LOCAL MATTERS.

Washington College Appropriation.—Washington College has been remembered very munificently by the committee on appropriations in the present legislature. The college is to receive $10,000 for each of the next two years from the state. This will enable the Board of Visitors and Governors to make other needed improvements to the college property.

Divorced.—On March 13, 1908, Mrs. Anna Fallowfield, through her solicitor, Sidney P. Townshend, Esq., filed a petition in the circuit court for Kent county asking for a divorce *a vinculo matrimonii* from her husband, Harry W. Fallowfield, and on March 23, 1908, the decree was obtained. Mrs. Fallowfield will now assume her maiden name, Anna Brock.

Prompt Payment.—To show that the Prudential Life Insurance Company, of which Mr. George W. French is the local superintendent, is a friend indeed to those in need, we have before us a table showing that the company paid promptly claims in the Collinwood, Ohio, school disaster of $1,011.60, and in the Boyertown theatre disaster of $13,060.55. Needles to say the money was paid with the utmost promptness.

Purchased Cannery.—Mr. D. J. Wood, of the Somerset Canning Company, of Harford county, has purchased the Isaac Robinson Cannery at Still Pond Station, and he will conduct the same during the season. Mr. Wood is well and favorably known in this county, having been connected for a number of years with the Isaac Robinson Company at Still Pond. Mr. Wood is a hustler, and he will pay good money for first-class contracts. He has been in the county during the week, making contracts with the farmers, and getting things in shape respecting the transfer of the property.

Her Hen Laid Two Eggs.—We have often heard of people owning hens that laid an egg every day and on Sunday too, but a prominent lady in Chestertown has a hen that really laid *two eggs in less than fifteen minutes the same day.* There was an eye witness, and no one is asked to believe it if they are so skeptical as not to do so, but we are prepared to prove the lady's assertion by positive proof. The hen is worth her weight in gold to that lady, as she has been one of her best egg producers, and she was so proud of the hen's effort on Monday that she was a mind to place her on exhibition at 10 cents a sight for the benefit of the Infant Class' collection at the anniversary to-morrow night.

O'Reardon Against Burns.—Judge Pearce heard argument in the case of Daniel O'Reardon against Charles O. Burns on Monday last. It will be remembered that O'Reardon got out an attachment against Burns for some $41,000 and Burns filed a motion to quash the attachment. After the case was argued at length, the Judge held that there was no ground shown for quashing the attachment as the papers were regular and in proper shape. If Mr. Burns desired to release his property from the attachment proceeding he could file a bond and dissolve the attachment. The case will not come up for trial until the October Term of Court. Hope H. Barroll, Esq., argued the case for Mr. O'Reardon and John D. Urie, Esq. for Mr. Burns.

A Splendid Letter.—The letter of Rev. Dr. H. B. Martin, on "Why I am a Christian," appears on page 2 this morning. It is explanatory of the Holy Communion, and is so helpful that every one, members of church, and otherwise, should not fail to read it. This is the last letter of the present series which Dr. Martin has been so good and kind to write for the TRANSCRIPT. Everyone of his letters has been a sermon, true and pointed, and we believe, from the numerous comments we have heard upon them, that they have been helpful to our readers. We trust so. We have had numerous requests for papers containing the letters, and our subscription list has been enlarged because of their publication. Dr. Martin is justly popular in this community, and members of all denominations have read his splendid letters with profit and delight. He will shortly begin another series.

AMERICAN OFFICERS OF HIGH RANK AND OTHERS ENDORSE PE-RU-NA.

Prominent People Recommend the Remedy Pe-ru-na.

Dr. Hartman's World Renowned Catarrh Medicine.

A Remedy for the Grip.

Gen. W. H. Parsons, 925 H St., N. W., Washington, D. C., writes as follows:

"Upon the recommendation of personal friends and many strong testimonials to the efficacy of Peruna in the treatment of the numerous symptoms of the grip with which I have been affected for four months past, I have been induced to undergo a treatment of this justly celebrated formula.

"I feel a decided change for the better by its use for one week only, especially in toning up the stomach, and a consequent decided effect upon my appetite.

"I therefore feel much encouraged that I am on the road to complete restoration.

"My numerous friends in Texas, where I have had the honor to command a brigade of her veteran cavalry in a four-year war, may accept this voluntary testimonial to the merit of Peruna from a sense of obligation for its wonderful efficacy."

Pe-ru-na a Good Tonic.

Gen. M. C. Butler, of South Carolina, writes from Washington, D. C., as follows:

"I can recommend Peruna for dyspepsia and stomach trouble.

"I have been using your medicine for a short period and I feel very much relieved.

"It is indeed a wonderful medicine, and besides a good tonic."

Colds in the Head and Throat.

