THE LADIES STORE. CHESTERTOWN, MD.

Clink of Dollars Saved.

START the New Year aright.-purchase economically and note the merry "clink of dollars saved." Savings on purchases made at The Ladies' Store will aid much in swelling your bank account. Now is the time to begin while the year is yet young--opportunities lost are lost forever. This store is offering special inducements on remaining stock of goods--careful readers will respond to these suggestions.

SEEN THE

New Shoes?

This Shoe Store is a great money-saver. It saves its patrons money in two ways.

One way is in quoting prices on nearly every style of shoe it sells a little lower than other stores ask. The other way is in getting better shoe values for the money, when the price is the same at other stores. If you buy here the result will be you will have money left or you'll not have to buy shoes so often. In either case this is a money-saving shoe store.

Many shoe buyers have found our statements to be facts, and we believe it will pay you to investigate.

TAILORED SUITS AND COATS

While they last—Children's, Misses' and Ladies' Suits and Coats—at far below the cost. We do not carry these lines over to another season. As the seasons come we give to the public an entire new line of nobby stuff from which to make selection. To do this we must get rid of the odds and ends; hence these awful sacrifices—we are unable to quote prices here as they are broken lots, one or two of a number, but no two coats alike.

DRESS GOODS

Now is the time to purchase Dress Goods when you can get them made up. Just now the dress makers are not rushed to death with work, and, at our mammoth emporium you will always find the choicest patterns, neatest designs and excellent fabrics in either plain or fancy dress goods.

MILLINERY

During the months of January and February we are offering our entire line of Millinery irrespective of cost; they must go and now is the time to buy a good Hat at a cost that will scarcely pay for the making. A call will convince you.

Bring us your Eggs. We pay the Highest Market Prices.

We were so sorry to hear of the sudden death of Miss Cora Hynson at her home in Baltimore. It is so sad to think she made the awful mistake of taking the wrong medicine. Death is terrible, even when we are looking for it; but when it comes to us like this, it is sad indeed. Miss Cora was formerly a teacher in our school here, and had many friends in Worton. She will not be forgotten.

Miss Hilda James has returned to her home in Baltimore after a long visit to her friends Misses Mabrey and Ethel Rash.

Master Frank and Sidney Turner have been spending a pleasant visit among friends and relatives in Wilmington, Del., and Chester, Pa.

ROCK HALL ITEMS.

Lagrippe still holds sway and but few escape it. Mrs. J. B. Downey is very ill with it. Our druggists and doctors are kept busy day and night.

Smallpox and diphtheria occupy the attention of citizens generally. If dame rumor was correct in her surmises the former assumes an epidemic. New cases bob up every few hours but when investigated they bob down as quickly. School has been closed pending investigating by State authorities. If the public schools should be closed, why not the Adventist school? Why not the churches?

Mrs. Dave Ashley, one of the oldest residents of Piney Neck, died on Wednesday.

Capt. Ashley (police boat) who conducts a store in Piney Neck, does not allow children of school age to loaf around his store during school hours and does not permit them to congregate in his store at night. This is one of best rules and if others would do likewise, there would be less bad behavior.

Mr. Clarence Culley lost his little girl, aged 2 years, from a complication of diseases.

During the gale on Wednesday afternoon a jewell was driven from the Chesapeake house and landed near St. Paul's Church.

Mr. Joe Downey, who was gripped so badly during Xmas, started for the ducking shore on Thursday, but when opposite Capt. Carr's residence his horse shied and stopping suddenly, threw him on his shoulders upon the pavement, thus completing what the grippe had left undone.

Oystermen are still at it when the wind doesn't blow and by the hardest work succeed in getting sufficient to keep the wolf from the door, but our fishermen who go to Love Point report good catches and remunerative prices.

Revival services are in progress at the M. E. Church this week. Rev. Mr. Clark is expected to assist Bro. Burr in this work.

A revolting scene awaited the members of K. of P. as they retired from the hall on Saturday night. A boy of about 14 was dead drunk lying in the path, compelling them to either step over him or walk around his prostrate form, three others but little older could scarely walk, and made the air resonant with indecent language and bitter oaths.

ABOUT 20,000 PEAH TREES

TO BE DISPOSED OF.

The buds were selected from the best strains of each variety, which were sent out from the Nicholson nurseries 25 to 30 years ago, and many of these orchards were more healthy and vigorous the past season than quite a few orchards 5 and years old. These trees have been inspected authority from the State Entomologist, P. Symons, and found entirely free from any disease, San Jose Scale, or other insects. Orders will be promptly attended to.
