SERIOUS AFFAIR NEAR STILL POND.

Grandfather Beats Baby, From Effects of Which it Dies—Son Clubs Father Causing his Death Last Sunday.

An affair of a very serious character was brought to the attention of the Kent county authorities last Sunday, when Frank Miles died from the effects of wounds which the attending physician alleges were inflicted by his son, William Miles in a quarrel. Frank Miles was in the habit of getting drunk. He came home one day in a drunken condition, it was brought out by several witnesses at Coroner Robert Moffett's inquest last Sunday, and beat his daughter's baby so badly that it died shortly after the occurrence. On October 4th, William Miles and his wife came to the old man's house to attend the funeral. A quarrel between father and son ensued, in which the father was knocked into a tub and struck a severe blow over the head with a stick of wood. The injuries received, according of the testimony of Dr. J. Horton Kelley, the attending physician, caused the old man's death last Sunday. The Kent county authorities were notified, and a warrant for the arrest of William Miles on the charge of murder was issued to Sheriff Medders on Sunday afternoon. The sheriff has been in search for Miles since getting the warrant, and he may capture him shortly. Miles has had plenty of time to escape from the county, and the chances are that he is not in the county. His wife is in jail. The final investigation by the coroner's jury will take place after court adjourns, in order that State's Attorney Beck may be in attendance.

Democratic Headquarters, the Eutaw House.

Baltimore, Oct. 20, 1906.

TO THE DEMOCRATS OF MARYLAND:

Election Day will be Tuesday, Nov. 6th. In the counties the polls will be open at 8 o'clock A. M. and close at 6 o'clock P. M.

It is our hope that every registered Democrat will go to the polls as early as he can and vote.

See that the ballot given you has endorsed upon it the initials of the Judge from whom you received it.

See that the Judge who gives you the ballot calls out your name and residence in a distinct voice.

Vote the ticket by marking a cross (X) mark in the space provided therefor to the right of and opposite the name of the Democratic Candidate for Congress.

Make the cross (X) mark entirely within the square provided for the purpose; namely, to the right of the name of the Democratic Candidate for Congress.

The Court of Appeals has decided that the cross mark must be made entirely within the square and not extend beyond it in any way.

Do not make any other mark whatever on the ballot; if you do your ballot will not be counted.

Any mark whatever on the ballot except the cross mark (X), whether in the square or out of it, will cause the ballot to be rejected.

Do not make a dot or circle or any other mark but a cross (X) mark in the square.

If you mark any square on your ballot with any kind of mark other than the cross (X) mark entirely within the square, your ballot will not be counted.

Be sure not to deface or tear your ballot in any way.

If you make a mistake in marking it, do not attempt to make a correction; return it to the Judge and get another. You are entitled to a third ballot if the first two have been spoiled and returned, but you must not consume more than seven minutes in marking it.

Mark your ballot with indelible pencil which you will find in the election booth.

Do not use your own pencil; your ballot will not be counted if you do.

After marking your ballot; fold it exactly as it was folded when handed to you by the Judge, and give it to the ballot Judge without permitting anyone to see how you have marked it.

See that the Judge tears off the coupon and deposits the ballot in the ballot box before you leave the room.

MURRAY VANDIVER,
Chairman State Central Committee.

CHANGES IN CABINET.

The following changes in the Presidents Cabinet to become effective about Jan. 1, 1907, have been announced: Secretary of the Treasury—George B. Cortelyou, of Washington, to succeed Secretary Shaw. Pastmaster-General—George Von L. Meyer, of Mass., to succeed General Cortelyou.

