ROCK HALL ITEMS.

About 100 of the citizens assembled at Durding's Hall on Friday night to discuss the pros and cons of incorporating the town. Meeting was called to order by R. S. Crew, who was afterward made permanent chairman and Joseph Downey secretary. Plans relative to the boundary were discussed, and while no definite lines were designated yet it was thought to be more practicable to extend the limits so as to include as much territory as possible. A copy of the charter of Betterton had been procured and its features were discussed, and said charter was found to be what was desired for Rock Hall. A committee was appointed to draft a similar charter, which was to be submitted to the general voters for their approval or rejection, and all to abide by the majority. Meeting adjourned to meet Thursday at 7 P. M. During the adjournment petitions have been circulated and but few have refused to sign. These latter urging as a reason they would be compelled to cease raising hogs and poultry. Greytown, situated near S. J. Wickes' store, positively refused to identify themselves with the movement.

Robert Ayres, whose parents reside on the Gresham Hall farm near Tolchester, and who attends the High School at Rock Hall, was very much disappointed that his parents did not send for him on Friday, concluded to try it on foot on Saturday, which he did, and was almost exhausted when he arrived. On Monday he attempted to return by team and he reports the roads blockaded and but little of the road could be used.

Mr. Arthur Downey, who has been suffering for a long time with the rheumatism, is again beginning to use his limbs.

Miss Mamie Miller has been spending some time with friends in Philadelphia.

Mrs. Mamie Wilkins is spending a week in Chestertown with her brother, Joseph Lambert, during Mrs. George Lamberts' visit to Washington.

Mr. Joe Brice and Miss Mary Morgan spent last week with Mrs. Julia Ringgold and Mr. John Brice.

Owing to the snow blockade we were without any mail and the R. F. D. were unable to go out with the mail consequently we were compelled to read our Bibles.

The K. of P. are negotiating with a Baltimore firm for a piano which they say will be an up-to-date instrument. This will fill a long-felt need, as whenever music was needed they had to hire. This lodge is doing floor work, and its financies are in a flourishing condition. The Red Men enjoyed the fall of snow as it enabled them to have ice cream every meeting. The P. O. S. of A. are busy attending to the sick, as many of its members are reported with the grippe. The Juniors are doing work quietly but are increasing their roll weekly.

Mrs. Hughes, widow of the late John Hughes, contemplates moving to New York as her family has been depleted by the death of her husband and by the marriage of her daughter.

We noticed you mentioned that some of your citizens of Chestertown had roses in bloom. Mrs. Neal Willson has a fine specimen in full bloom and not protected as yours was found to be.

Rev. C. Morgan Compher will deliver a comical lecture on "Wings and Strings" on Feb. 18, at 7 P. M., at Wesley Chapel. An admission of 25c will be charged, which will be applied to the benefit of the church.

Owing to the closing of the wrapper factory, those who have been employed are leaving for Baltimore. Among those who have left are: Miss Annie Shreck, Miss Susy Casey and Miss Nora Jones. These were considered Mendal Bros'. best workmen.

Mrs. Charles Miller and her two daughters, of Gratitude, spent a few days in Baltimore this week.

Mr. and Mrs. Kembal have left for New York, where they will spend the winter with their daughter, Mrs. Grace.

Marice, son of William Durding, who is visiting his parents, on Tuesday evening was surprised by the young people of our town, who came in without warning and made him spend one of the jolliest evenings of his life. It is said that Marice received a number of proposals and probably will take one back to Baltimore.

DISFRANCHISING AMENDMENT.

The following are the important features of the disfranchising amendent. It makes the necessary residence in that State two years instead of one, and in the county one year instead of six months, and in addition thereto the following:

Every male citizen of the United States having the above prescribed qualifications of age and residence shall be entitled to be registered so as to become a qualified voter if he be—

First—A person who on January 1, 1869, or prior thereto, was entitled to vote under the laws of this State, or of any other State of the United States wherein he then resided; or

Second—A male decendant of such last mentioned person; or

Third—A foreign-born citizen of the United States naturalized between January 1, 1869, and the date of the adoption of this section of this article; or

Fourth—A male descendant of such last-mentioned person; or

Fifth—A person who, in the presence of the officers of registration shall, in his own hand-writing with pen and ink, without any aid, suggestion or memorandum whatsoever and without any question or direction addressed to him by any of the officers of registration, make application to register, correctly stating in such application his name, age date and place of birth residence and occupation at the time and for the two years next proceeding, the name or names of his employer or employers, if any, at the time and for the two years next proceeding, and whether he has previously voted, and, if so, the State, county or city and district or precinct in which he voted last, and also the name in full of the President of the United States, of one of the justices of the Supreme Court of the United States, of the Governor of Maryland, of one of the judges of the Court of appeals of Maryland, and of the Mayor of Baltimore city, if the applicant resides in Baltimore city, or of one of the County Commissioners of the county in which the applicant resides, and any person who is unable to comply with the aforegoing requirements, as to making application for registration in his own handwriting, solely because he is physically disabled from so doing;

Sixth—A person, or the husband of a person, who at the time of his application for registration is the bona-fide owner of real or personal property in an amount of not less than $500, is assessed therefore on the tax books of the city of Baltimore or of the counties of this State, has been such owner and so assessed for two years next preceding his application for registration, shall have paid and shall produce receipts for the taxes on said property for said two years, and shall at the time of his application make affidavit before the officers of registration that he is the bona-fide owner of the property so assessed to him and has been such owner for two years next preceding his application.

No person not qualified under some one of the above clauses shall be entitled to be registered as a qualified voter or be entitled to vote.

PROHIBITION ON B. & O. RAILROAD.

Employes Must Not Indulge in Intoxicants—General Notice Sent Out by Third Vice-President Potter.

Employes of the Baltimore & Ohio Railroad having anything to do with the direction or running of trains will not be permitted to use intoxicants at any time hereafter—either on or off duty—and no person using such beverage will be employed, according to a general notice sent out Saturday by Mr. George L. Potter, third vice-president and head of the operating department. Under no circumstances will exceptions be made.

It is believed by the management of the road that this is an important step in the effort to reduce accidents to the minimum and to raise the efficiency of the service and the safety of patrons in travel to the highest standard. The object for this action is plainly expressed in the first paragraph of the circular, which states: "For the protection of life and property and good service the enforcement is imperative."

The order applies to dispatchers, trainmasters, engineers, firemen, brakemen, conductors, yardmen and all employes having anything whatever to do with the handling of trains.

Mr. W. B. Biggs sold on Friday for Mr. W. D. Bradford, of "Middle Neck," Del., a two-year-old brown filly, sired by Bohemia Boy, record 2.17½, and owned by Mr. Julius Clayton, of Chesapeake City, Md. The purchaser was Frank D. Cox, of Philadelphia, and the price paid for this handsome colt was $800. This is the second colt sold this season sired by Bohemia Boy for a good price. The filly purchased by Mr. Cox was driven on the road to a cart two weeks ago, and made one-fourth of a mile in 36½ second.