Chas. W. Bowman, 1st Lieut. and Adjt. 4th M. S. M. Cav. Vols., writes from Lanham, Md., as follows:

"Though somewhat averse to patent medicines, and still more averse to becoming a professional affidavit man, it seems only a plain duty in the present instance to add my experience to the columns already written concerning the curative powers of Peruna.

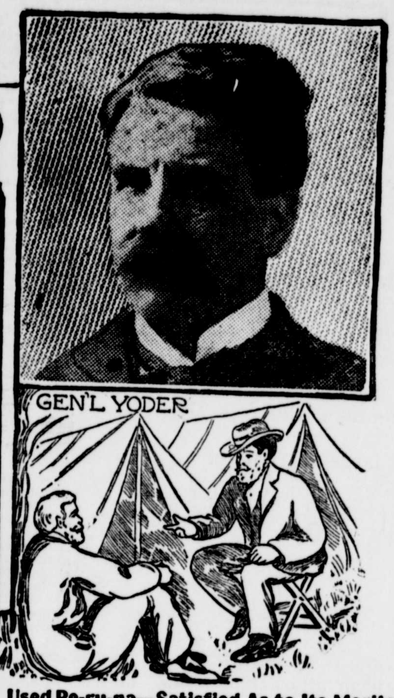

"I have been particularly benefited by its use for colds in the head and throat.

"I have been able to fully cure myself of a most severe attack in forty-eight hours by its use according to directions.

"I use it as a preventive whenever threatened with an attack.

"Members of my family also use it for like ailments.

"We are recommending it to our friends."

Recommends Pe-ru-na to the Afflicted.

Brig. Gen. D. T. Kirby, Washington, D. C., writes concerning Peruna, as follows:

"Friends of mine having used your Peruna catarrh cure with good results, I am impressed with its curative qualities, and can recommend it to those who are afflicted."

Used Pe-ru-na—Satisfied As to its Merits—Recommends It to All Sufferers.

Gen. S. S. Yoder, 203 Md. Ave., N. E., Washington, D. C., writes:

"I desire to say that I have found Peruna to be a wonderful remedy. I only used it for a short time and am thoroughly satisfied as to its merits. I shall gladly recommend it to all sufferers."

Pe-ru-na in Tablet Form.

Some people prefer to take tablets, rather than to take medicine in a fluid form. Such people can obtain Peruna tablets, which represent the medicinal ingredients of Peruna. Each tablet is equivalent to one average dose of Peruna.

For Catarrh of the Stomach.

Gen. W. W. Duffield, Washington, D. C., writes:

"I have used Peruna in my family and have found it a valuable medicine and take pleasure in recommending it to all who suffer from catarrh of the stomach or who require a tonic of prompt efficacy."

DEAFNESS CAUSED BY CATARRH—RELIEVED BY PE-RU-NA.

Gen. A. M. Legg, writes from the Savings Bank Building, Washington, D. C., as follows:

"I take pleasure in endorsing the many recommendations I have heard and read of Peruna, because of having had knowledge of the truth of so many of them.

"We always tell our sick and ailing friends of the remedies that we have learned, from experience, were good for us when ailing in the same way, and we do it as a duty we feel that we owe them.

"Why is it any the less our duty to advise all the people we can when we know of a good and comparatively inexpensive remedy that makes many cures, and benefits in almost all cases?

"My own little personal experience of being relieved of deafness, caused by a siege of catarrh, warrants me in advising all the afflicted to just try Peruna."

For Kidney Trouble, Coughs, Colds and Catarrh.

Gen. A. T. Hawley, 1336 25th St., N. W., Washington, D. C., writes:

"I have used Peruna and find it very beneficial for kidney trouble, and especially good for coughs, colds and catarrhal trouble."

Convinced of Pe-ru-na's Merit.

Brig. Gen. J. Floyd King, Washington, D. C., writes:

"I unhesitatingly state that I am convinced Peruna is a medicine which will effect all that is claimed for its use."

Those desirous of obtaining special directions with regard to the use of Peruna should write to Dr. S. B. Hartman, President of the Hartman Sanitarium, Columbus, Ohio.

When Other Remedies Failed Pe-ru-na Proved Efficacious.

Hon. Geo. W. Honey, National Chaplain U. V. U., Ex-Chaplain 4th Wisconsin Cavalry, Ex-Treas. State of Wisconsin and Ex-Q. Master General State of Texas, G. A. R., writes from 1700 First street, N. E., Washington, D. C., as follows:

"I cannot too highly recommend your preparation for the relief of catarrhal troubles in their various forms.

"Some members of my own family have used it with most gratifying results.

"When other remedies failed, Peruna proved most efficacious and I cheerfully certify to its curative excellence."

Pe-ru-na, a Standard Treatment For Catarrhal Diseases.

