THE TALE OF PERFECT TIME

—IN A—

WATCH.

—FROM—

Mainspring to Hairspring

between them lies the secret. The mainspring is the power which it transmits to the active parts of the watch. The hairspring has the control and regulates the motion. The fitting is most delicate. Imagine 100th part of a hair (impossible isn't it?) Yet it is enough to interfere in its performance, so wonderful is the adjustment. The friction from accumulating dirt, lack of oil, etc., destroys these perfect fittings. Do not let your watch run to ruin from neglect. Remember our business is the care of watches, and our opinion costs nothing.

WOMEN'S WOES.

Chestertown Women Are Finding Relief At Last.

It does seem that women have more than a fair share of the aches and pains that afflict humanity; they must "keep up," must attend to duties in spite of constantly aching backs, or headaches, dizzy spells, bearing-down pains; they must stoop over, when to stoop means torture. They must walk and bend and work with racking pains and many aches from kiney ills. Kidneys cause more suffering than any other organ of the body. Keep the kidneys well and health is easily maintained. Read of a remedy for kidneys only that helps and cures the kidneys and is endorsed by people you know.

Mrs. Thomas Clements, living on Mill street Chestertown, Md., says: "I have suffered from kidney trouble all my life. When a child I was afflicted with rheumatism and had almost every symptom of diseased kidneys. The kidneys did not act properly, my back ached a great deal and my limbs were so swollen that I could hardly walk at times. At night I was hardly able to rest, and though I tried many remedies without success I finally began using Doan's Kidney Pills, which I procured at M. A. Toulson's drug store, and they relieved me in a short time. I am glad to say that I have not been troubled with any symptoms of kidney disease since, and take pleasure in recommending them to others."

For sale by all dealers. Price 50 Cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's —and take no other.

SEE "THE CLANSMAN."

Greatest of Historical Dramas Returns for Farewell Engagement.

If your are a lover of good plays, do not fail to see "The Clansman," which will return for its farewell engagement at the Academy of Music, Baltimore, the week beginning Monday, March 30th, with Wednesday and Saturday matinees.

Of all the many offerings of this theatre this undoubtedly the greatest and grandest of the whole season. Crowded audiences and enormous enthusiasm have marked the progress of "The Clansman" everywhere.

"The Clansman" sets in fierce white light the exact truth about the doings of the Ku Klux Klan and the reconstruction struggle of forty years ago. It opened the eyes of both the North and the South. It showed that what the Southern people really did was to save white civilization from barbarism and anarchy; that the South would have been weltering in negroid mongreism but for the heroic work of the Ku Klux Klan.

Aside from its political features, "The Clansman" is a most beautiful and thrilling drama. The ladies enjoy it as much as, or even more than, the men, because of its engrossing love story. The hero of the play is a South Carolinian and a Ku Klux Klan leader. He falls in love with the pretty daughter of a Northern man who has come south to organize the so-called Black League. Ben Cameron courts the daughter and firmly opposes every move of the father. In the end he wins the girl's hand and saves them both from the clutches of the Mulatto Lieutenant Governor of the State. Under Ben's leadership the Ku Klux drive the carpetbaggers and bad negroes out of the State and restore the old regime.

Thrills, tears and laughter are wonderfully commingled in this master play. The darkey comedy is rich and the loves of Uncle Nelse and Aunt Eve, as well as the thieving propensities and gullibility of Aleck, the negro high sheriff of the county, convulse the audience.

A word should be said about the appearance of the Ku Klux Klan in this play. Every detail is historically accurate: the ghostly costumes, weird ritual and white-robed steeds of the order are reproduced exactly as they were in the year 1867. The Ku Klux Klan cavalry dash across the stage with startling realism. The High Court of the Klan sentences to death a self-confessed criminal.

Those who attend the play at the Academy of music will see the original company of forty people direct from New York City, and a splendid new production with magnificent scenery, costumes and electrical effects.

Patrons are advised to send in their order for seats, accompanied by remittance, to Manager Maurice J. Lehmayer, Academy of Music, Baltimore, and tickets of the kind specified will be promptly forwarded.

The prices of seats range from 50 cents to $1.50 for the evening performances, and are 50c, 75c and $1.00 at the matinees.

The Transcript Serves its Patrons.

The publicity which the TRANSCRIPT has been giving for a number of years past to the duties owed by express, telegraph, steamboat, railroad companies, etc., and the rights of their patrons is still bearing fruit.

On December 24th, 1907, Mrs. William Hepbron, of Lynch's, shipped by Adams' Express one crate of eggs, value $9.12, to Wilmington, Del. They were never delivered. She made the usual complaint to the company and met with the usual delay and refusal to adjust. She then placed the matter in the hands of her attorney. Suit was promptly brought, a judgment was entered by Jusitice R. W. Calder, and the money and costs in full paid to her by the Express Company on Monday last.

Mr. John Bartley shipped by Adams Express some furniture to Wilmington, Del., Christmas eve. The Express Company lost the furniture. Mr. Bartley complained without effect. He gave it to his attorney for suit. Then, and not until then, the Express Company settled.

Messrs. Owens & Co., of Betterton, have had pretty much the same experience with the Pennsylvania Railroad. It lost for them some ladies sweaters, valued at $6.50 shipped from New York. All their efforts to adjust it likewise proved unavailing. Taking the advice of the "TRANSCRIPT" they brought suit, with the result that the railroad promises now to adjust forthwith.

These small cases, which are irritating ones to the patrons of such corporations, simple ones which they should always gladly and promptly adjust, are what earn them the ill-will of so many people. By prompt and satisfactory action they could so easily win the good will of our people. Such good-will in the end will be worth to them almost as much as one-half of what they pay in dividends. Next!

SCHLEY RUSSE

RECORD 2.18½

Taken in 3rd heat of winning race. Timed separately in a race in 2.09½.

His record is no measure of his speed. He has on several occasions shown two-minute speed or better.

Schley Russell is 17 hands high and weighs about 1300 lbs. His colts are large and well-formed; and those old enough to drive show considerable speed.

Schley Russell is a son of Victor Russell, 2.29, sire of Marydel, 2.12½; Schley Russell, 2.18½; Lady May, 2.15¼; Leon Russell, 2.15¼; etc. Victor Russell is a son of Happy Russell, sire of 37 performers in standard time.

Schley Russell's dam was by Corsican, a son of Orange Blossom.

Schley Russell, 2.18½, will make the season in Kent and Queen Anne counties at $10.00 for the season, and $20.00 to insure.

Johnston FARM TOOLS

NOT IN THE TRUST

When you put your money into a **Johnston** farm implement you can rest assured you will get the very best value you ever obtained in farm machinery.

The reason why they stand so high with the thousands of farmers in this and foreign countries is because they give that **real, genuine satisfaction in the field** which every buyer of farm tools hopes to get. They fulfill the highest expectations; are so positively **dependable**, so thoroughly **practical** and do the work so much better, quicker and easier that when compared by **actual service** with others, their **superiority** is at once apparent.

Here we show some of them. We cannot tell you all their special strong features here; their exclusive advantages—the points that make them superior to others, or show you by illustrations just why they do their work better, quicker and easier, just why they last longer, why the breakage is so rare, why they are the cheapest; but our 1908 Catalog gives full description of our full line. You should not buy a single tool until you read it. It will help you to avoid making a mistake and post you as latest improvements. A postal brings it. Write today.
