LOCAL MATTERS.

Apology.—On account of a rush of late advertising matter, we are compelled to omit our county correspondence and much other valuable local matter We shall make amends next week, if we have to enlarge to an eight column paper.

Spring Schedule.—The Tolchester Company announces by advertisement that the spring schedule of the Sassafras River and Tolchester routes goes into effect March 9, leaving Baltimore, Tuesdays, Thursdays and Saturdays at 10.30 A. M., and leave Fredericktown Mondays, Wednesdays and Fridays at 7 A. M.

Withdrawn From Circuit.— The management of the Kent and Queen Annes Fair, at Tolchester, Supt. Geo. E. Noland, secretary, has withdrawn from the Maryland-Virginia Circuit, and will hold its Fair Aug. 28-31 independent of the circuit. This made several changes in the dates of the other fairs in the circuit--Tasley and Pocomoke moving up one week.

LITTLE LOCALS.

*†*J. Waters Russell telephoned to us this week to take his farm "for rent" adv. out of the paper. It was rented after only one insertion in the TRANSCRIPT, just as Rev. Mr. Easley's team was sold after one insertion in the TRANSCRIPT. Nuf sed. Ha! Ha!.

*†*The Chestertown Water Company is sinking an additional well at its plant. A big leak was discovered in one of the large pipes near the wharf on Sunday morning. It required sometime for Mr. Sutton to mend it. The water was cut off for a time.

*†*We call the attention of the town commissioners to the condition of the old house on Washington avenue owned by the heirs of Horace Brown, colored. The condition of the house is extremely dangerous, and if the owners are unable to have it removed, the commissioners should have it removed before it does some damage.

*†*William Graves, the colored boy who attempted to rob the money drawer of Smith & Graham on the eleventh of last September, and who escaped to parts unknown, was caught in Baltimore on Monday while at work on the steamer Tivoli. He was brought to Chestertown by steamer on Thursday evening and was given a hearing before Justice Hicks yesterday evening.

*†*The county roads have been in terrible condition during the past week. A gentlemen living near town attended the St. James Church last Sunday. He lives about three and one half miles from the church. He was compelled to walk the entire distance and had to stop nine times and yet it requires $30,000 a year to keep the roads of this county in such condition. There has been enough money spent upon the roads in Kent county within the last ten years to make them the best in the state, but they are far from it.

CHURCH NOTES.

One week from tomorrow (Sunday) evening, Dr. James W. Cain, president of Washington College, will deliver an address in Christ M. P. Church upon the subject—"Christ in Literature." Dr. Cain has given considerable study to Bible literature, and at the request of the pastor, Rev. Dr. Greenfield, he has consented to speak upon the above subject. The public should not miss the treat.

Rev. George Q. Bacchus, pastor of Broadway M. P. Church, Baltimore, is one of the most successful ministers in the Maryland Conference. During a short pastorate at Broadway he has succeeded in liquidating a debt of $4000 and to-morrow will hold a "Mortgage burning." At every charge where the able divine has served, he has always found a debt confronting him and with his characteristic energy, he has succeeded in wiping it out. The Baltimore Sun on Saturday contained an excellent picture of Mr. Bacchus and an excellent sketch of his work. He is a brother of Messrs. D. A. and J. D. Bacchus, of this town.

Prof. Neilson, of Washington College, gave a very pleasing talk at the Christian Worker's Service in Christ M. P. Church last Sunday evening. It was full of good, sound advice to the young and old alike. The service was in charge of Mr. Fred G. Usilton.

Rev. D. L. Greenfield will be in Westminster tomorrow (Sunday) where he will preach a sermon to the students of the Western Md. College. He will also deliver a lecture to the students of the seminary on Monday afternoon and evening.

Rev. William N. Sherwood, pastor of Trappe, (Talbot county) Circuit, has had a most successful year. He is closing a gracious revival, during which there have been more than 40 conversions, most of whom have united with the churches on the circuit. Bro. Sherwood is exceedingly popular with his people. He is the son of Mrs. Sherwood of this town.

Rev. Dr. Poulson, of Wilmington, preached a very able sermon on Sunday morning to a large and appreciative audience in the Chestertown M. E. Church. He also delivered a very appropriate address in the evening, the occasion being the annual missionary of the Sunday school. Dr. Poulson was the guest of Mr. and Mrs. Henry H. Klinefelter on Washington avenue during his stay here.

Either Rev. R. Semple Rowe, of Baltimore, or Prof. Douglass, of Westminister, will preach at Christ Church.

At a members meeting in Kennedyville M. P. Church last Sunday, Mr. William T. Hague was elected delegate and Mr. Edgar R. Pennington alternate to the approaching session of Conference of the Methodist Protestant Church, which meets in Rhode Island Avenue M. P. Church, Washington, D. C., the first Wednesday in April.