Mr. John C. Nelson, Dayton, Tenn., geologist and mining engineer, while a Captain in the Federal Army during the Civil War, contracted a case of rheumatism. This malady was constant and persistent, inducing the development of other ailments, which also became chronic. After taking a course of Peruna, Capt. Nelson writes:

"Having been painfully afflicted with chronic rheumatism and the adjunctive complications for many years, and after having received many general and special treatments with only temporary relief, I read your scientific treatise on catarrhal diseases.

"At my request you prescribed a special course of the Peruna remedies, which I closely followed, and am happy to report that my rheumatism and complicated ailments are subdued, and I feel young again at the age of 69 years.

"Reason will accept your classification of catarrhal diseases as scientific and true, and the Peruna remedies as a standard treatment for them. I thank you heartily for your skilled and logical advice."

Enjoys Renewed Health and Strength.

James J. Osborn, 628 Wahsatch Ave., Colorado Springs, Colo., has filled all the positions in Knight Templars Masonic Order, was a Mason since 1866, Judge of County Court, Clinton, Mo., and also County Collector of Clinton. He writes:

"A sluggish liver which I had been troubled with for two years made life miserable and I was unable to attend to my business half the time. I lacked energy, had headache most of the time, and my food distressed me and did not seem to do me a particle of good.

"Reading of the many cures performed by Peruna, I decided to try a bottle. Before I had taken many doses I felt better.

"I took it as directed for two months when I was a well man."

Christ M. P. Church. Rev. Dr. F. T. Little, pastor. Testimony meeting at 9.30 A. M. Preaching at 10.30 A. M. Sunday school at 2.30 P. M. Missionary Anniversary at night. All are welcome.

The entertainment which was to have been given last Tuesday evening in Stam's Hall, by Miss Mayme Thompson's Sunday School class has been postponed to a date early in the future. The entertainment will be a fine treat, and those who had purchased tickets are asked to hold them, as they will be good for a future date.

Rev. J. H. Kuhlman, pastor of Chesterville and Millington M. E. (South) charges is attending conference at Roanoke, Va., this week. A rule of the conference limits a pastorate to four years, and Mr. Kuhlman will change this year, much to the regret of his congregations and many friends in the county.

The Fourth Quarterly Conference of Christ Methodist Protestant Church was held in the Bible class room on Monday evening. The report of the treasurer, Mr. Jas. W. Crouch, showed the finances of the church to be in excellent condition, and all expenses and benevolent collections will be met in full. The pastor's salary for the ensuing year was fixed at $1100, an increase of $100.

The anniversary of the Juvenile Home Missionary Society of Christ M. P. Church will be held tomorrow (Sunday) evening at 7.30 o'clock. An appropriate programme is being arranged for the occasion.

Rev. Dr. F. T. Little, pastor of Christ Methodist Protestant Church, will leave on Tuesday afternoon for conference which meets in Snow Hill on Wednesday. Dr. Little has closed a most successful year's pastorate. He has preached to large congregations, had a number of accessions to the church membership, and has been usually successful in raising his benevolent collections. He is popular with his members and with the people of the community generally, and his return to Chestertown for another year is confidently expected.

Much to the satisfaction of his membership and many friends, Rev. W. L. White has been returned to the pastorate of the M. E. Church for the fifth year, and will occupy his pulpit tomorrow (Sunday) morning and evening. Mr. White has broken the record for the length of the pastorates at this church, which is an evidence of his popularity with his people.

The lecture entitled "In Tent and Saddle in Northern Palestine" given in Christ M. P. Church on Wednesday evening by Rev. Dr. Thos. H. Lewis, president of Western Maryland College, was attended by an audience that packed the large auditorium, and which was a credit to the town and a compliment to the great speaker. The lecture was replete with interesting historical narrative and beautiful description of the Lord's land, and for one hour and three quarters the learned speaker told of his sacred impressions of the land of miracles. Dr. James W. Cain, president of Washington College introduced Dr. Lewis, in some very appropriate remarks. Nearly $35 was realized from the silver offerings at the door. The proceeds will be given to the Ladies Mite Society of the church.

Rev. W. A. Melvin, pastor of Cumberland M. P. Church, has recently finished a fourth M. P. Church in that city. During the seven years pastorate of Mr. Melvin he has erected three new churches in the city, the third having been dedicated on March 15th. Mr. Melvin has had a remarkably successful pastorate in Cumberland, much of the work of building the churches having been accomplished through his own financing, and final reimbursement by his loyal congregations.

An all day convention of the Maryland Branch of the W. F. M. S. of the Wilmington Conference will be held in the Chestertown M. E Church on Wednesday, April 29th. Business sessions held morning and afternoon. At night Mrs. A. H. Eaton, president of the Baltimore Branch, will deliver an address. Mrs. H. H.
