LOCAL MATTERS.

Stricken With Paralysis.—William Broadway, a respectable colored carter of Chestertown, was stricken with paralysis last Sunday afternoon while leading the services in Janes M. E. Sunday school. He was taken to his home on Kent street and died at one o'clock Monday morning. Broadway was a leader of his race, and was a trusted servant in several of the prominent families for some years.

Little Boy Drowned.—Thomas Ozman, aged six years, son of Mr. and Mrs Joseph W. Ozman, of Centreville Landing, fell from a barge into the water on Monday afternoon and was drowned. The little fellow and Howard Mc Farlane, Jr., were playing on a small barge belonging to Mr. David Smith, moored in front of the "Jumbo" granary. The accident was a terrible shock to the little fellow's parents.

New Order For P. O. Department.—The following order has been issued by the P. O. Department, to Postmasters: "Postmasters at Rural Delivery offices will inform rural carriers under their supervision that while on duty they are required to present a neat personal appearance; that the vehicles used by them must be suited to the service, kept in good order and presentable, and that the animals used by carriers in serving their routes must be fit to work and such as will not reflect discredit upon the service. Laxity in these matters by rural carriers will be immediately reported to this office by postmasters."

Captain and Mate drowned.—Capt. Millard Summers, of Winchester, Queen Annes County, and the colered mate of the schooner, Wright were drowned last Friday night during a tirific storm. The Wright was freighting oysters out of Eastern Bay to Baltimore, and was caught in a squall between Bloody Point and Curtis Point in the bay, near the southern end of Kent Island. The vessel was completely overturned by the wind and sea, and the bodies of the captain and mate were washed ashore to the eastward of the wreck. Capt. Summers was married and was a well known navigator.

Md., Del. & Va. Co. Sues—A suit was filed in the Baltimore Courts Wednesday by the Md., Del. & Va. Railroad Company against the Queenstown, Love Point Transportation Company, for a temporary injunction to restrain it during the pendency of the proceedings from pushing a suit, the purpose of which is to eject the Md., Del. Va. Co. from certain property at Love Point, and for a permanent injunction to restrain it from any further prosecution of the ejectment action. July 26th last the Love Point Company instituted proceedings to prevent excursionists of the Md., Del. & Va. Company from landing on the property of the Love Point Company.

Money for School at Worton.—The members of the School Board were before the County Commissioners on Tuesday and asked for an appropriation to build a school building at Worton Station. The Commissioners with commendable promptness appropriated $1200 for the purchase of a lot and for the erection of a suitable building. The school will be erected as soon as possible. The action of the County Commissioners is an evidence of their interest in education, and the people of the county, we are sure, would sanction an appropriation of $30,000 for school purposes per year, if it could be done by spending less money on the county roads.

A Fine Record.—Squire Robert W. Calder, our capable and efficient Justice of the Peace, is being congratulated by his friends upon the excellent showing his cases have made during the present term of Court. There were 12 appeals in various cases. In five of these the appeals were voluntarily dismissed by the parties themselves. In one they agreed upon a settlement in favor of the party for whom the squire had rendered judgment. In two cases the justice's judgments were affirmed and in each but slightly less damages were given, and in them the evidence was different in the Circuit Court from that before the Squire. Four of the cases were continued. Not once has his opinion been reversed. A first class showing, Squire.

Ash, Holly Hall, Elkton, on Thursday night of last week, in the 75th year of her age. Mrs. Walmsley's health had been failing for some time, but she retired shortly before her death apparently as well as usual. About 11.30 she had a heart attack, to which she was subject, and died almost instantly. The deceased was a daughter of Samuel and Elizabeth Wilmer Briscoe, of Kent county, but had resided in Cecil county since her marriage. She was a lady of many virtues, energetic, affable, fond of society and a general favorite. She is survived by six children—Clarence Walmsley and Mrs. E. J. Murphy, of Baltimore; Mrs. W. A. Mitchell and Mrs. Geo. R. Ash, of Elkton; Mrs. S. J. Weiant, of Dumont, New Jersey, and A. B. Walmsley, of New Haven, Conn. Davis, of Chestertown, is a niece, and she attended the funeral.

JAMES HYLAND FOWLER.

James Hyland, the 14 months old son of Mr. Charles and Mrs. Florence Fowler, died at the home of his grandparents, Mr. and Mrs. James Copper, below the cemetery, last Wednesday night week. The little fellow had only been sick a few days with membranous croup. Funeral services were held on Friday last. Interment in Chester Cemetery. Undertaker J. E. Ferguson in charge.

MRS. SARAH SCOTTEN.

Mrs. Sarah Scotten, widow of the late John Scotten, died on Saturday afternoon last very suddenly at her home near Locust Grove, of heart failure, aged 68 years. She leaves two sons, James and Harry, and six daughters to mourn her loss. Funeral services were held from her late residence Tuesday afternoon at two o'clock, Rev. T. C. Smoot, of Galena, officiating; interment was made in the M. E. cemetery at Galena. Undertaker W. H. Krusen had charge of the funeral arrangements.

Wedding Bells.

PERKINS—PETERSON.