Still Pond Sunday school will hold its missionary anniversary Sunday evening March 10th. Dr. T. L. Poulson has been secured to preach at both morning and evening services.

Christ Methodist Protestant Church. Experience Meeting at 9.30 A. M. Public Worship at 10.30 A. M. and 7.30 P. M. Sunday school at 2.30 P. M. Christian Workers' Song Hour at 6.45 P. M.

The Chestertown M. E. Sunday school held its missionary anniversary exercises last Sunday evening. The following program was rendered: organ voluntary by Miss Mabel Toulson; hymn, "Jesus shall Reign"; prayer by pastor; anthem "Sing unto the Lord, by choir; responsive scripture reading, Isaiah 55; hymn, "On the Mountain Top Appearing"; reports of classes; presentation of banner, by Mr. Herbert Perkins; hymn, "The Morning light is Breaking"; Missionary address, by Rev. Thomas L. Poulson, D. D., of Ridley Park; anthem "Awake My Soul Awake," choir; hymn, "From Greenland's Icy Mountains;" benediction.

The collection for the evening amounted to $69. The banner class was that of Mrs. W. L. White, whose amount was $22. All the other classes did remarkably well.

Chestertown M. E. Church.—Preaching at 10.30 A. M. and 7.30 P. M. Sunday school at 2.15 P. M. Epworth League meeting at 6.45 P. M. All are cordially invited.

Christ M. P. Sunday school is making preparation for its annual Easter and missionary anniversary, which will be held the last Sunday in this month. The Easter Carols are very fine, and the school is learning to sing them splendidly.

Rev. J. M. Sheridan will hold the usual services at St. James and Lynch's tomorrow (Sunday.) The dedication at Williamsville, Del., at which he was scheduled to preach has been postponed.

ROCK HALL ITEMS.

Sunday was missionary day at the Rock Hall M. E. Church. The Rev. Vanblunk, of Wilmington, Del., preached both morning and evening to a well filled house. He said: as "Moses filled the breach between the Israelites and God so do christian men fill the breach between the wicked and God, that the Israelites would have been destroyed had not Moses made intercessions for them and that places noted for their wickedness to-day would be destroyed were it not for the christians who lived in these places. As to what percent of good men a place must contain, he was not prepared to say, but granting that Sodom and Gomorrah had each a population of 500, God would have saved it if two percent had been found good. That christians filled the breach between the heathens and God, and to the extent of their indifference to the spiritual wants of the heathen would provoke God's punishment upon them."

In the Sunday school he told of the customs and habits of the African heathen. He said that he had spent two years among them, that while there both he and his wife contracted the African fever from which they suffered so intensely, that they strolled a mile from the settlement, and falling to the ground prayed that they might die, but wrestling as did Jacob of old for spiritual strength they were inspired to go back to this benighted people and tell them again of Christ, and from this trial of discouragement and almost despare, God crowned their efforts with success. As to whether they would ever return to the mission fields again, was in God's hands, if He said, go, he was ready and willing to go.

The collections and the contributions of the Sunday school were unusually large. Mrs. Burr's class had the largest offering.

Bro. J. M. S. VanBlunk is pastor of Kingswood M. E. Church, Wilmington, Del. The door receipts for the lecture were $30.00, fifty per cent. and traveling expenses went to him.

We had no special service in the afternoon and night, only that Sunday was our regular missionary anniversary and Bro. VanBlunk told the school of his experience in the mission field, and answered any questions that were asked. At night he preached from Isaiah 53d, part of 12th verse, "He bore the sins of many." The contributions by classes was as follows:

No. 1.	J. E. Apsley	$1.05
" 2.	Joseph Kendall	2.05
" 3.	Joseph Downey	.50
" 4.	Ella E. Burr	14.40
" 5.	George Davis	1.20
" 6.	Charles Thompson	.68
" 7.	Maggie Downey,	.18
" 8.	David Ayres	.50
" 9.	Annie Ayres	.71
" 10.	Julia Rodney	1.25
" 11	Lydia Apsley	.41
" 12.	Ida Ayres	.35
" 13.	Mabel Webb	.80
" 14.	Mary E. Taylor	.50
" 15.	Clara Downey	1.16
" 16.	C. D. Kelley	.76
" 17.	Clara Warner	.50
" 18.	Geo. A. Downey	.31
" 19.	Cora Middleton	1.00
" 20.	Nellie Casey	1.00
" 21.	Ada Joiner	.37
" 22.	Emma Coleman	.32
" 23.	Clarence Culley	.17
" 24.	Minnie Durding	.17
" 25.	Infant Department	.51

The revival is still in progress and five have been converted. The membership has been quickened and much interest has been manifested by the community generally. The finances are in good shape and Bro. Burr will go to conference with the assurance that he has done a good work here, and all are anxious for his return to this appointment.

