LOCAL MATTERS.

Notice to Our Readers.—You will find good live reading matter on every page of the TRANSCRIPT this morning except the last which is occupied by Medders & Co.'s big advertisement, and that is excellent reading for the purchasing public. We have been compelled to omit several columns of standing advertisements, but our good patrons will not suffer thereby. We shall take care of all of them and we hope that our patronage will continue to increase until we are compelled to add another column to each page of our paper. The people are appreciating the TRANSCRIPT as an advertising medium, and we shall do our best to push their interests to the limit.

Change of Schedule.—The Tolchester Company has an important change of schedule in this issue. See advertisement in another column.

Polys to Play.—The Washington College and Polytecnic Institute base ball teams will play on Washington Field this afternoon at 3 P. M. See the game. Washington will win to-day.

Grange Meeting.—The next meeting of the local Grange will be held next Tuesday afternoon at three o'clock in Fraternal Hall. A full attendance is desired.

Entertainment.—The teachers and pupils of Shrewsbury Academy, Galena, are preparing to give a fine entertainment on Thursday evening, April 23rd, for the benefit of the school library. Particulars will be given next week.

The Hynson Case.—In a recent appeal taken in the matter of the Hynson case on Tuesday, the Court of Appeals refused to revoke the letters of administration granted to Messrs Wickes and Beck until the case is settled by a jury in this circuit court. The case will come up for trial at the April term.

Broke Into Home.—The Baltimore American of Saturday gives the following account of the robbery of Mr. Owen C. Smith's store in Baltimore: "The United States Postoffice in the drug store of Dr. Owen C. Smith, 1501 North Fulton avenue, was entered by burglars early last Wednesday morning, while the family of Dr. Smith slumbered in apartments over the store, and $42 in cash was stolen from the postoffice. The intruders also took an over-coat which had been left lying in the dining room back of the store.

NEWSY BRIEFS.

*†*A thief stole a pocketbook containing six dollars from the home of Mrs. Mamie Dodd on Sunday evening.

*†*Mr. W. Irving Walker has sold his entire crop of corn as seed corn at $2.00 and $3.00 per bushel. Mr. Walker's corn was of superfineness.

*†*It is thought by some that the ice of Saturday morning and the heavy frost of Sunday morning damaged fruit and early vegetables to some extent.

*†*Contractors Duyer Bros. have begun the work of digging the cellar and laying the foundation for the new home of Mrs. A. E. Physick on Front street.

*†*Arbor day was appropriately observed by the schools throughout the county yesterday. Many trees were planted, and interesting exercises held.

*†*Mrs. J. L. Smith, of Millington, was a recent contestant in a contest given by the Gilbert Smith Piano Company, of Baltimore, in which she was awarded a credit of $71.00 on any new piano purchased of Gilbert Smith Piano Company.

*†*It was incorrectly stated in one of the local papers a week or so ago that Mr. J. A. Stauffer had purchased the dwelling house in church alley advertised at public sale. Mrs. Joseph N. Wheatley was the purchaser.

*†*Mr. Charles W. Kibler and three other gunners had good sport shooting ducks in Comegys' Bight on Mr. John G. Westcott's shore on Monday morning. Twenty-five ducks were killed, among them a number of fine black heads.

*†*The Ladies' Reading Club has recently added a number of new and poplua books to their library, which is growing rapidly in interest and popularity. It costs only 50 cents a year to become a member of the library, and the public should sustain heartily this noble work on the part of the ladies.

*†*Mrs. David A. Clark, a well-known reader of Baltimore, and Mrs. Howard Adams, the leading soprano singer of Brown Memorial Church, will give a recital in the auditorium of the Chestertown High School on the evening of May 5th, under the auspices of the Woman's Literary Club.

*†*There is a dangerous place in the railroad crossing over the road leading to Mr. John Gale Usilton's home near town. The feet of two children have recently been caught between the rail and board platform, and they have been extricated with much difficulty, one of them when the train was bearing down upon her. Be careful, children. The railroad company should look into the matter.

