Very truly,

PRETTYMAN & PRETTYMAN,

GALENA, - - - - - MARYLAND.

JOHN BARTLEY

THE FURNITURE MAN of Kent County

CHESTERTOWN, MARYLAND.

If You Read This

It will be to learn that the leading medical writers and teachers of all the several schools of practice recommend, in the strongest terms possible, each and every ingredient entering into the composition of Dr. Pierce's Golden Medical Discovery for the cure of weak stomach, dyspepsia, catarrh of stomach, "liver complaint," torpid liver, or biliousness, chronic bowel affections, and all catarrhal diseases of whatever region, name or nature. It is also a specific remedy for all such chronic or long standing cases of catarrhal affections and their resultants, as bronchial, throat and lung disease (except consumption) accompanied with severe coughs. It is not so good for acute colds and coughs, but for lingering, or chronic cases it is especially efficacious in producing perfect cures. It contains Black Cherrybark, Golden Seal root, Bloodroot, Stone root, Mandrake root and Queen's root—all of which are highly praised as remedies for all the above mentioned affections by such eminent medical writers and teachers as Prof. Bartholow, of Jefferson Med. College; Prof. Hare, of the Univ. of Pa.; Prof. Finley Ellingwood, M. D., of Bennett Med. College, Chicago; Prof. John King, M. D., of Cincinnati; Prof. John M. Scudder, M. D., of Cincinnati; Prof. Edwin M. Hale, M. D., of Hahnemann Med. College, Chicago, and scores of others equally eminent in their several schools of practice.

The "Golden Medical Discovery" is the only medicine put up for sale through druggists for like purposes, that has any such *professional* endorsement—worth more than any number of ordinary testimonials. Open publicity of its formula is the best possible guaranty of its merits. A glance at this published formula will show that "Golden Medical Discovery" contains no poisonous, harmful or habit-forming drugs and no alcohol—chemically pure, triple-refined glycerine being used instead. Glycerine is entirely unobjectionable and besides is a most useful agent in the cure of all stomach as well as bronchial, throat and lung affections. There is the highest medical authority for its use in all such cases. The "Discovery" is a concentrated glyceric extract of native, medicinal roots and is safe and reliable.

A booklet of extracts from eminent, medical authorities, endorsing its ingredients mailed *free* on request. Address Dr. R. V. Pierce, Buffalo, N. Y.

James G. Book,

A Farewell Greeting.

To the Editors of the TRANSCRIPT.

Gentlemen:—In a short time I will have to say good bye to my many Kent county friends and before I do I would like to extend my thanks to some of them who have treated me with so much kindness. If you go from the Delaware Line to the broad waters of Chesapeake Bay and from the Chester to the Sassafras River, you will find as kind and hospitable a set of people as there is on the globe. During my stay I have made five granges in the county and I am proud to say that they are all composed of the first and best people of the county and on Thursday, April 2d, I expect to organize them with a Pomona Grange at Chestertown. It will be the first Pomona Grange ever made on the Eastern Shore of Maryland. And for intellect it will compare favorably with any county Grange in the United States. In and around Millington I met the Stevens, Barnes, Turners, Spears, Jones, Mallalieus, Comegys, Dr. Gowman and Prof. Taylor.

Around Kennedyville T. A. Connor, wife, daughter and son; W. M. and John Clendaniel and their families—My friend, Julian Jones, wife and little daughter, Mary. Mr. and Mrs. C. E. Hill and daughters.

At Still Pond I found Mr. and Mrs. W. D. Pennington, Mr. and Mrs. Bonwell, Mr. and Mrs. John H. O. Stokes and family, and the charming and entertaining little school mistress Miss Hebron, Mr. and Mrs. William Medders, the Mrs. Harpers, Dr. Kelley and wife, Mr. and Mrs. John N. Bennett, and last but not least, Dr. Maxwell and his wife, he is as good a little fellow as I ever met, with a heart as big as an elephant.

Then to Lynch's where you have Mr. and Mrs. F. A. Cornelius, Mr. and Mrs. Norris, Mr. and Mrs. Samuel Mann, and at Fairlee I met Mr. and Mrs. Samuel Lee, Mr. and Mrs. Mahlon Lee, Mr. and Mrs. Jesse Usilton, Mrs. John and Al Corey, Mr. and Mrs. Smith, Dr. Smith and wife, Mr. and Mrs. Wash Skirven, Mr. and Mrs. John P. and William Nicholson, Mrs. Storks, Mr. and Mrs. Hendrickson on the Tolchester farm and many others. Mr. and Mrs. T. E. W. Crew, Mr. and Mrs. DeCorse, and I can't forget Mr. R. G. Nicholson. His son and two charming entertaining and large hearted daughters who can't do enough for you. And just over the river are my friends Skipper, Mr. and Mrs. Anthony, daughters and sons. Mr. Anthony is in the dairy business and has thirty head of as fine blooded dairy cows as you will find in the state. I have not forgotten my friend, James Dixon, the kind and affable county clerk.

Neither have I forgotten the TRANSCRIPT and the *Kent News*, two of the best county papers published in the state, and I want to thank them for the kindness they have shown me by giving me all the publicity they could.

And now in conclusion let me say that I may have left out some kind friends but if I have it is an error of the head not of the heart, for I have had nothing but kindness shown me since I crossed the Delaware & Md. Line and the kindness shown to me by you all will always be a bright spot in my life's memory—and when I return home to Cheswold, Del., my mind will often go back to my many Kent county friends.

Respt. MARION DAWSON.

Rich Neck Farmers.

The Rich Neck Farmers club held their regular monthly meeting on Thursday March 19 at the home of Mr. Chas. E. McKee, on Round Top. After the regular business of the club was disposed of the subject of corn was taken up and fully discussed by the members present. It was the opinion of all that great care should be taken in the selection of seed corn. The discussion of corn occupied the whole afternoon session, after which supper was served.

The evening session was devoted to Spraying of Fruit Trees. The discussion of both subjects brought out some excellent points, and were ably handled by the President of the club, Mr. W. I. Walker who has made a careful study of both subjects and done some experimenting in both lines. As a whole the meeting was very instructive and entertaining and the time profitably spent. Those present were: Mr. and Mrs. W. I. Walker, Jas. T. Anthony, Jas. Newnam, Chas. T. Willis, Albert Story, Ivanhoe Willis, Frank Baxter, Mrs. S. R. Hurlock, Mrs. A. E. Massey, Mrs. Meads, Mrs. W. H. McKee, C. H. Jefferson, Mrs. R. F. Zeisel, Misses Nannie Massey, Bertie Willis, Jessie Anthony, Carolene McKee, Rose Elmer McKee, Elizabeth Fay, Marie Willis, Messrs. H. P. Skipper, Jas. Magrogan, Aug. Money, Josiah Massey, Jno. McRochester, Clifton Jarrell, Budd Potts, Chas. Baxter, Rumsey Anthony, C. W. Clements, Horace Clothier, Chas. Meredith, Robert Brown, Cooper Tarbutton, Samuel Magrogan and Daniel McKee, Jr. Mr. Dawson, organizer of granges, was present, and spoke of the objects and benefits of the local grange.

Millington Items.

Miss Evelyn Cochran is visiting Miss Emma Gillespie in Sudlersville, Md.

Mrs. Beny Hazel entertained Rev. Mr. Birnbach last week.
