Democratic Ticket.

For Congress from the First Congressional District:

HON. THOMAS A. SMITH,
of Caroline County.

PRESIDENT ROOSEVELT has issued a proclamation designating Thursday Nov. 29th, as a day of Thanksgiving and prayer.

THE OFFICIAL BALLOT appears in this issue, and we urge every Democrat in the county to study it carefully and learn to mark their ballot correctly with a cross mark (X) in the square opposite the name of THOMAS A. SMITH.

THERE REMAINS a little over one week from the day of election, and it behooves the Democrats in Kent county to bestir themselves in the present campaign. Everybody get a move on and let's carry the county for Smith. The TRANSCRIPT urges every Democrat in the county to go out to the polls on the day of election and cast his vote for Smith and good government.

WHEN MR. SMITH was elected to Congress two years ago, and changed the relation of a private citizen for that of a public servant, he felt called upon to do two things: To resign the presidency of the bank at Ridgely, and to sever his connection with the Pennsylvania Railroad so far as his new duties demanded. For years there is no doubt that he had a "pass;" and so did congressmen, judges, newspaper men, and everybody else who could by any stretch be brought under the "courtesy." No exception was made in his case when the "courtesy" was abolished last December, and the beneficiaries of a former Congressman from the First District at the Capitol found that Mr. Smith, a lifetime employe, had not the "pull" in the matter of "free passes" which had endeared a few of them to his predecessor. They paid their fare to Philadelphia, and Mr. Smith paid his whenever he had to travel. During this campain, the money which Mr. Smith has paid out for railroad fares is a serious matter to him; but he started out to see the people, having no "hired men" to send among them, and no Federal office holders with sumptuous quarters in the Hotel Rennert to send them "literature" with his name in box-car type on the envelopes. As Mr. Mudd said, these things are too expensive for a poor man, nor is Mr. Smith able to establish "headquarters" in the various counties, with a single "salary" list of $250 a week. But he is able to give the best that is in him to the public service at a salary of $5000 a year, and has not yet told a reproachful constituent as an excuse for not attending to his request that he was "in Congress for glory and because he could afford it."

Instructions to Voters.

How to Proceed to Cast a Ballot Under the Election Law.

Attorney-General William S. Bryan, Jr., has prepared the following instructions to voters as directed by Article 33, Code of Public General Laws, and amendments thereto:

1. TO VOTE. Enter room, step up to guard-rail, give name and registered residence to the judges. Wait until your name is found upon the registers, then get Ballot from the judge in charge of the ballots. See that he has written your name and number on the coupon attached to the ballot and his own name or initials on the back of the ballot itself.

2. Upon receiving your ballot, retire to one of the booths or compartments and prepare your ballot by marking with an indelible pencil after the name of every person, or persons for whom you wish to vote, and to the right thereof in the blank space provided therefor, a cross-mark, for example (X); and in case of a question submitted to a vote of the people, by marking likewise in the appropriate space a cross-mark (X) against the answer you desire to give. If you wish to vote for some one whose name is not printed on the Official Ballot, you can write the name of such person in the blank space upon the ballot provided for that purpose.

3. In marking the ballot you may take with you into the polling place any written or printed memorandum or paper to assist you in preparing your ballot, except a fac-simile of the ballot to be voted. You must prepare and deposit your ballot without undue delay. Before coming from behind the curtain in front of your compartment you must fold your ballot in the same way as it was folded when you received it, so that the marks you have made upon it shall be entirely concealed. You then hand your folded ballot to the judge at the ballot box, give him your name and registered address, and wait until he tears off a coupon containing your name and number, and strings it, and deposits your ballot in the ballot box. You must then leave the polling room and cannot again go behind the guard-rail during the day.

4. A voter must not go into any compartment occupied by another or converse with any other voter while engaged in a compartment, nor can he occupy a compartment more than seven minutes if others are waiting.

5. You must not take any ballot outside the guard-rail. If you spoil a ballot you must deliver the spoiled ballot to the judge in charge of the ballots and you can receive another from him. IF YOU SPOIL THREE BALLOTS YOU LOSE YOUR VOTE.

6. A voter who is physically disabled from marking his ballot, must make an affidavit to that effect if he desires assistance. The two polling clerks after such affidavit has been made, can accompany him into one of the compartments and there mark his ballot as he instructs them, marking only the names of the candidates whom he shall name. The clerks are not allowed to read the ballot to him.

7. Any voter who shall allow his ballot to be seen by any person with the apparent intention of letting it be known how he is about to vote, or place any distinguishing mark upon his ballot, or who shall make a false statement as to his inability to mark his ballot, or who shall interfere or attempt to interfere with any voter when inside the enclosed space in the polling room, or when marking his ballot, or who shall endeavor to induce any voter before voting to show how he marks or has marked his ballot, shall be punished by a fine of not less than five ($5) dollars nor more than one hundred ($100) dollars, or by imprisonment in jail for a period not exceeding sixty days, or by both fine and imprisonment in the discretion of the Court.