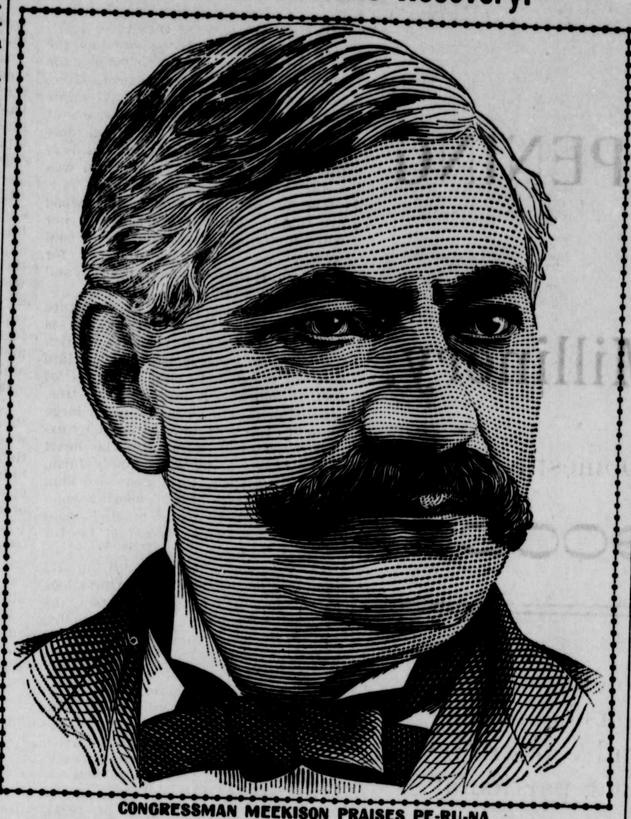

Attorney-General-Charles J. Bonaparte, of Maryland, to succeed Mr. Moody. Secretary of the Navy—Victor H. MetCalf, of California, to succeed Mr. Bonaparte.

Secretary of Commerce and Labor—Oscar S. Straus, of New York.

Mr. Straus is a new man in the Cabinet, and the announcement of his appointment at this time is regarded by many as a play of the President for votes for Hughes for Governor of New York. Mr. Straus is a Democrat, a strong Cleveland man, and a bitter opponent of Bryan, and his appointment by President Roosevelt to a position in his cabinet is presumed to be a bid for Democratic votes.

HAD CATARRH THIRTY YEARS.

Congressman Meekison Gives Praise to Pe-ru-na For His Recovery.

CONGRESSMAN MEEKISON PRAISES PE-RU-NA.

Hon. David Meekison, Napoleon, Ohio, ex-member of Congress, Fifty-fifth District, writes:

"I have used several bottles of Peruna and I feel greatly benefited thereby from my catarrh of the head. I feel encouraged to believe that if I use it a short time longer I will be fully able to eradicate the disease of thirty years' standing."—David Meekison.

ANOTHER SENSATIONAL CURE: Mr. Jacob L. Davis, Galena, Stone county, Mo., writes: "I have been in bad health for thirty-seven years, and after taking twelve bottles of your Peruna I am cured."—Jacob L. Davis.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case, and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, O.

TO THE VOTERS OF KENT COUNTY.

As a candidate for the Democartic nomination to the State Senate of Maryland in 1907, I desire as large a Democratic majority as possible for the Hon. Tohmas A. Smith for Congerss in 1906.

I have predicted that Kent will give Mr. Smith five hundred majority, but against such a candidate as Wm. H. Jackson, Mr. Smith should get a thousand majority at least.

I am prepared to debate before an audience composed of the backbone and voting strength of the Republican party, the colored people of Kent county, the proposition that since the death of Abraham Lincoln to the present day, the Republican party has never made a single sincere effort to protect or foster the interests of the colored race, but has all these years relied on the faithful support of the colored voters to keep that party in power and the Republican party has used and abused the franchire privilege and power resulting therefrom to pass laws of special privilege that have resulted in monstrosities like the Carnegie and Rockefeller accumulations of unearned wealth at the expense of the real producers of this nation's wealth.

This challenge to debate is especially directed to Mr. Wm. H. Jackson personally or to any Republican leader in Kent county from the party's most successful leader, the Hon. John David Urie, down.

Very respectfully,

CECIL R. ATKINSON,

Box 33, Chestertown, Md
