SATURDAY, MARCH 28, 1908.

FORMER GOVERNOR JOHN WALTER SMITH was elected United States Senator to succeed the late Senator William Pinkney Whyte, by the Maryland Legislature on Tuesday.

THE SENATE last week killed the local option bill by refusing by a close vote to have it reported from the committee on Temperance. Senator Slay, of Kent, voted against the bill.

THE VOTE on local option in Worcester county last Saturday when the "drys" defeated the "wets" by a vote of 2905 to 846, is but another evidence of the overwhelming sentiment in this State in favor of a strong moral principle, and should be a lesson to those representatives in the Legislature who showed by their votes that they are not willing even to give the people the opportunity to settle the matter for themselves.

MARYLAND should retain her brilliant son, Isidor Rayner, in the United States Senate until he refuses to serve by reason of age, and Senator John Walter Smith, for the seating of whom in the Senate, Senator Rayner made such a masterly and successful plea, should use his best influence to prevent any man in the State of Maryland from opposing Senator Rayner in the next senatorial election in Maryland. That will be gratitude.

Lo! How the mighty have fallen within the past two weeks. Senator Whyte, of Maryland, Senator Wm. J. Bryan, of Florida, Bishop Fowler, one of the greatest men in the Methodist Episcopal Church, all have laid aside the toga for the crown. And Gov. Guild, of Massachusetts, and Senator Boise Penrose, of Pennsylvania, are at death's door. It is certainly a strange coincidence that the oldest and youngest members of the United States Senate should pass away within a week of each other.

THE WAY the newspapers and politicians of the country are fighting the nomination of William Jennings Bryan for the presidency, takes the starch out of Democratic enthusiasm because of Republican differences. The politicians of the Democratic party may as well attempt to pull down the Rock of Gibraltar as to deprive Mr. Bryan of the nomination, and yet rather than learn discretion from the defeats of the past, they persist in tearing the party to pieces rather than see the people's choice nominated and possibly elected. The Democrats of the county have no more chance of winning with John Johnson, of Minnesota, than they had with Alton B. Parker.

CLOSE OF LEGISLATURE.

The Maryland Legislature will close its session at midnight on Tuesday. It will go down in history with its record for good or bad legislation, only as the time intervening between this and the next session can prove. It can be said that the Democratic party will redeem the pledges made in its platform by the passage of a Corrupt Practices Act, a Disfranchising Amendment, and a Primary Election Law for the whole State. Whether these laws, the Corrupt Practices Act and the Primary Election Law, will be effective in their enforcement can only be learned from a study of their provisions. So far as the expenditures in the Legisture are concerned there has been little or no improvement over the preceeding sessions. There have been numerous useless employees kept on the pay roll of both houses, and the peoples' money has been spent where it should have been saved. So far as the legislation for Kent county is concernced, little has been done to benefit the people as a whole. The failure to pass the proposed road law for Kent county, which law would have taken our roads out of politics, and rendered the position of the Democratic party on the question of economy in the county finances absolutely secure, and would have perpetuated the control of the party in power, is a serious mistake. In the language of one of our most conservative taxpayer and a former member of the Legislature, "The passage of that road law would have been the best thing that could have happened for Kent county," and the TRANSCRIPT did everything in its power to show our representatives in the Legislature the great necessity for the passage of such a law, but they would not, and the responsibility is theirs. The law relating to the enlargement of the Third District, giving the people of Betterton and vicinity a polling place, is a good one. Other bills which have been passed relate only to particular sections of the county, and we presume will prove beneficial to the people of those localities. The TRANSCRIPT asked for only one thing—the passage of the road law for the entire county. We did it because we are convinced that it would have proven a blessing to the entire county in the saving of the tax-payers' money, and in removing from our body politic one of the most corrupting systems known to modern times—the squandering of the people's money for purely political purposes—and we feel that we have at least done our duty as the servant of the tax-payers, if we have failed to overcome the opposition of the politicians, to whom the working of our county roads is the most powerful political asset.