Bro. Burr and wife went to the city on Monday, and while absent Rev. Harris, of Piney Neck, will fill his place in conducting the meeting.

The young ladies of the church will give an entertainment at Durding's hall on Saturday evening, refreshments will be served and a souvenir will be presented to every patron.

Bro. Burr organized a choir for his church two years ago, and today there is no superoir in this county; in it there is no friction, no quarrelling, but singing, all do their part. He was wise in his selections.

The Rock Hall Lyceum, which consists of the 7th, 8th, 9th and 10th grades, held their meeting Friday, March 1, and was unusually interesting. The members were on the alert and twice refused to accept the report of the literary committee for work of the next meeting; some thought the question for debate was two dry, while others that it was too old, at last the question, as to whether or not the morals of the country life were superior to that of a city, was accepted. Miss Amy Middleton gave a recitation which created much amusement. The regular question was called, which read: Resolved, "That tramps should be compelled to work on public roads." This was discussed, and if your writer had been asked to render a decission would have given it to the negative.

Mr. Hughes has been quite a sufferer this winter, and is still confined to the house. Owing to coughs, colds, measles and chickenpox many children are sick. Mrs. Joe. W. Kendall has three children with the measles.

Mr. Steve Newcomb was compelled to kill one of his horses, which was found to have a broken leg caused by the kick of another horse.

Mr. J. A. Casey, who has been without a baker, succeeded in finding one to take charge of his bakery. He will occupy the house in the rear of R. S. Crew's store, now tenanted by Mr. J. E. Beck, who moves to the tenant house of Mr. Casey's near the wharf.

Coal is getting scarce here, and if old Sol does not exercise some of his radient energy soon there will be shivering. Wood is in demand and brings from $4 to $5.50 per cord.

The P O. S. of A. will hold their anniversary on the 22d, which consists of a supper and literary entertainment The camp is growing and bids fair to be the leading order here.

Mr. Durding, who has been sick for some time, we are glad to report very much improved, and we hope to see him about the town again. Mrs. J. C. Kendall is convalescing.

Fish! abundance of fish! Many large catches are reported which bring good prices. Oystermen have again taken up the tongs and find plenty of the bivalves, but more than 75 per cent. have to be returned to the bed, being to small.

We extend our sympathy to your citizen who is quarantined, and hope you will soon be relieved:

But listen, Messrs. Editors, I pray,
To you I've something important to say;
Where sanitation is good, diseases are rare,
Why does Chestertown have a smallpox scare?

Mr. Charles Webb, who last year left for Baltimore, has moved back worse off than he was before he left. He says there is no place like Rock Hall.

Miss Ethel Hatcherson, of near town, is the guest of Miss Edna Durding.

Mr. Benj. Kramer has removed to Baltimore in order to be near his business, which has increased so much as to demand his personal attention. His daughter, Miss Gertie, boards with M. Kramer, the merchant.

CAUGHT BY THE GRIP-- RELEASED BY PE-RU-NA.

La Grippe Is Epidemic Catarrh.

THE disease now known as 'grip' used to be called 'influenza.'

It very closely resembles a cold, but is more tenacious in its hold upon the system and produces more profound disturbances.

Grip is in reality epidemic catarrh. When it once begins it spreads over the country very rapidly.

People do not catch the grip from each other, but each one catches it from the atmosphere.

"Most Effective Medicine Ever Tried for La Grippe."

Robt. L. Madison, A. M., Principal of Cullowhee High School, Painter, N. C., is chairman of the Jackson County Board of Education.

He is a writer of occasional verse and has contributed to a number of leading papers and magazines,—religious, educational and secular.

In speaking of Peruna, Mr. Madison says:

"I am hardly ever without Peruna in my home. It is the most effective medicine that I have ever tried for la grippe.

"It also cured my wife of nasal catarrh. Her condition at one time was such that she could not at night breathe through her nostrils.

"In consequence, an inflamed condition of the throat was brought about, getting worse and worse and yielding to no remedy until Peruna was tried."

Healthy Mucous Membranes.

Those who are fortunate enough to have perfectly healthy mucous membranes ordinarily do not catch the grip.

The mucous membranes lining the nose, throat and lungs, when in a normal state, are an effectual barrier against the invasion of grip.

But, if there happens to be the slightest catarrhal derangement of the mucous membranes, then the victim becomes an easier prey to the grip.

This in part explains why some people get the grip, while others do not.

The rational thing to do is to keep the system free from catarrh. In attempting to do this most people have found Peruna to be invaluable.

