Women Who Wear Well.

It is astonishing how great a change a few years of married life often make in the appearance and disposition of many women. The freshness, the charm, the brilliance vanish like the bloom from a peach which is rudely handled. The matron is only a dim shadow, a faint echo of the charming maiden. There are two reasons for this change, ignorance and neglect. Few young women appreciate the shock to the system through the change which comes with marriage and motherhood. Many neglect to deal with the unpleasant pelvic drains and weaknesses which too often come with marriage and motherhood, not understanding that this secret drain is robbing the cheek of its freshness and the form of its fairness.

As surely as the general health suffers when there is derangement of the health of the delicate womanly organs, so surely when these organs are established in health the face and form at once witness to the fact in renewed comeliness. Nearly a million women have found health and happiness in the use of Dr. Pierce's Favorite Prescription. It makes weak women strong and sick women well. Ingredients on label—contains no alcohol or harmful habit-forming drugs. Made wholly of those native, American, medicinal roots most highly recommended by leading medical authorities of all the several schools of practice for the cure of woman's peculiar ailments.

For nursing mothers, or for those broken-down in health by too frequent bearing of children, also for the expectant mothers, to prepare the system for the coming of baby and making its advent easy and almost painless, there is no medicine quite so good as "Favorite Prescription." It can do no harm in any condition of the system. It is a most potent invigorating tonic and strengthening nervine nicely adapted to woman's delicate system by a physician of large experience in the treatment of woman's peculiar ailments.

Dr. Pierce may be consulted by letter free of charge. Address Dr. R. V. Pierce, Invalids' Hotel and Surgical Institute, Buffalo, N. Y.

W. C. Baseball Season.

The baseball season at Washington College opened on March 27th and 28th with the strong team of Villa Nova College. Although this is a fast team, one of the fastest in the country, the showing made by the Washington boys was excellent and they give promise of developing into a fast team, one of the best representing the college for several years.

To-day the strong team of Gallaudet College of Washington, D. C., will come to Chestertown and furnish one of the best and most interesting games of the season. Gallaudet has met the Navy team this year, losing by a close score and making a very creditable showing. Although every student of that college is a deaf mute, they always have one of the fastest teams in the South, and are coming to the college grounds determined to win, while the home team feels equally confident. The mutes have a hitting team, but with Johns in the box, Washington will not fear their heaviest batters. Captain Knotts who has been layed up the last two weeks, with an injured hand, will in all probability be behind the bat, in case he is not in good shape, his place will be handled by Cross. Altogether a good close game is expected, and though the outcome is of course not certain, Washington is well prepared and the visitors will have to play fast ball to carry off the game.

The game to-day will be called promptly at one o'clock in order to allow the Gallaudet team to catch the 4.30 boat.
