Plentiful Assortments
TO MAKE
SHOPPING
A PLEASURE.

ATTENTION, XMAS SHOPPERS!

Only a few more days until Christmas, the busiest time of the year. We have made careful provision for the comfort of our customers during the inevitable rush of this happy season. The store is light, well ventilated, neatly arranged and equipped with all modern conveniences. Plenty of clerks--upon the whole--the service will be as efficient as at other seasons--courteous, prompt, accurate. *Please Remember* whenever you come, you shall have our best attention. But we desire to suggest: Come early--early in the week--early in the day.

Come Early Because by buying early and taking your time, you get the full pleasure out of giving. "To give is a noble thing." But the Art of Giving is to give thoughtfully and appropriately—to find just the right thing for the right person.

Come Early Because, while everyone wants to be a millionaire at Christmas, *everybody isn't.* By beginning early the strain on the purse is lessened—there's time to plan and apportion, and so you can spend more systematically, more advantageously.

Come Early Because you will thus avoid the Xmas crush. The belated people who rush around bewildered and disappointed because they find that the very things they wanted are gone, miss much of the real joy of Christmas Giving.

Come Early Because—and this is a purely philanthropic reason—early Christmas buying lessens the strain of holiday shopping on store-sales people. If women, who could, would buy *now*, how it would ease those feverish days just before Christmas!

Millinery.

The Millinery Store, by no means should be overlooked—especially at this season. Every lady admires a becoming hat, one for a Xmas gift would be acceptable to most every lady. Ours is a wonderful collection—in fact the most wonderful that ever came to town. Of course we could not begin to describe these hats—they are by far too varied for that, but the fetching little creation is a fair specimen of what you may expect. Come early as you can as the price on all headwear has been cut for the Christmas trade and the early buyers get the pick of the lot.

Shirtwaists-- The greatest savings that our store has ever offered the buying public is our Shirtwaist stock. Never before have we been in a position to offer such inducements. They go from **75c** to **$3.25** or a saving of just one-half. Second floor.

Handkerchiefs-- Paris has seen some handkerchiefs exquisitely embroidered by hand—the finest, dantiest needlework imaginable. Some have touches of color, the clever, daring artistic touches that Paris achieves with such charm Never, we think, have designs been daintier or more full of fine high class beauty. Side by side with these aristocrats is the great army of handkerchiefs that has marched in and captured spacious counters in our store that you may select in comfort, this always welcome and useful gift.
