---FREE

Come any day during this week and have Buttered Hot Biscuits and Hot Coffee. Biscuits baked on a Majestic in three minutes while you wait.

HANDSOME SET OF WARE---FREE

With every range sold during this Demonstration we will give absolutely FREE one set of Majestic ware worth every cent of **$7.50.** This ware will be on exhibition at our store. Everything useful, ornamental and durable. Come in and see it, and you will agree with us that it cannot be bought for a cent less than **$7.50,** and it is cheap at that.

Come in any day, you are welcome whether you intend to buy or not

TO THE VOTERS OF KENT COUNTY.

As a candidare for the Democratic nomination to the State Senate of Maryland in 1907, I desire as large a Democratic majority as possible for the Hon. Thomas A. Smith for Congress in 1906.

I have predicted that Kent will give Mr. Smith five hundred majority, but against such a candidate as Wm. H. Jackson, Mr. Smith should get a thousand majority at least.

I am prepared to debate before an audience composed of the backbone and voting strength of the Republican party, the colored people of Kent county, the proposition that since the death of Abraham Lincoln to the present day, the Republican party has never made a single sincere effort to protect or foster the interests of the colored race, but has all these years relied on the faithful support of the colored voters to keep that party in power and the Republican party has used and abused the franchise privilege and power resulting therefrom to pass laws of special privilege that have resulted in monstrosities like the Carnegie and Rockefeller accumulations of unearned wealth at the expense of the real producers of this nation's wealth.

This challenge to debate is especially directed to Mr. Wm. H. Jackson personally or to any Republican leader in Kent county from the party's most successful leader, the Hon John David Urie, down

Very respectfully,

CECIL R. ATKINSON,
