MILLINGTON MATTERS.

A quiet home wedding took place at the home of Mrs. Julia Mallalieu, on Sassafras street, Wednesday afternoon at 2.30 o'clock, when her granddaughter, Miss Julia M. Johnson, became the bride of Mr. Arthur Tyler, formerly of Frostburg, Md., but now of Bethlehem, Pa. The bride was tastefully attired in a beautiful blue chiffon broadcloth tailored suit with white silk waist, pearl colored gloves and hat to match the dress. The bride was unattended. Mr. R. W. Moffett acted as best man to the bridegroom, who wore a light grey suit and gloves to match the bride's. Only her mother, grandmother and a few friends were present. Rev. Albert Ware performed the ceremony. They left on the 3.20 north bound train for their future home in Bethlehem, Pa., where the bridegroom holds a lucrative position.

Quite an excitement prevailed in our town Thursday afternoon when the bell at the fire engine house rang furiously. Everyone ran to the call, and learned that the home of Mr. Wm. Felton about one mile from town in Queen Anne was a blaze. The Volunteer Fire Company hastened with the engine to the scene of the fire to find the house was beyond control, and while the engine was not there in time to save the dwelling it saved the out buildings. Those who witnessed the work of the chemical and water engine said it did most wonderful work. Mr. Felton saved part of his household goods which were insured, but the dwelling was entirely consumed by the flames. There was no insurance on the dwelling. The residents of Millington and vicinity should feel proud of their fire engine, and company, as both did most excellent service. Mr. Felton sent in the call for aid over the Diamond State Telephone which he established in his home.

Election day passed very quietly here, very few persons seemed to linger around the polls, or discuss the election while others were deeply interested and very much disappointed at the results when they received the returns.

Quite a number of changes have taken place in the railroad station here. Mr. J. P. Ahern, who has been agent here for over twenty years tendered his resignation to the company to take effect Nov. 1st. Mr. Raymond J. Taylor, of Williamburg, Md., has been appointed agent to succeed Mr. Ahern. Mr. Taylor assumed his responsibility as agent, Thursday, Nov. 8th. Mr. Ahern has been on leave of absence since July 1st. Mr. Harry Talbott who has been acting as clerk to Mr. Smith for the past four months, has been appointed to the position of clerk at Cambridge, Md.

Several young friends of Mr. Sudler Wiest went to his home near town Friday evening and gave him a calathumpian serenade. They were all masked and no one was recognized until they removed their masks. After removing their masks they were served with refreshments. Mr. Wiest, is the oldest son of Mr. John H. Wiest, of near town. He married Miss Jessie M. Woodall daughter of Mr. and Mrs. Washington Woodall, of Crumpton, Oct. 20th.

Mr. Henry Parr is having a very nice house built in place of the old one he had torn down; it is said by the old people here that the house he had torn down was not less than 150 years old; it had been built of logs, the greater part of the logs were as sound apparently as when they were first put in.

There will be several removals in Galena at New Year's. M. S. Ford and his family go on the Todd farm to carry it on for H. W. Letter to Sheriff Andrew Medders.
Chestertown, Md.

Dear Sir: Some people get disappointed in painting; it doesn't come-out as they thought it would.

C B Edwards, of Edwards & Broughton, printers, Raleigh, N C, painted his house Devoe three years ago; he had used 30 gallons paste paint before and bought 30 gallons Devoe. Had 16 left

Paste paint is extra-thick-with-whitewash.

Mayor W W Carroll, Monticello, Florida, says: My painter said it would take 35 gallons to paint my house; it took 20 gallons Devoe. His house is the best paint job in town; and he says Devoe is the whitest white of all white paints.

Jones & Rodgers bought 5 gallons Devoe to prime Mr. Pratt's house at Merkel, Texas. It painted two coats.

The reason for nobody guessing little-enough Devoe is: they learned in a bad school: other paints.

Yours truly
