Alumni Banquet.

The Baltimore branch of the Alumni Association of Washington Colllege will hold its annual banquet on December 14, 1906, 8 P. M., at Hotel Rennert, in Baltimore city. The plates will cost three dollars, the same price as was charged last year, and those who were present on that most delightful occasion will not regret in the least the expenditure of that sun. The banquet cannot be a success unless the former students from every section of the state, decide to subscribe and be present. Last year the banquet had a good effect, now known to all who keep in touch with the college, but the work is not complete and an effort must be made to exceed that gathering. It is expected that the officials of the state, and representatives of the institutions of learning of the city and state will be present as on that occasion to make it enjoyable. The success of the banquet depends upon each alumnus, to whom cards have been sent. It is hoped that all who receive cards will return them promptly and arrange to be present. The committee in charge of the banquet is Messrs. James W. Chapman, Jr., Clarence W. Perkins and J. Thomas Morris, 117 Calvert Building, Baltimore, Md.

Rev. Robert Roe spent last Sunday and Monday with friends in Rock Hall.

The church has undergone a change, new paper has been put on the walls and the windows have been fixed up. It is hoped that the small boys will be more careful when playing ball and throwing stones on the church green and parents should impress it on the children that the church should be held sacred and not to be damaged in any way.

Presiding Elder Koons will hold Quarterly Conference in the church on Saturday evening, December 1st, and preach on Sunday morning.