The marriage of Miss Wheeler Brook Peterson, daughter of School Commissioner John W. Peterson, of Wallville, Calvert County, and formerly a popular teacher in Kent, to Mr. Eben F. Perkins, paying teller in the Second National Bank of Chestertown, Md., which took place at St. Paul's Protestant Episcopal Church, Prince Fredericktown, on Thursday, was one of the social events of the season. The ceremony was performed by Rev. Benjamin B. Lovett. Miss Jeannette Peterson, sister of the bride was bridesmaid, and Senator Clarence W. Perkins, of Baltimore, brother of the groom, was best man. The ushers were Messrs. Thomas W. Perkins, of Chestertown, George Perkins, of Philadelphia, Dr. George Peterson, of Washington, brother of the bride, Mr. Luther Mackall, Mr. Charles Peterson, of Baltimore. Miss Maude Newnam, of Baltimore, played wedding marches. Following the ceremony Mr. and Mrs. Perkins left for an extended wedding tour. Upon their return they will reside in Chestertown.

JOHNSON—DODSON.

The wedding of Miss Elizabeth Dodson, daughter of Mrs. E. Frank Dodson, of Moore, Pa., and Mr. Raymond Leroy Johnson, of Philadelphia, took place quietly on Thursday evening, Oct. 18th. The ceremony was performed by the Rev. John Watchorn, of the Spruce Street M. E. Church. The announcement will be a surprise to their many friends, but owing to the recent death of the bride's father, it was the desire of the family to have the wedding as quiet as possible. Immediately after the ceremony Mr. and Mrs. Johnson left for the south where they will make their home. The bride is a niece of Mrs. Tilghman Shafer, of Kennedyville, and has made many friends during her frequent visits to Kent.

MURRAY—SUNFIELD.

A beautiful wedding was solomnized in the M. E. Church at Felton Wednesday, October 10, at 1 o'clock. The bride was Miss Addie Elizabeth Sunfield, daugther of Rev. and Mrs. E. C. Sunfield. The groom was Daniel Bourdman Murray, son of Mr. George Murray, of Viola.

The ceremony was performed by the Rev. Dr. Morgan, of Dover. The wedding march was played by Miss Lucretia M. Stevenson.

The gown worn by the bride was of white chiffon vellum, trimmed in Irish point lace. She carried a shower boquet of bride roses, and wore a veil. The bridesmaids were Miss Ethel Thomas, of Viola; Miss Clara Ahern, of Millington, Md.; the Misses Grace Walton Stevenson and Martha E. Burnite of Felton. The maids wore gowns of white brussells net with yellow sashes and carried yellow dahlias.

The ushers were Mr. William Denney, of Dover; Mr. James Lattomus, of Wilmington; Mr. Simeon Pennewill, of Greenwood and Mr. Howard West, of Dover.

The church was decorated with palms and ferns. Immediately following the ceremony a wedding breakfast was served to the bridal party and a few out of town guests.

Mr. and Mrs. Murray left on the Norfolk express for a trip. The bride was the recipient of many handsome gifts—glass, china and silver.

Mr. Otto A. Fleissner's KIDNEYS WERE SOAKED WITH CATARRH.

Pe-ru-na Promptly Cured Him.

Mr. Otto A. Fleissner
Rainier Grand Hotel,
Seattle, Washington.

Mr. Otto A. Fleissner, American Epicurean, late Chef to Col. W. J. Coady, (Buffalo Bill), now chef at the Rainier Grand Hotel Seattle, Wash., writes:

"I suffered with kidney and bladder trouble until life did not seem worth living. I had tried many medicines, but did not get any relief until I took Peruna. It was really wonderful how much better I was after I had used this medicine only a week. I did not expect that it would help me permanently, but as long as it was doing me good I continued to use it. At the end of six months I found to my relief that it had rid my system of all poisons, and that I was cured to stay cured. You certainly have a splendid medicine and I gladly endorse it."—Otto A. Fleissner.

Catarrh of the Kidneys a Common Disease—Kidney Trouble Often Fails to Be Regarded as Catarrh by Physicians.

Catarrh of the kidneys is very common indeed. It is a pity that this fact is not better known to the physicians as as well as to the people.

People have kidney disease. They take some diuretic, hoping to get better. They never once think of catarrh. Kidney disease and catarrh are seldom associated in the minds of the people, and, alas, they are not very often associated in the minds of the physicians. Too few physicians recognize catarrh of the kidneys. They doctor for something else. They try this remedy and that remedy. The trouble may be catarrh all the time. A few bottles of Peruna would cure them.

PE-RU-NA CURES CATARRH OF THE KIDNEYS.

Pe-ru-na Removes the Cause of the Kidney Trouble.

Peruna strikes at the very centre of the difficulty by eradicating the catarrh from the kidneys. Catarrh is the cause of kidney difficulty. Remove the cause and you remove the effect. With unerring accuracy Peruna goes right to the spot. The kidneys are soon doing their work with perfect regularity.

Thousands of Testimonials.

Thousands of testimonials from people who have had kidney disease which had gone beyond the control of the physician are received by Dr. Hartman every year, giving Peruna the whole praise for marvelous cures.
