JOHN BARTLEY

THE FURNITURE MAN of Kent Count

CHESTERTOWN, MARYLAND.

To Readers Of The Ladies' Home Journal:

Did you read the article published by The Ladies' Home Journal in May 1904, attacking Dr. Pierce's Favorite Prescription? Have you seen the statement more recently made by Mr. Bok, the Editor of that magazine that his company "has not paid a single penny to Dr. R. V. Pierce's concern * * * in settlement of any suit"? We wish you to know the truth. The facts are these:

Four days after the article in May 1904, appeared, Dr. Pierce's company sued The Ladies' Home Journal publishers for libel. The trial was had in April last. Dr. Pierce proved that the attack made by the Ladies' Home Journal was false. He proved that Dr. Pierce's Favorite Prescription *does not, and never did contain* alcohol or any of the injurious drugs which The Ladies' Home Journal falsely stated it did contain. This was so conclusively shown that the attorneys for The Ladies' Home Journal *were forced to admit it.* The jury rendered a verdict against The Ladies' Home Journal in favor of Dr. Pierce's company for $16,000.00. This was a complete vindication of Doctor Pierce and his "Favorite Prescription." It judicially established that the published statement was *wholly* false, and without any justification.

Dr. Pierce, however believes that his company is justly entitled to a verdict for a much larger sum. Through his attorneys he has, therefore applied to the court for a new trial of the case. For this reason, and for this reason alone, has The Ladies Home Journal not yet paid "a single penny to Dr. R. V. Pierce concern." Dr. Pierce has simply choson not to collect the judgment until the motion for a new trial has been decided.

In the light of these fact does not this boastful statement that it "has not paid a single penny to Dr. R. V. Pierce's concern" look like a cheap and common bluff, a half truth intended to mislead you?

During the trial of the libel suit against the above mentioned publishers, Dr. Lee H. Smith, Vice-President of the World's Dispensary Medical Association, *stated under oath* that the ingredients of Dr. Pierce's Favorite Prescription were wholly extracted from the following native roots; Golden Seal, Blue Cohosh, Lady's Slipper, Black Cohosh and Unicorn by means of pure glycerine *of proper strength.* He was asked how he knew, as a physician and experienced medical man, that the "Favorite Prescription" was a *cure* for the disease peculiar to women, such as "female weakness," weakening pelvic catarrhal drains, prolapsus, retroversion, irregular and painful periods, and other diseases of the womanly organs, and he stated that he knew such was the fact because of his professional experience and the many thousands of women whose ills, to his personal knowledge had been cured by this "Prescription."

This experience of Dr. Smith was corroborated by the standard Medical Authorities, of the several schools of practice, endorsing the various ingredients in the strongest terms. Dr. Smith being asked to name some of the authorities as to the curative value of the above roots read from the standard works, such as the United States Dispensatory; The American Dispensatory; Organic Medicines, by Grover Coe, M. D.; Materia Medica, by Prof. Finley Ellingwood of the Bennett Medical College, Chicago; "New Remedies," by Prof. Edwin M. Hale, M. D., of Chicago; Text-Book of Therapeutics, by Dr. Hobart A. Hare, Prof. in Univ. of Penn'a; Laurence Johnson, M. D., Prof. in University of New York; Prof. John King, Author of "Woman and Her Diseases"; Professer John M. Scudder, M. D., Author of a treatise on "The Disease of Women"; Horatio C. Wood, M. D., Author of "Therapeutics"; Roberts Bartholow, A. M., M. D., Professor of Materia Medica, Jefferson Medical College of Philadelphia.

All these recognized and standard authorities praise, in the strongest possible terms, each and every ingredient which enters into the "Favorite Prescription" of Dr. Pierce for the cure of woman's peculiar weaknesses and ailments.

Letter to Jas. S. Bradley,
Chestertown, Md.

Dear Sir: We asked City Drug Co, Crystal Springs, Miss, to sell Devoe. They wanted to know of their own knowledge, how it compared with another paint they knew all about—it was sold right there, and considered good.

They painted the house of W B McCluney two coats on purpose to test the two paints against one-another: one coat Devoe 6 gallons; the other coat that other paint 10 gallons. Difference $20; $7 for paint, $13 for labor.

That other paint is made in New Orleans; is pure; is considered an excellent paint, and has a good deal of local goodwill.

But the standard of paint has been low all through the southwest. That paint is thin; it it, you see, six, six-tenths of paint. Devoe saves $20 over it on half a small job.

In is a case of local best compared with actual best.

Yours truly

15 F W DEVOE & CO

P. S.—John Bartley sells our paint.

Most people know that if they have been sick they need *Scott's Emulsion* to bring back health and strength.

But the strongest point about *Scott's Emulsion* is that you don't have to be sick to get results from it.

It keeps up the athlete's strength, puts fat on thin people, makes a fretful baby happy, brings color to a pale girl's cheeks, and prevents coughs, colds and consumption.

Food in concentrated form for sick and well, young and old, rich and poor.

And it contains no drugs and no alcohol.

Suit Under Ancient Law.

Suit was instituted in the circuit court, Baltimore, recently, by Mabel G. and Ethel C. Watson against Catherine O. Hoffman and 14 others for the purpose of determining who are entitled to the estate of the late Stephen S. Clark, valued at about $40,000.

Mr. Clark died suddenly January 28 last without making a will, and the question to be decided is whether his grandnieces or his cousins shall inherit his property. The Misses Watson, who bring the suit, are his grandnieces, being the children of his sister's daughter. Those against whom the suit is brought are the cousins.

Under an act passed by the Legislature in 1798, grandnieces and grandnephews and nieces and nephews stand equally. In 1820 an act was passed limiting representation to nephews and nieces, and under it the Court of Appeals decided that grandnieces and grandnephews could not inherit an estate when there are nieces and nephews. The question of the standing of cousins was apparently not involved at that time. There are no nephews or nieces in the case.

He Collects With a Gun.

Rev. John Marshall is pastor of Calvary Colored Baptist Church of Dover. Oliver Jones, a silver topped veteran of the church is boss deacon and supervises the collections at each service.

For sometime the preacher has suspected a leakage in the collection plates, and on Sunday morning last Deacon Jones deliberately pocketed the proceeds of a special collection, the preacher leaned over the pulpit with a big revolver in his hand and ordered the deacon to "cough up."

Pandemonium started right there and then. Men, women and pickaninies climbed under the seats screaming, while Deacon Jones bolted for the street, without his hat but with the cash in his pocket.

He hunted up the police force and at a hearing before Squire Wood the pastor was held for Court on the charge of attempted murder.

At last accounts the deacon still had the collection.

The Lord's Prayer Tanslated By A Greek.

"The Armory" says that the question having arisen as to whether the English version of the Lord's Prayer is a true reproduction of the original as found in Matthew, a native Greek scholar proceeds to answer it. He deals with the petitions in order, translates each word with all the shades of meaning of the original and then presents the whole thing in this form: "Our Father which art in heaven, hallowed be thy name—thy dominion come—thy (fixed) purpose be done, as in heaven, so, too, on earth. Give us this day our mere (or simple) bread, and forgive us our debts as we forgive our debtors theirs, and let us not fall into a tempter's snare, but deliver us from the evil one."

We like that rendering—especially that part which says, "and let us not fall into a tempter's snare." It is better than lead us not into temptation."—Ex.
