Instructions to Voters.

How to Proceed to Cast a Ballot Under the Election Law.

Attorney-General William S. Bryan, Jr., has prepared the following instructions to voters as directed by Article 33, Code of Public General Laws, and amendments thereto:

1. TO VOTE. Enter room, step up to guard-rail, give name and registered residence to the judges. Wait until your name is found upon the registers, then get Ballot from the judge in charge of the ballots. See that he has written your name and number on the coupon attached to the ballot and his own name or initials on the back of the ballot itself.

2. Upon receiving your ballot, retire to one of the booths or compartments and prepare your ballot by marking with an indelible pencil after the name of every person, or persons for whom you wish to vote, and to the right thereof in the blank space provided therefor, a cross-mark, for example (X); and in case of a question submitted to a vote of the people, by marking likewise in the appropriate space a cross-mark (X) against the answer you desire to give. If you wish to vote for some one whose name is not printed on the Official Ballot, you can write the name of such person in the blank space upon the ballot provided for that purpose.

3. In marking the ballot you may take with you into the polling place any written or printed memorandum or paper to assist you in preparing your ballot, except a fac-simile of the ballot to be voted. You must prepare and deposit your ballot without undue delay. Before coming from behind the curtain in front of your compartment you must fold your ballot in the same way as it was folded when you received it, so that the marks you have made upon it shall be entirely concealed. You then hand your folded ballot to the judge at the ballot box, give him your name and registered address, and wait until he tears off a coupon containing your name and number, and strings it, and deposits your ballot in the ballot box. You must then leave the polling room and cannot again go behind the guard-rail during the day.

4. A voter must not go into any compartment occupied by another or converse with any other voter while engaged in a compartment, nor can he occupy a compartment more than seven minutes if others are waiting.

5. You must not take any ballot outside the guard-rail. If you spoil a ballot you must deliver the spoiled ballot to the judge in charge of the ballots and you can receive another from him. IF YOU SPOIL THREE BALLOTS YOU LOSE YOUR VOTE.

6. A voter who is physically disabled from marking his ballot, must make an affidavit to that effect if he desires assistance. The two polling clerks after such affidavit has been made, can accompany him into one of the compartments and there mark his ballot as he instructs them, marking only the names of the candidates whom he shall name. The clerks are not allowed to read the ballot to him.

7. Any voter who shall allow his ballot to be seen by any person with the apparent intention of letting it be known how he is about to vote, or place any distinguishing mark upon his ballot, or who shall make a false statement as to his inability to mark his ballot, or who shall interfere or attempt to interfere with any voter when inside the enclosed space in the polling room, or when marking his ballot, or who shall endeavor to induce any voter before voting to show how he marks or has marked his ballot, shall be punished by a fine of not less than five ($5) dollars nor more than one hundred ($100) dollars, or by imprisonment in jail for a period not exceeding sixty days, or by both fine and imprisonment in the discretion of the Court.

Forbidding the Sale of or Giving Away Liquor on Election Day.

For the information of all persons concerned, the following Act of the Legislature passed March 24th, 1895, is published:

AN ACT

Prohibiting the sale of Spirituous or Fermented Liquors in the counties in the State on the day of Election.

SECTION 1.—Be it enacted by the General Assembly of Maryland, That it shall not be lawful for the keeper of any hotel, tavern, store, drinking establishment or any other place where liquor is sold, *or for any person or persons*, directly or indirectly, to sell, barter, give or dispose of any spirituous or fermented liquors, ale or beer, or intoxicating drinks of any kind, on the day of election hereafter to be held in the several counties of the State.

SECTION 2.—And be it enacted, That any person violating the provisions of this Act shall be liable to indictment by the Grand Jury of the county where such offence is committed, and shall, upon conviction before any judge of any of the Circuit Court of this State, be fined a sum not less than fifty dollars for each and every offence; one-half the fine is paid the informer and the other half to the County Commissioners for the use of the public roads.

Article 33 of the Code of Public General Laws as amended by the Acts of 1900 and 1901, says:

"Whoever, during the hours of registration, or revision of registration, or during the hours of election or canvas of votes, or of making returns thereof in any precinct, shall bring, take, order or send into, shall or attempt to bring or take or send into, any place of registration or of election any distilled or spirituous liquors, wine, ale or beer or shall at any such time or place, drink or partake of such liquor, shall upon conviction thereof be fined not less than ten dollars nor more than $100.

o20-3t. ANDREW MEDDERS, Sheriff.