*†*Mr. Julian Brown experienced an exciting runaway accident on Monday afternoon. While on his way to Tolchester Beach driving a pair of spirited young horses the king bolt of his double tree broke causing both horses to run. Mr. Brown finally managed to get them under control when near the home of Mr. J. T. DeCorse, where he procured assistance and repairs, enabling him to continue on his journey.

Wedding Bells.

Volunteer Fire Comany.

A false alarm of fire was given on Thursday evening, and was responded to promptly by the volunteer fire company which did splendid work in extinguishing the "blaze" located in a stable in Smith's alley. Chief Cannon had his men thoroughly organized, and two excellent streams of water were played upon the building, besides the effective work of the bucket brigade. The supply of water was sufficient to throw a stream over the Voshell House, and it was all so real that one lady declared there was a fire because she could "smell the smoke." The company will be able to do excellent service in case of fire.

With Our Advertisers.

Read Owens & Co.'s Easter Offering. Take the little folks to see the display. Special sales next Thursday and Friday.

Abe Cohen, the Wanamaker of the district, has been ROBBED, robbed out of big margains and small sales. If you don't believe it read his advertisement on the editorial page this morning. Carpets, mattings, dry goods, shoes, seeds, farming implements—anything you need. He wants 200 dozen eggs every week, and pays top prices in cash, and 2 cents above marked price in trade. His prunes are fine.

Mr. James H. Shuster, proprietor of the new gent's furnishing and shoe store informs us that his FIRST DAY sales were beyond his expectations. Mr. Shuster has one of the most attractive stores in town, and his line of gent's furnishings and ladies' and men's shoes are unexcelled.

Messrs. Needles Bros. are still in line with beautiful and up-to-date styles for interior decoration. They have but recently papered the handsome residence of Mr. Thomas G. Wroth, and are now beautifying the home of Mr. Curtis Crane with handsome leather and crown effects.

Mr. Arlington L. Sparks has a beautiful EASTER display in millinery. His hats are charming and their style is the latest. Beautiful trimming effects, and all at popular prices. His big display windows are beautiful.

If you want to see a pretty line of gent's furnishings, etc., inspect the fine stock of Vansant & Newsome. This firm had a record breaking list of orders for their popular line of clothing, and they are right there with the stylish and nobby goods all the time. Remember their Crawford shoes, and get the latest mould in spring hats.

Look up Jefferson's advertisement. Jefferson has some good things for the Easter shoppers. Jefferson's shoes speak for themselves.

Alexander & Son, Rock Hall's big merchants, have a special Easter sale that means big bargains at little cost. They report big sales last Saturday as the result of their advertisement in the TRANSCRIPT, and what they have to sell today will certainly fetch them the trade. See advertisement.

Hague, Hackett & Turner, Still Pond's big hardware merchants, are offering *big discounts* on all their closing out sales. Just read their advertisement on editorial page and you will be convinced that there is a place where you can secure bargains.

Hotel Rigbie, one of the finest summer hotel in this section of county, and on one of the most beautiful locations on the Chesapeake Bay, is advertised by the owner, Mr. Howard Turner, at private sale. Mr. Turner is disposing of the hotel because its management conflicts with his other large business interests, and it presents one of the best opportunities for an enterprising hotel man to make a fine business venture. The hotel is practically new and splendidly furnished, and is ideally situated in one of Maryland's most picturesque summer resorts. It will prove a bargain to the right man.

Easter novelties at J. H. Sides large jewelry store.

Inspector-General Union Veteran Legion

Says: "I Can Recommend Peruna as a Safe and Reliable Medicine."

High Officials and Prominent Citizens

Give Unqualified Endorsement to Pe-ru-na.

No Medicine in the World Can Produce a More Impressive Array of Testimonials.

