FAIR DATES.

A meeting of the delegates of the Maryland and Virginia Fair and Racing Association was held Thursday at the Club Hotel, Baltimore. The principal business was the apportioning of the stakes to the tracks in the circuit for the meetings. There were six tracks represented, which [illegible] the membership. The dates for the meetings and fairs as finally arranged are:

Norfolk, Va.—[illegible]

Tasley, Va.—[illegible]

Pocomoke City, Md.—August 11, 12, 13 and 14.

Easton, Md.—August 18, 19, 20 and 21.

Rockville, Md.—August 25, 26, 27 and 28.

Timonium, Md.—September 1, 2, 3, 4 and 5.

The selecting of the dates was not easy. The most surprising thing of the meeting was the resignation of Henry A. Brehm as president of the association and the withdrawal of the Prospect Park track, controlled by Mr. Brehm, from the circuit.

The members of the association were at a loss over the action of Mr. Brehm, John T. Couglar, the secretary of the Prospect Park Fair and Association, was present, but was unable to account for the decision of Mr. Brehm. As the result of the resignation of Mr. Brehm. D. H. Rice, of Timonium, was made president. W. F. King, of Pocomoke City, was elected to the vice presidency while Col. Robert Hough was once more selected as secretary.

THE RETURN OF NORFOLK.

After being out of racing for a year, Norfolk, Va., was again planned to get back into the game. Norfolk was a member of the association two years ago. F. Covington, of Norfolk, represented the Norfolk association at the meeting, and the dates finally decided upon were satisfactory to him. There was some talk of starting the circuit earlier, but Mr. Covington objected to this, as he argued that the patrons of racing at Norfolk would be short of cash at that time. He would liked to have secured the first week in August, but it was found that should the opening of the circuit be set for a week later it would bring a conflict in the dates that Prospect Park has secured for the fall race meeting. The meeting at the Back River half-mile course is to open on September 8, and continue five days.

It was the desire of the association to avoid conflicting dates, but the conditions are such that Rockville will conflict with the dates announced by the Tolchester track during the last week in August. Last year there was the same trouble. While he would have liked to have no conflict, Lee Offutt, who represented Rockville, registered no kick and was game enough to again run during the same week as the beach meeting. It is not known whether a meeting will be held at Electric Park this year, but it is believed that there will be nothing doing there. Last season this meeting conflicted with Easton, Md., and as the outcome the races suffered the lack of horses for racing, the field being very small, there being hardly enough horses at the track to make up racing.

STAKES FOR EASTON.

Mr. B. Nicholson was present in behalf of the Easton track, and he announced that the track would offer several stakes of $1,000 during the coming season, and he made a motion that $250 be offered by the members of the association for events for the local county horses. This was carried. The Gentlemen's Driving Park is not a member of the association but it is expected that the racing meeting there will be held as during the past two years—during the latter part of October.

It was moved that the members of the circuit make a request to enforce penalties to put on the jockeys in the running races. These penalties, though imposed in past years, have not been collected. The association agreed to formulate stringent rules on this matter. If a jockey should be fined at one course, he will not be allowed to accept any mounts at the other tracks in the circuit until the fine is paid. This matter has caused considerable trouble for some [illegible] matter of the [illegible] discussed. The [illegible] of D[illegible] Ca[illegible] ave[illegible] (Va.) track, [illegible]

Why Noah Failed

When Noah told the people a flood was coming nobody believed him. When he started to build the Ark everybody laughed at him. But the flood came, and Noah and his immediate relatives were the only ones who were not wiped off the map. If Noah had had a reputation as a weather prophet his words would have carried conviction. He failed to convince because he had never before delivered the goods. We are sole agents for the celebrated

Cortland Wagon Co. Vehicles

than which there is nothing better built. From the 140 styles made by this concern, we have selected some of the best and most popular styles. These and many others, await your consideration.

The people in this vicinity have learned that what we say about our vehicles is absolutely true; that when we say we are better able to take care of their needs in the carriage line than any one else, there isn't any doubting it or getting around it. We have always delivered the goods. Our new stock is in and ready for inspection. It represents the best products of the leading factories. The selection of a carriage is an important matter. A good vehicle costs too much to be purchased indifferently. A poor one costs too little to be purchased at all. We have the goods, are right here on the spot and expect to stay a long while, ready to make all our promises good.

We Sell HARNESS AND ROBES,