With Our Advertisers.

Owens & Co., Betterton's Ladies' Store, has a change this morning of advertisement. It will be found on page 6 of this issue. It will always pay you to read Owens & Co.'s, advertisement in the TRANSCRIPT, for you will find goods and prices to suit you. They attend to all mail orders. Next week they will have their "hat opening," and the "Merry Widow Hat" will be on display. See their mattings and take them your produce.

A. Cohen, Sandy Bottom's Dept. store proprietor, says the "bottom has fallen out" of dry goods, shoes, clothing and also of furniture this week. He has just received *two boat loads* of goods and you should read his advertisement and see what he *offers*. Anything from a package of force to a fine matting or bed-room suit at a saving of money to you. Go after his goods. You can call him up by telephone on and after April 1.

There is no better horse in this section of country than Mr. Cooper Tarbutton's Adbert. His blood lines are perfect, his color and build are all that can be desired, and his colts are stocky and promising. Adbert has all the speed qualities necessary to produce a racer or a fine roadster, and he is as pretty as a picture in harness, and as kind and gentle in disposition as one could desire. See Mr. Tarbutton about Adbert.

J. Biddle Hossinger's fine stallion Boxwell is advertised in this issue. Boxwell is the son of Athel, who was sold for $25,000 when two years old, and he is the grandson of the great Arion who sold for $125,000. He is also related by blood to the great Electioneer who has 147 in the list. Boxwell is one of the most aristocratic stallions in the county, and his colts are all promising. If you want speed, durability or fine size, breed to Boxwell.

Read Medders & Co's advertisement this morning. Rare bargains as usual. See Wednesday's sale. He has fine seed potatoes, and if you know of anything that Medders does not sell reasonably, we would like to know what it is. Read the big advertisement!

We call the attention of our readers this morning to the big advertisement of Mr. Wm. A. Hyland, proprietor of one of the largest implement stores, and blacksmithing and wheelwright shops in the county. Mr. Hyland has been in business at Galena for many years, and he has always been known for his strict reliability and business integrity. Whatever Mr. Hyland tells you about the quality of his goods you may rely upon absolutely. He has a splendid assortment of farming implements, hardware, etc., and is the agent for Deere and Black Hawk corn planters. There is nothing better than the Hyland make of roller or wagon. Give him a part of your patronage. You will not regret it.

Shafer, Redmile & Co., of Kennedyville, are agents for the celebrated J. I. Case corn planters, and they have made record breaking sales on these essential implements. They are also headquarters for all kinds of reliable farming implements, etc., and they are excellent people with whom to deal. Farmers, look up their advertisement.

Vansant & Newsome has a change of advertisement this morning, Mr. Gebhart, an expert tailor, will be at their store on April 2, 3 and 4, and he will have a splendid line of spring and summer samples of clothing. He will give you a spendid fit and there is that element of personality about the fit of Vansant & Newsome's clothes which makes them distinguishable. Remember also that they sell the renowned Crawford shoe.

Messrs. Hendrickson and Lusby, on Tolchester farm, have good seed corn for sale at 90 cents per bushel, also about 40 tons of good bright timothy hay.

Stewart & Co., one of Baltimore's largest retail stores, need no introduction to the Eastern Shore. They are known far and wide, yet we are glad call the attention of our readers to to their opening advertisement this morning. It deals with suits, spring suits, just such as the ladies are looking for. Think of it, $16 and $18 suits for $8.95. Their advertisement will tell you how they are enabled to make such sales, and we ask our readers to watch their space every week for bargains. Everybody knows where the store is located in Baltimore, Howard and Lexington streets. That's all.

This stallion will make the season in Kent and Queen Annes counties this spring, 1908. His pedigree shows him to be one of the finest bred horses in the east. Last year he worked a mile in 2:22, last half 1:19, last quarter in 32. He shows plenty of speed and good finishing qualities.