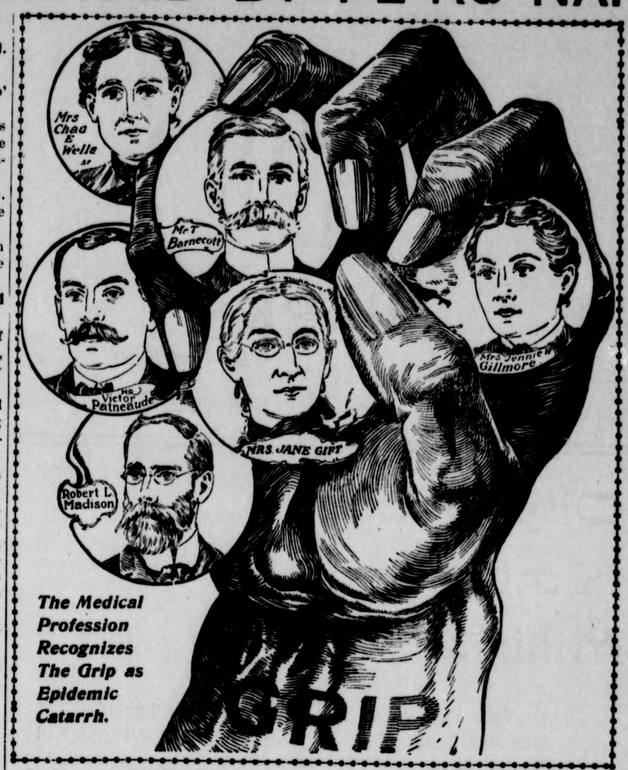

Systemic Catarrh, the Result of La Grippe. Pe-ru-na Receives Credit for Present Good Health.

Mrs. Jennie W Gilmore, Box 44, White Oak, Ind. Ter., formerly Housekeeper for Indiana Reform School for Boys, writes:

"Six years ago I had la grippe, which was followed by systemic catarrh.

"The only thing I used was Peruna and Manalin, and I have been in better health the last three years than for years before.

"I give Peruna all the credit for my good health."

During an epidemic of grip Peruna should be used. The doses recommended on the bottle are sufficient.

After the grip has once been acquired, Dr. Hartman recommends the use of Peruna in teaspoonful doses every hour during the acute stage, after which the directions on the bottle should be followed.

Experience has shown that the people who use Peruna as a remedy for grip generally recover sooner and are less liable to the distressing and long-continued after-effects of the grip.

When Peruna has not been used during the course of the grip and the patient finds himself suffering from the after-effects of this disease, a course of Peruna should be resorted to.

Suffered Twelve Years From After-Effects of La Grippe.

Mr. Victor Patneaude, 328 Madison St., Topeka, Kan., member of Knights and Ladies of Security, writes:

"Twelve years ago I had a severe attack of la grippe and I never really recovered my health and strength—but grew weaker every year, until I was unable to work.

"Two years ago I began using Peruna and it built up my strength so that in a couple of months I was able to go to work again.

"This winter I had another attack of la grippe, but Peruna soon drove it out of my system. My wife and I consider Peruna a household remedy."

Pneumonia Followed La Grippe.

Mr. T Barnecott, West Aylmer, Ontario, Can., writes:

"Last winter I was ill with pneumonia after having la grippe. I took Peruna for two months, when I became quite well, and I can say that any one can be cured by it in a reasonable time at little expense."

Pe-ru-na—A Tonic After La Grippe.

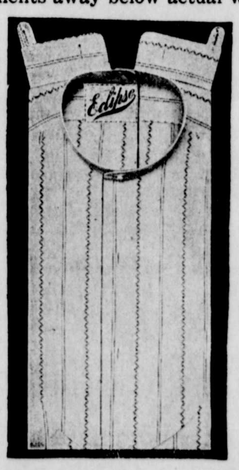

Mrs. Chas. E. Wells, Sr., Delaware, Ohio, writes: "After a severe attack of la grippe, I took Peruna and found it a very good tonic."

Mrs. Jane Gift, Athens, Ohio, writes: "Six years ago I had la grippe very bad. I read a testimonial of a woman who had been cured of grip by Peruna. My husband bought me a bottle of Peruna. I was soon able to do my work. I continued ... until I was cured."

SEEING IS BELIEVING

Do you find it difficult to read

By artificial light? Or to sew? Or to do any work that requires a good deal of eye work?

Headaches follow, more than likely accompanied by dizzy sensations.

It's your eyes, without a doubt. The symptoms are well known to opticians, and they mean that the eyes are weak, or that they have been overworked.

Let us investigate. It is almost a certainty that glasses are needed.

If you will call some day we will tell you about it

Glasses fitted by a competent graduate optician.

Examination free, no charge for anything but the glasses and this charge will only be about one-half what traveling spectacle "fakirs" charge.