Kennedyville W. C. T. U.

The Kennedyville W. C. T. U. held its regular monthly meeting at the M. P. Church on Friday evening, Oct. 12th. After a service of song the scripture reading was given by Mrs. G. J. Hooker and prayer was offered by Mr. Wm. T. Hague. Mrs. Rachel Hill presided at the meeting and Miss Lulu VanDyke was organist. A solo by Miss Flora Johnson was rendered with expression. The usual donation to the church was ordered.

After a recitation by Miss Susie Hall, of Locust Grove, the report of the delegates to the state convention at Frederick, Mrs. Ida Scotten and Miss Emma Shafer, was read by Miss Shafer. The audience listened attentively to the account of the fine trip, the cordial welcome and the report of work for the year. The following extract from the address of Mrs. L. M. N. Stevens, National President, was given. There is more total abstinence sentiment in the country than ever befor, and there is more total abstinence practiced. The sale of liquor at the immigrant stations has been stopped. The sale of liquor has been stopped in the national capitol. Thanks to John D. Long liquor is no longer served to the men of our navy. The sale of liquor in the army canteen has been stopped and—mark this well!—it never will be resumed.

In her annual address Mrs. M. R. Hasluy, state president, said: "There are other agencies at work for the saving of the drinking man, among which we may name the Salvation Army, the Y. M. C. A., the evangelistic campaigns of the churches and the various missions. To educate in the principles of purity and temperance not only the poorer classes but the good people in the better homes, seems to be the special work of our W. C. T. U. to-day."

The choir sang "We are Coming Dear Leader." Rev. C. T. Smoot, of Galena, was then presented. He congratulated the union for holding PUBLIC MEETINGS, referring to them as strong factors in the creation of public sentiment. He said that he considered the W. C. T. U. a strong arm of the church and had selected for his address the question "How Can we as a Church Best Aid in the Overthrow of the Liquor Traffic?" He said in part: The fight is on between church and saloon, to the death of one or the other. The church must find methods by which it can suppress the liquor traffic. Those who violate the law should be prosecuted so that others will not dare to violate. Three points are to be considered.

1 "A proper recognition of our rights to denounce the saloon."

2 "To take our respective parts in the fight, as church members we fail to stand firmly and suffer defeat as a result. I do not refer to party lines."

3 "As a church, a community, by showing a practical sympathy with all practical means for suppression of the saloon. By acting in every particular as that we really believed the saloon should be overthrown."

The choir sang, "When Prohibition Wins."

It was decided that the Union would serve meals on election day and the request was made that members and friends, would, without further solicitation, contribute as generously as usual.

Mrs. Ella Kelby was selected chairman for the next meeting, and the following programme committee was appointed; Misses Emma Shafer, Lula VanDyke, Blanche Redmile, Mrs. James Archibald and Mrs. James Weer.

The announcement was made that the Union has seen nineteen years of active service and that this October meeting marks the threshold of its twentieth year as an organization. "Praise God from whom all blessings flow," was sung after which Rev. C. T. Smoot pronounced the benediction.

Letter to George Z. Roland.
Chestertown, Md.

Dear Sir: A pound of good meat and no bone is worth more than a half-pound of meat and a half-pound of bone; but there are, as you say, a great many people won't pay more than a certain price by the pound. Give 'em bone; that's right; give 'em plenty of bone!

There are people who won't pay more than $1.50 a gallon for paint; give 'em bone!

There's no better school in experience cost is high; but the the lesson is never forgotton.

Let a man paint two houses alike, same size; one Devoe, the other that $1.50 paint. He buys 10 gallons of each, and pays $3 a day for labor—$3 a day is $3 a gallon, easier reckoning.

He has to buy two gallons more of the $1.50 paint; and has two gallons left of Devoe: 12 gallons $1.50, $18; 8 gallons $1.75 $14; $4 more for "cheap" paint. He pays $3 a gallon for painting: 8 gallons $24: 12 gallons $36; $12 more for painting "cheap" paint.

He'll buy the less-gallons paint after that. If people are slow to learn, it's because they keep-on buying bone-meat.

Give 'em plenty of bone.

Yours truly