Anyone wishing to breed for speed, high-class roadster or general purpose horses will find it to their best interests to use this stallion. He is a beautiful seal brown, 15½ hands high, weighs about 1000 lbs., well built, sound limbs. His colts are always of fine size, well colored and fine limbed. Picknell

RACE RECORD, 2:15¼.

Authentic Trial, 2:09.

FOALED 1901.

Registered No. 35,381; Rule No. 1, Trotting Standard.

The attention of prospectlive breeders is respectfully invited to what I believe is the most attractive proposition ever offered in this section. I INVITE THE FULLEST INVESTIGATION of this horse's claims to SUPERIORITY, and can furnish incontrovertible evidence from which the prospective breeder may draw his own conclusions.

PICKNELL'S SIZE, 15.2 hands, and COLOR, mahogany bay, are IDEAL and his BREEDING is THE HIGHEST OF FASHION. HIS CONFORMATION is the "EASY KEEPER" KIND. HE IS ABSOLUTELY LEVEL-HEADED, and HE IS SOUND and WITHOUT A BLEMISH. HE WEARS NO HOBBLES NOR OTHER FALSE RIGGING; and when raced, wore only such boots as are commonly used for protection.

PICKNELL was started GREEN, in the early fall of 1906, in SIX races, winning TWO of them, and being well up in the money the other four. He made his first, regular stud season, last year at Newark, Del.; and Mr. H. R. Tyson, in whose care he was, says that he would have had him in condition for the racing season, and a record well within the 2.10 list, but for the season I permitted him to make.

The oldest of Picknell's get is a two-year-old, bay filly, 15.1, no white, a blue ribbon winner, showing 2:30 speed as a yearling.

PICKNELL'S SIRE is ALLERTON, 2:09¼; CHAMPION TROTTING STALLION to HIGH WHEELS; THE LEADING SIRE FOR 1907, and THE GREATEST SIRE OF HIS AGE LIVING OR DEAD. Allerton 2:09¼, is sire of 178 in the list, of which 135 are TROTTERS, WITH RECORDS from 2:07½ to 2:30, and 42 pacers from 2:02 to 2:25. Allerton's sire was JAY BIRD, 2:31, sire of 106 TROTTERS from 2:06¾ to 2:30, and 12 PACERS from 2:09¼ to 2:25; and Jay Bird was by GEORGE WILKES, 2:22, etc.

PICKNELL'S DAM is BON BON, dam of Picknell, 2:15¼; Bon Jay, 2:19¼; Miss Minnie, 2:23; Gay Baron, 2:26¼, tr. 2:15; Jay Boul, tr. 2:-9¼; Baron Stamboul, mat., 2:16, and Laurine, dam of four in the list, including THE KENTUCKY FUTURITY WINNER, OXFORD BOY, 2:20 at two years old. BON BON'S FULL SISTERS, Brava, 2:14¼, and Bon Mot, 2:25¼, each have THREE TROTTERS in THE LIST better than 2:30.

BON BON'S SIRE is BARON WILKES, 2:18, TROTTING, sire of 107 trotters from 2:08½ to 2:30, and 30 pacers from 2:03¾ to 2:25; and is the world-famed "FUTURITY SIRE."

BON BON'S DAM is MARY A. WHITNEY, 2:28, trotting, and dam of FIVE TROTTERS, from 2:14¾ to 2:30. She was by Volunteer, full brother to Dexter, 2:17¼, and the sire of 33 trotters and 1 pacer in the list, including the one-time WORLD'S CHAMPION TROTTER, ST. JULIEN, 2:11¾.

MARY A. WHITNEY'S DAM was PEGGY SLENDER, dam of the TROTTERS, Mary A. Whitney, 2.28, and Wm. H. Allen, 2.23¼.

PICKNELL will stand in my Calvert Street Stables, Chestertown, Md.

TERMS—$15.00 the season. Insurance, by special agreement, $25.00. Please make your bookings EARLY. All mares subject to my approval. I offer this very low price for reasons of my own. It is your opportunity.