Every Testimonial Given in the Exact Words of the Testifier.

COL. HOMER RIGGS.

Col. Homer Riggs, Inspector General on the staff of the National Commander of the Union Veteran Legion, writes from the Pension Bureau, Washington, D. C., as follows:

"I thank you very much for calling my atttention to Peruna. It is a ***pleasant and effective tonic, cures and prevents colds and catarrhal affections, and also acts upon the liver.*** I can recommend it as a safe and reliable medicine."

Terrible Case of Indigestion.

Mr. Donald Robb, Jr., 16 Wrights Ave., Nova Scotia, Canada, Deputy Supreme Chief Ranger, Independent Order of Forresters, writes:

"While on a visit to Boston I must have eaten something that did not agree with my stomach, as a terrible case of *indigestion* followed. Peruna was recommended to me, and after using three bottles I was *entirely cured*. I therefore recommend Peruna to any one suffering with stomach trouble."

Every Trace of Catarrh Gone.

Mr. James P. Bracken, 610 Tenth Ave., New York City, N. Y., has occupied the office of Water Inspector of New York City for the past fifteen years. He carries on an extensive plumbing business at 610 Tenth Ave. He is Post Deputy of Grand Knights of Reigna Celia Council Knights of Columbus, N. Y. He writes as follows:

"For nearly a dozen years catarrh has bothered me in one form or another. I was troubled with ***nasal catarrh, that had affected my stomach,*** which troubled me most in the morning. My appetite was poor, and I did not seem to relish my food. Indigestion bothered me at times also.

"I was advised to take Peruna, and I took it as prescribed for a month, when my cure was almost complete. Today there is not a trace of catarrh in my system, and I can say without hesitation that ***Peruna cured me.***"

Agreeable and Effective Tonic.

Corporal John Finn, Washington, D. C., veteran soldier of the Civil War, a prominent Grand Army man and commander of the oldest post in the United States, John A. Rawlins Post No. 1, department of the Potomac, Grand Army of the Republic, writes:

"Peruna was recommended to me by many of my associates, and I have given it a fair trial. Have found it a most ***agreeable and effective tonic,*** pleasant, soothing, and leaves one free from the deleterious effects produced by the many nostrums now on the market. I have suffered from catarrhal afflictions the past winter, and have found Peruna most beneficial and commend it for what it has done for me."

Relieves Mind and Body.

Mr. G. W. Woodbury, Rogers, Ohio, formerly Captain and Center of the Hiram College Basket Ball Team, writes:

"When body and mind alike were weary and refused to work, a few doses of Peruna restored lost strength and invigorated quicker and more permanently than anything I know."

Unhesitatingly Recommends Pe-ru-na.

J. Edwin Browne, National Commander Army and Navy Union of U. S. A., 410 11th St., N. E. Washington, D. C., writes:

"I have no hesitation in endorsing your Peruna as a most ***efficient cure for catarrh.*** My own experience and that of many friends who have been benefited by its use recommend it to all persons suffering from that complaint."

Pe-ru-na Tablets.

For two years Dr. Hartman and his assistants have incessantly labored to create Peruna in tablet form, and their strenuous labors have just been crowned with success. People who object to liquid medicines can now secure Peruna tablets. These tablets represent the medicinal ingredients of Peruna, and each tablet is equivalent to one average dose.

The Family Relies on Pe-ru-na.

A. Howitt Nickerson, Captain U. S. Army, Adjutant General on General McCook's staff, writes from the Census Building, Washington, D. C., as follows:

"It affords me great pleasure to commend Peruna as a most excellent tonic with many medicinal qualities that assist nature in overcoming the various ills with which the human family is often afflicted, and is always in danger.

"As a general thing, I have been opposed to what are known as patent medicines, but Peruna has long since overcome this feeling. It is now, as it has been for a long time, a well-established family medicine with us, upon which we rely to give tired nature substantial restoration."
